Well, the summer festival this year..

You mean..
fireworks, right?

Yes, I have missed
is for 2 years.

A screenshot from a video game showing two female characters in traditional Japanese clothing. The character on the left has brown hair and wears a pink kimono with a white floral pattern and a wide grey obi. The character on the right has dark hair with bangs, wears a blue kimono with a white floral pattern and a wide grey obi, and has a white and red decorative hairpiece. They are standing in a city street at night with various signs and lights in the background. A speech bubble is positioned above the character on the right.

Since the pandemic
broke out, not even
a festival could be held.

I hope this is the mark for a new star..

Ladies? Going to the festival?

May I accompany with you to there?

Uhm.. We are fine.

And it's not comfortable to go with stranger.

Now now, don't be shy, you two.

A woman with short brown hair and a flower in it, wearing a pink floral kimono with a white sash, stands on a Japanese street at night. She is looking towards the camera with a slightly concerned expression. To her right, the lower half of a man in a purple shirt and grey trousers is visible. In the background, there are various signs, including a 'NO LITTER' sign and a red sign with white Japanese characters. A speech bubble is positioned to the left of the woman.

A photograph showing a woman lying on a stretcher. Her face is severely crushed and unrecognizable. She is wearing a red top. The scene is indoors, possibly a hospital or emergency room, with blue metal frames and a sign with the number '45' visible in the background. Two speech bubbles are overlaid on the image, containing text.

Who's the victim?

Her face was crushed, we couldn't identify yet.

Report onto..
Wait.. What
is that..?

Another chaos will happen here in few more hours..

N-No!! Monster!!
S-Stay back!!

Hah.. These
curoosity people..

Then why do we bother to go back in time and save those human?

Look, if we don't, it will affect our world as well.

Hey, aren't you drinking milk sold by those "human"?

Grr.. I was thirsty, got it?

Let's go get the job done, Sis!

"We used magic to blend in with people around here for the job."

"And with my brother always hate human.."

"But.. This one should be different. Finished before that time."

Later on..
At Mitsuki's house.

How do you see
me in this outfit?

A bit.. too short, right?

Color is fine, but yes, it was short.

You can't come with me, Sis?

Well, I have late-shift tonight so..

And speaking
the devil, duty calls.

Yes, I already told you.

You will go with Hanako, yes?

What.. are you talking about..

Then, the time order still fine.

It's mean "stay still", you human.

The plan still go
as usual..

Ay! At least we didn't freak them out.

By the way, why do you hate human so much?

I know.. they caused
a lot and it's affect
our own world..

Their ignorance
and greed..

It made me
sick to the head.

But not all human are ignorance and greed, right?

I always wanted
you to open your
eyes wide, Sis..

You never answer
me this question..

..the reason why
you want to kill
the bad seed.

Aren't we Demon
ourselves? We
should eliminate
those "good human".

Sorry, I'm late, Mitsuki!

Ah.. Who are you..?

Wha..!?! I
can't move..

Why Demon
always the
bad guys?

A 3D rendered female figure is shown in a dynamic, athletic pose, leaning forward with her right leg extended and her left leg bent. She is wearing a dark, striped bikini top. The figure is rendered with smooth, realistic skin and is set against a plain, light gray background. A speech bubble is positioned near the top of the figure, containing the text "Why can't I be different?". The overall style is that of a high-quality digital illustration or animation.

Why can't I
be different?

Can't Demon have their own freedom of choices?

I simply don't
want a boring
life as a Demon.

You don't want
to continue with
me, you can leave.

"Yeah.. well..
Can't even argue
with my Sis."

"I could leave..
but not without her."

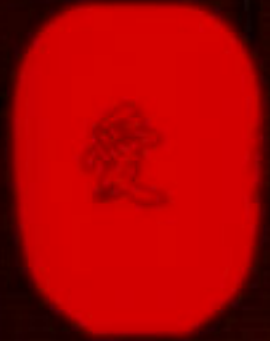

"Tch.. She was right.. Demon life still the same through generation."

May I accompany ladies to the festival?

Ah, my friends are here.

We will go with
you, no need
to accompany us.

There's still time until the festival star, right Mitsuki?

Yes, Hanako.
Lead us, please.

Oh, haha, a nice and cozy room.

So what do you
want us to do
in here?

A ritual to summon Devil, but I will need a body for it.

A close-up, medium shot of a woman with short, dark hair and red lipstick. She is wearing a blue, semi-transparent top with a white floral pattern and a small necklace with a square pendant. Her right hand is raised to her chest, with her fingers slightly curled. A speech bubble is positioned to her left, containing the text "Oh? I love Devil, too. May I..". To the far left, the back of another person's shoulder and arm, wearing a pink floral top, is partially visible. The background is dark and out of focus.

Oh? I love Devil,
too. May I..

..be the host
for the ritual?

Hey girl, since you are free, how about I make you occupied, hm?

A close-up, high-resolution image of a character's face. The character has long, straight, light brown hair with bangs. Her eyes are a vibrant, glowing purple color. She has a slight, enigmatic smile. Her skin is pale and has a soft, realistic texture. In the top right corner, there are decorative hair ornaments, including a black circular piece with a grid pattern and orange flower-like accents. A white speech bubble with a purple border is positioned in the lower-left area of the frame, containing purple text. The background is dark and out of focus.

Of course, I
will keep you
occupy, too.
