

GOOD EVENING, THE  
TOP STORY TONIGHT - A NEW  
VIRUS IS SWEEPING THE GLOBE  
LEAVING DISASTER IN  
ITS WAKE.

THIS IS THE FIRST VIRAL  
OUTBREAK OF THIS SCALE SINCE  
COVID-19 WAS STOPPED IN ITS TRACKS  
BY THE ANTIBODY-LADEN METEOROID  
THAT SLAMMED INTO THE WEST COAST  
EARLIER THIS YEAR.

MORE ON THE ONGOING  
WAR AGAINST THE SO CALLED  
"ZOMBIES" ALSO UNLEASHED BY  
THAT IMPACT LATER IN THE  
SHOW.

BUT FIRST - THE  
POLYMORPHIC VIRUS  
BE-8008, NAMED IN  
MEMORY OF ITS DISCOVERER  
DR. 'JANE MCOBYIOUSPUN'.

WE'LL START WITH AN IN-DEPTH  
SUMMARY OF THE DISEASE THAT  
HAS INFECTED MILLIONS IN A  
MATTER OF WEEKS.

BE-8008 IS A RESPIRATORY TRANSMISSIBLE DISEASE THAT ACCORDING TO SCIENTISTS IS SPREAD BY, AND I QUOTE: "THOUGHTLESS ASSHOLES."

AH-CHOO!

EW! EWEWEW!

THE FIRST SYMPTOM ACCORDING TO MANY REPORTS IS A "STRONG DESIRE TO EAT PRE-NAZI GERMAN STRUDEL".

MMM!  
AWMNOM!

OH GOD IT  
TASTES LIKE A  
SIMPLER TIME!

...CH  
HOME

THE SECOND SYMPTOM INVOLVES  
VIOLENT BOWEL MOVEMENTS, LIKELY  
BROUGHT ON BY CONSUMING  
DECADES OLD PASTRY.

ARRRGH!

MY SPHINCTER IS  
GOING THROUGH ITS  
OWN *BLITZKRIEG!*

IN THE FOLLOWING  
DAYS THE INFECTED  
INDIVIDUAL...

WAIT, THIS  
CAN'T BE  
RIGHT.

CAN WE GET A  
FACT-CHECKER ON  
THIS PLEASE?

I'M BEING TOLD TO  
MOVE FORWARD.

OKAY. UH...

IN THE FOLLOWING DAYS THE  
INFECTED INDIVIDUAL EXPERIENCES  
INCREASED SENSITIVITY IN THEIR  
MAMMARY GLANDS.

THIS TRAIT HAS  
DISPROPORTIONATELY  
BEEN FOUND TO OCCUR  
IN FEMALES.

HMM, YOU GIRLS  
ARE LITTLE ATTENTION  
SEEKERS TODAY  
AREN'T YOU?

AS THE DISEASE PROGRESSES,  
SUFFERERS MAY FIND BLOATING,  
AGAIN IN THE CASE OF WOMEN  
AROUND THE MAMMARY GLANDS.

GEEZ I SWEAR  
THIS DRESS USED  
TO BE LESS  
SNUG.

BE DAMNED IF IT  
ISN'T SITTING WELL  
THOUGH!

IF LEFT UNTREATED  
THIS BLOATING HAS BEEN  
SHOWN TO CONTINUE.

THIS... ISN'T  
NORMAL RIGHT?

SHOULD I SEE  
A DOCTOR?

NO, NO - I THINK  
IT'S IMPORTANT WE  
SEE HOW THIS  
PLAYS OUT.

**BIZARRELY ENOUGH, AFTER THE INITIAL SHOCK HAS WORN OFF, THERE ARE CASES OF WOMEN ACTUALLY... ENJOYING THIS CHANGE.**

**YES!!**

**THIS IS DEFINITELY BIGGER THAN LAST NIGHT!**

MANY WHO GO THROUGH THIS PROCESS HAVE REPORTED FINDING A SHIFT IN THEIR PRIORITIES AND SOCIAL BEHAVIOR.

HOW'D YA LIKE ME NOW, ZOOM COLLEAGUES!?

KAREN, PLEASE. THIS IS A BOARD MEETING.

FOR MOST, THREE WEEKS IS ALL THAT IS REQUIRED FOR THE INFECTION TO RUN ITS COURSE.

AFTER WHICH THE BODY BEGINS TO PRODUCE WHAT SCIENTISTS ARE REFERRING TO AS "ENOUGH OF THIS BULLSHIT" ANTIBODIES.

HOWEVER, FOR REASONS NOT YET ASCERTAINED, IN CERTAIN INDIVIDUALS THE GROWTH MAY CONTINUE UNABATED.

OKAY GIRLS, THIS WAS FUN FOR A WHILE, BUT SERIOUSLY.

I CAN'T WALK FOR MORE THAN TEN MINUTES WITHOUT HAVING TO REST MY BACK.

AND, SURE, THE NEW ATTENTION IS FUN, BUT IT DOESN'T EXACTLY BRING OUT THE BEST IN PEOPLE.

FOR THE UNFORTUNATE FEMALES WHO DO NOT DEVELOP ANTIBODIES AT ALL...

FOR 8/10 THE VIRUS IRRITATES THE DRAMATICALLY ENGORGED BREAST TISSUE TO PRODUCE MILK, A PROCESS SIMILAR TO LACTATING.

THIS IS WEIRD, RIGHT? A VIRUS SHOULDN'T DO THIS, RIGHT?!

THIS RESULTS IN THE INFECTED INDIVIDUAL PRODUCING ON AVERAGE ONE QUART OF HIGHLY CONTAMINATED MILK PER DAY.

WHICH ALL LEADS CREDECE TO  
THE ONGOING THEORY DEVELOPED IN  
2020 THAT GOD IS NEITHER MISSING  
NOR DEAD, BUT RATHER AN ILLITERATE  
HORNY TEENAGER.

MOVING ON, WE NOW  
HAVE THE WEATHER WITH  
TERRANCE...

WORLD TODAY

AH-CHOO!

TV 3

OH FUCK YOU  
TERRANCE, YOU  
INCONSIDERATE  
ASSHOLE.

WORLD TODAY

AND SOMEBODY GET  
ME A GOD-DAMNED  
STRUDEL!
