

Chapter 37 - Wild sex in the alley.

When we saw the woman looking at us with a smile, I slowly pulled my dick out of Aisha's pussy. However, she held onto me. "Hey, don't worry about her, let's continue. Hey, get out of here before I get angry!" Aisha shouted at the girl.

It was the same girl I had seen before. Young and cute girl. She was also an Amazoness like Aisha, but they were very different. Aisha was very mature and couldn't be compared to that girl.

"Why don't you let me join in?" the girl said, pouting. I was incredulous when I heard her. "Why do you want him all to yourself?" The girl walked closer.

Then she squatted down and placed her hands on her chin, looking at my dick and Aisha's pussy.

"Wow, what a mess..." she said. "I feel aroused just looking at this. Aisha, can't I use his dick? Please." The girl said with sparkling eyes.

Aisha looked into my eyes, waiting for me to say something. I shrugged and stayed silent. Aisha let out a long sigh and then released me. Her skirt remained lifted so I could see everything.

My cum was still dripping out of her pussy and running down her leg.

"Do you want to do this?" Aisha asked.

[Aisha Belka's percentage increased!]

A notification then appeared above Aisha's head. Her percentage went up, now it's at 43%!

But why did the percentage go up? Does she want to see me having sex with someone?

"I don't mind, but what do you think?" Hearing me, the girl stood up and grabbed my arm.

"So you want to have sex with me!" she shouted, not caring if anyone heard.

"Hey, keep it down," Aisha said. "Someone might hear us."

"Don't worry, there's no one around. So, let's do it!" The girl shook her short black hair, and an aroma reached my nose. She smelled really good.

Then she pulled down her shorts and took them off. She wasn't wearing panties.

Her thighs were thick despite her short and petite stature. Her skin was as tanned as Aisha's, but her breasts were small.

Aisha stared at her in disbelief and then looked at me. "Treat her gently. She's too small to handle this monster." Aisha held my dick. "Hey, Tati, come over here. You know how to suck this, right?"

"Of course I do!"

"Hmm, last time you said a client complained because you hurt his dick. Are you sure you know how to suck?" Aisha started to laugh.

'So this girl's name is Tati. I had never heard of her before. What a strange name.'

But that doesn't matter.

Aisha taught the girl how to suck my dick, and then I fucked Tati just like I did with Aisha. I put her against the wall and fucked her with all my strength, making Tati lose consciousness.

Aisha, watching everything, kept hugging me from behind.

She tried to touch my ass, but I didn't let her do that.

It took almost two hours before we left the alley.

Did anyone see us?

####

When we left the alley, I had 24 points. I gained 5 points for completing the weekly mission and also one point each time I made one of them cum.

Altogether, they orgasmed ten times. Aisha orgasmed six times and Tati four times.

We were walking together. I was next to Aisha, and Aisha was carrying Tati in her arms. It was too much for her; she couldn't handle it. Tati went crazy and then lost consciousness.

Aisha found this exciting. She liked it so much that her percentage went from 50% to 52%! That's a very high percentage. But even surpassing 50%, nothing changed.

I wanted to get a bonus.

"Are you going to the dungeon today?"

"No. And... weren't we going to have lunch together?"

"Oh, that's right! But are you sure you're not busy?"

"No, let's have lunch together."

"Then wait for me here. I'll take Tati home, and then I'll return, okay?"

"Sure, I'll wait for you here."

Aisha hurried her steps to take Tati home, and I sighed.

'After lunch, I'll go to a library to see how to make copies of the volume one of Re: Zero. After that, I'll go to Welf's store for a new weapon.'

Aisha returned sometime later. I had no money, but she said she would pay, and I accepted. So, we went to a restaurant.

It was a small restaurant with just a counter and a few stools. It looked like a ramen restaurant. As soon as we sat down, an old woman served us.

Aisha started to eat in silence. She seemed happy.

"Aisha, are you still working?"

"As a prostitute?"

"Yes."

"No, I'm not. I talked to the Goddess Ishtar about it, and she allowed me to take a break from the job."

"I'm surprised the Goddess allowed it."

"..."

"But I'm glad you're not working as a prostitute anymore."

"Hm? What's this? Were you jealous?" Aisha asked.

"It's not that I'm jealous... I find it annoying to imagine the woman I had sex with having sex with other men."

"You're not the first to tell me this." Aisha gave a teasing smile. "But that's cute. You didn't seem like the kind of guy who cared about that."

"Forget everything I said."

"What's wrong? That was cute! Come on, don't be embarrassed."

I stayed silent.

When we finished eating, a notification came, and Aisha's percentage increased by 2%. Now it's at 54%. Now that the percentage is so high, I don't have to worry about it dropping to 0.

"See you later, Aisha."

"See you later, Luan. Have a good day."

Aisha said goodbye to me and walked away. I looked at her back and let out a long sigh.

'But even though the percentage is high now, I don't want to go too long without talking to her. She wasn't even a character I liked that much, but I'm starting to like her a lot.'
