"Hah... I climaxed a lot with her..."

I wanted to do more than just masturbate...

An endless fun to
be inside these young
girls or even woman.

Well, I may have to switch to others...

However, this one
is special to me...

...I like being inside her, what about you?

This is me, and I'm enjoying my new life with new ability.

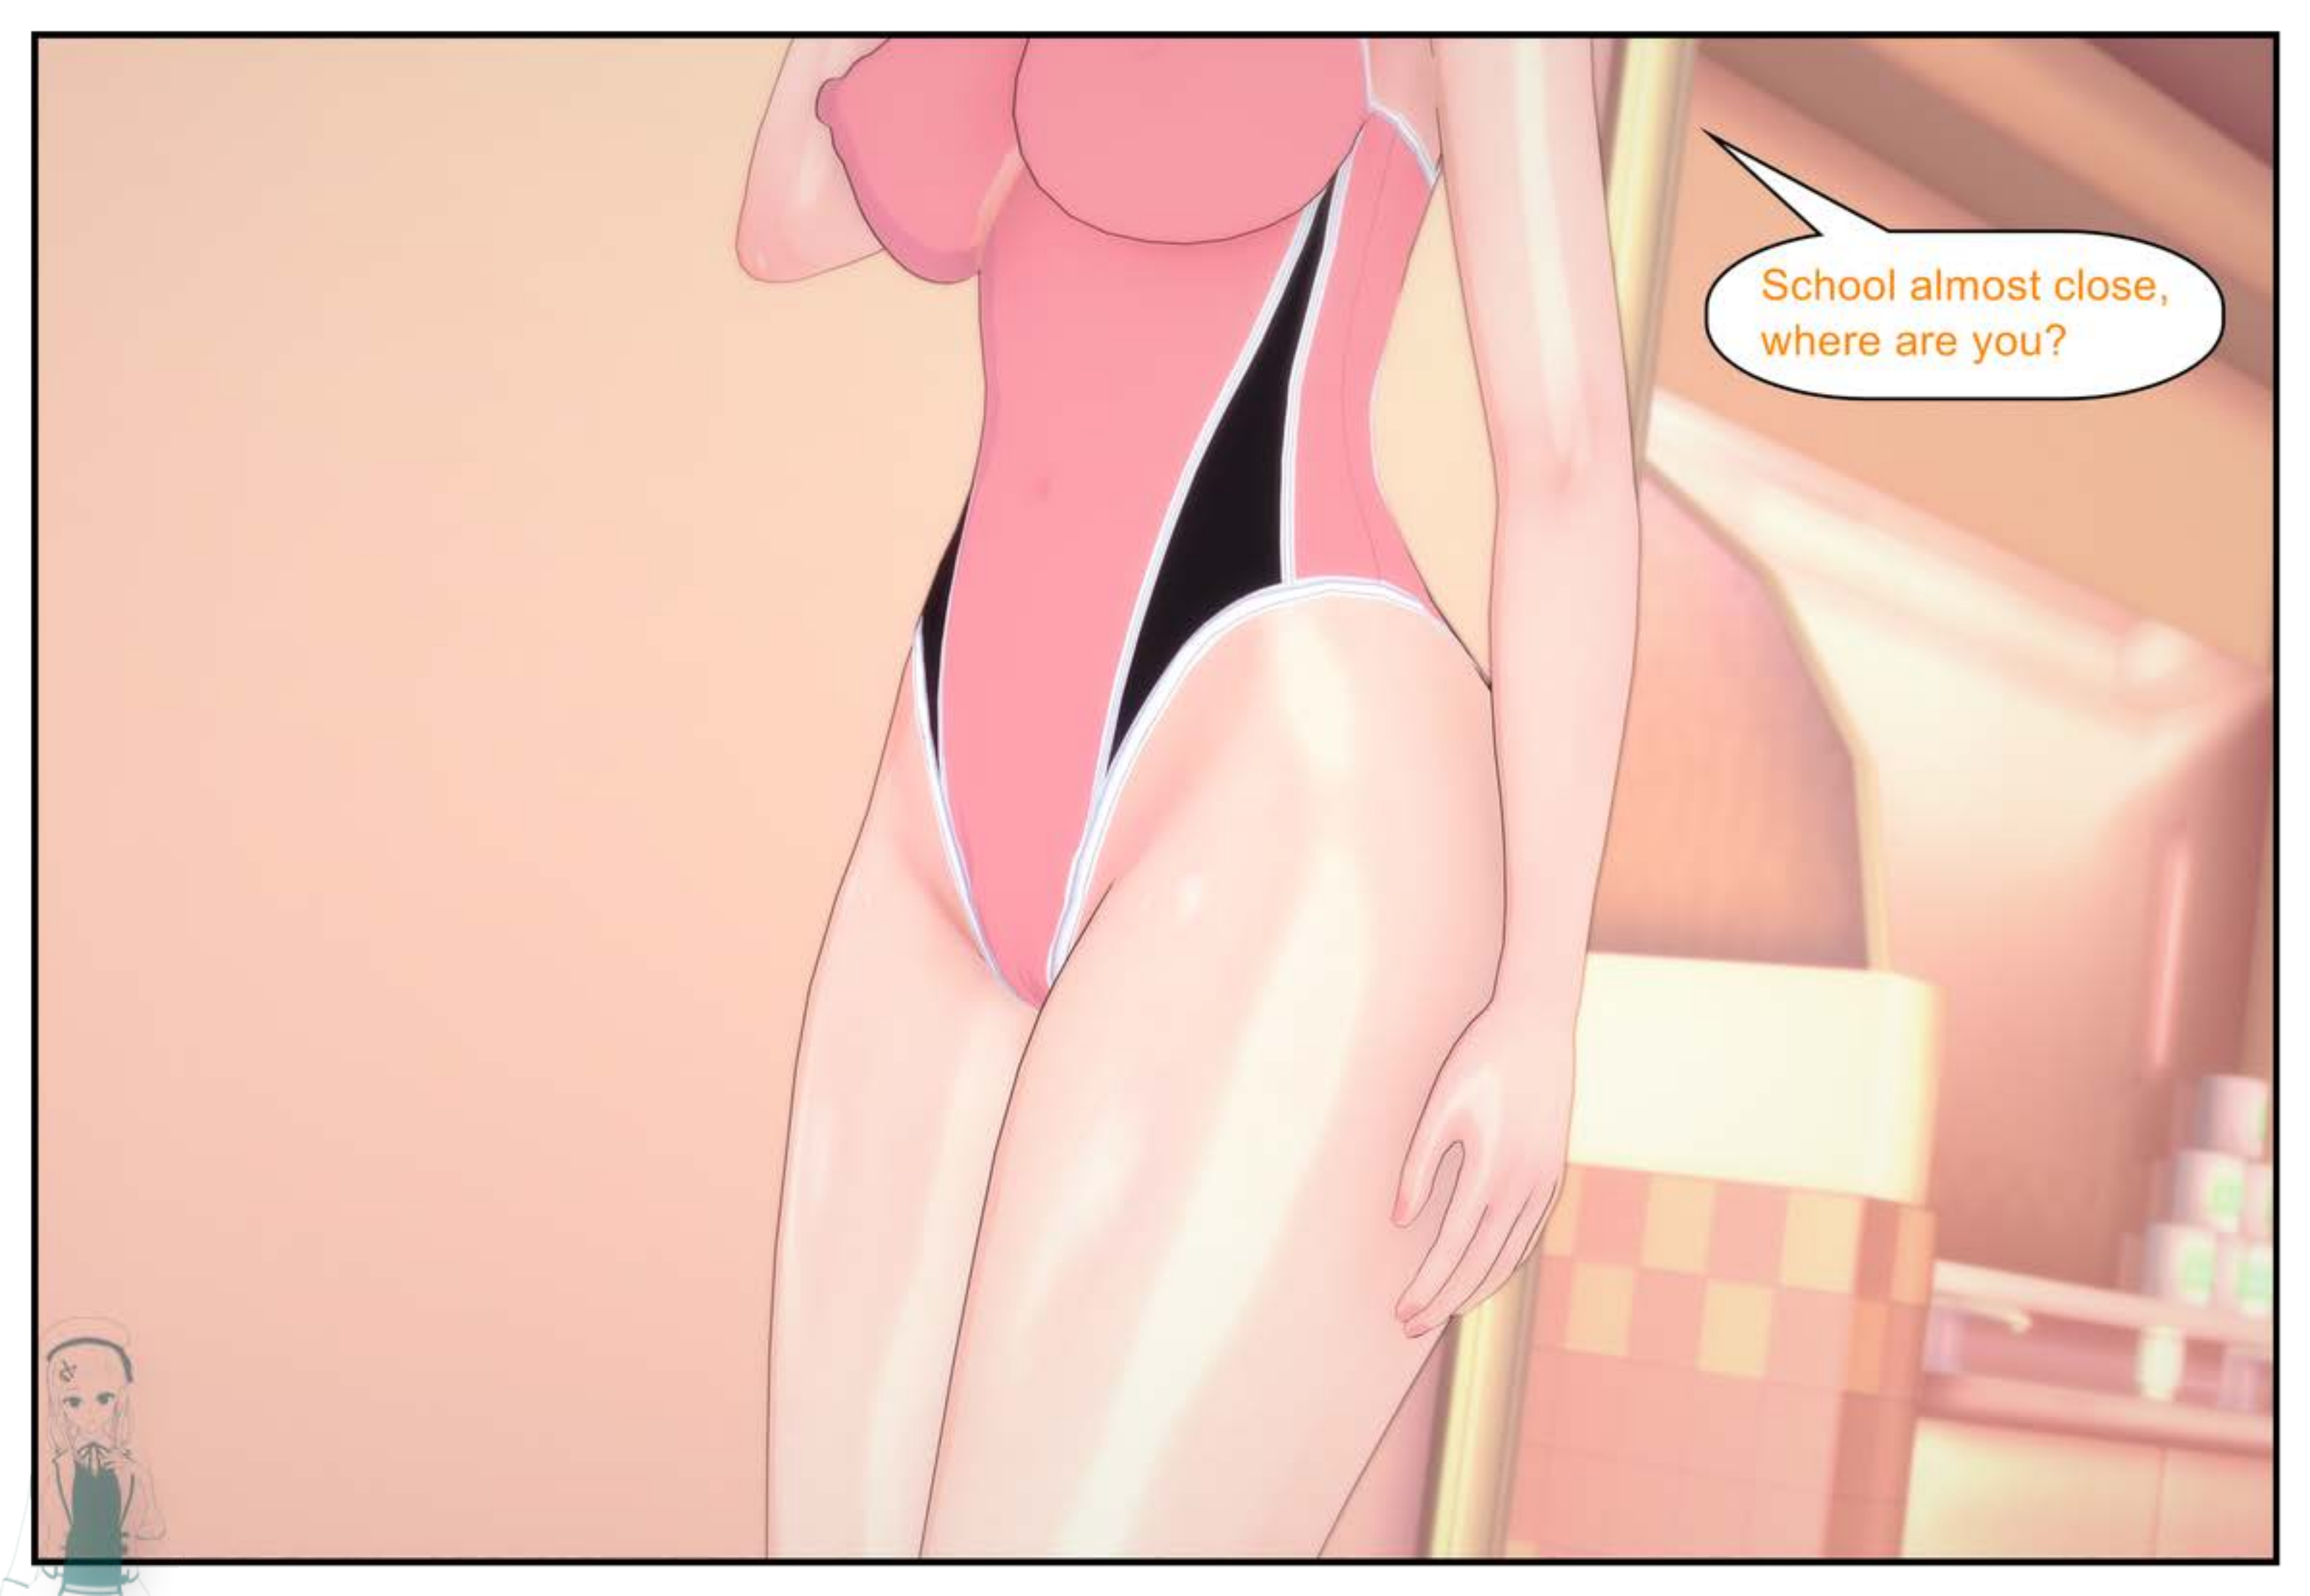

I finally realized...
that this is my reason
to live.

Kanna? Are you
in there?

A woman with long blonde hair is shown from the waist down, wearing a red bikini with black and white trim. She is standing in a kitchen, with a yellow and orange checkered chair back visible behind her. The background is a warm, orange-toned kitchen with a counter and some items on it. A speech bubble is positioned to the right of her head.

School almost close,
where are you?

"Oh? It's her friend...
She also possess a
good shape."

"Hm... A bit of hard decision..."

"I could wait for her to come to this toilet room and then..."

"But... I don't want
to let this body go waste."

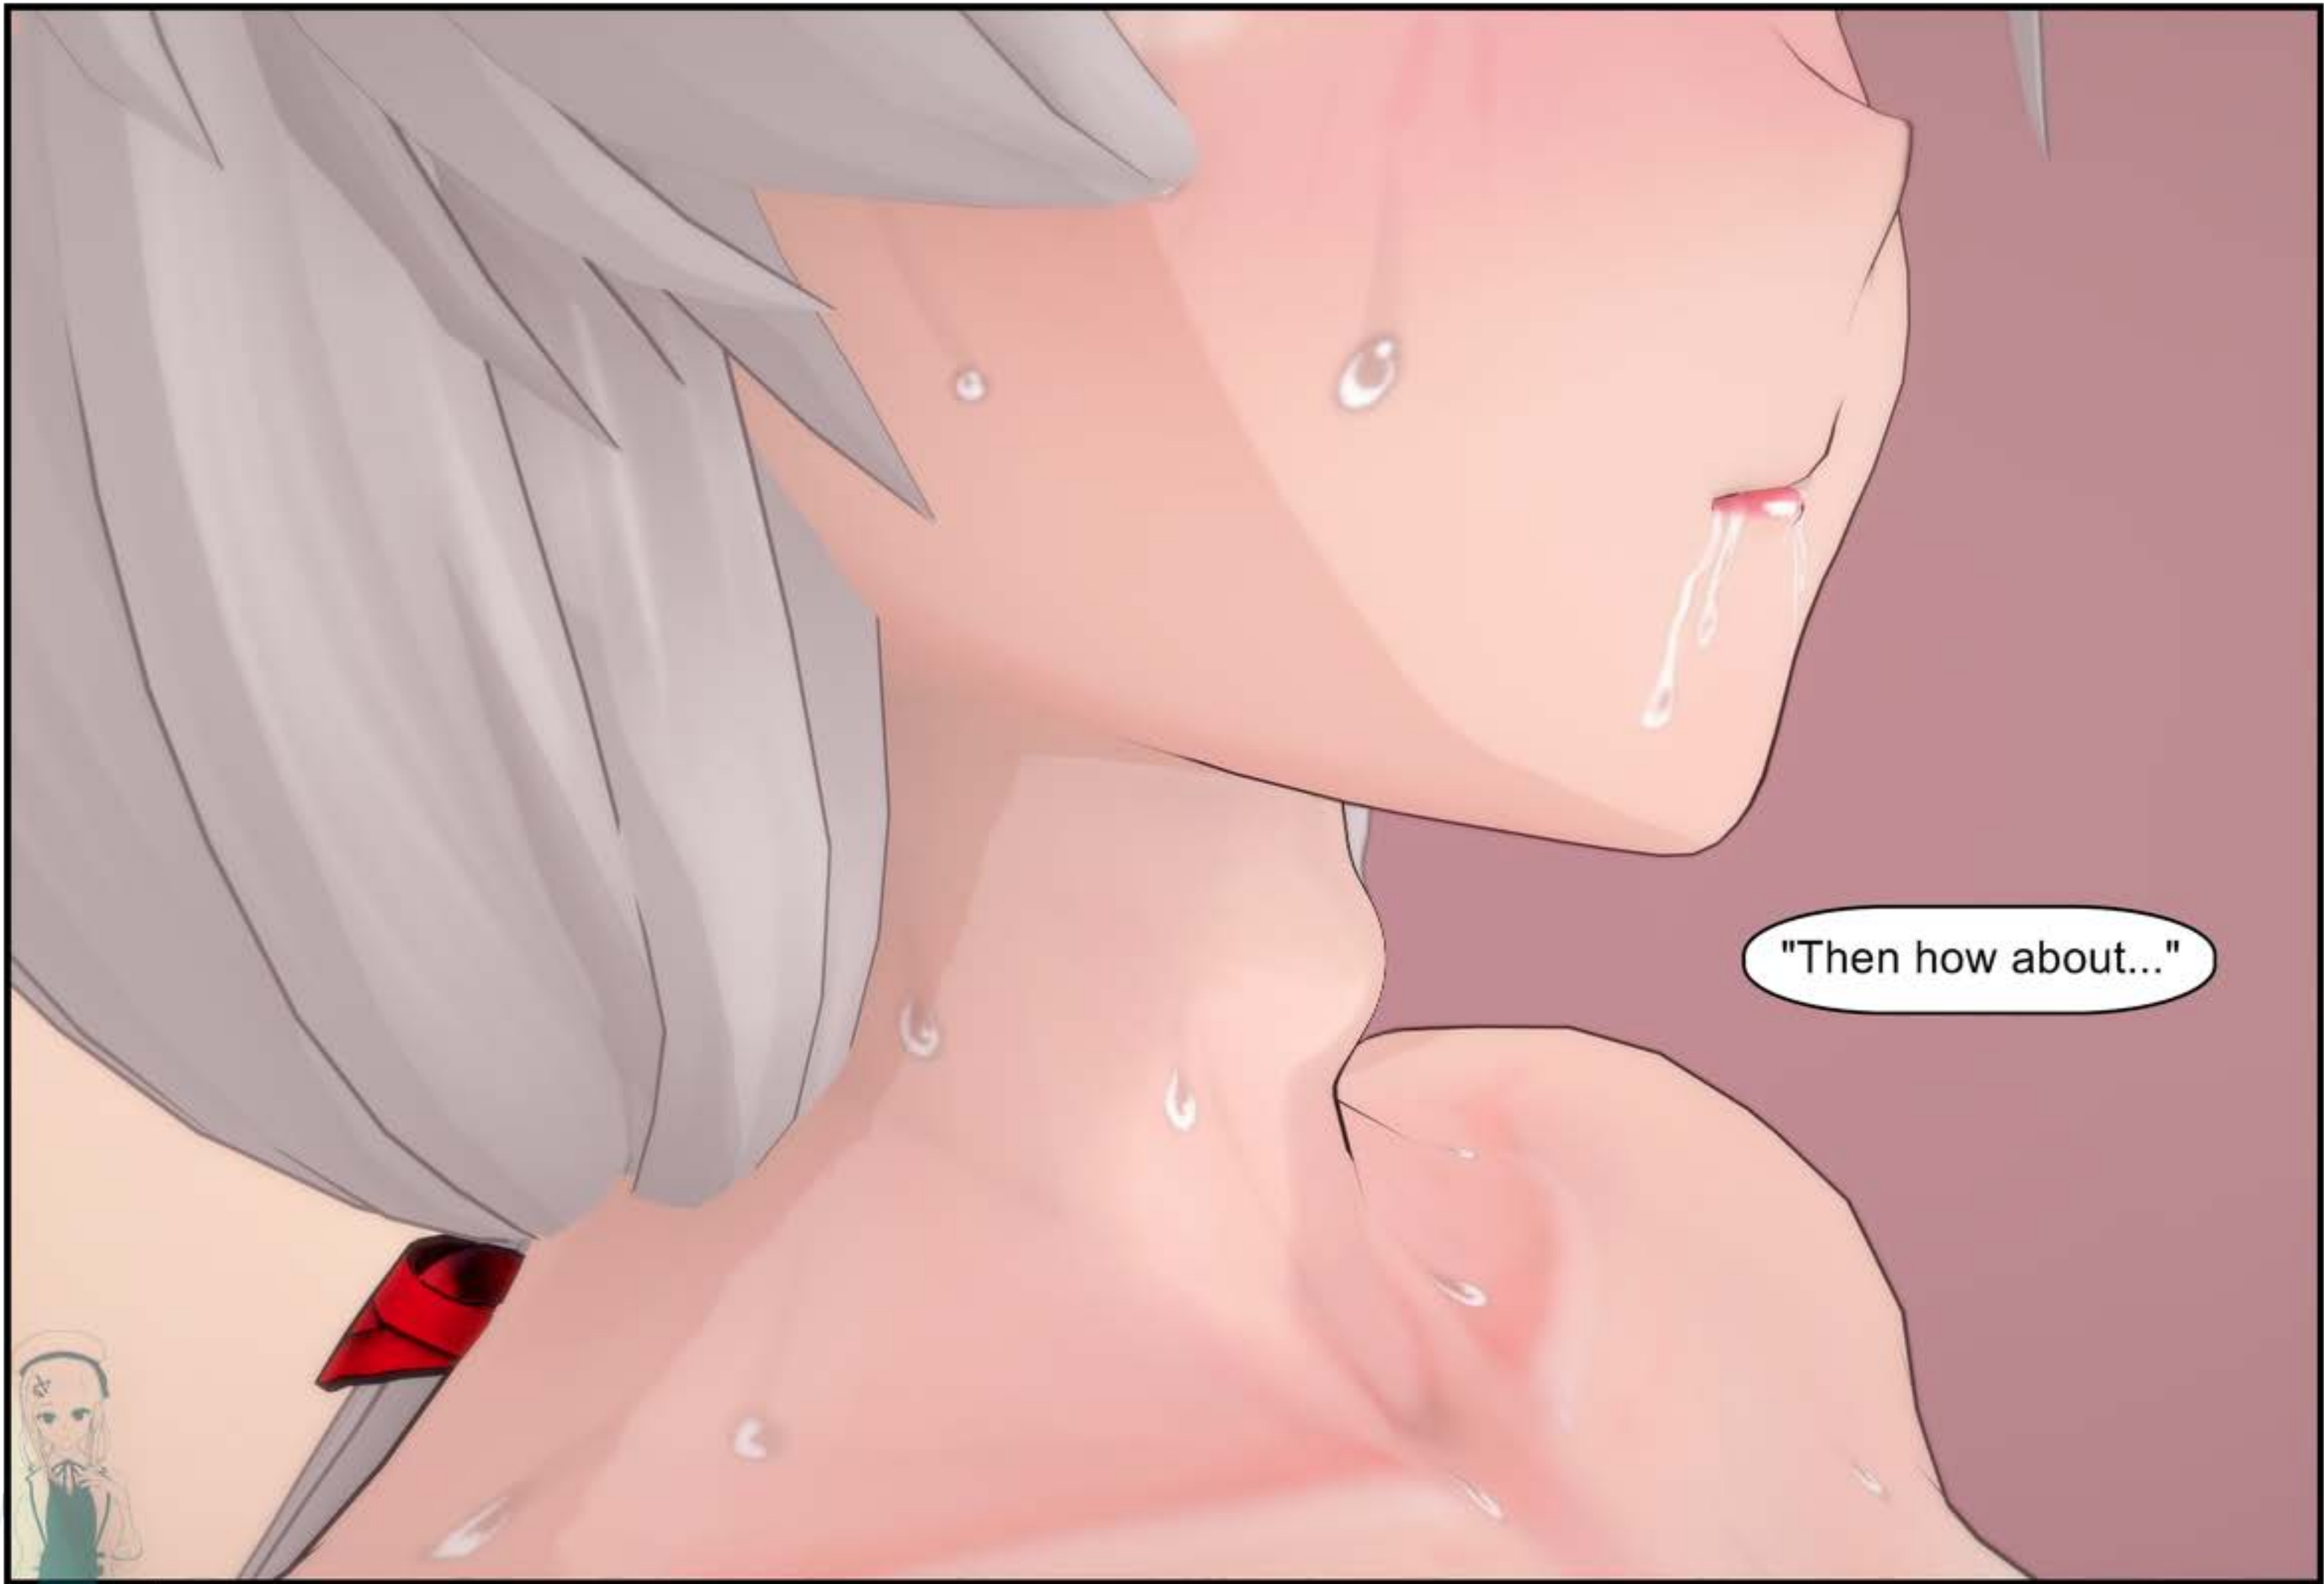

"Hehe... I have an idea."

"If I only from one
to another myself,
it would be boring."

"Then how about..."

"...I take other body while inside this one?"

Are you looking for me, Shino?

Sorry sorry, it was my stomach...

Ah! Did you know how long I waited in the pool!?

Was it that serious?
You are sweating
a lot, Kanna.

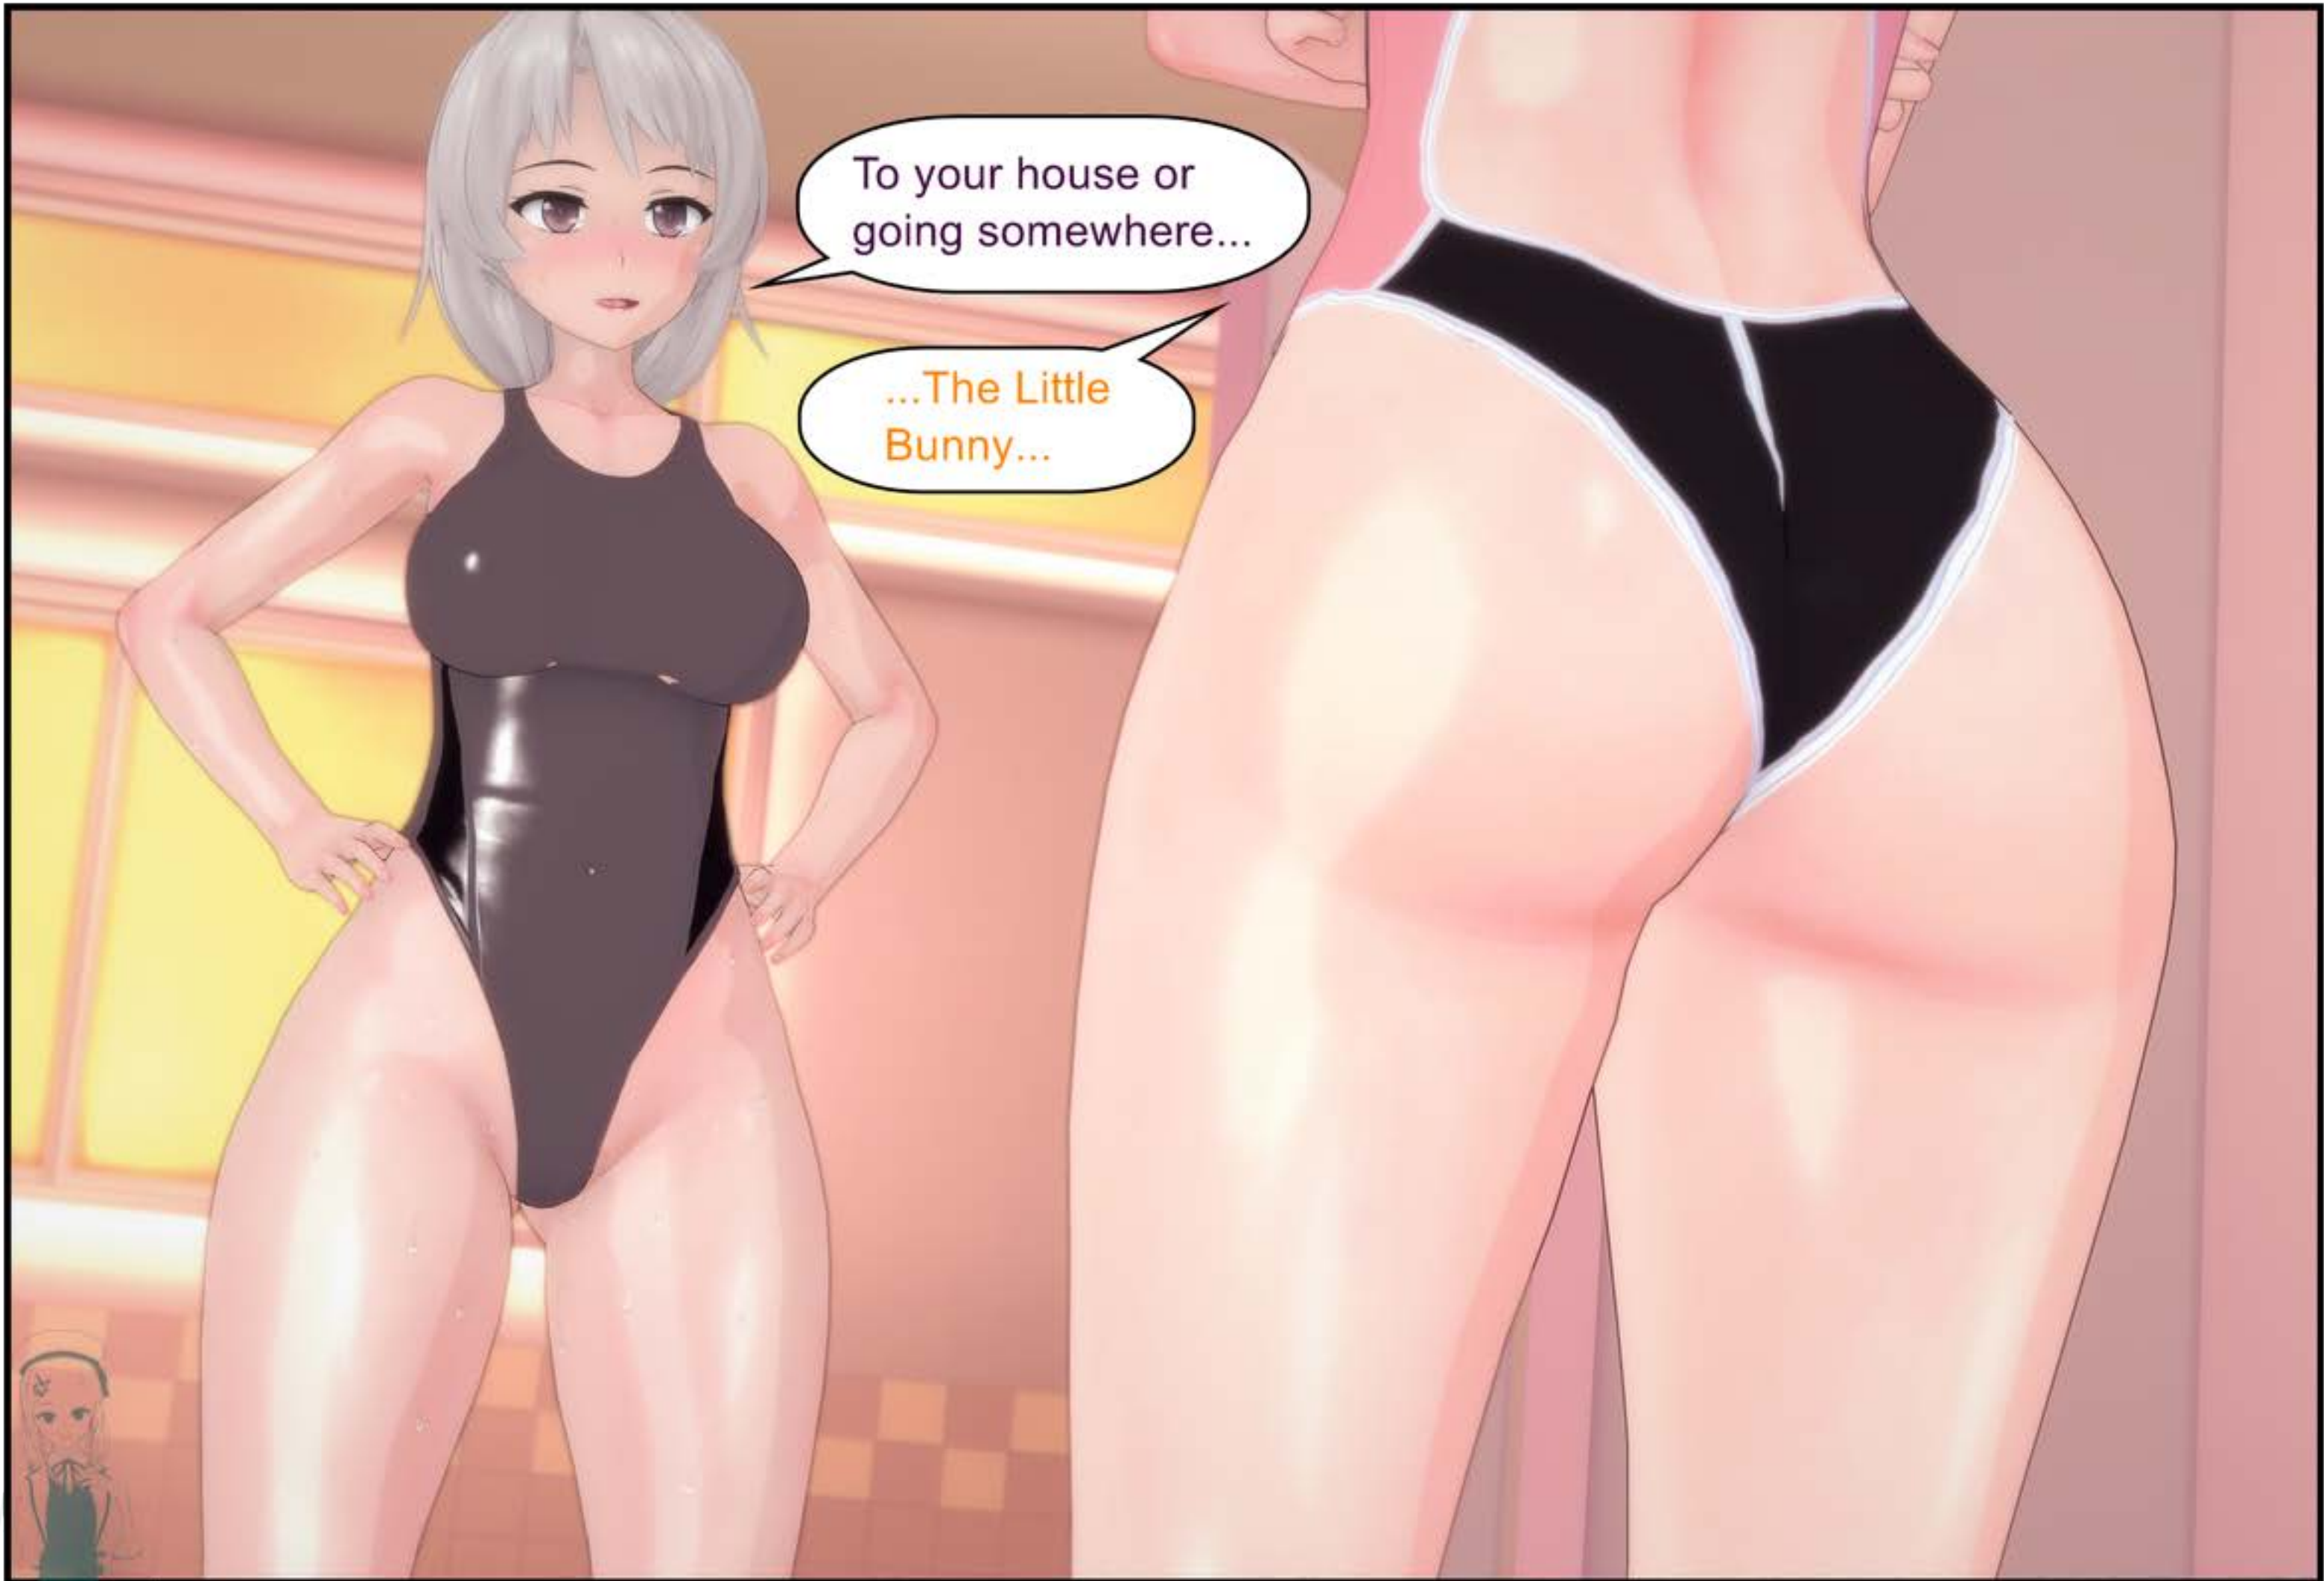

W-Well, maybe I
ate bad stuff this morning.

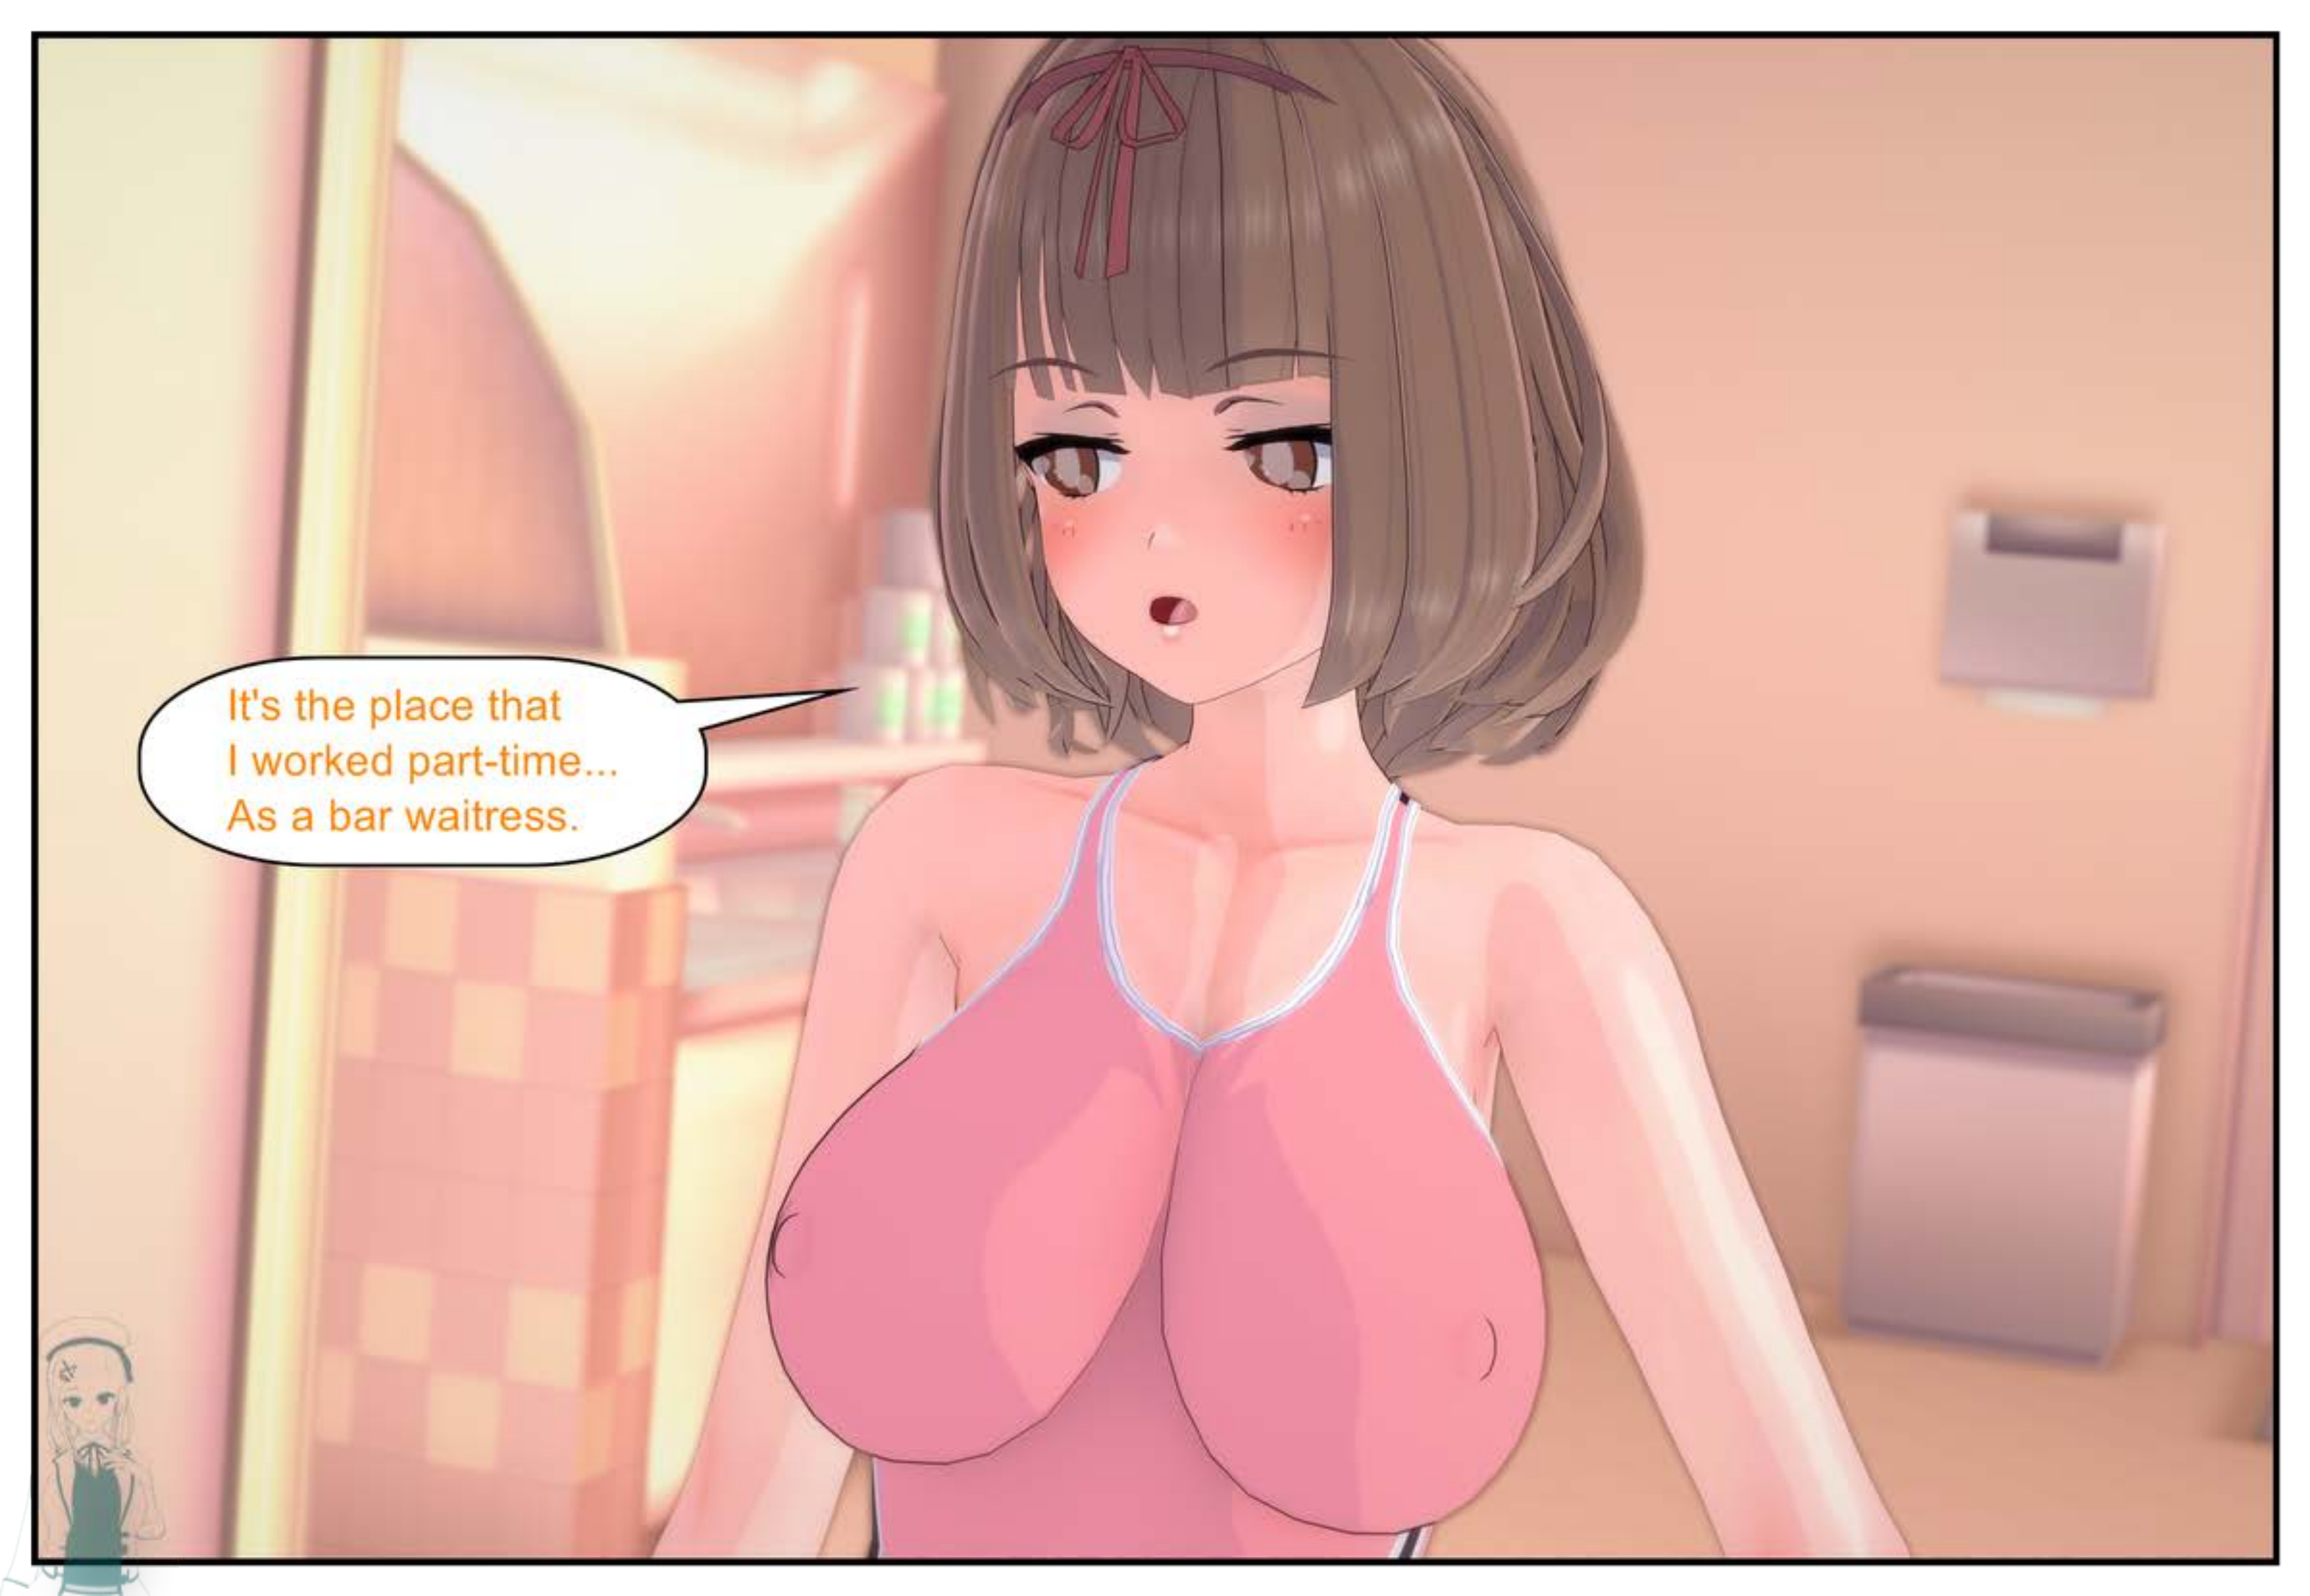

So... do you want me
to repay you for having
you waited?

To your house or
going somewhere...

...The Little
Bunny...

It's the place that
I worked part-time...
As a bar waitress.

We will ask the other two to come later on.

Sound perfect...

Maybe I will sign up and work there with you, too.

They require a lot
for a person to be
a waitress...

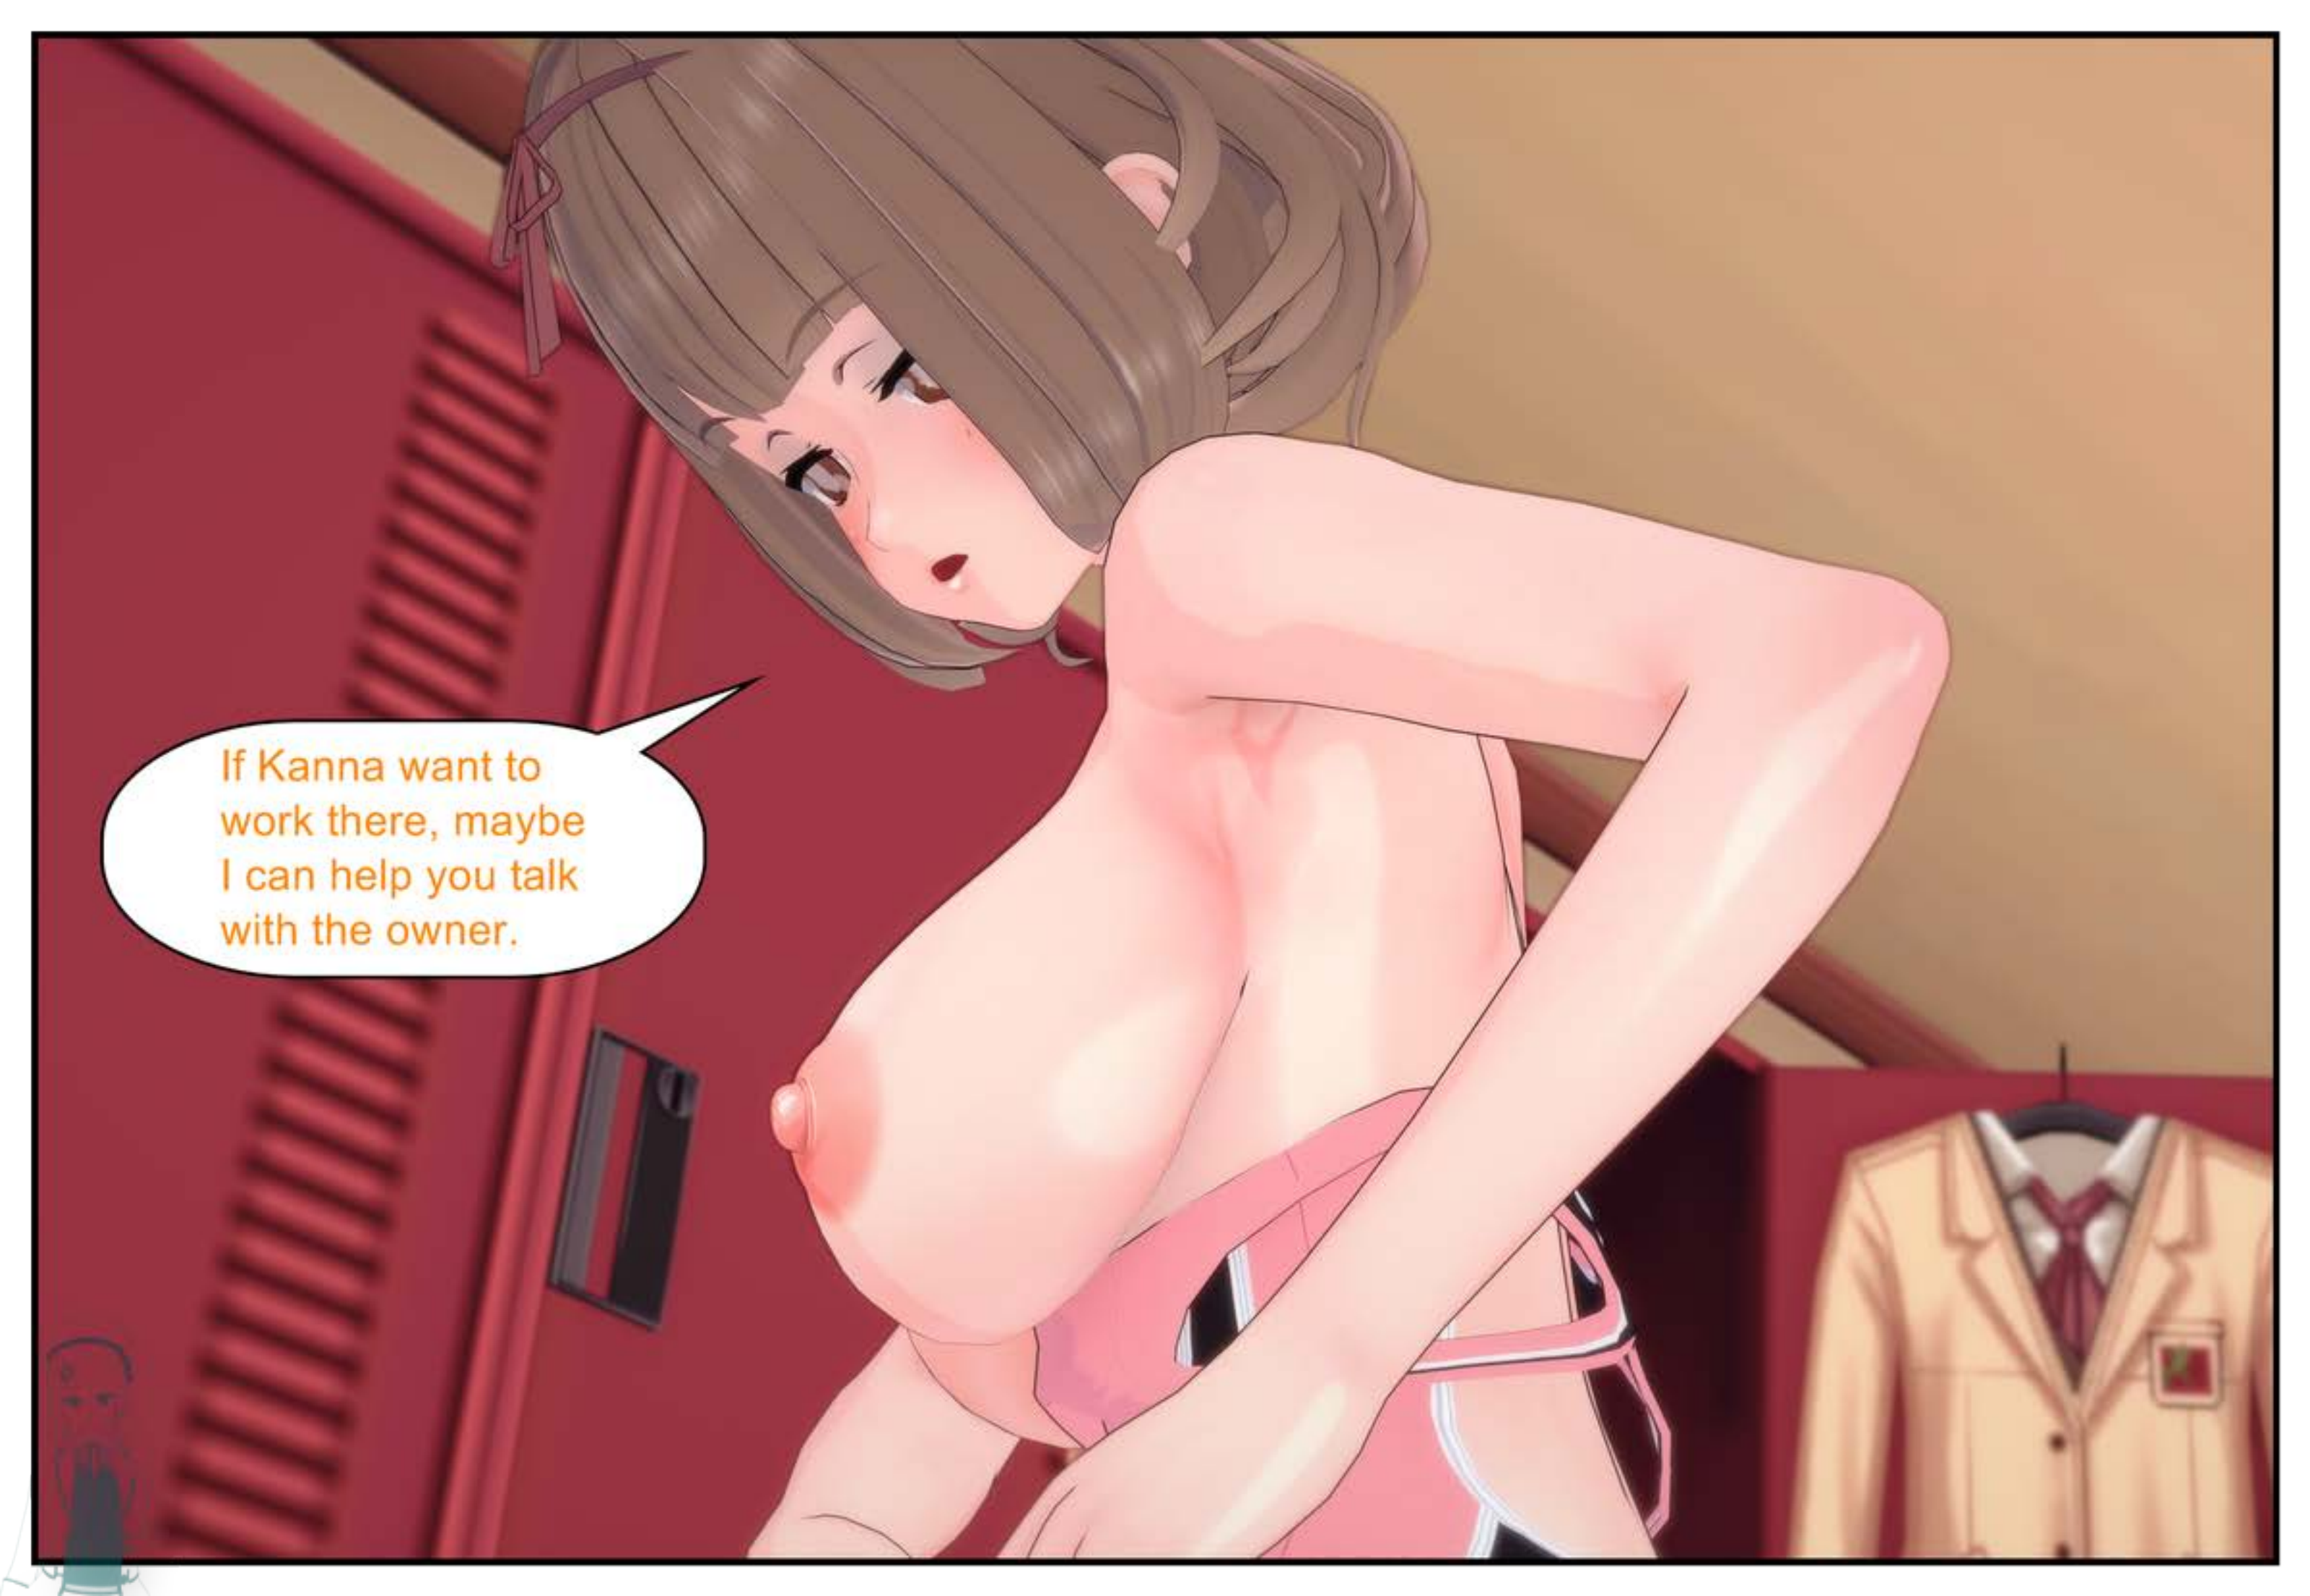

At the Little Bunny?
A good body shape?

Also, your dedication
and motivation.

Heh...? Is
that so...

If Kanna want to work there, maybe I can help you talk with the owner.

Yes, that's very kind of you, Shino.

K-Kanna...!? What are you doing!?

I thought about
another option...

We will "work together", Shino.

What is wrong with you, Kanna!? You are very weird!

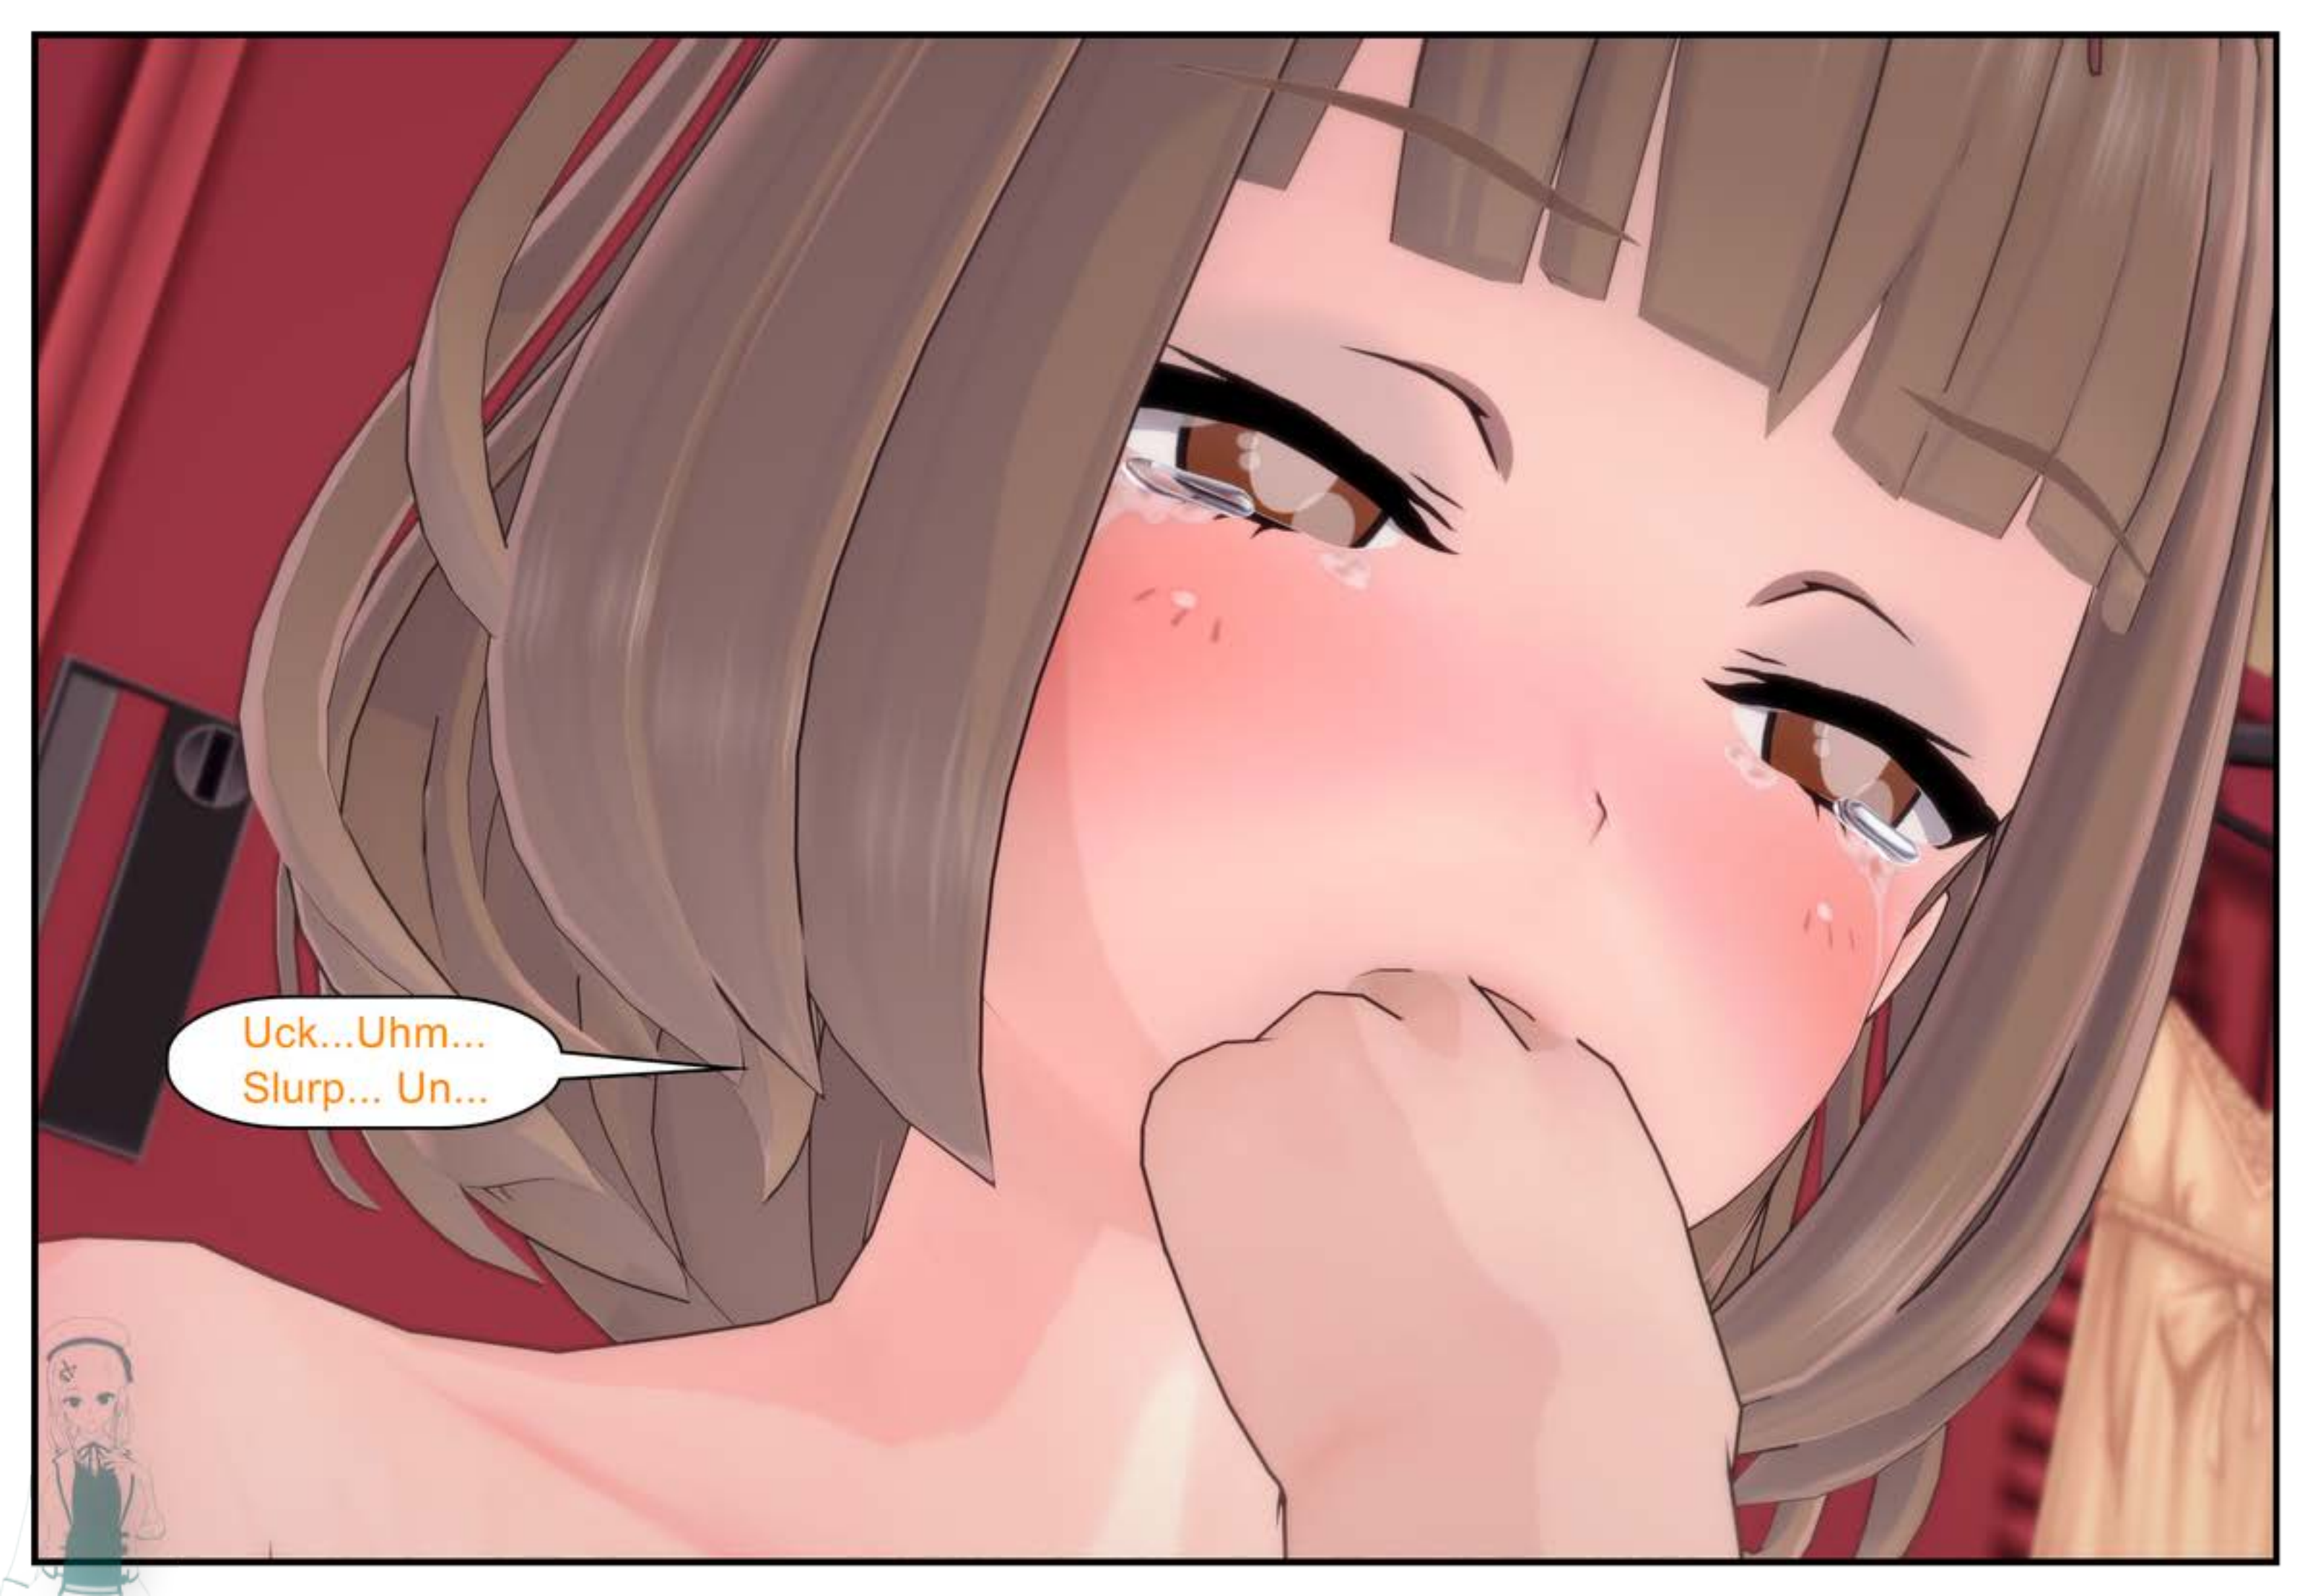

Y-You...
U-Uhm...!?

You talked a lot, Shino...

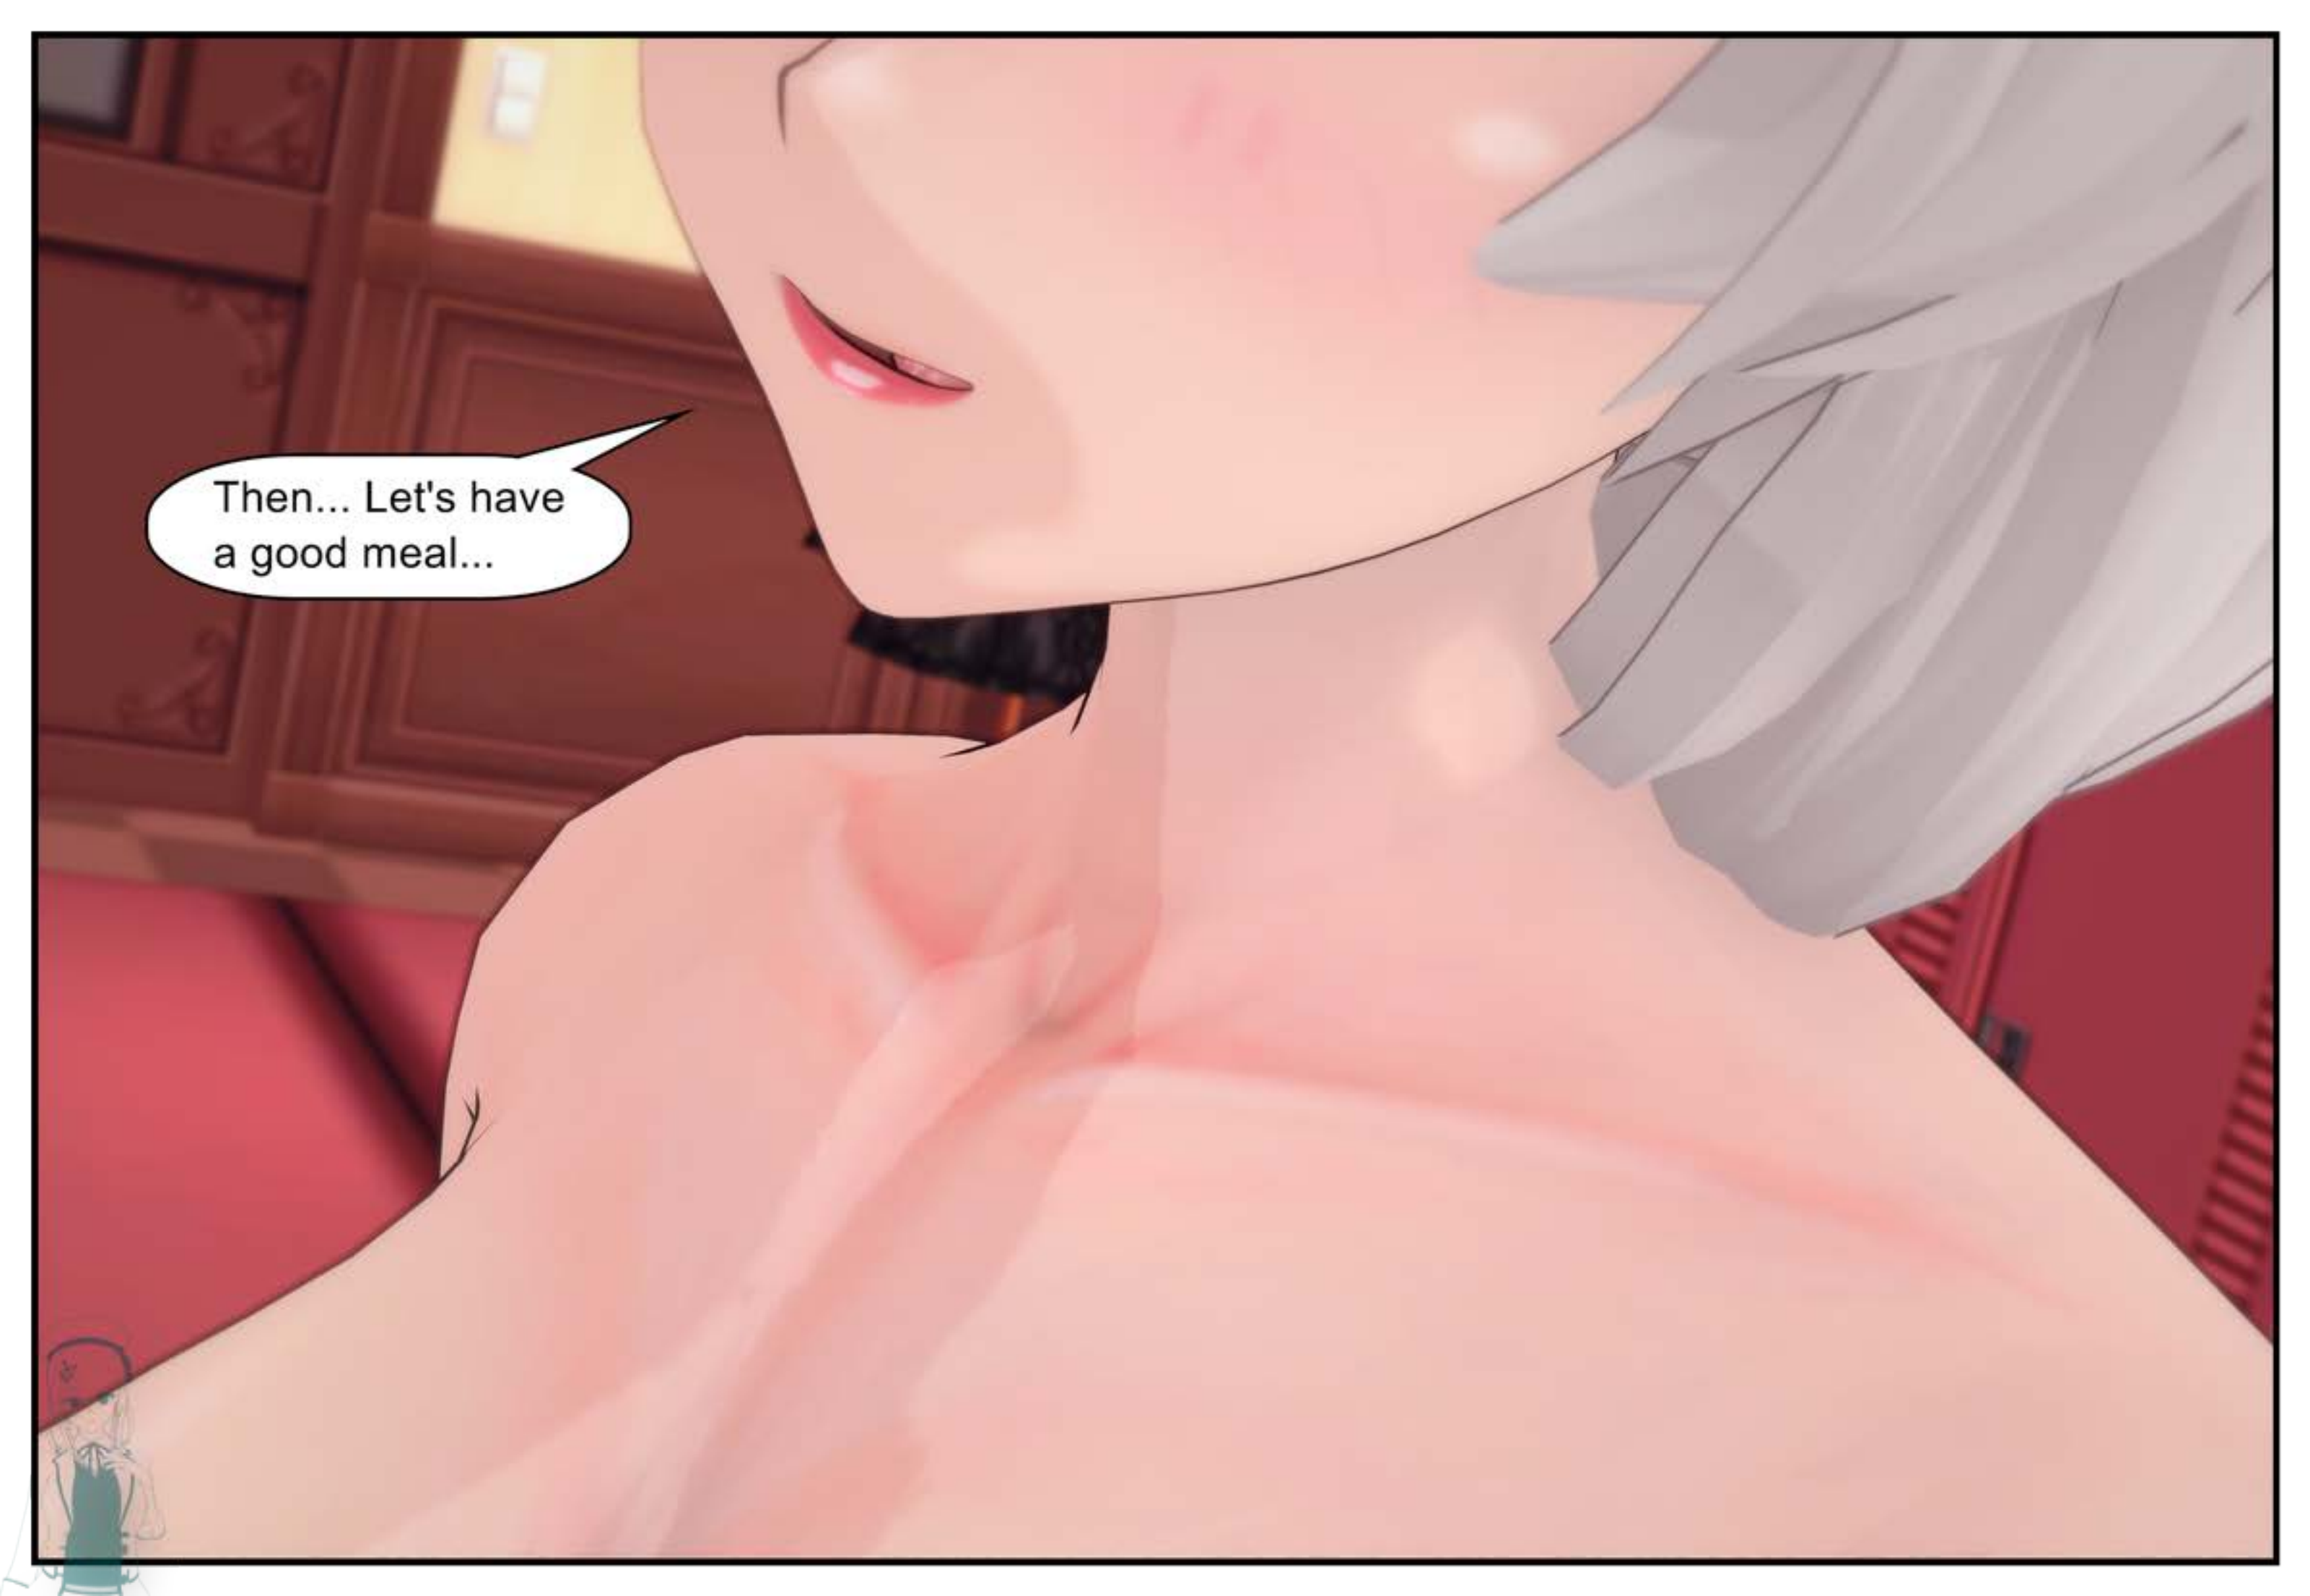

Does my juice
taste good?

Uck...Uhm...
Slurp... Un...

Then... Let's have
a good meal...

Uh... Uck...
Nn... Mmm...

Ah... There's a lot
saliva inside...

Gulp... Mnn...

"Well... Let's see

A while later...

Hey, my cup
is dry over here!

I need some
service!!

Yes, I'm coming!
Please wait!

My wife is nothing...
She never know me!

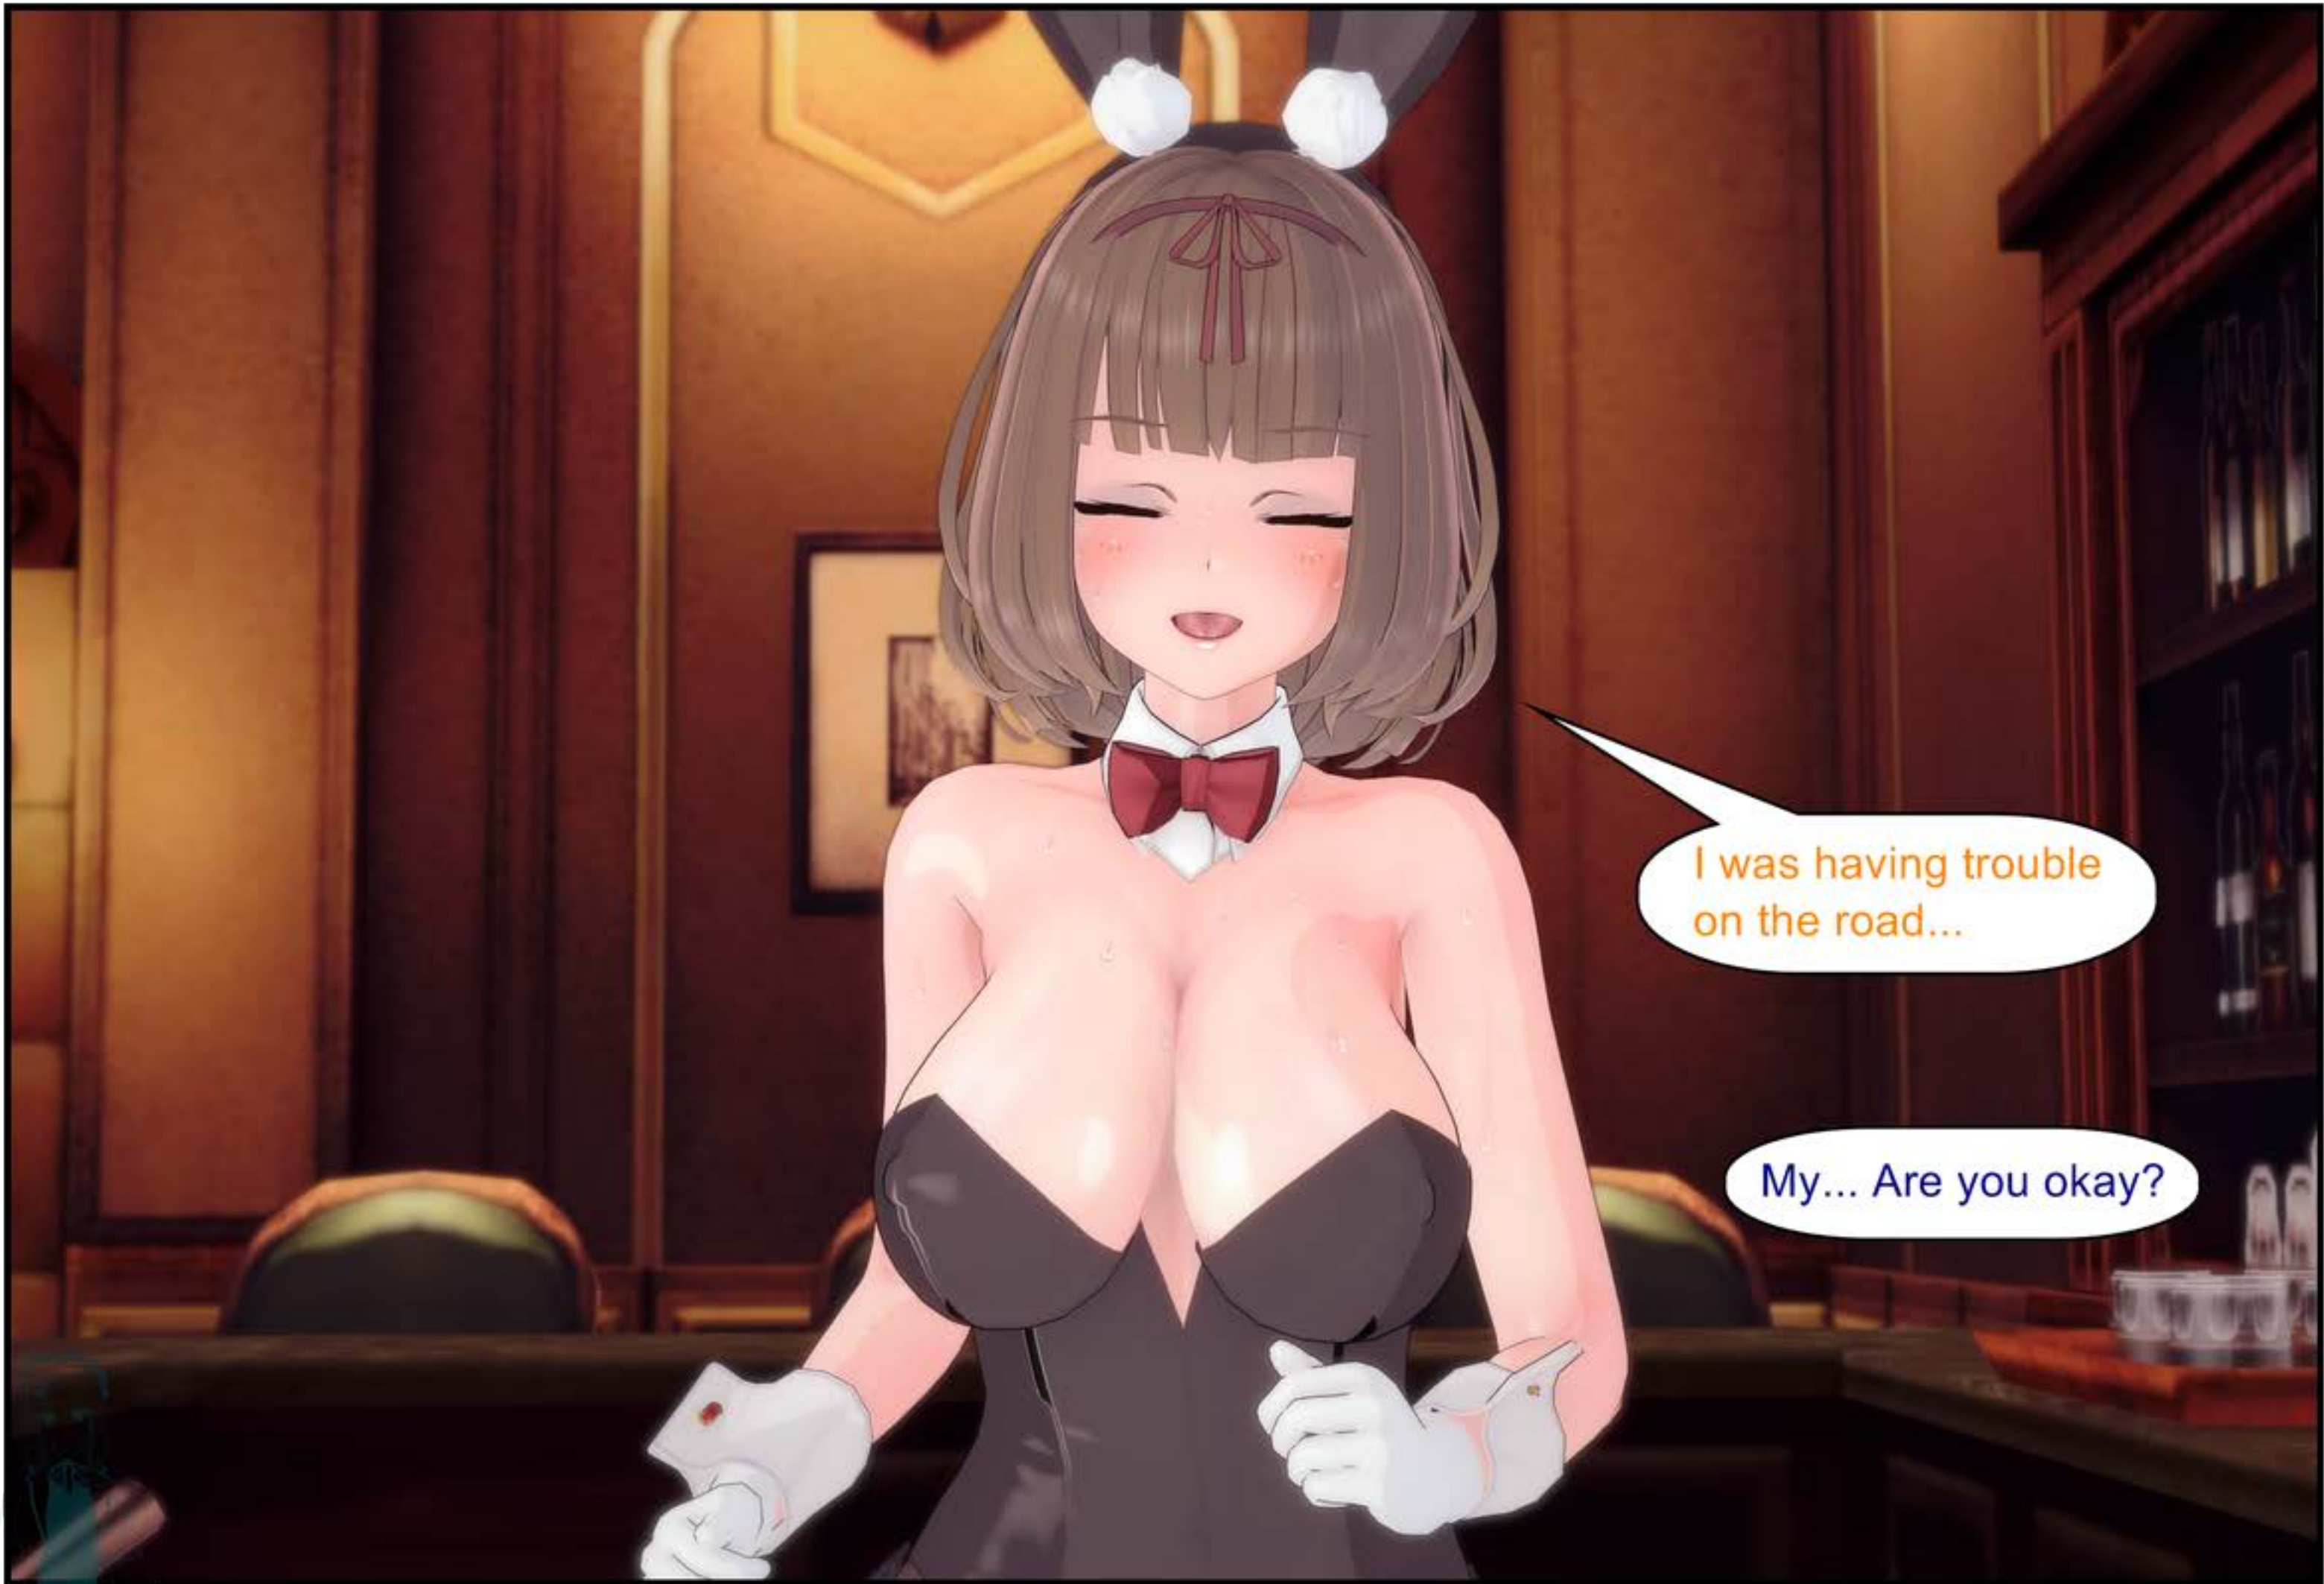

Can you believe it!?
She left me for the
other guy!

Okay... Bunny
feeling sorrow for you...

Sorry, I was late!

Oh, Shino?

I was having trouble
on the road...

My... Are you okay?

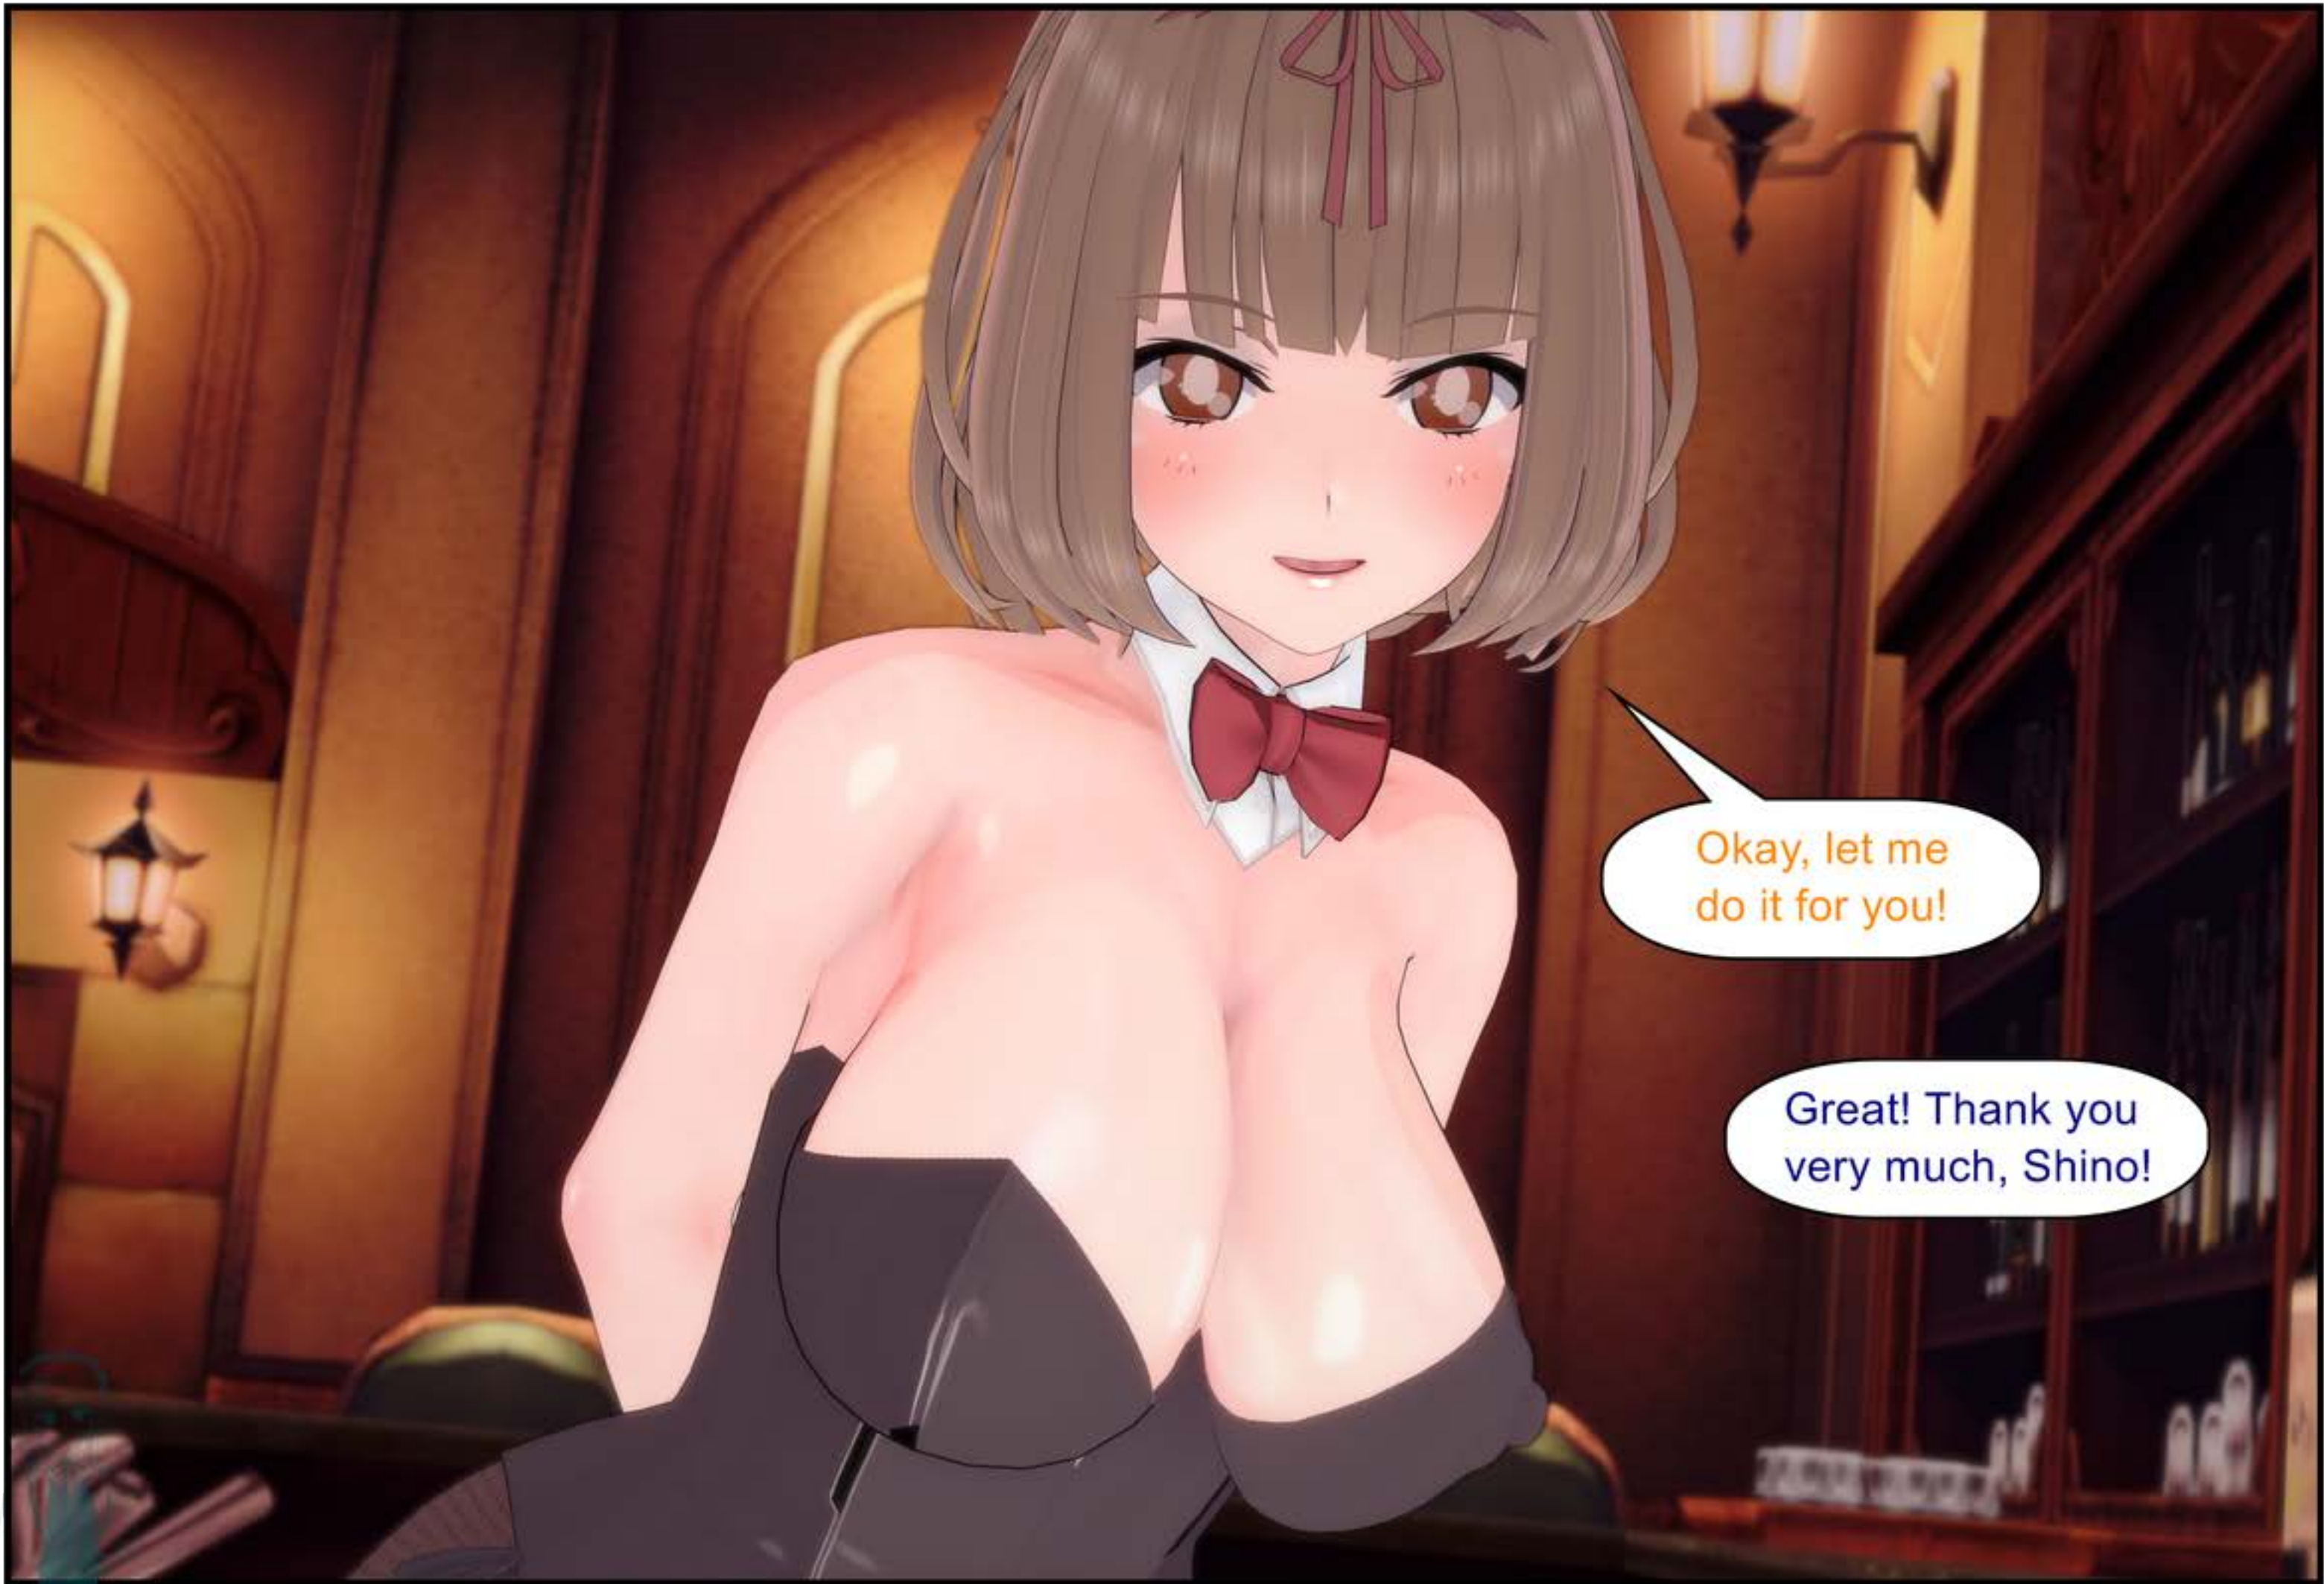

Anyway, better be careful next time.

Shino, can you help
me with this man?
I have something
else on hand now.

My wife left me...
She ditched me...

Okay, let me do it for you!

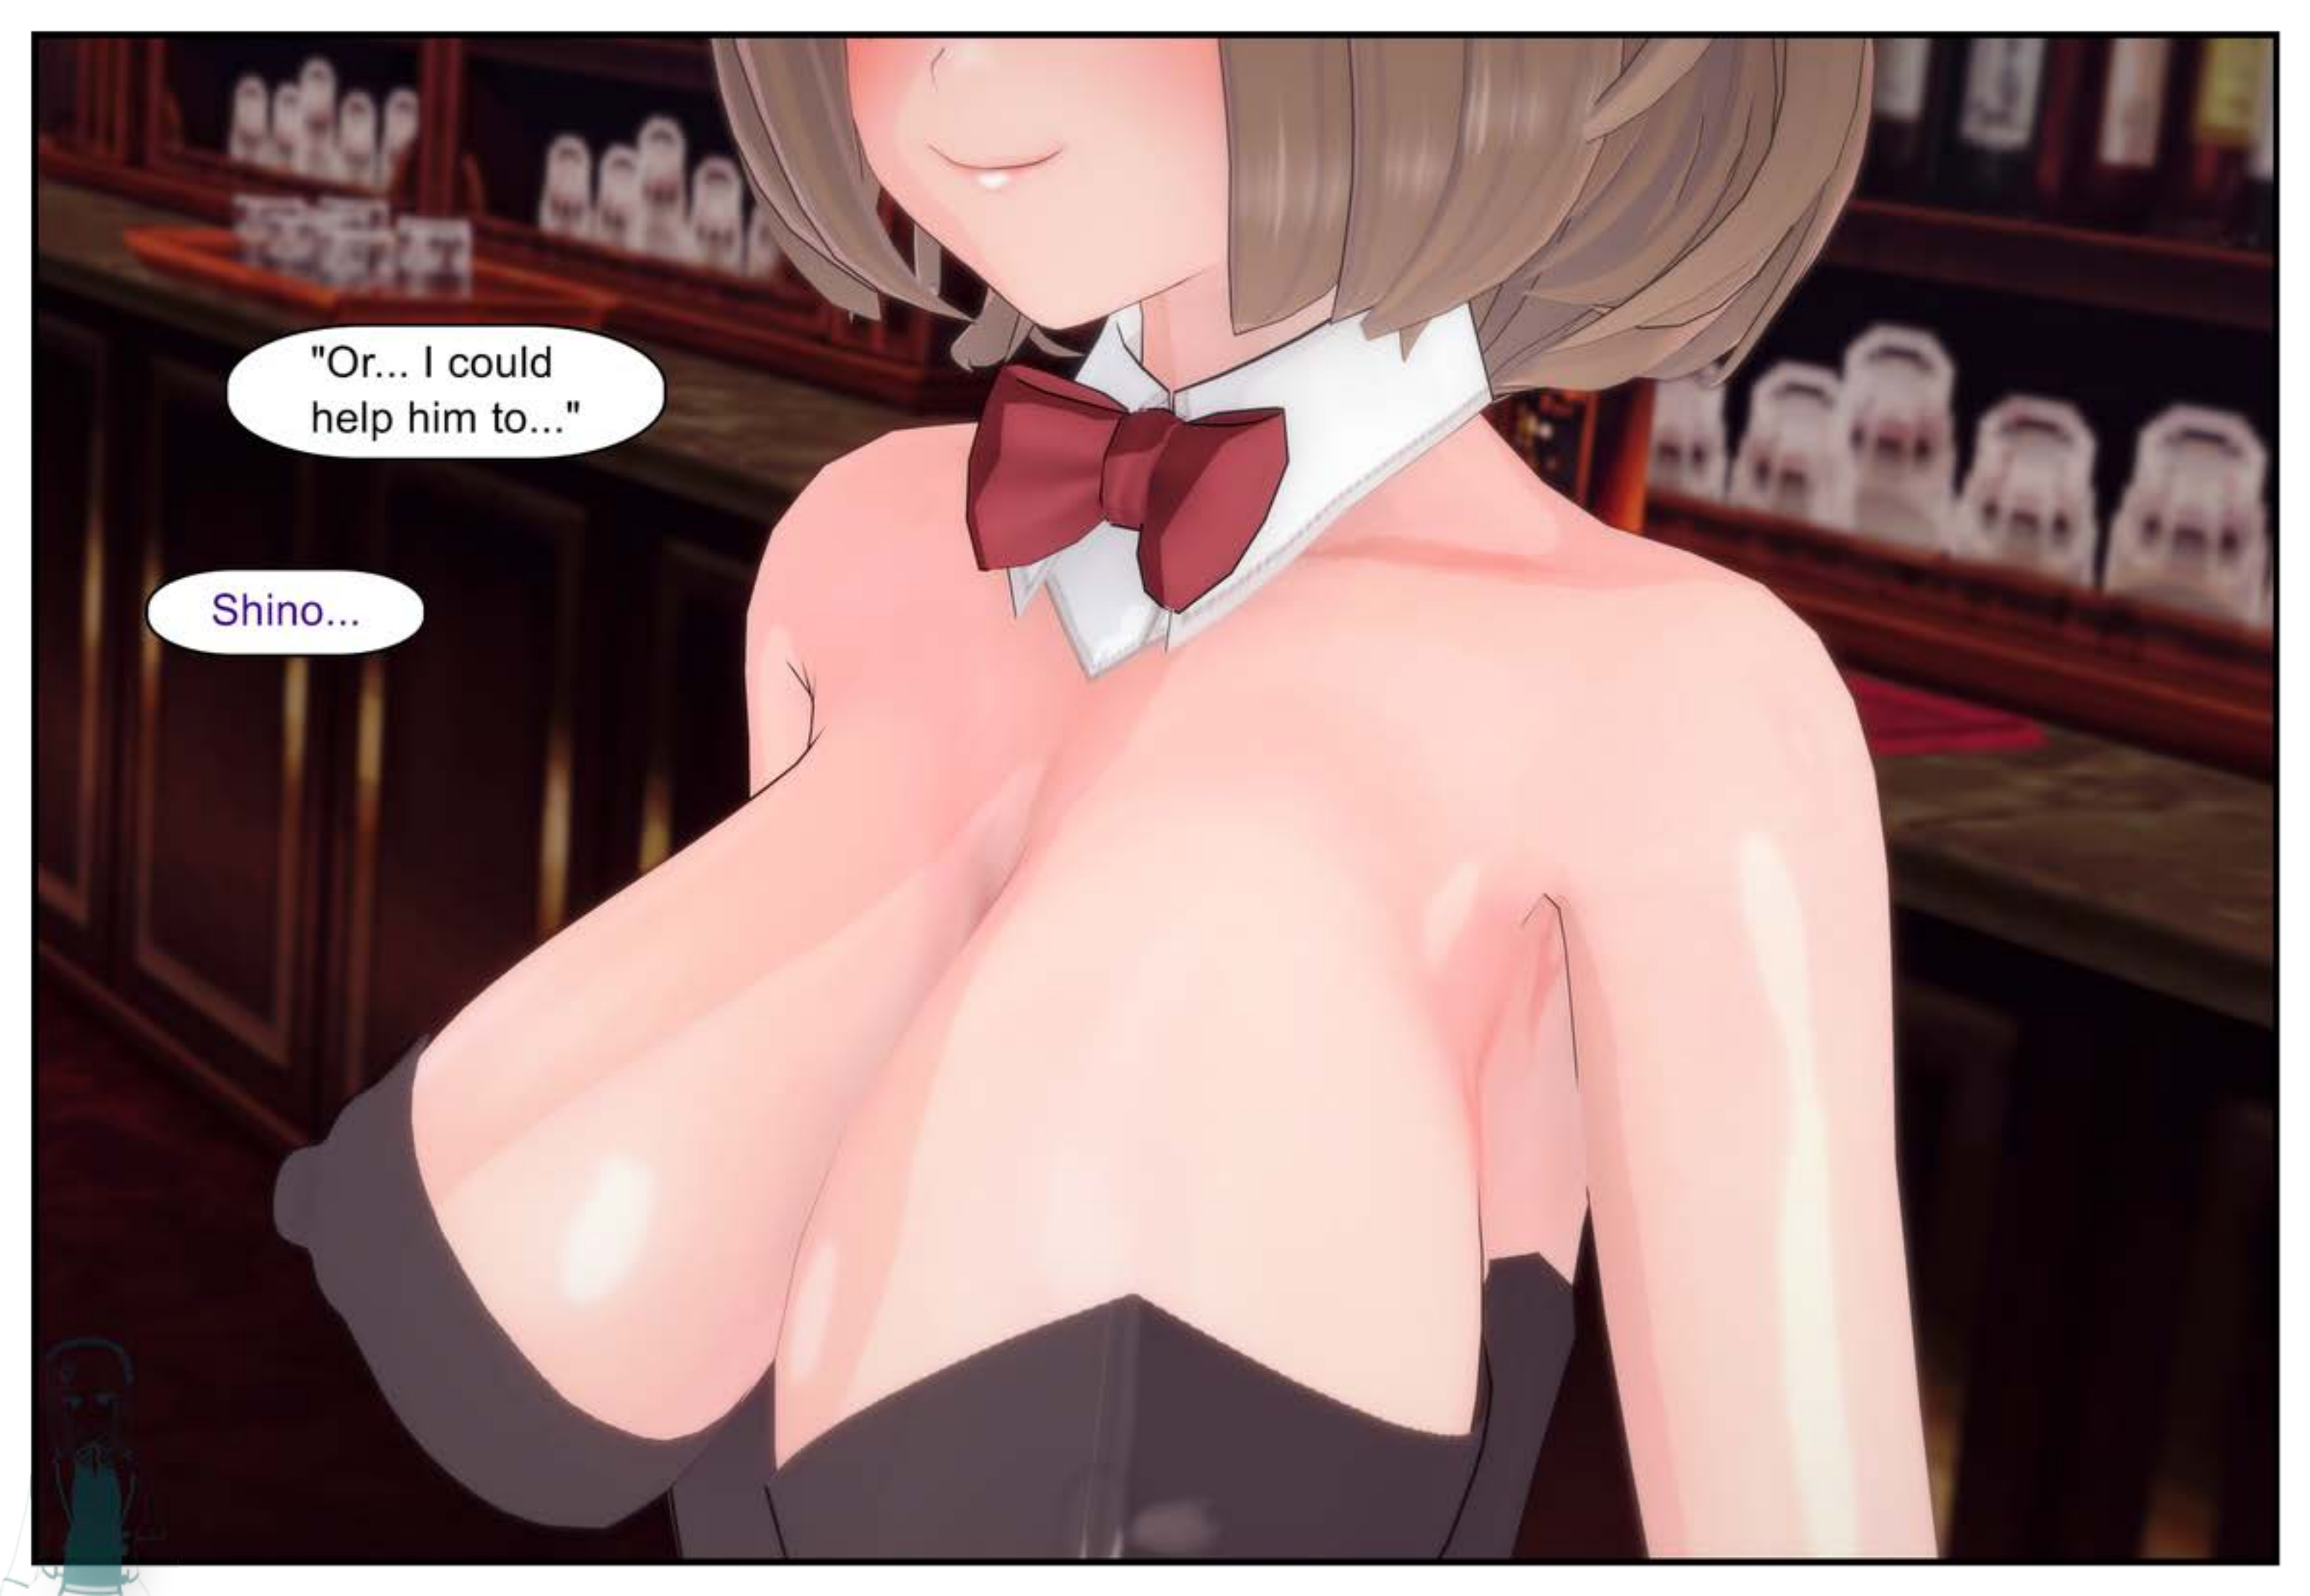

Great! Thank you very much, Shino!

A man with dark, wavy hair is shown from the back, looking towards a woman. The woman has short, light brown hair with a small red bow on top. She is wearing a dark, strapless corset-style dress with a white collar and a red bow tie. She is standing behind a bar counter. The background shows shelves with various bottles and glasses, typical of a bar setting. The lighting is warm and focused on the characters.

My wife... Ahhhh...

"Then... Dump her already."

"Or... I could help him to..."

Shino...

Don't smirk like that while working. People will notice.

We are the Bunnies.
So let's put on your
mask and serve

Also, don't fall for
their sobber and
agree on sex, Shino.

Yeah, I won't let them to...

But you were talking
to Shino, not Kanna.

"Oh... It's been a while since I last return to this place."

They promised me a better life with this drug...

Also asked me to
bring one man back
to them...

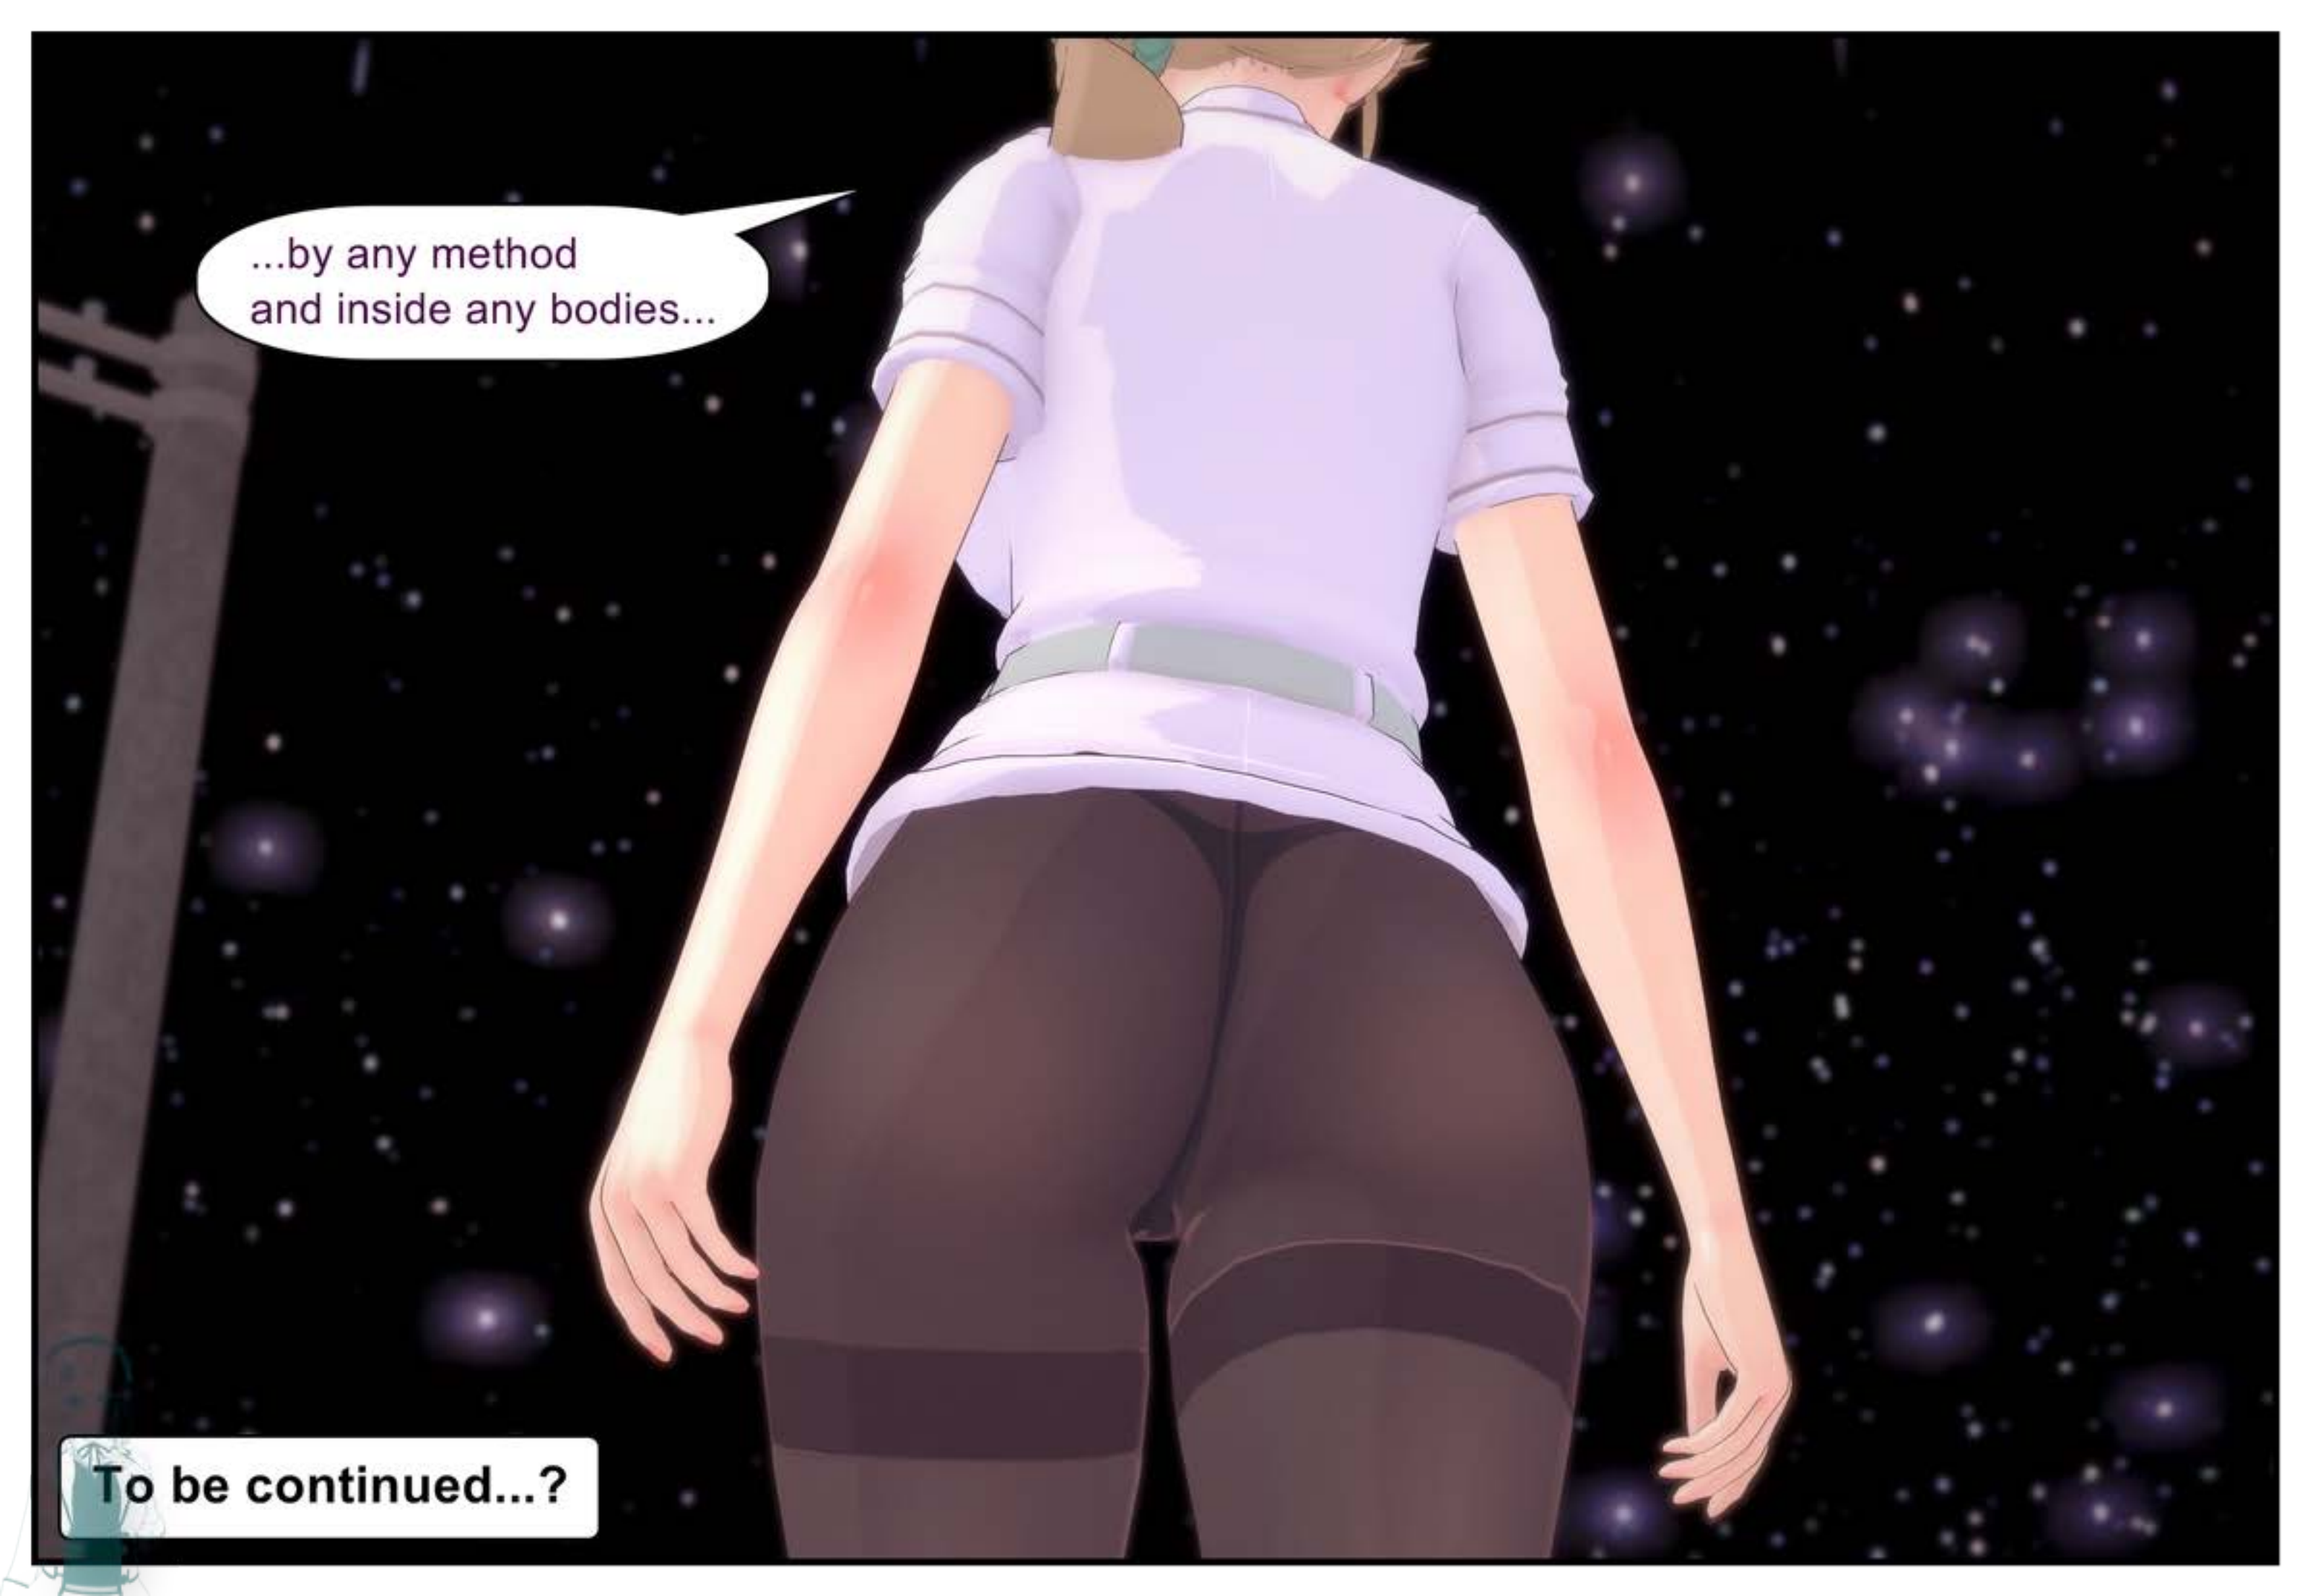

In other word...

...the first test
subject...

Capture him and eliminated anyone who is related to that man...

A character with blonde hair in a ponytail, wearing a light purple short-sleeved shirt and dark grey pants with a green belt, is shown from behind. The background is a dark space filled with stars and nebulae. A speech bubble is positioned to the left of the character.

...by any method
and inside any bodies...
