Why do you always have 2 start spamming me during class!?

Because u ❤️ me

Did u read what I said?

Today. After class I'll def tell her 🙄

Yeah right

U always say that but always 🐦 out at the last minute

Lies!

I never 🐦 out!

It's just... Things just never go as planned is all

For example!

It's def not my fault that yesterday when I was about to ask her out her mum called

OH SORRY, I HAVE TO GET THIS ONE

And the day before that, when we were talking- Things were going very smoothly n I was about to ask her out BUT

The guys were playing BASKETBALL and the ball landed on my FEET!

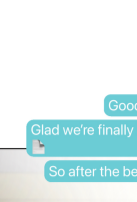

KEANE PASS ME THE BALL~

Okay okay! I get it already!

It wasn't ur fault. Nothing u could do

Now stop with the fucking spam already

Good Good 😊

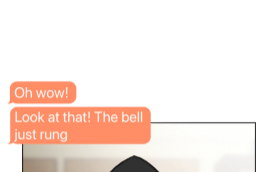

Glad we're finally in the same

So after the bell rings I'll-

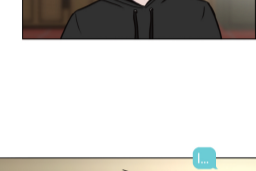

DRING
