

..It looks bigger than I remember

Nobody touched it since this morning.

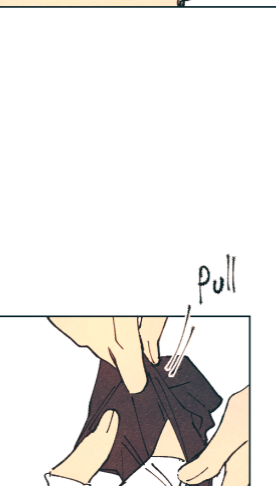

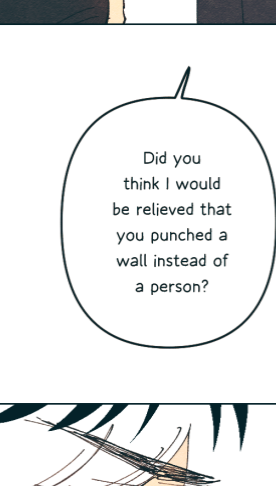

They wanted you to fix it but were too scared to ask.

That's your blood, right?

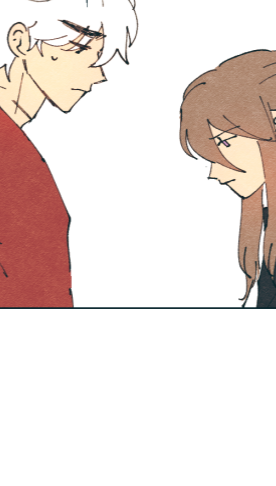

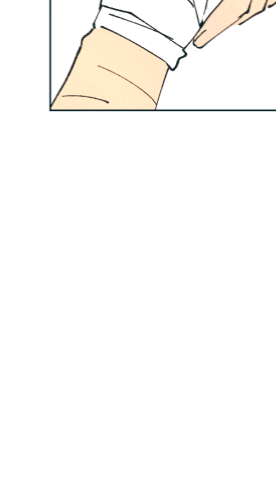

Yeah..

But no one got hurt, I promise.

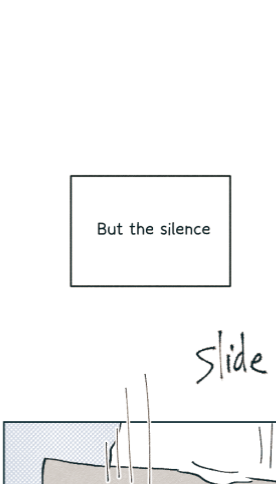

Give me your hand.

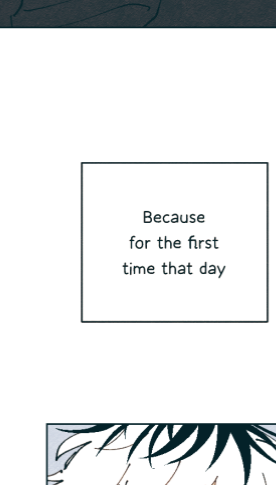

Oh-
What do you mean no one got hurt?

Did you think I would be relieved that you punched a wall instead of a person?

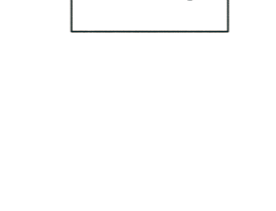

Cherie, I-
I'm fixing the wall by myself.

Okay..

And for the next 40 minutes, I just watched him fix the wall

Neither of us spoke a word

JAB

But the silence

slide

The silence..
was like a gasping relief.

Because for the first time that day

I let out a breath

that I didn't even know I was holding.
