I'm always happy to spar, but why did you want to spar with me instead of Krillin?

Well... Chi-Chi told me how you were an amazing "sparring" partner, so I just had to try it.

Son Residence.

Woo. Good grief...

BONG!

A couple weeks after her last visit.

Mount Paozu.

TP!

AH! AH!
OH, FUCK!
AH!

SLAM!

FUCK!

OH, GOKU!

Ever since she told me about how hung and great in the sack her husband is, I just can't stop fantasizing about Goku ploughing me like his own wife.

This is all Krillin's fault. If only he was more sexually proactive and could actually take care of my needs. God, I'm so horny... I need a real man's dick inside me...

KNDER!
KNDER!

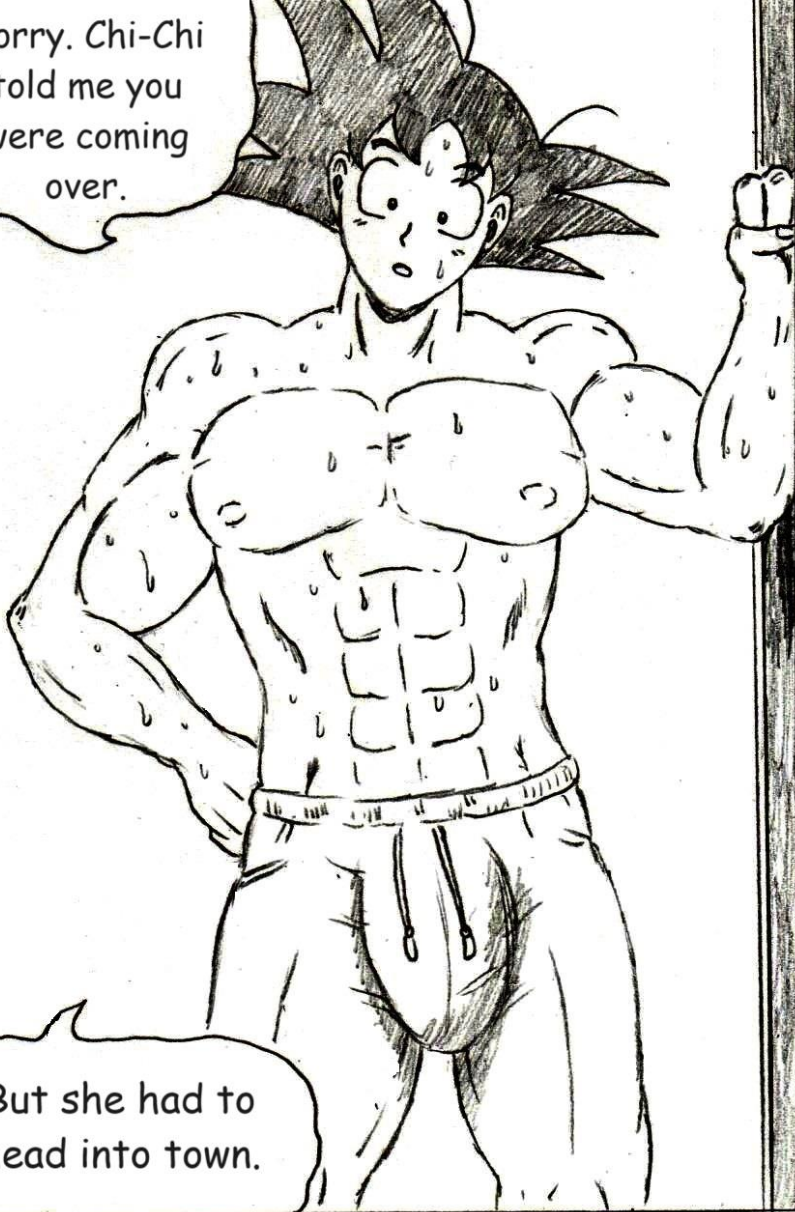

TP!

I can't believe I flew all the way out to the boonies...

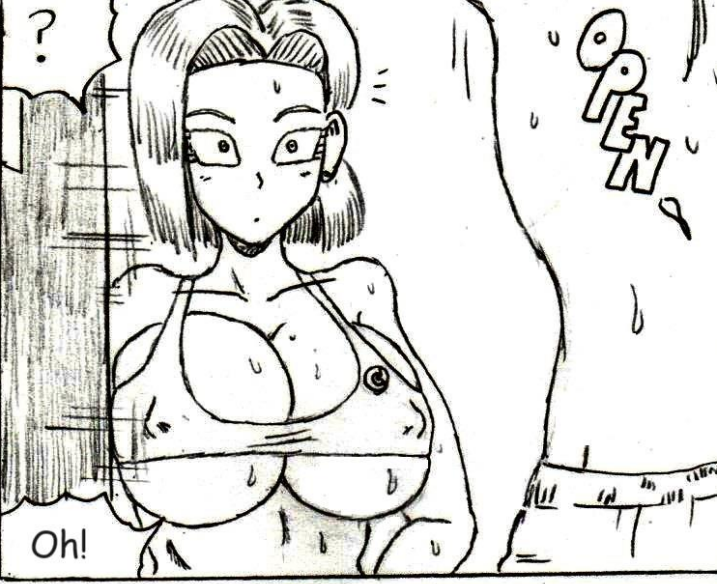

Jiggle-

...just so I can get Chi-Chi to share her sex stories.

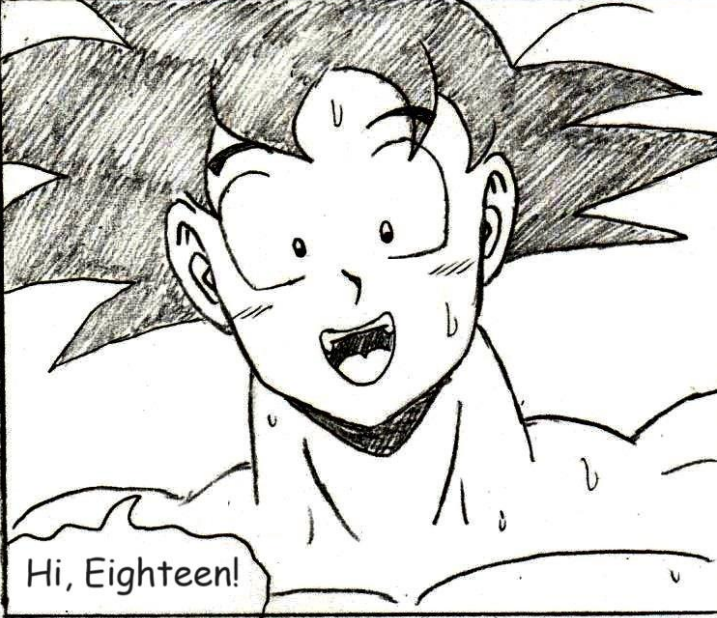

Sorry. Chi-Chi told me you were coming over.

But she had to head into town.

Oh!

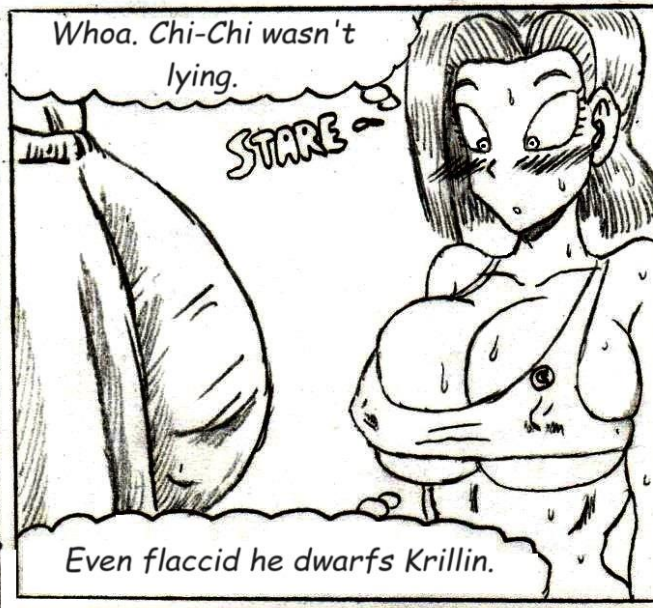

Hi, Eighteen!

Oh. In about several hours or so. It's going to be a long errand.

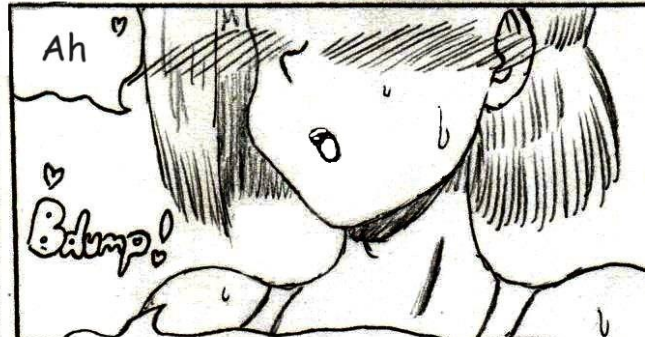

Several hours, huh? Sorry, Chi-Chi... but I have to try out your husband's thing... at least once.

Even flaccid he dwarfs Krillin.

That's alright. I think... I can find something to fill my... time.

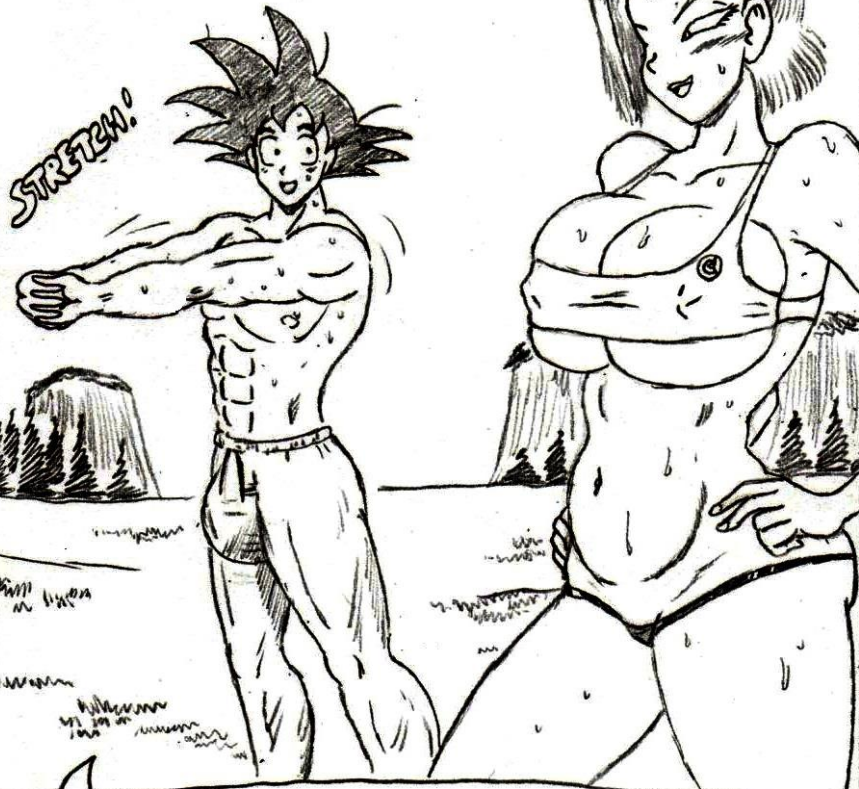

Ah

Bump!

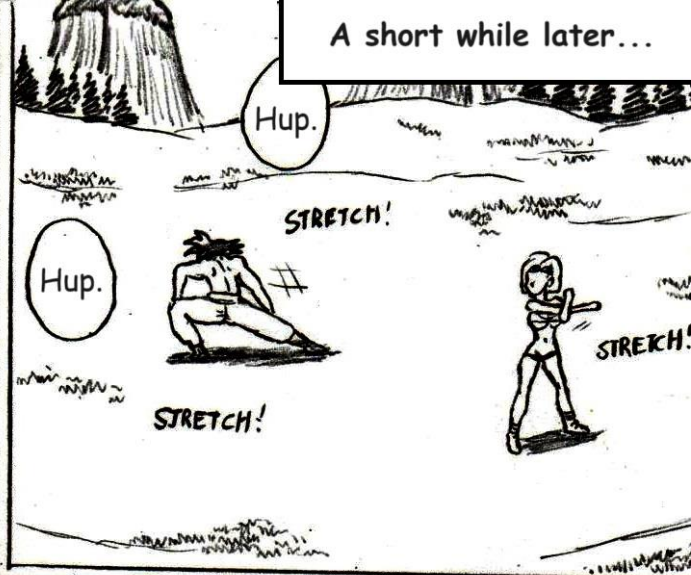

W-When will she return?

Do you ever spar with Chi-Chi?

Yes. But it's a special kind of sparring. Chi-Chi says it's for 'improving endurance'. Honestly, it's a lot of fun. We always end up so hot and sweaty, and feeling great together.

A short while later...

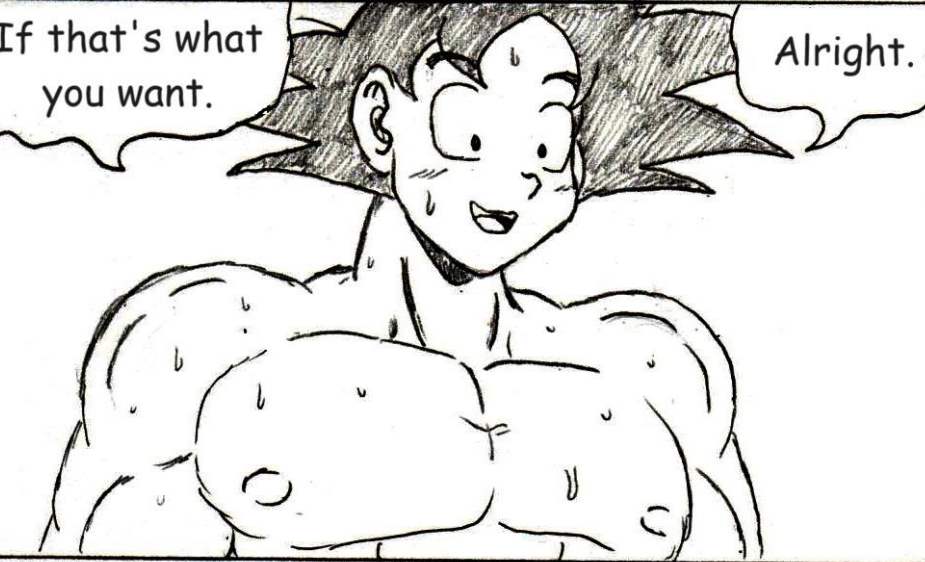

Thanks for accepting my offer for a spar.

If that's what you want.

Alright.

Mnnh...

Bounce

I'd sure love to try that kind of sparring with you. But... we'd have to keep it a secret.

For this spar...

DROR!

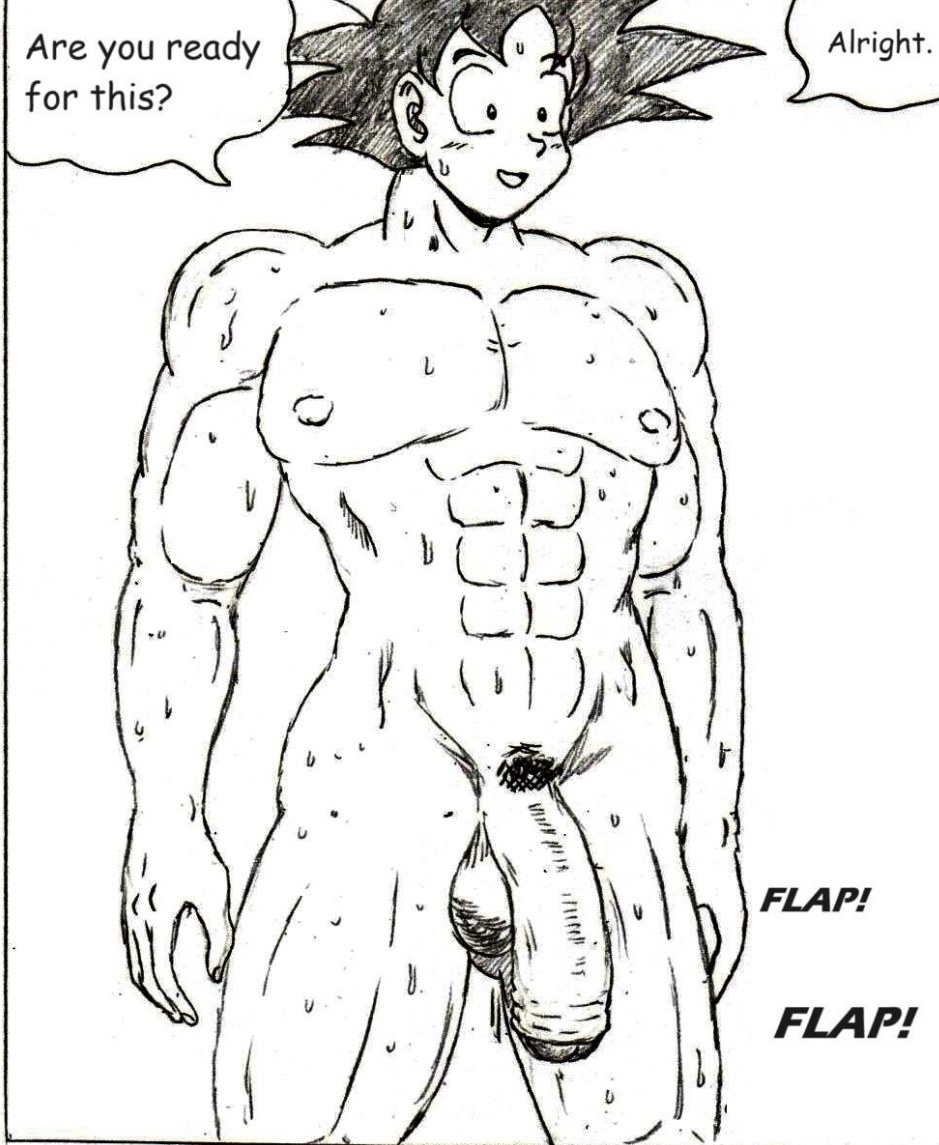

We can't have any clothes on.

Ah... it's so...

...huge.

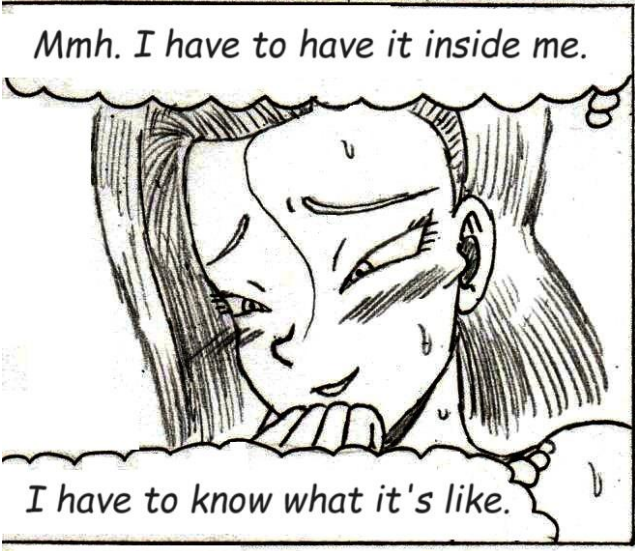

Are you ready for this?

Alright.

FLAP!

FLAP!

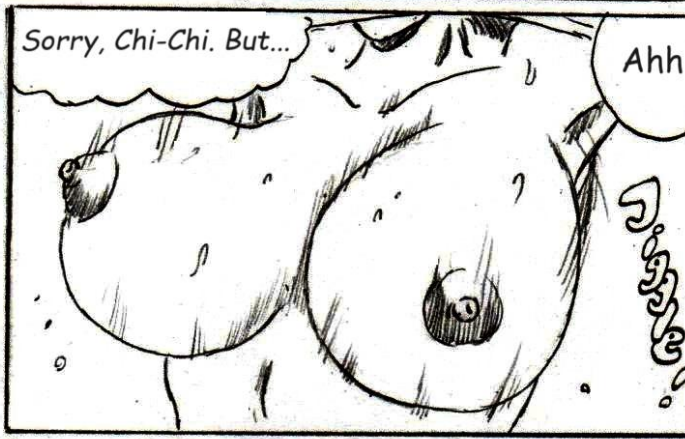

Mmh. I have to have it inside me.

I have to know what it's like.

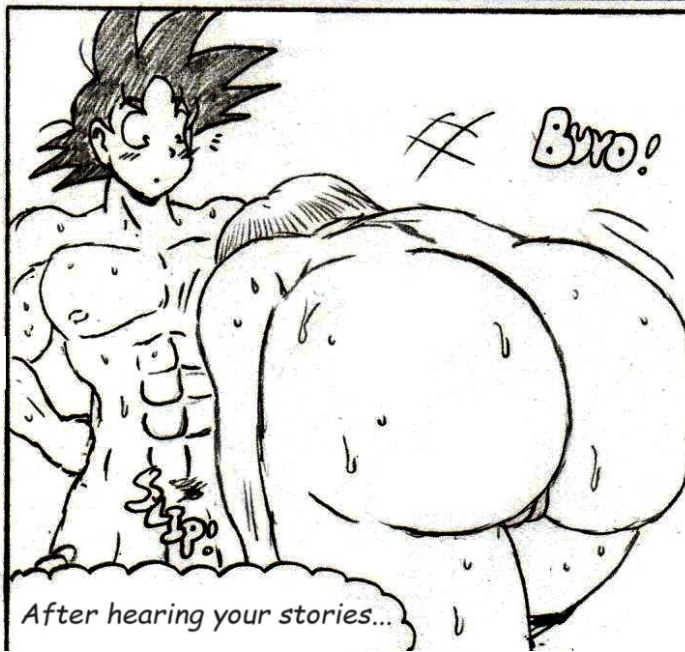

I'm ready whenever you are, Goku.

Fufu.

Sorry, Chi-Chi. But...

Ahh

Bye!

After hearing your stories...

I just have to experience it myself.

Wow, Eighteen! You've got a really, really nice body. It's just as good as Chi-Chi's.

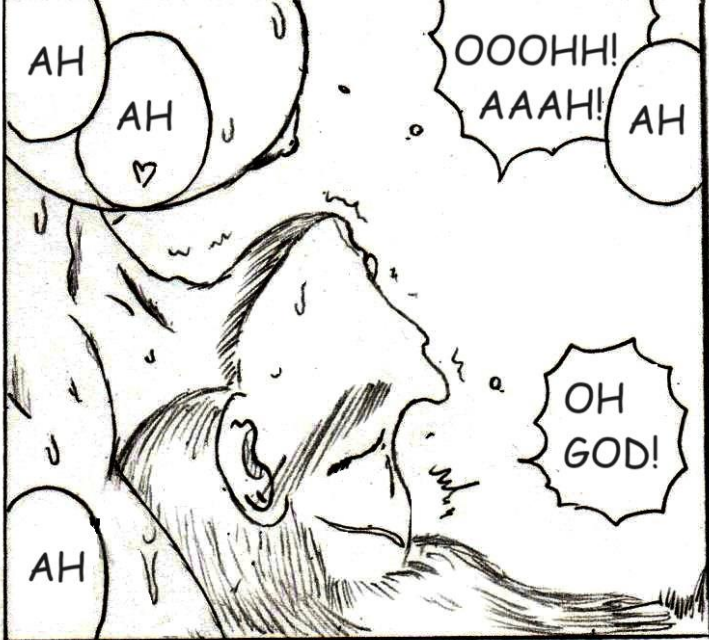

Mnn... thanks. Your body is pretty awesome too. Ah... come on. Enough sweet talk. Let's spar.

Sure. But we have to warm up, first.

W-What did you have in mind for a warm up?

Oh, wow. It's getting hard.
