

HERE'S OUR NEWEST CLIENT: CERI.

HELLO THERE!

I'M FEELING A BIT DIZZY NOW, BUT FOR SOME REASON, I JUST CAN'T STOP...

THE TREADMILL HAS A MONITOR ATTACHED TO IT IN WHICH THE USER IS EXPOSED TO CONSTANT MOTIVATIONAL MESSAGES. THE HEADSET HAS THE SAME PURPOSE OF KEEPING THE USER'S FOCUS AND MOTIVATION THROUGH SOUNDS.

HIGH HEELS ARE ALSO RECOMMENDED WHILE ON THE TREADMILL, AS THEY HELP BUILD A BETTER POSTURE WHILE ADDING JUST A BIT OF CHALLENGE.

I'M NOT REALLY SURE IF IT WORKS FOR THE INTENDED PURPOSE, BUT IT DOES FEEL GOOD...

CERI IS PROGRESSING ON HER, HUM... I MEAN... HIS TRANSFORMATION RATHER QUICKLY. TODAY, HE STARTED ON THE LATS MACHINE. THIS MACHINE IS EQUIPPED WITH A SPECIAL VIBRATION DEVICE THAT BUILDS THE BUTT MUSCLES WHILE THE USER IS TRAINING THEIR LATS MUSCLES.

THAT'S THE BEST GYM I'VE EVER BEEN TO!

AFTER JUST A FEW MONTHS OF TRAINING, THIS IS HOW CERI IS LOOKING NOW! IT'S THAT AMAZING?!
