

“So, uh, what are you up to, honey?”

Finally home from a long day at work, Claire began taking off her leather jacket as she watched Sherry pose herself in the bathroom mirror, the young blonde making sure that her huge tits, ass, and most importantly, dick, were on full display.

“Oh, hey. Just getting us some entertainment for tonight.” Sherry said without looking at Claire as she continued posing for her selfie, trying to find just the right angle to highlight all of her assets. “I just had a great idea and I wanted to try it out.”

“Well, alright then, good luck with.... whatever it is that you’re doing. Once I’m done getting undressed I’ll be in the shower so just gimme a call if you need me.” Claire responded as she finally got herself out of her jacket.

Continuing to undress, the older woman began unbuckling her belt, immediately gaining Sherry’s full attention below her waist. With a soft click as the buckle came loose, the brunette now began the arduous process of pulling down her pants. The main issue with this was the woman’s absurdly fat cock, that was visibly bulging through her jeans, as not only did it travel all the way down to her knee but the combination of her insane thickness and huge balls made the fit of her pants a bit.... snug.

As she began pulling down her jeans, Claire groaned at the feeling of the fabric straining to pull itself over her dick and balls as the world-class cock hidden beneath began to show itself. Slowly but surely, the log of a penis began to become more exposed as Claire slid her jeans down, revealing more and more of it’s rugged size and bulbous veins along the way.

Finally, Claire got down to the head of her cock, however, she came to another hitch as the lip of her pants had gotten caught on her large glans. Giving her jeans a few more light pulls, Claire finally steeled herself and gave them a rough tug downwards.

Sherry watched in aroused fascination, as Claire’s penis was finally sprung free with a low moan from the older woman, bouncing slightly before coming to rest, the flaccid member hanging imposingly off of her crotch. However, it seemed Claire’s dick hadn’t been the only thing that had been released, as for some reason there was now a steaming pile of amazingly thick semen currently splattered onto the floor just beneath the older woman.

“Uh, Claire?” Sherry motioned down to the goopy pile on the ground.

Looking down, Claire’s eyes opened ever slightly wider in surprise before she rolled them exasperatedly.

“Damn, looks like that new girl at work didn’t do a good enough job sucking the rest out.” Claire said with a frown as another helping of semen slowly fell out of her dick’s mouth. “And we just got the floors done. Looks like I’ll have to give the girl some extra training tomorrow.”

The main reason this leakage had happened was due to the oversized girth of Claire’s cock. Almost everything involving the older woman’s penis was overly thick, from it’s girth, to her semen, and most notable in this case, her urethra. Because of her incredibly thick cum and the amount she produced, Claire’s dick had adapted to having a much wider urethra than normal to allow for easier flow. However, this created a secondary problem in which after she ejaculated, there would often be a large amount of semen left in her length. The cum would usually remain there while she was hard, but once her member went flaccid again it would begin to leak out, which could lead to quite a mess.

To remedy this, every time Claire ejaculated, she had whatever partner she was with suck the remaining seed out of her cock. This was more difficult a task than one would first think, however, and if not done properly there would still be some spunk left inside, leading to the current situation.

“Oh, don’t be too hard on her, it took me a while before I learned the right way to give you head too. Here, I’ll lick that up when I’m done so you go ahead and get in the shower.” Sherry said offhand as she went back to posing, satisfied at the eyeful she had gotten of Claire’s erotic body. “And besides, it’s not like we’ll be here too much longer anyway. We can just hire someone to do a floor cleaning after we leave.”

The apartment that Claire and Sherry were currently staying in was one of the “family homes” that Ada and Claire had purchased when Sherry was young. These homes were intended for all of them to use and stay at so that they could remain in close proximity to one another, however, due to all of their jobs often taking them to different places in the world, they had dozens of these spread out across the globe for ease of access.

“Well.... Alright, I suppose not everyone can be as talented at giving head as you. Then, I’m heading in.” Now standing completely bare with her curvy body on full display, Claire shot her surrogate "daughter" a puzzled look once again as the girl continued posing, before the brunette began walking towards the other unused bathroom.

“Oh, before you get in, do you know if "mother" is gonna be home tonight?” Sherry questioned as she looked over at Claire again, feeling a slight arousal bloom in her belly at the sight of Claire’s huge bare tits and massive cock bouncing enticingly as the woman walked across the room.

“Hm? Probably not.” There were only two women that Sherry Birkin considered her “mothers”, one of whom being Claire herself, and the other being Ada Wong. So when one of her “mothers” was already present, it was obvious who she was referring to just by process of elimination.

“She said she had to go fuck some information out of a bio-weapons dealer in Korea or something like that, she probably won’t be home for a few more days.”

“Hmm.... Ok then, if Ada’s not coming then it looks like I’ll only need about 20 or so....” Sherry mumbled to herself as she went back to posing.

Claire gave Sherry one last confused look before she shrugged her shoulders and disappeared into the bathroom, the sounds of running water beginning soon after.

Soon after, as Sherry kept posing she finally found an orientation she felt was perfect. Her huge tits, ass, and thighs were on full display, while her giant cock was held down by her free hand. Smiling at her work, Sherry snapped a few pictures, the flash of her camera blinking rapidly all the way, before she sauntered over towards the couch.

As she walked, she spotted the pool of cum Claire had left behind and smiled. Going onto her knees, Sherry brought her face close to the still piping hot pile of semen and took a deep sniff. The scent coming off of the seed was so rich and thick that Sherry could almost taste it, and taste it she shall.

Opening her mouth, Sherry closed her eyes and made a large ring with her lips before pressing it down onto the load of jelly like cum before applying some suction. Moaning as the overly thick spunk filled her mouth, Sherry kept drinking until her cheeks were bulging, gently rolling the still hot seed around in her mouth and letting out a low moan at the delicious taste of her "mother" before she began to swallow. The load was so thick that she could feel it sticking to her throat as it traveled down, and even after it was resting in her belly she could still taste and smell it’s poignant aroma coming from her orifice.

Looking down, Sherry saw that there was still a large amount of the delicious liquid left, and happily began lapping up every last drop.

‘Honestly, even after all these years I still can hardly believe how much she produces. Just from what was left in her dick there’s enough for 2 or 3 mouthfuls.’

Slurping down the final strand of cum, Sherry made sure that she had gotten every last morsel before standing up once again and beginning to move towards the couch, appreciating the warm pool of spunk that had formed within her belly.

Resting her naked back on the couch, Sherry felt her smile grow wider as she opened her social media and began typing a post.

**>Hey all you girls out there, anyone interested in playing with me tonight? I promise this little fella here is 100% real and ready for some action. I’m with my friend tonight (who, btw, is packing a cock that even puts MINE to shame) and we’re feeling a little lonely, so**

**we decided we'd treat any of you sluts out there that are interested to the best pussy pounding of your lives!**

**So if any of you dirty girls think you've got some huge tits and a nice, big, fuck-able ass, hit me up in the DM's with a nice pic of your face and body! If we like you, we'll send the address to meet us at.**

**Oh, and just a heads up, we won't be using any rubbers. ;)**

With that, Sherry added a few hashtags for the city their apartment was in as well as a few more lewd tags such as "Giant Cock" and "Huge tits" and, of course, an attachment of her recently taken selfie before hitting send. Sure, it was a little cheesy, but it would get the job done.

Within less than a minute, she saw more than a dozen new pings in her direct messages and smiled. Looking through them, the blonde was happy to see a large list of photos containing young girls posed in as slutty of a way as they could. Unfortunately, all but one of them were pretty weak in both the tits and ass department. While none of them were "small" by any normal definition, Sherry had come to acquire a taste for only the most curvaceous girl's she could find thanks to Ada and Claire.

The one diamond in the rough however was a cute yet shy looking Indian girl with an incredibly large ass. The picture she had sent was clumsy at best, but her ass was so large that even with the amateur photography skills on display, it was easy to tell how curvaceous she actually was. Sending the apartment address and a message to "come as soon as you can" to the girl, Sherry moved to put her phone down and allow her DM's to build.

However, just as she was about to put her phone to sleep, she saw that there was a new comment under her post.

**>You've got a friend with a dong bigger than you!?!? There's no way! That thing already goes past your knees!**

With a smirk, Sherry opened her camera app once more and rose from the couch, heading towards the bathroom.

Opening the door, she was greeted with the sight of her completely naked "surrogate mother" just about to dip her feet into the running shower.

"Hey, claire, show me your cock."

Once again Sherry watched as Claire gained a confused look on her face, but nevertheless the brunette immediately turned to the side and nonchalantly grabbed her insanely girthy cock with her right hand and lifted it up slightly in her palm.

While Claire's dick wasn't much longer than Sherry's, she was ridiculously girthy, not just more than Sherry, but possibly more so than anyone in the world. But it wasn't just her girth that put Sherry to shame, Claire's balls also nearly dwarfed Sherry's own, the massive cum tanks sagging almost halfway down her thighs.

Snapping a quick picture of the Brunette holding her superior cock, Sherry threw a quick "thank you" to the woman before quickly exiting the bathroom, hearing mumbles of "weird daughter" as she closed the door behind her.

As Sherry walked back to the couch she reopened her post, ignoring the nearly hundred new DM's she had, and found the comment doubting her previous claim of Claire's size.

With a quick few taps, she responded to the comment with a message of;

**>Oh? Then what's this I wonder? ;)**

And added the recently taken picture of Claire.

Almost instantly, multiple new comments were posted under her response as the post had already begun trending.

**>Holy shit! Look at that cockhead, I probably couldn't even fit it in my mouth!**

**>Oh my god, I want to suckle those massive tits while she splits my pussy in half....**

**>Jesus.... Look at the size of those veins.... I bet she can get any girl she wants just by giving them a taste of that monster.**

Sherry watched with smug satisfaction as all the women that had been previously drooling over her giant cock began lusting after her "mother's" instead.

While most futa would probably find it odd that Sherry loved to brag so much about how someone had a bigger penis than her own, she had grown to find that exact situation incredibly sexy. Sherry found it hopelessly arousing to show off Ada and Claire's world-class cocks to people.

The way the two women had taught her about sex had led to Sherry having quite an odd personality in the bedroom. Whenever she was with normal women Sherry was quite dominant, though not nearly to the level of Claire or Ada. However, when she found herself in the presence of someone with a bigger cock than her, especially her two adoptive parents, she was more submissive than a newborn puppy.

Feeling her huge cock begin to stiffen at the sight of all the praise, both for her own penis as well as Claire's, Sherry quickly began to sort through her DM's and began inviting only the curviest bitches she could find over.

Just a few minutes later as she sent her 25th and final invitation to a cute little redhead girl with both a huge ass and an equally large pair of tits, she heard the apartment doorbell ring.

Walking over to the door, Sherry opened it with a smile to see the Indian girl with the monstrous ass she had invited standing in the doorway, fidgeting nervously as she drank in Sherry's naked form, her eyes becoming locked onto the pale girl's huge cock once she saw it.

The girl had light caramel skin and was a few inches taller than Sherry, though that wasn't saying much as Sherry was quite short herself, topped off with a pair of simple blue jeans and a form fitting t-shirt, accentuating her modest bust and massive ass.

"U-u-umm, h-hello, I'm here to uh.... h-here to--"

Sherry cut the girl off with a kiss, gently pulling the girl towards her as she placed her hands on the darker girl's ass, enjoying the feeling of her fingers sinking into the soft flesh through her jeans.

The Indian girl however remained completely frozen still as Sherry played with her lips.

'Huh.... No reaction.'

As Sherry continued suckling on the girl's lips, the darker woman finally began moving as well, however her kisses were sloppy at best as she tried to capture Sherry's lips.

'Wait, don't tell me she's a....'

Gently breaking the kiss, but continuing her massage on the girl's ass, Sherry looked at the heavily blushing girl in the eyes.

"You're a virgin, aren't you?"

The girl's blush getting even deeper across her chestnut colored skin was all Sherry needed to know for her answer, but she let the girl speak anyway.

"....Y-yes. I'm sorry..... But, I just saw your dick and I.... I.... I'm sorry, I'm sure you want women with m-more experience.... I'll just g-go back home." The girl seemed on the verge of tears as she moved to turn back around.

She was stopped however, by Sherry wrapping her in another warm kiss.

“Nonsense.” Sherry said as she broke the kiss. “It makes me happy to know you’d want to have your first time with me. I’d be glad to fuck you!” Sherry said as she took the girl’s hand and began leading her into the apartment.

“Oh! Thank you, uh, ma’am?”

“Just ‘Sherry’ is fine. What’s your name?” The pale girl said with a giggle as she closed the door to the apartment.

“O-oh! How rude of me, my name is Prisha. It’s an h-honor to meet you.”

“It’s nice to meet you too, Prisha. There’s not too many girls out there with an ass as big as yours, so I always like to know more people as sexy as you.” Sherry said, giving one of the girl’s cheeks a light slap for emphasis, which led to the girl’s blush deepening further.

“Oh, no! I’m just a w-weirdo introvert.... I h-honestly don’t even know how I worked up the courage to come here....”

“Don’t sell yourself short, you’ve got a killer body and you’ve got to be pretty slutty too, since you were one of the first people to respond to my post. Lemme guess, you were browsing through the “Giant Cock” tag?” Sherry said to Prisha as the girl blushed even harder, confirming her answer. “Though, I won’t lie, it is a little weird that you’d want to have your first time at an orgy, but I suppose it’s as good a place as any, especially when you’ll be riding our cocks.”

“Ah, y-y-yes.... You’re, really, um, huge.”

“Hmm.... Still, you’re so adorable that I’ll feel bad if your first memory of fucking is surrounded by two dozen other girls.” Sherry said as she giggled at Prisha’s cute stutter. “Here, how about this, until the other girls get here I’ll give you a nice, slow, loving fuck for your first time?”

“Oh!.... That, um, that sounds nice.”

With a smile at the girl’s agreement, Sherry released her hand and ordered the girl to remove her clothes as they reached the couch.

With her blush intensifying once again, Prisha nevertheless began disrobing at the girl’s command.

Sherry watched the other woman like a hawk as she was finally able to drink in an unobstructed view of the girl’s ass. As she felt her already erect cock stiffen even further, she quickly approached Prisha as the darker skinned girl dropped the last of her undergarments on the ground and once again wrapped her in a warm kiss.

As the kiss deepened, Prisha finally began moving as well, taking small, light movements unlike before. As they continued, Sherry slowly walked the two of them closer to the couch before gently pushing the girl down onto her back.

“This position here is called missionary, it’s usually the best position for first timers to be most comfortable. Unfortunately, that means I won’t get to play too much with that ass of yours, but there’ll be time enough for that when I’m pounding you later.” Sherry said, her tone somehow sounding sweet and innocent despite her words. “It’s a good thing I messaged you earlier than all the others, we’ll have some time before the other sluts get here, and more importantly, before Claire gets out of the shower. She’s a lot less gentle than I am..... Now spread those legs of yours.”

As the girl followed the instructions and laid further back on the cool leather, she gently spread her legs, exposing her unused pussy to the world.

“Thank y-you for having me.” The girl stuttered out, her blush even deeper than before.

“The pleasure’s all mine. Literally.” Sherry said with a joking smile before continuing. “Alright, time for a little crash course in how to take a massive cock!”

With that, Sherry moved her penis into position so that the shaft was resting against Prisha’s lips before she began slowly rocking it up and down, coating her rod in the girl’s overflowing juices.

“Man, you’re really wet! Looks like we won’t even need much foreplay.” Sherry commented, smiling gently as she watched the girl beneath her begin moaning.

As she continued coating her dick, Sherry reached up and grabbed her own huge chest, beginning to lightly grope her tits as she stared down at the girl beneath her. Paying special attention to her areola and nipples, the blonde girl continued her self fondling before she felt a pleasurable warmth begin to spread through her breasts.

Not long after, a droplet of white liquid escaped from out of the center of Sherry’s nipple. Soon after, one droplet became two, which became three, and as Sherry’s skillful hands continued on her massive tits, a small continuous outflow began coming from her nipples.

“W-oah.... you lactate?” Prisha said between moans as she stared at Sherry’s huge breasts.

“Yep. Some stuff happened to me when I was younger so now my body’s a bit.... different, than most people. Even by futa standards.” Sherry said as she grabbed her left tit and brought it to her mouth, taking a quick drink before releasing her nipple with a pop. “This is more for you

though. See, my milk has some other benefits besides tasting good. The two most important in this case being that it enhances your pleasure centers and dulls your sense of pain.”

Sherry then ceased grinding her cock against the girl’s entrance. Reaching down and stroking her dick, she made sure every possible spot was well lubricated in Prisha’s juices before she positioned the head at the girl’s entrance.

“Ready, Prisha?”

“Yes.”

This time, she did not stutter.

Feeling renewed lust at the determination in the girl’s eyes, Sherry moved down and gave the girl a loving kiss as she gently pushed the head of her cock into the girl’s core.

Releasing the kiss, Sherry looked at the taller girl’s face as she breathed heavily, obviously struggling despite Sherry’s head only being inside.

“It’s ok. Take your time to adjust.” The shorter girl said as she gently pat Prisha’s thighs.

A few moments later when it seemed Prisha’s breathing had calmed some, Sherry began pushing her length in once again.

The Indian girl began to moan loudly in a mix of pleasure and pain as the oversized cock began to form a bulge going up her stomach. With tears forming in her eyes, she bit down on her own lip to try and distract herself from the feeling of her hymen and unused pussy being torn and stretched so much.

Finally Sherry stopped when the darker girl could no longer contain herself and let out a soft yelp of pain.

“That’s a good girl, you almost took half of me in already! That’s amazing for your first time.” Sherry congratulated before leaning forward and offering one of her tits to the girl. “Here, drink. It’ll make you feel better, I promise.”

As tears streamed down her face, Prisha didn’t hesitate to latch onto the hung futa’s nipple and begin suckling.

Almost immediately, her previously tensed face began to relax as she drank from Sherry’s breast. As this continued, she began sucking more hungrily and even soon bringing her hands to the huge boob as well, trying to massage more milk out.

“It’s alright, there’s no rush. You can drink as much as you want.” Sherry soothed as Prisha continued hungrily drinking from her breast. As this happened, Sherry began slowly rocking her cock in and out of the girl’s warm cunt, but being careful never to go further than halfway in, and though there were a few more soft mewls of pain at first, they soon faded as the girl continued ingesting her delicious milk.

As this continued for a few more minutes, Sherry finally pulled her chest back, forcing Prisha to release her nipple with an audible pop.

Looking at the woman’s face, Sherry was happy to find that all traces of pain were gone from her visage, instead replaced with the dilated pupils and heavy breathing that signified someone who was intoxicated on Sherry’s milk.

“More....” The girl mewled as she tried to lean forward to get more of Sherry’s oversized boobs.

“Ah, ah, you can keep drinking, or we can continue down here.” Sherry said as she ground her dick into the girl’s pussy a little harder, leading to Prisha to release a throaty moan. “And I promise you, you’ll like my dick milk a lot more.”

As Prisha somewhat came back to her senses she nodded in understanding and spread her legs wider, excited for more of the meaty rod being pushed into her.

“Good, nice and obedient. I like that in my girls.” Sherry praised. “Now, let’s go a little deeper.”

Grabbing a hold of the girl’s meaty thighs, Sherry began pushing deeper into the taller girl than anytime previous. As she continued, she began hearing the lewd moans coming from the slut beneath her grow louder the deeper she got inside.

‘Damn, this slut really was a good find. Not only is she nice and subservient, but her gigantic ass and this meaty pussy are both top class.’ Sherry thought as she groaned, feeling the girl’s pussy contract around her cock. ‘And I’m not even at her womb yet! Forget just a one night stand with her, I’m gonna have to keep this girl around.’

While most futa preferred “tight” pussies, people around Sherry’s size and above almost universally preferred deeper, meaty ones like Prisha’s. There was nothing worse than a girl’s cunt being too small and making you either have to go through great effort to force your dick in, or not be able to get it in at all.

Thankfully, this was not a problem with the Prisha, as Sherry felt the familiar sensation of the head of her cock kissing the womb after nearly two thirds of her length was in.

Continuing to push, Sherry finally felt herself bottom out inside of the girl, who’s womb was now visibly bulging out of her stomach along with Sherry’s penis.

“Oh fuuuuuccccckkkkkkkk!”

With the final push forcing her over the edge, Sherry watched as the girl’s face contorted in pleasure, her eyes rolling back into her head as her pussy tightened around Sherry’s cock in a vice grip, the most powerful orgasm of Prisha’s life rocking through her body.

Watching in amusement as the girl beneath her contorted and moaned through her orgasm, Sherry waited patiently for her to finish, enjoying the pleasurable contractions of the girl’s folds around her cock.

Finally, after nearly a minute, Sherry watched as the girl’s eyes fluttered back into focus and looked at her in amazement.

“T-that was amazing...” Prisha whispered. “I’ve never cum that hard in my life.... and it was just from you putting it in....”

“Yep, and it’ll be even better when we start moving.” Sherry said, giving the girl a soft peck on the cheek. “Here, this time you can help me. Wrap your arms around my neck.”

Prisha barely had time to comply before Sherry reached down and, in a remarkable display of strength, scooped the larger girl up as if she were as light as a feather. Acting on instinct, Prisha wrapped her legs around the blonde girl’s waist just in time for gravity to settle and Sherry’s dick was impaled even further into her.

“There,” Sherry whispered into the girl’s ear as she began gently rocking back and forth, grinding into the taller girl. “Now we can both move.”

However, Prisha hadn’t heard anything as another orgasm rocked her body, but nevertheless she began rocking her hips into tune with Sherry.

“That’s a good girl.... oh, looks like someone’s at the door. It’ll be even more fun from here on, Prisha!” With that, Sherry gave the girl a firm slap on the ass and began walking to the door, her new slut moaning as she bounced on Sherry’s cock the entire way.

---

As Claire washed out the last of the shampoo in her hair she reached out and grabbed a bottle of liquid body soap. Pouring a healthy portion onto her hand, the curvy woman began gently lathering up her body, feeling all the built up tension she had from her day be released as she cleaned away the sweat from the day off. After she had done a cursory cleaning of her entire

body Claire once again poured a handful of liquid soap into her palms, this time however, she brought her hands up to her oversized tits and began to rub the cool liquid in.

Claire smiled as she started her massage from the bottom of her breasts, feeling the heavy weight of her tits in her hand as she bounced them lightly before continuing to move her hands forward towards the nipple. She continued to repeat this motion for minutes as she moaned softly, almost losing track of time thanks to the pleasure stemming from her sensitive boobs. Moving her hands over her nipples, she then began to move her entire breast around in circular motions, causing her to moan ever so slightly louder than before.

However, after a few minutes more she was soon forced to stop as she felt a warmth begin to bloom deep within her boobs.

“Jeez, I barely start playing with them and I’m already about to let out milk.” Claire complained to herself as she moved her hands away from her massive chest. “I gotta stop letting it build up so much....”

Usually Claire would have some of the girls at Terrasave or Sherry suck any excess milk out of her breasts when they built up too much, but lately she had gotten into a bad habit of getting a little too aroused during the process and almost always end up fucking whoever was servicing her breasts before they got the chance to finish.

Putting it on the list for later, Claire moved on from her massive boobs down to her nearly equally large ass. Lightly slapping her hands down on both meaty cheeks, the brunette began deeply massaging the soap into her ass, moaning as the pleasant feeling flowed through them. While her butt wasn’t quite as sensitive as her tits, they definitely proved a nice alternative as she continued moving her large buttocks around.

As her self pleasure continued, Claire felt the previous arousal from her tits and ass finally catch up to her as her oversized cock began to awaken. Claire watched lustfully as she continued playing with her ass and the massive slab of meat began to lengthen and thicken rapidly, with her many veins bulging to the surface.

Once she was nearly half erect, Claire removed her right hand from the pleasant massage on her butt and began gently stroking the remaining liquid soap into her cock. Despite not even being near her full size, Claire couldn’t even fully encompass her shaft with her hand thanks to her massive girth, and soon was forced to release her other hand off of her ass cheeks where it joined in the stroking of the brunette’s steadily expanding cock. As Claire continued her self-stimulation, she attentively made sure she was getting all the exposed skin of her dick lathered in the soap, soon moving her right hand up to rotate her cockhead in her palm while her left hand began fondling her oversized balls.

While Claire was obviously deriving her own pleasure from this, it was also an important step for futa her size when cleaning themselves, as the larger the cock the more buildup it collected throughout the day. Especially so when you got as much pussy as Claire did on a daily basis.

However, as Claire continued her masturbation, long after what was needed for her to properly clean herself, she felt her balls beginning to expand in her hands, hungrily churning as they filled with her seed.

“Damn, looks like that’s all for now.” Claire said with a sigh as she gave herself just a few more strokes before taking her hands off her genitals entirely, watching as her balls continued to expand for nearly a minute before finally stopping thanks to the lack of stimulation. While Claire usually didn’t care who or what she dirtied with her ejaculations, the bathroom had been deemed a “no-go” zone by both Sherry and Ada, as Claire’s release was so thick and voluminous that she would inevitably clog the drains with her cum if she relieved herself in the shower.

“And now I need to let out a load soon to shrink these things back down.” Claire grumbled to herself. While she wouldn’t cum once her stimulation stopped,, her balls would remain at this enlarged size until she found release.

Sighing, Claire began washing the soap off of her tits, ass, and dick, enjoying the pleasurable feeling of the water flowing over them, before turning down the knob and exiting the shower.

After she dried off, Claire exited the bathroom with nothing but a towel thrown over her shoulder and her still fully erect cock leading the way. However, as she walked towards the living room slightly awkwardly, not accustomed to moving around when her testicles were so large, Claire was greeted to a sight she most certainly had not expected to see in the living room tonight.

“Hey Claire! Look what I picked up!”

There, standing in the center of the living room, was the girl she considered her “daughter” surrounded by what was easily more than twenty curvy and busty women, all completely naked, and trying their best to service Sherry.

Sherry herself was currently standing in the middle of all of them, a dark skinned girl with a massive ass currently holding on for dear life as Sherry pounded her in the stand and carry position, an excessive amount of cum being forced out of the woman’s cunt with every thrust. Claire could already tell by the dark girl’s weak moans that she would soon be unconscious.

“Sherry.... Is it my birthday and I just forgot? How the hell did you round all these sluts up so fast?” Claire questioned, however, without missing a beat she walked forward and grabbed the

head of the nearest girl that had been drooling at the sight of her incredibly thick cock, slamming the already hard rod down the girl's welcoming throat.

"Well, I had a little idea today: What if I did a- oh fuck that's tight..... a casting call online for any curvy sluts nearby that wanted to try out some huge dicks? A social media post and a few pictures later and here we are!" Sherry moaned out with a smile, feeling her arousal grow even further at the sight of her "adoptive mother" beginning to savagely face fuck the nearest woman to her.

"Ah.... So that's what the pictures were for..... Smart. Hey, you two sluts, on my balls. Now." Claire said, the more experienced woman's voice remained completely unchanged even as she ordered the next two near her to start sucking her enlarged balls as she face fucked the girl between her legs.

"Yep! You'd be surprised how many girls nearby want some real cock, and how quickly they want it too. I already got a little head start on this slut right here." Sherry said, slapping the Indian girl's huge ass for emphasis, enjoying the way Prisha's huge meaty cheeks jiggled against her own huge balls. "I'm thinking we'll each take about half of them, then we can switch off and fuck the other half?"

With a wide smile on her face, Claire felt her balls once again begin to fill with cum as the two girls began fondling and sucking them, growing even larger than before.

And with that, the two began a night of debauchery that would go down in history.
