A character with short brown hair and a purple beanie is shown from the chest up. They are wearing a yellow-green jacket over a black shirt. Their eyes are wide open and their mouth is agape in a shocked expression. In the upper left corner, a hand is holding a silver handgun. The background is a dark, textured red. A speech bubble is positioned in the lower left, containing text.

Did you know..
Shion's face when
I injected that in her?

She was in a lot of pain.. yeah.. I love that.

Oh wait.. Where's
Asuna? Did she
leave you, Kirito?

Stop barking.. you
psycho.. Shion didn't
do anything wrong..

I don't care how you followed us into the Underworld, but I will be the one who end you!

Heh..

"This is the end of the road for you!!"

Let me take him in
to interrogate.

Call us if
you need..

I should have kill
you.. for what you
have done with our
friend, Shion.

But you are not
worthy for that.

Heh.. You should
have done that, Alice.

Tell you what..
I'm not an character
in this world..

..I made myself..
become a bug
in the system..

"W-Wha.. Something
is covering.. my mind.."

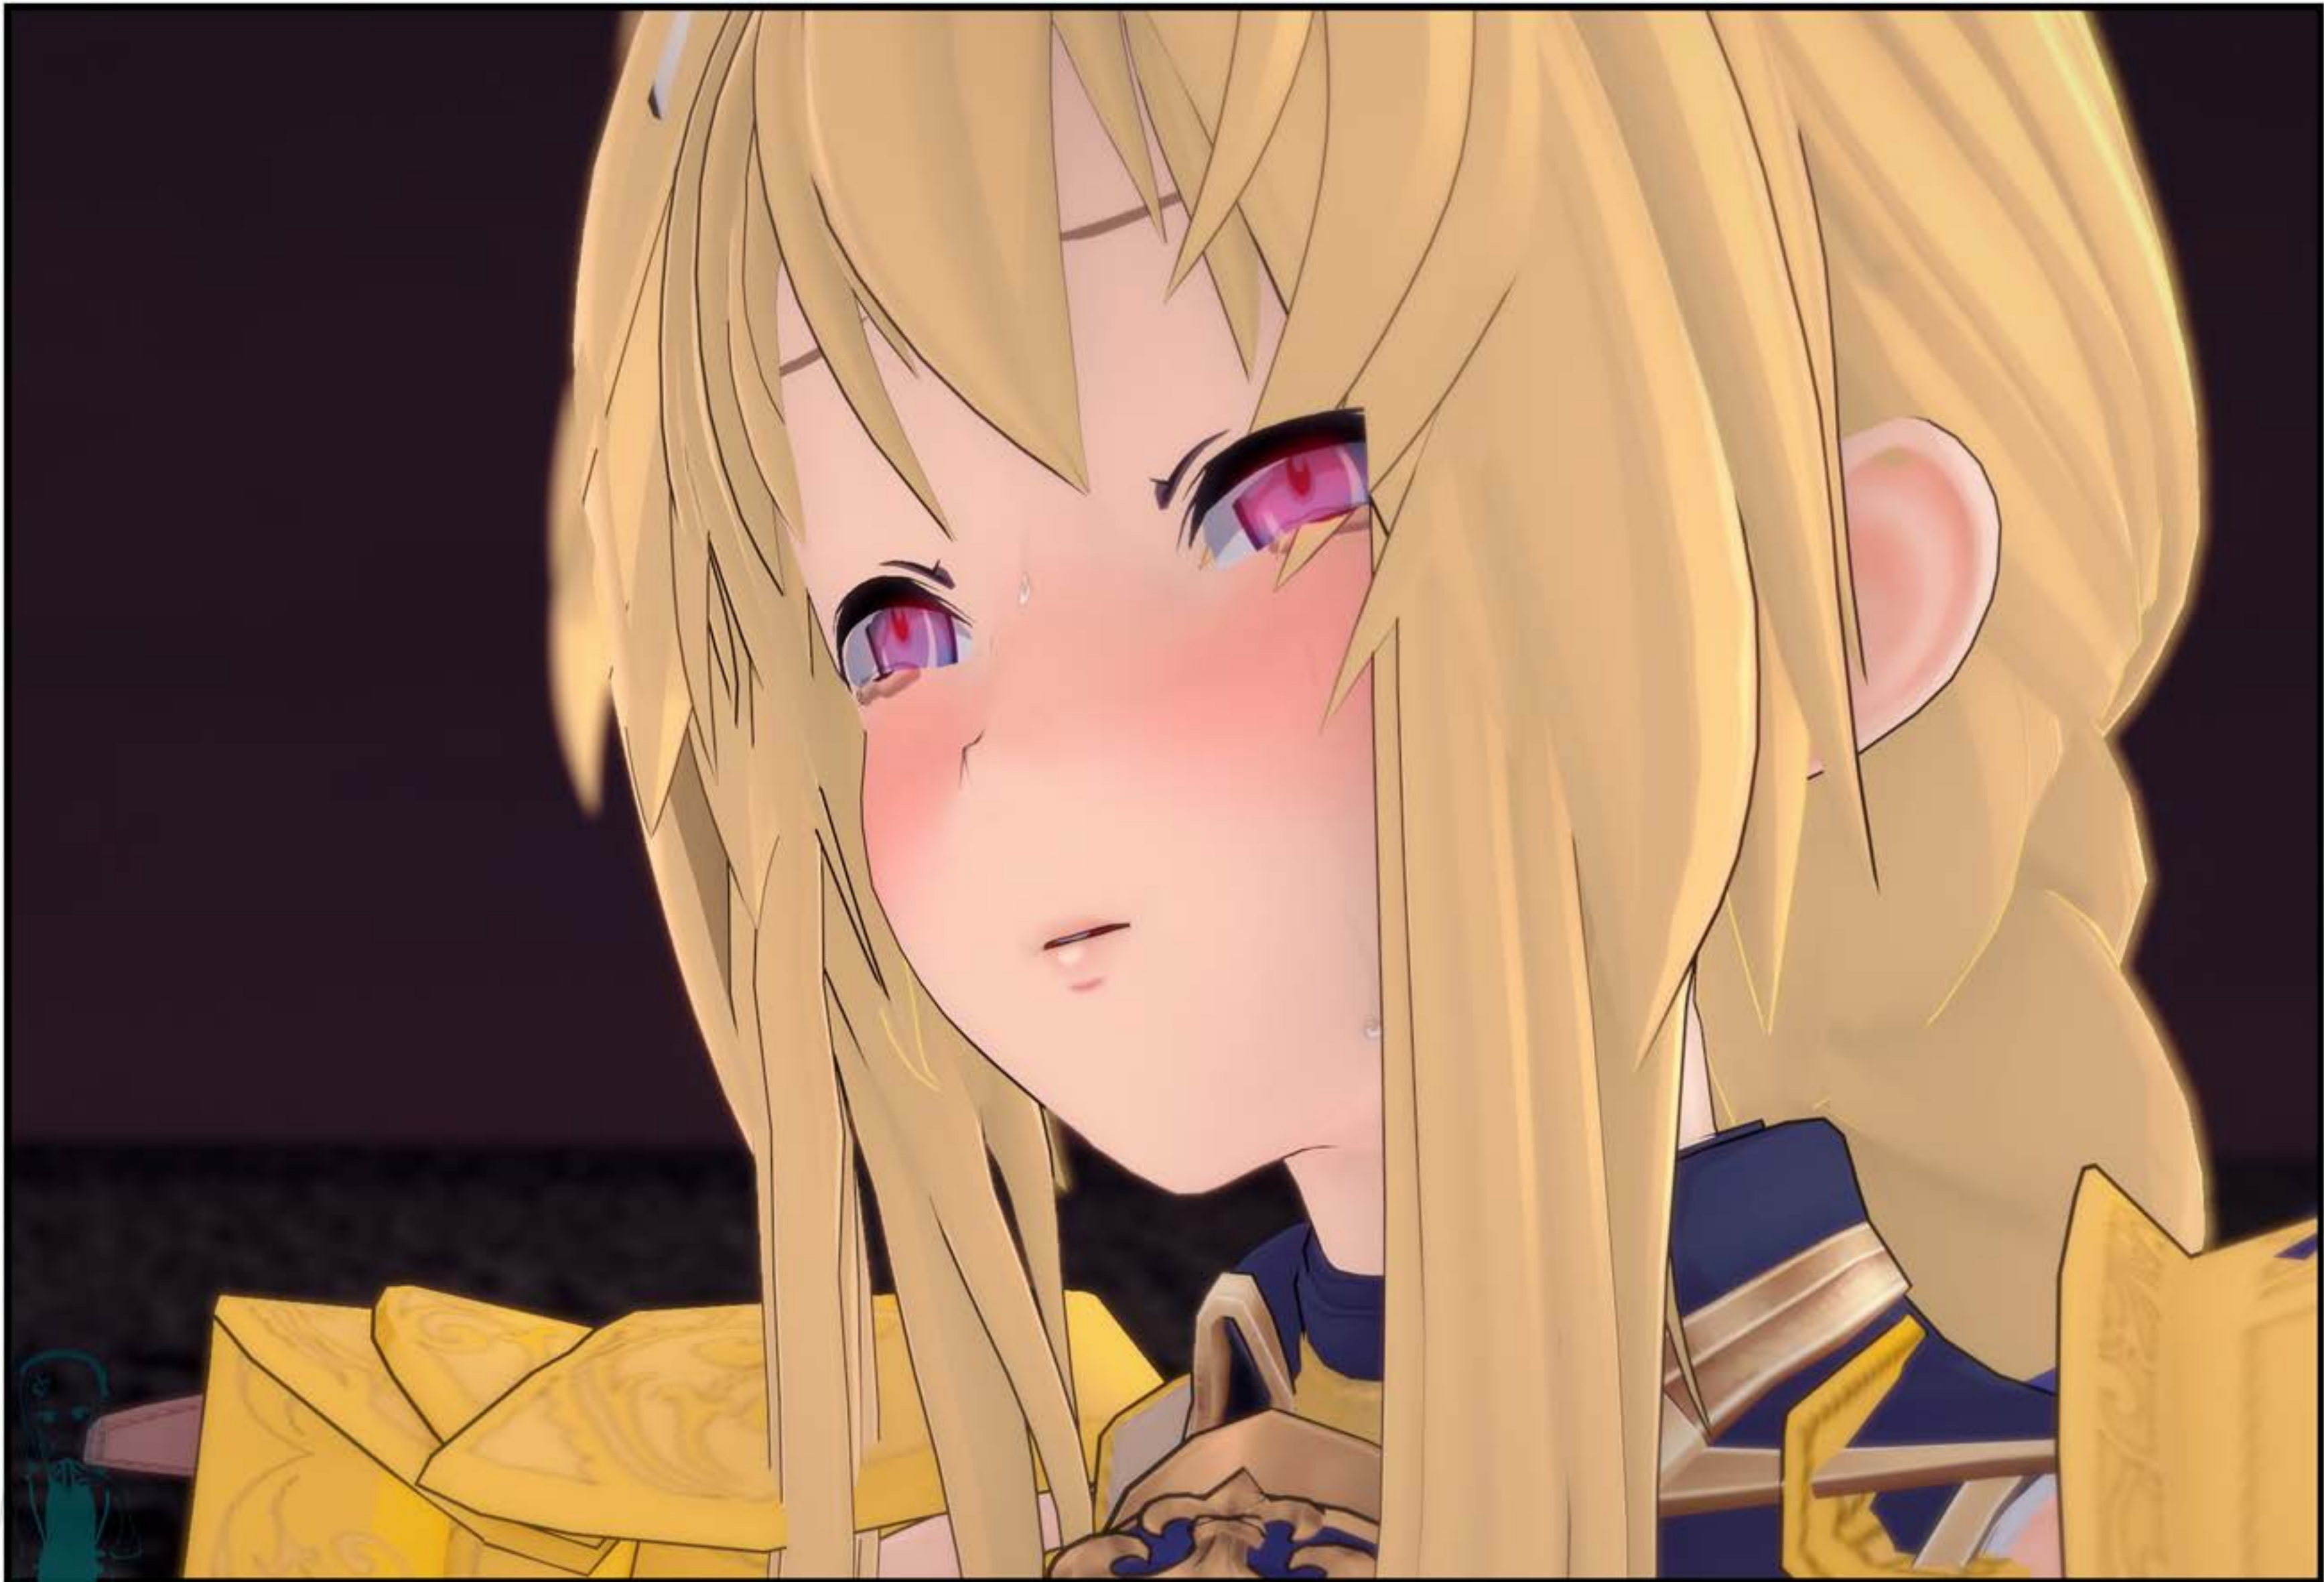

Ki..rito..
Asu..na..

completed..!!

"Kirito.. If it hadn't been for these.."

"But.. I found a way.. to make that beater suffer.."

Hehe.. You will
feel pain.. Kirito.

We can only
hope now, Kirito..

That Shinji.. Where did he found a crack in the system..

Someone might backing him up..

If I hadn't leave
Shion there alone..

Blaming yourself
is not your style..

I haven't found a cure yet, but there must be something..

Do anything you
can, Administrator.

Kirito..

Look after him for me, Asuna.

A man's mind is
easily to break in
these situation.

"Should I.. do nothing and leave it to Administrator?"

"Maybe I should contact Kikuoka later on."

A-Alice..
Is there anything..

I couldn't get
anything out
him..

By the way..

..I have so much
thing to tell you, Kirito..

A-Alice.. what are you doing..

Can we.. do this in private?

I know you surprised..

How about..
you lay down..
and let me do
the rest?

"H-Huh.. What happened..?"

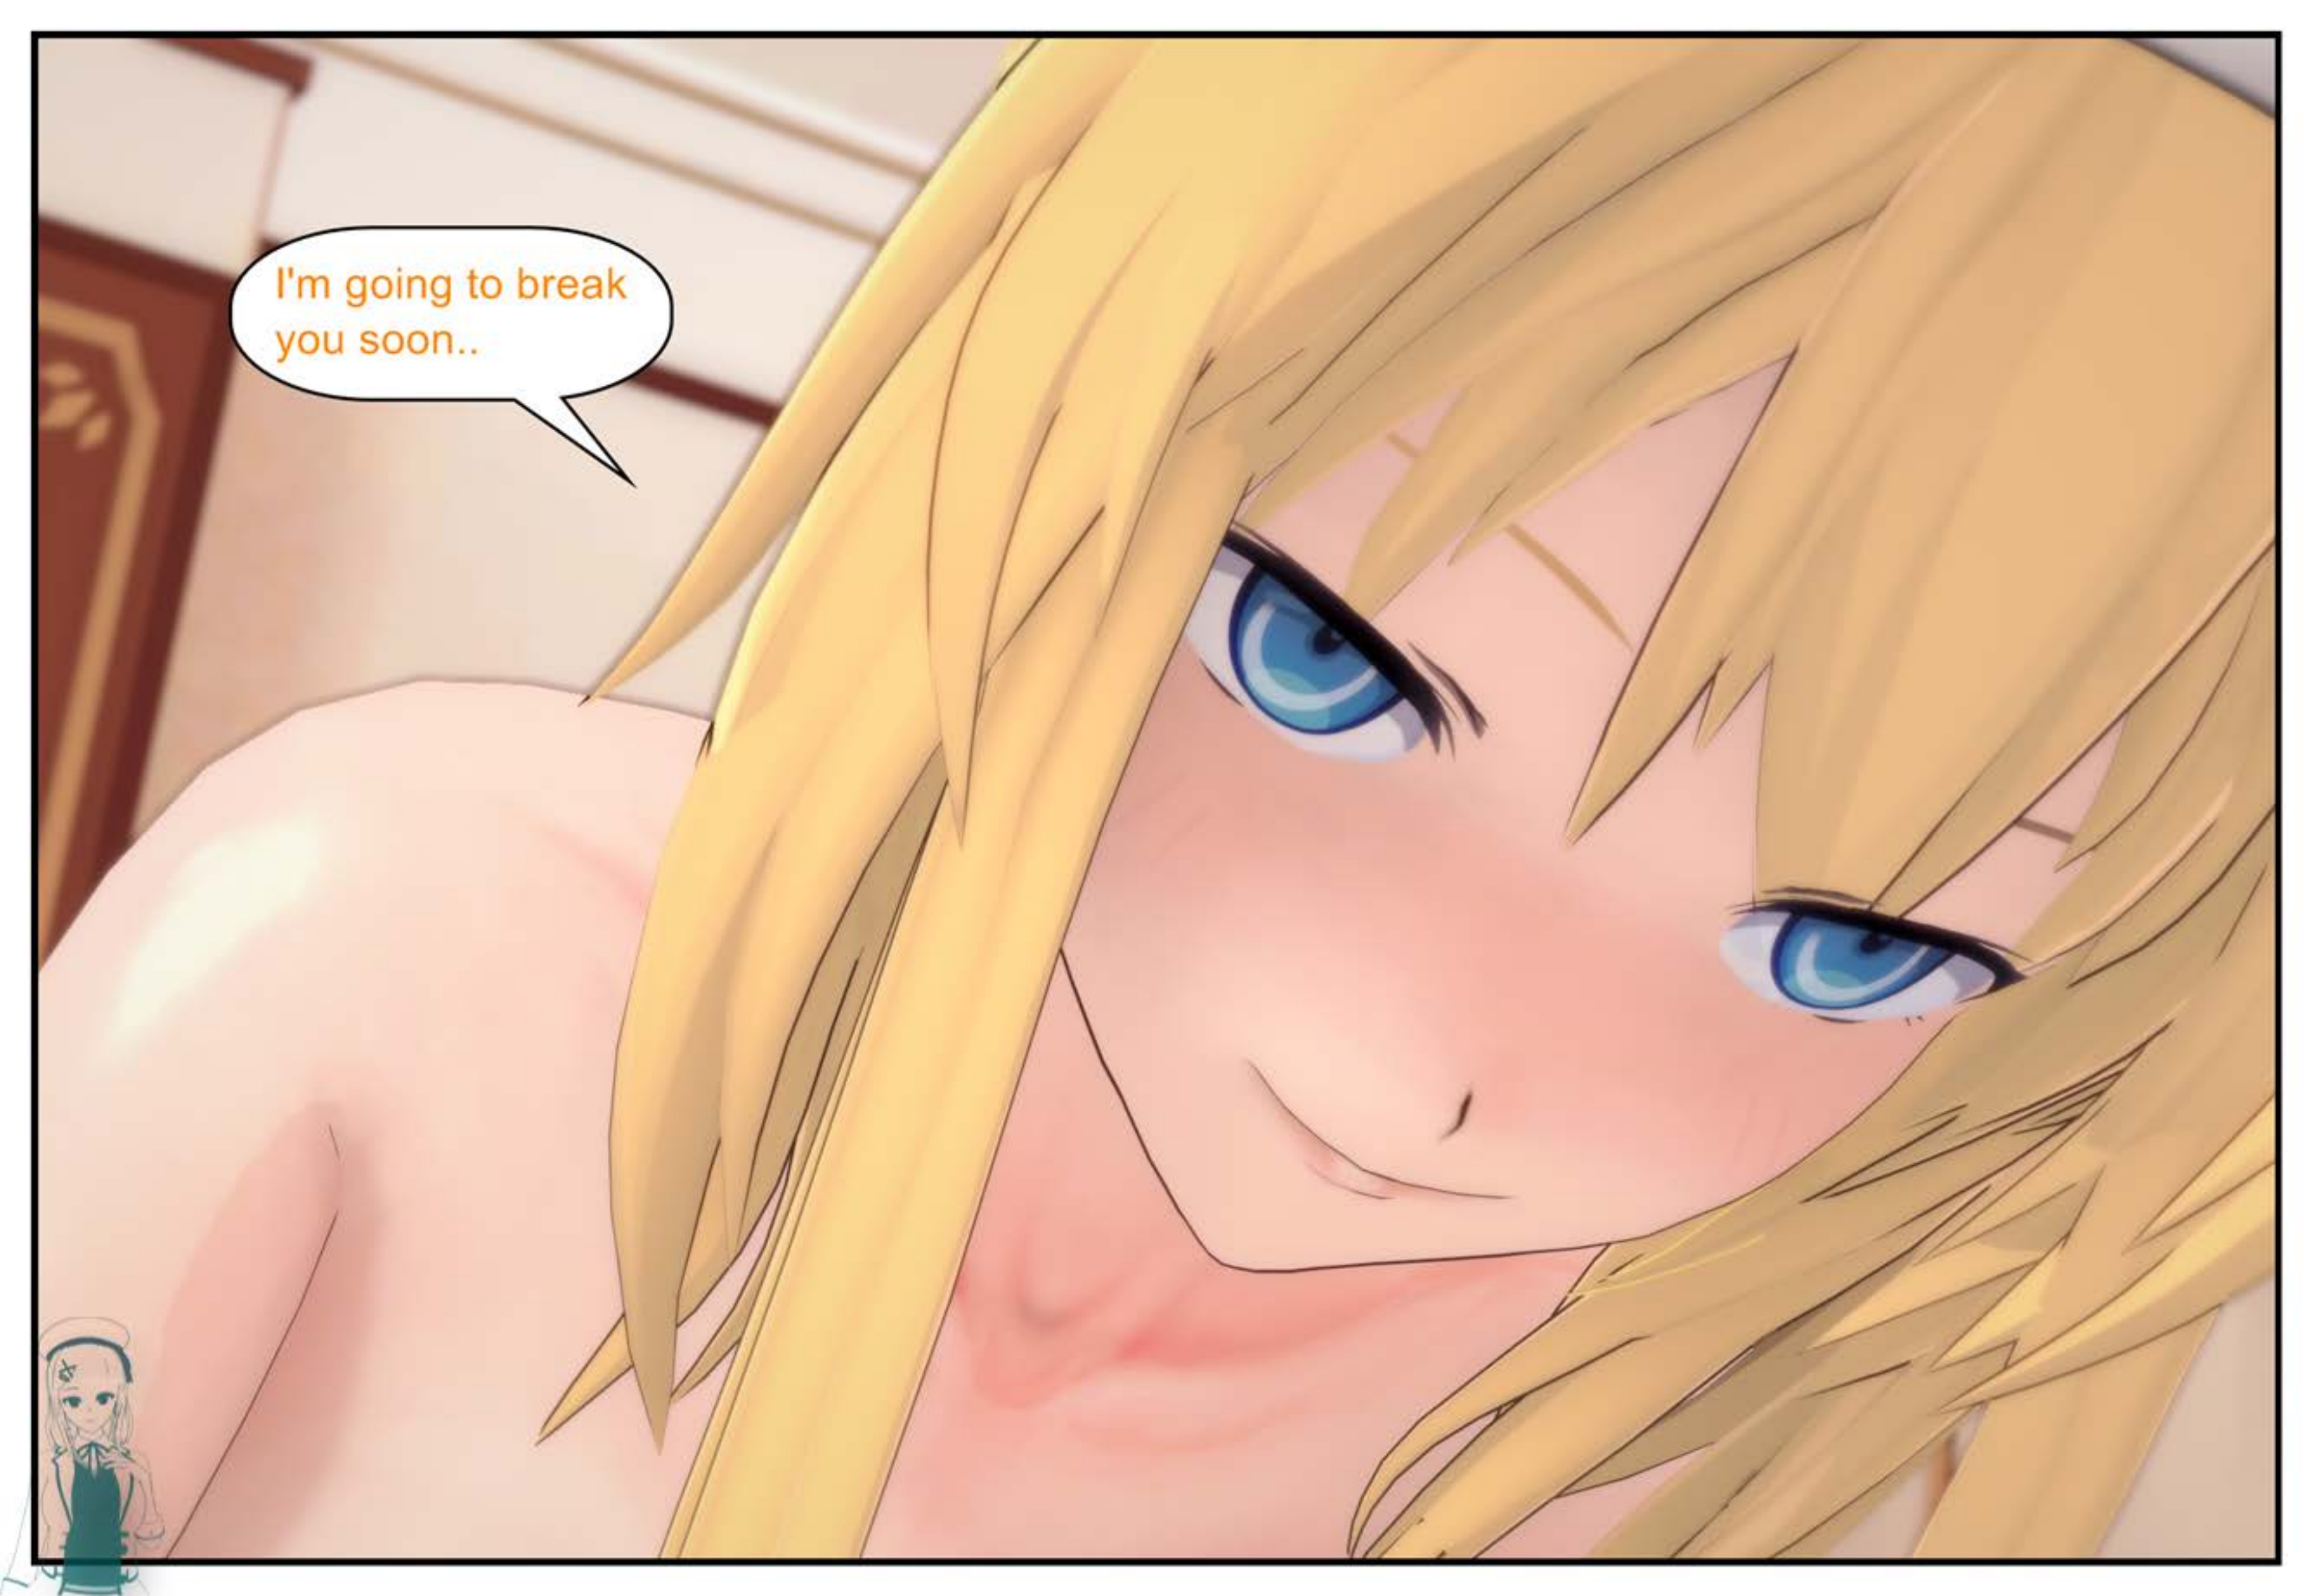

"I-I can't move.."

Ah.. Kirito..
Just relax..

I'm going to break
you soon..

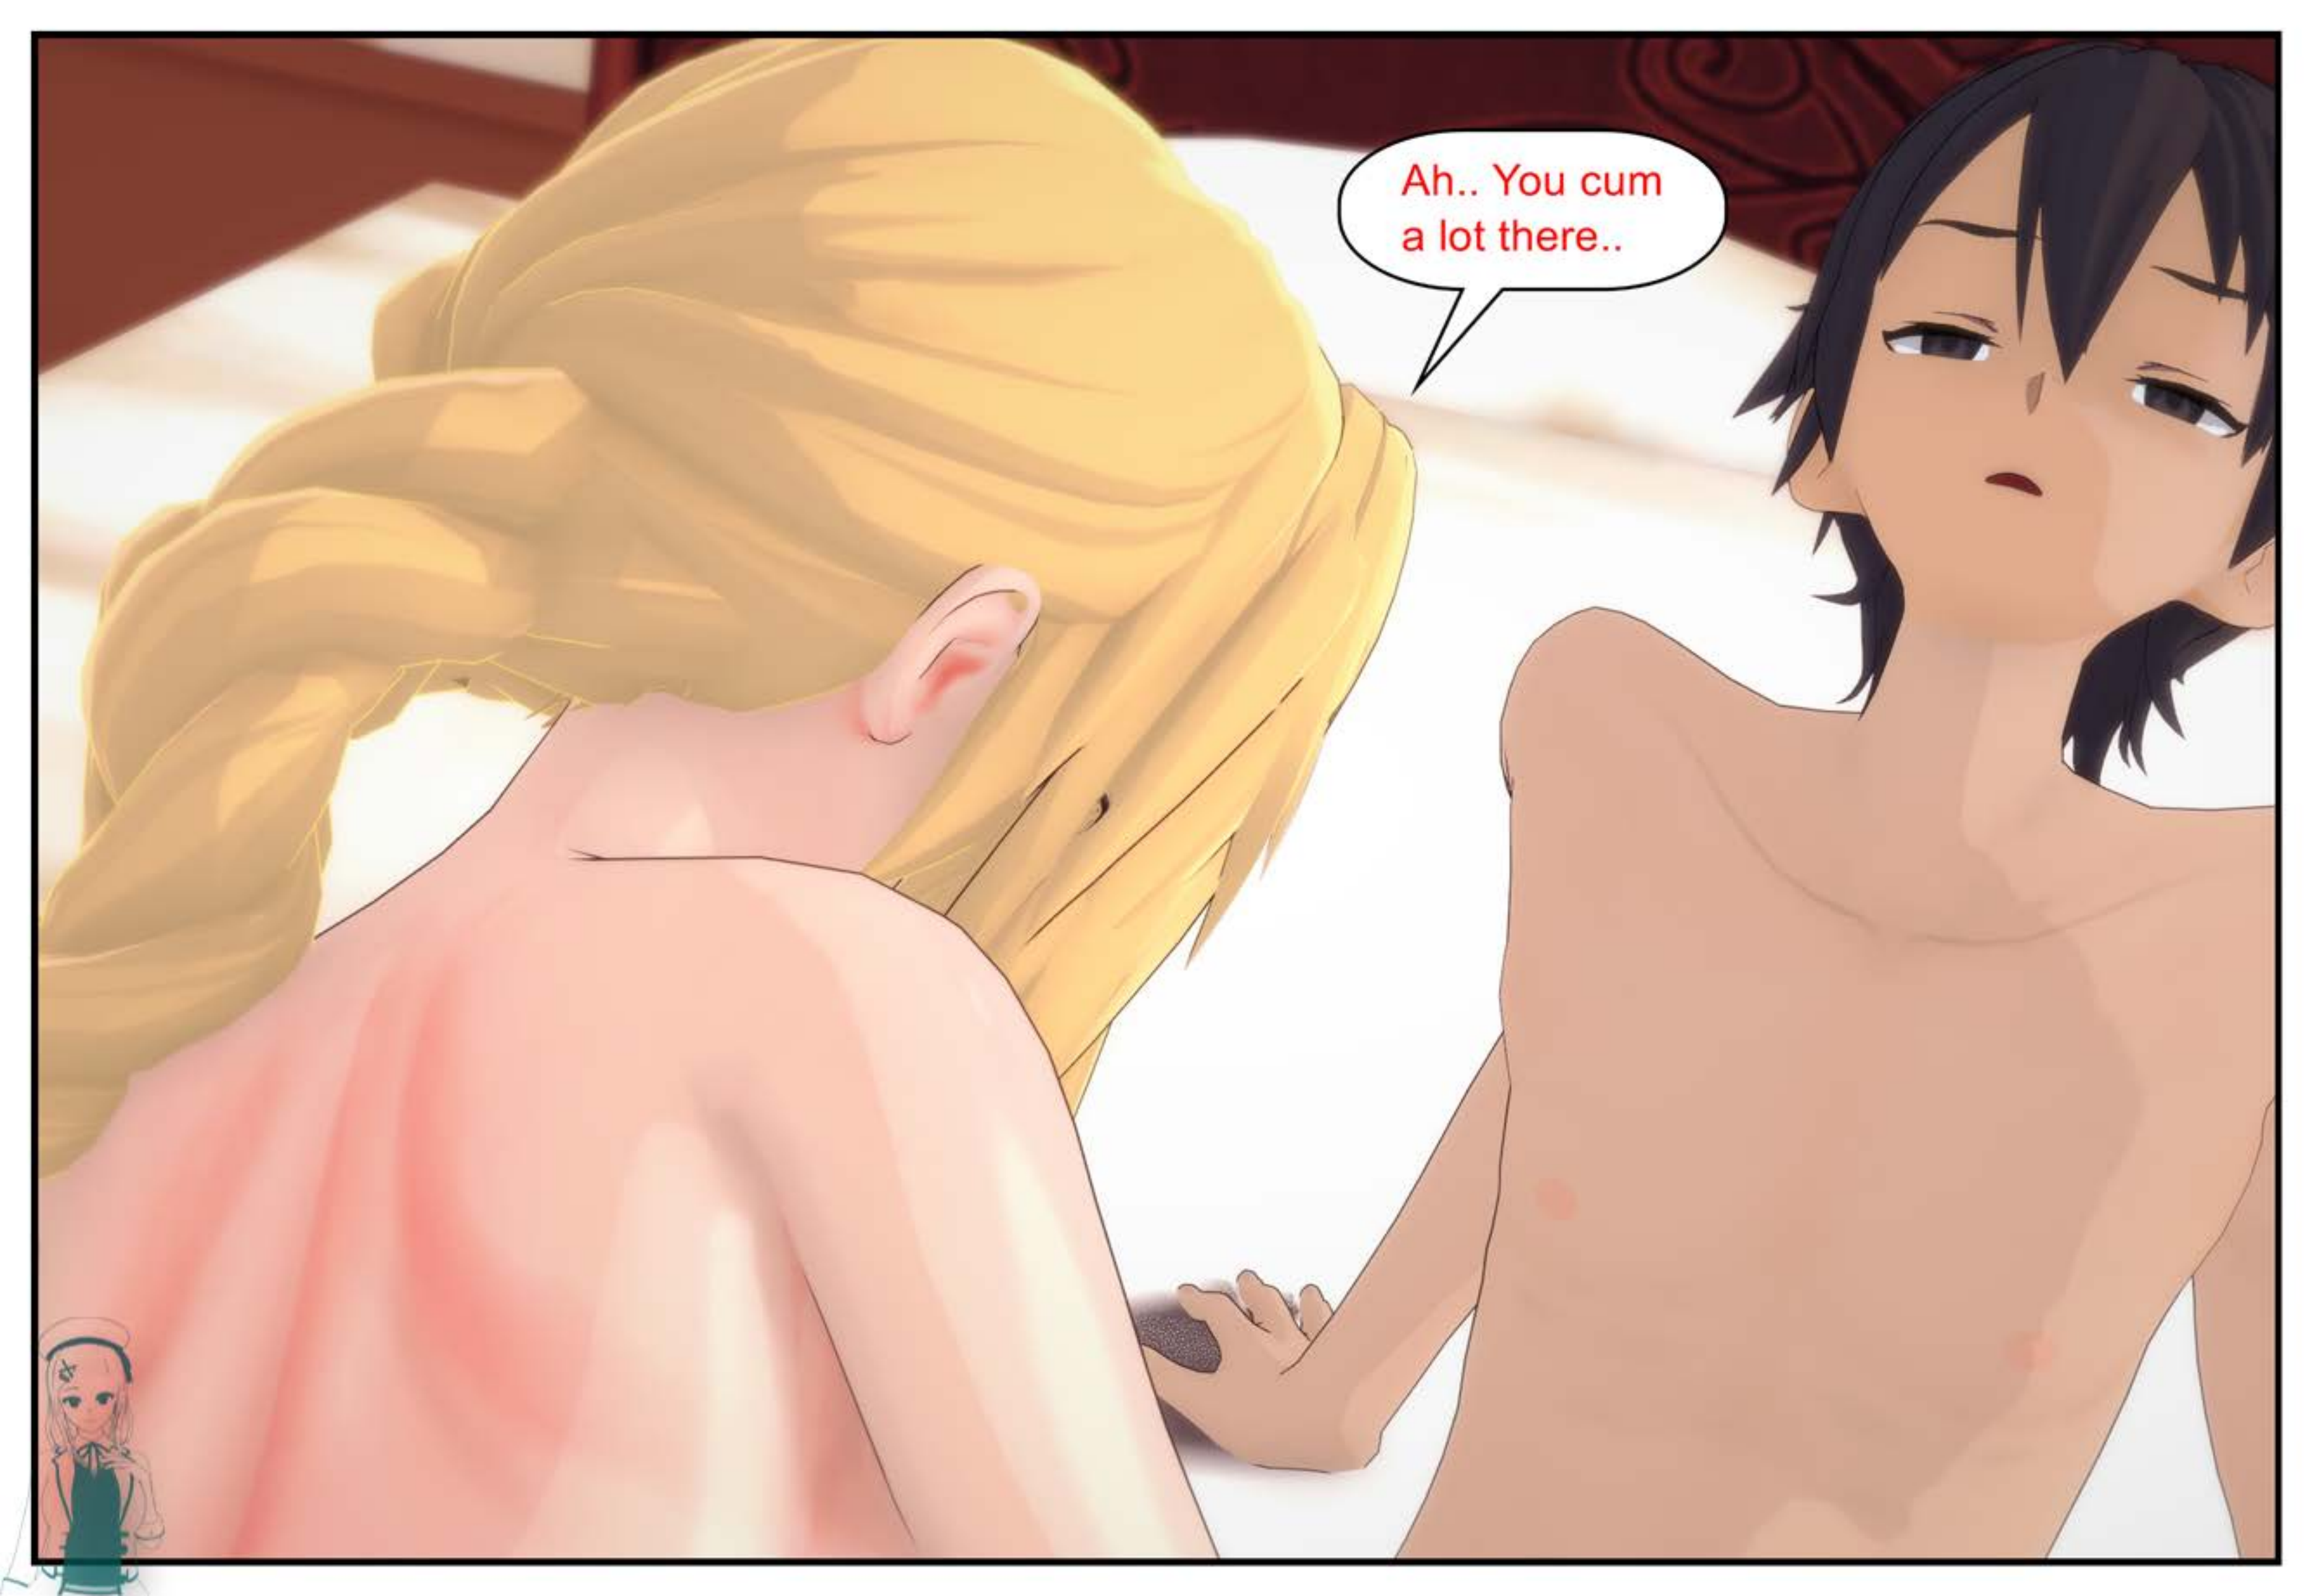

Feels good, hm?

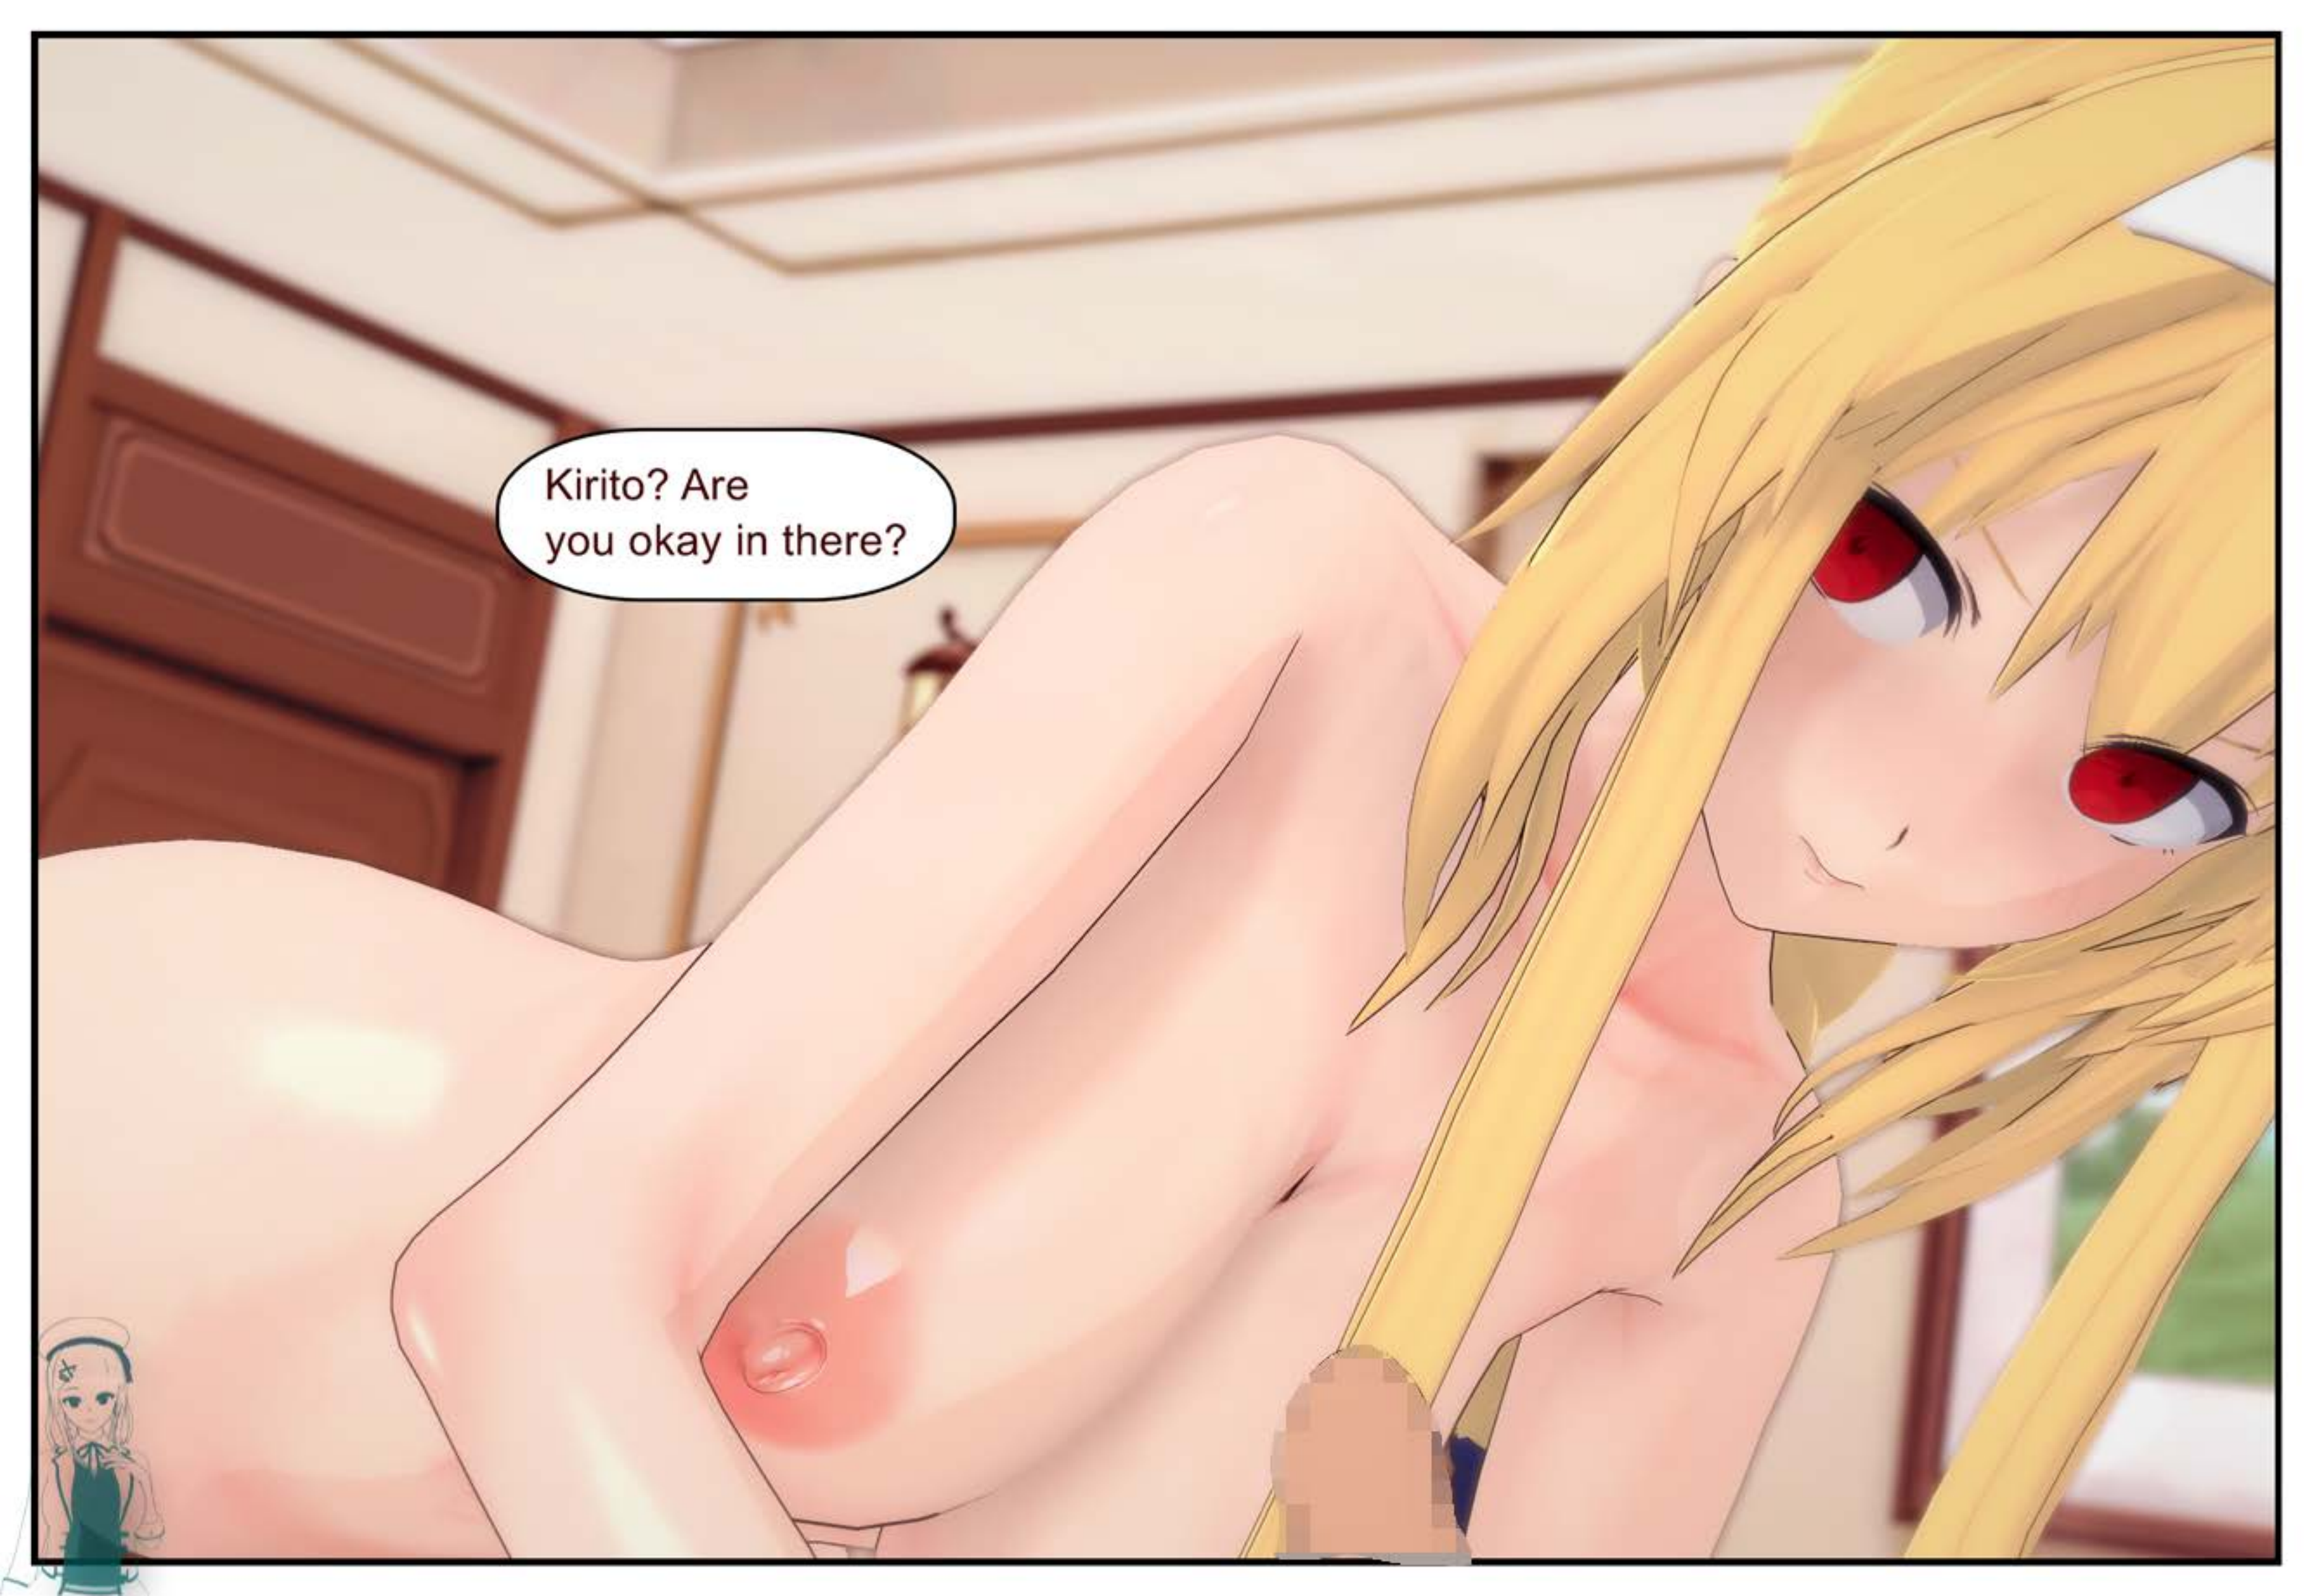

Ah.. You cum
a lot there..

Kirito? Are
you okay in there?

"Tsk.. Just a little bit more.."

Do you want to go into town and have a meal..?

Hello, Asuna.

Oh.. Why didn't you say anything?

You better be
closer to him..

W-Wha..?

Kirito..

I need a proper explanation..

I thought I sense
an intruder in the
system..

Infect into Alice's system, too. What your game here?

Well? If you agree
to work with me..

..I want Kirito.. to be suffered..

To be continued?
