Humans are animals good at adapting.

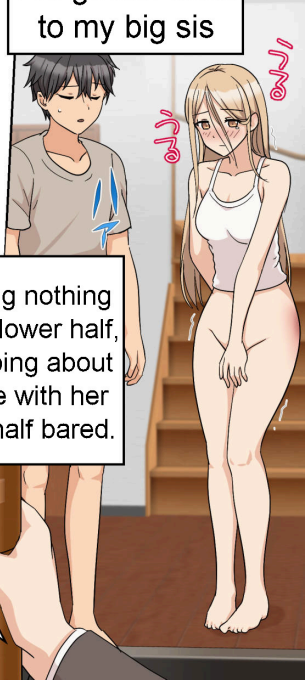

As college students, we're always at home together during school breaks.

At some point, I've gotten used to my big sis

To the point where I can't remember what she looked like before.

I'm going to the office!

wearing nothing on her lower half, and going about her life with her lower half bared.

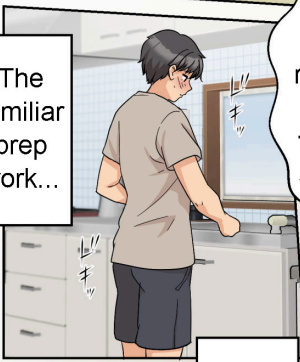

Um... It's time for my... spanking.

O-okay ...

The familiar prep work...

Thanks... It must be rough having such a troublesome sister, huh...

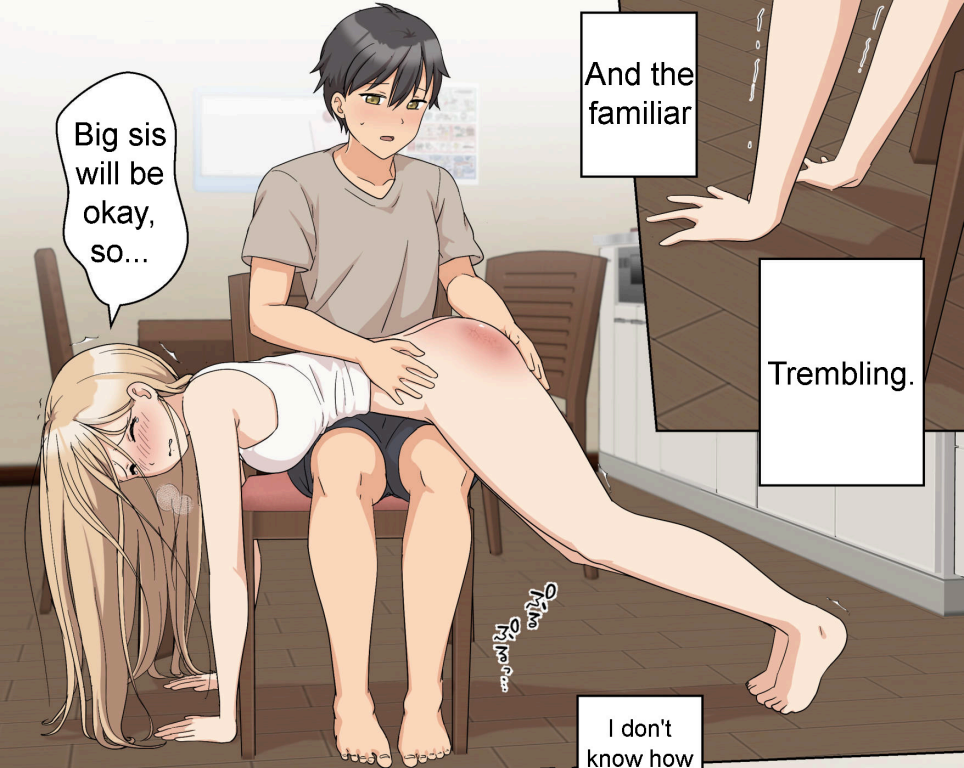

The familiar resolution...

I'm ready...

The familiar scent. The familiar sensation. The familiar weight.

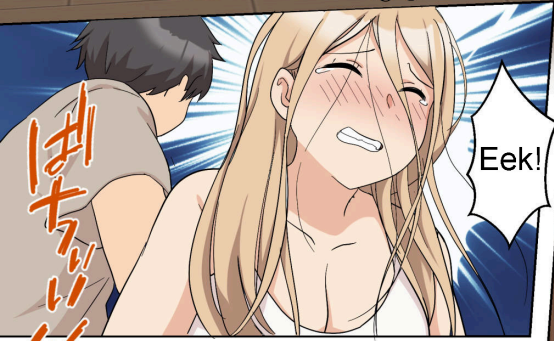

Big sis will be okay, so...

And the familiar

Trembling.

Eek!

I don't know how much longer we'll have to repeat this treatment.

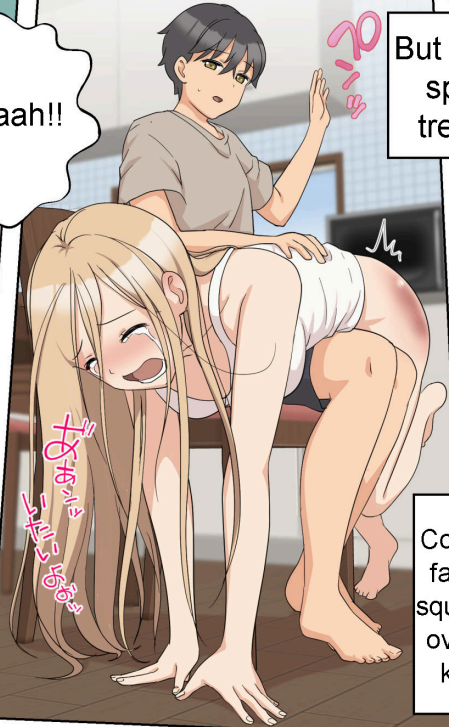

Oww!

*いいえ*

Waah!!

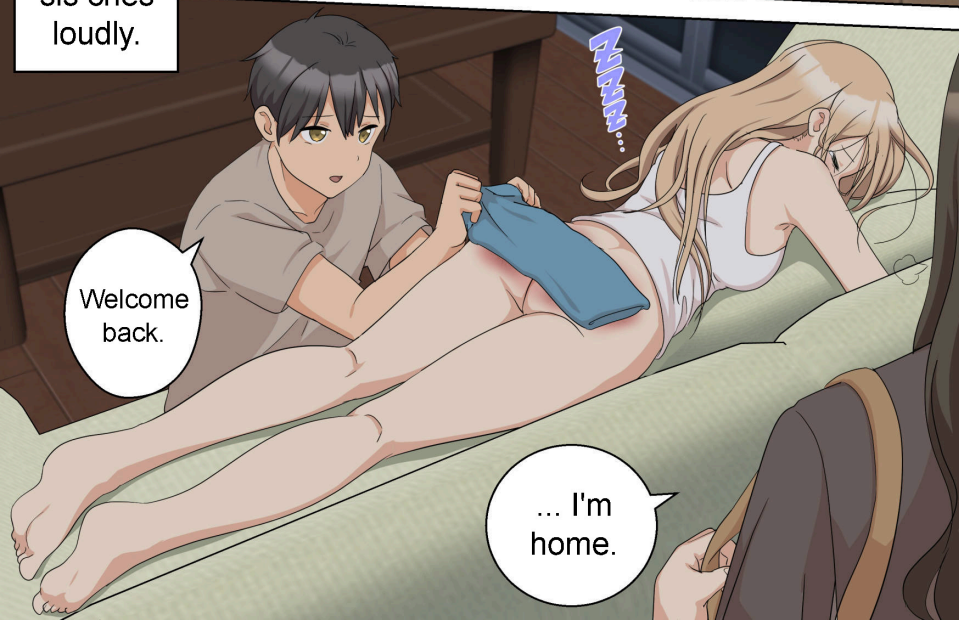

But with each spanking treatment,

It ends when big sis cries loudly.

Comes a familiar squirming over my knee.

Welcome back.

... I'm home.

We gotta administer your spanking treatment~

Mr. Patient~  
Where are you?

Oh dear...

クズ

The nurses are probably all looking for me.

Geez~  
So you were over here~

Mr. Patient ...?

I bet they hate me and will beat me like crazy.

It's true a spanking can be painful and scary...

Hmm~ Right...

Come on, let's get you to your bed!

タ  
タ  
タ  
...  
P-  
please wait!

But we can't spank you gently.

But there aren't any nurses here who harbor certain feelings towards the patients and spank harder, so don't worry.

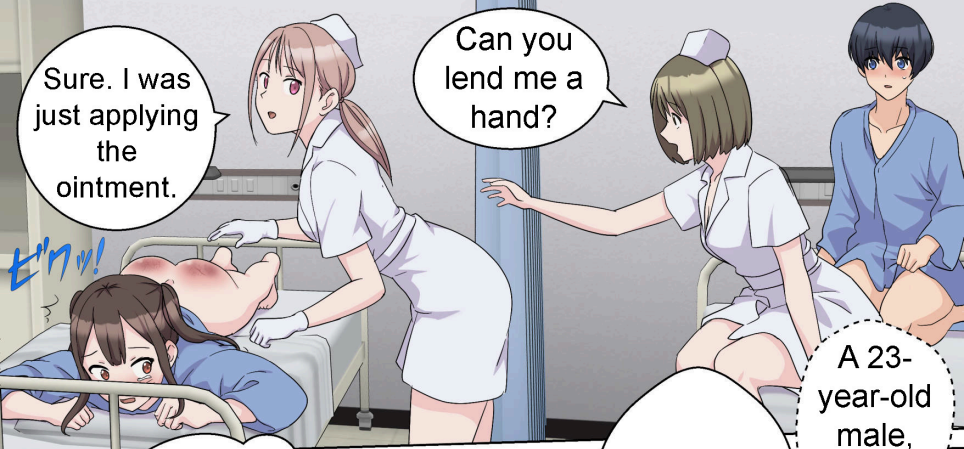

As a nurse, I have to spank patients strictly.

Miss Nurse~

Make it... Not hurt as much...?

I can get help to make the pain not hurt as much.

But!

Sure. I was just applying the ointment.

Can you lend me a hand?

A 23-year-old male, huh...

ヒン!!!

I had a girl on the bed next to mine...?

Haha, if it's that, I'm ok whenever, senpai!

Mr. Patient~

ヒン!!!

I'll hold your hand~

Come on, get your bottom over here~

Come on, don't be embarrassed! Put your hands here~

T-that won't make it not hurt!

You lied! You're just holding me down!

Good boy! You're really brave. Good boy, good boy~

And please stop treating me like a kid!

Enforcers take your positions!

I'm tired... If I resist, they'll just hit more...

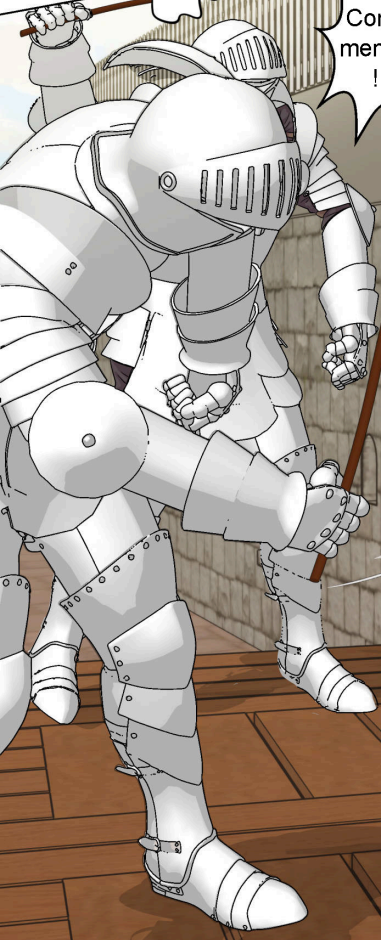

Don't give up! They don't know we're from another world!

Let go! We're not slaves!

Unforgivable!

For mere slaves to escape!

Commence!

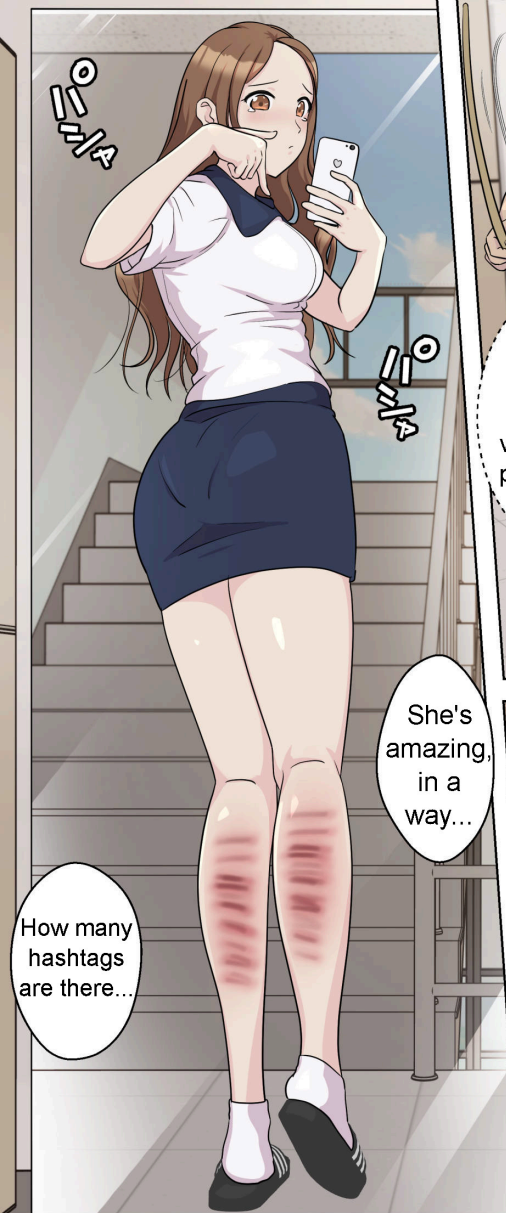

女中様

How many hashtags are there...

She's amazing, in a way...

She's been using her phone in class every day, so she's getting punished...

You don't know her? She's an influencer who makes a post every 10 minutes...

But will she be ok? It'll be hard to make a post with her legs exposed like that...

... Maybe we didn't have to worry.

Geez,  
can't be  
helped...

Sigh... I told  
you what would  
happen if you  
broke the  
regimen...

Sir, what's  
this photo?  
You're eating  
instant  
noodles at  
night, huh.

If you don't follow the diet,  
you'll be spanked on the  
butt. This is not a joke, please  
prepare yourself

ゴォゴォ...

The regimen  
is more  
important  
than  
exercise.

Instead of  
exercise, you  
get spankings  
today! Reflect  
on yourself!

Oh my, good morning!

Oh, you woke up from the sounds of the spanking?

Sorry about this every morning! We must be such troublesome neighbors.

A not-so-troublesome neighbor

No more!  
This is  
enough,  
right?!

Nope! We  
said the loser  
gets 5  
minutes of  
spanking from  
each person,  
right?

Only 3  
minutes  
passed, you  
know?

The first lesson of the new semester. Amidst an uncaring mood, is a problem child called Rae who hasn't graduated despite being 20.

However, her new teacher in charge was a young, strict and demanding new teacher.

You can't keep getting held back, you know? Sensei will spank you so you don't give up!

You fought with  
the kids in giraffe  
class again!

Neither I or  
giraffe  
class's  
sensei will  
forgive you  
today!

Sorry~  
Sensei  
has  
something  
to do...

If you keep  
fighting with  
kids at 24,  
you'll never  
graduate!

You dared to  
escape from the  
training grounds?  
Then you get  
"endurance training"  
today!

Noo!

It hurts!!

I'll come  
back when  
the sun sets,  
so reflect  
properly till  
then!

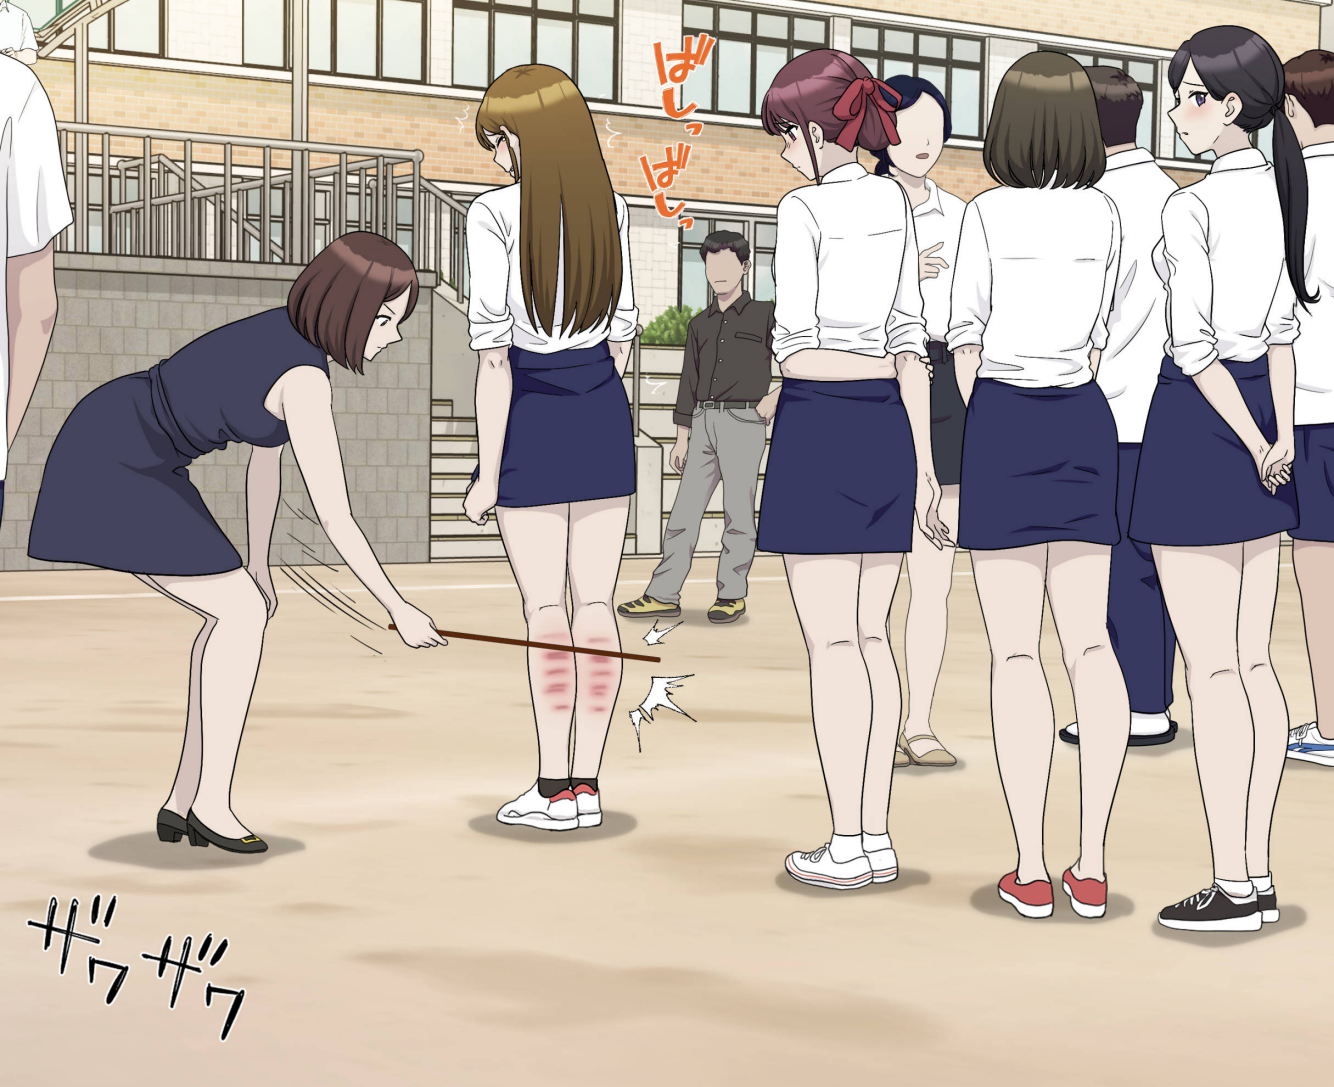

Come on, feet here.

ギクッ!

Whoa... I'm glad I wasn't put in that sensei's class...

To have their calves caned just because they didn't line up properly...

The girls in that class don't have a day in the whole year where their calves are fine, I think...

I'll kill you  
after school  
for snitching.

Ah, my arm  
hurts...

Just  
when did  
we bully  
you?!

I don't like  
it, but do  
you wanna  
get hit  
more?

Eeek!

What, did they bully you again?

That they'd kill you?

of 10/12

Right,  
just get  
along,  
yeah?

Sorry~  
We  
scared  
you,  
huh~♡

Let's play  
together  
after  
class♡

Frustrated?

Are you frustrated being punished by a girl a year younger than you?

... Huh?

N-no, um...

If it's frustrating, you should make the team sooner. Hm?

Sorry. I mean, I'm very sorry...

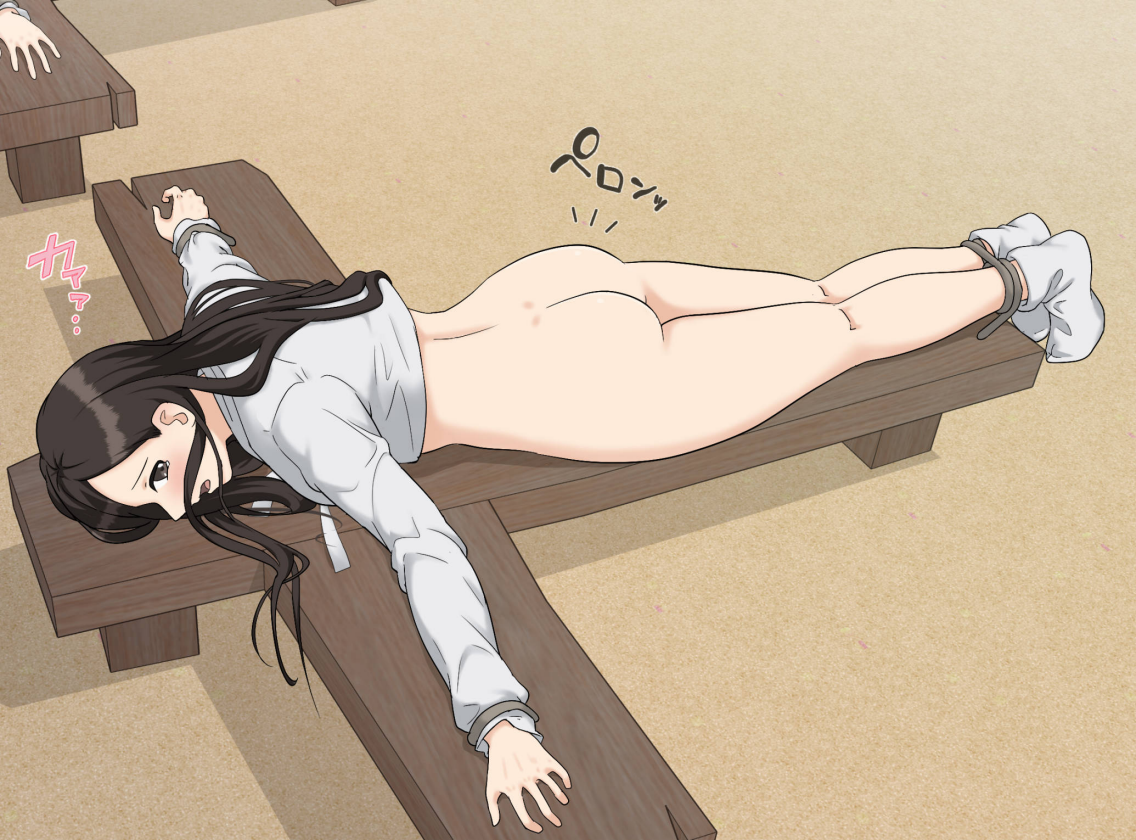

Do you 2 want to be held back again? Do you think these extra classes are pointless?

As promised, I'll tally the scores. Let's see...

First, Heather gets 10 for being late.

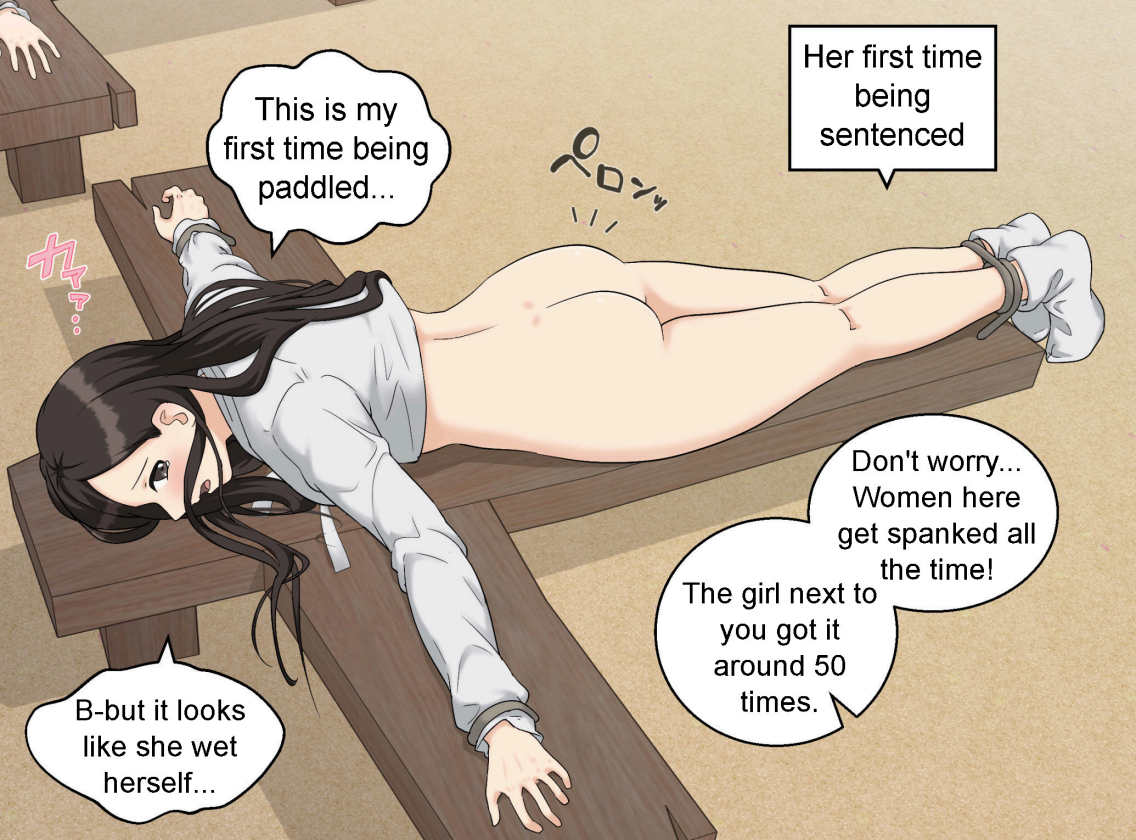

Then Wendy, your scores and attitude are all over the place.

Don't worry... Women here get spanked all the time!

The girl next to you got it around 50 times.

B-but it looks like she wet herself...

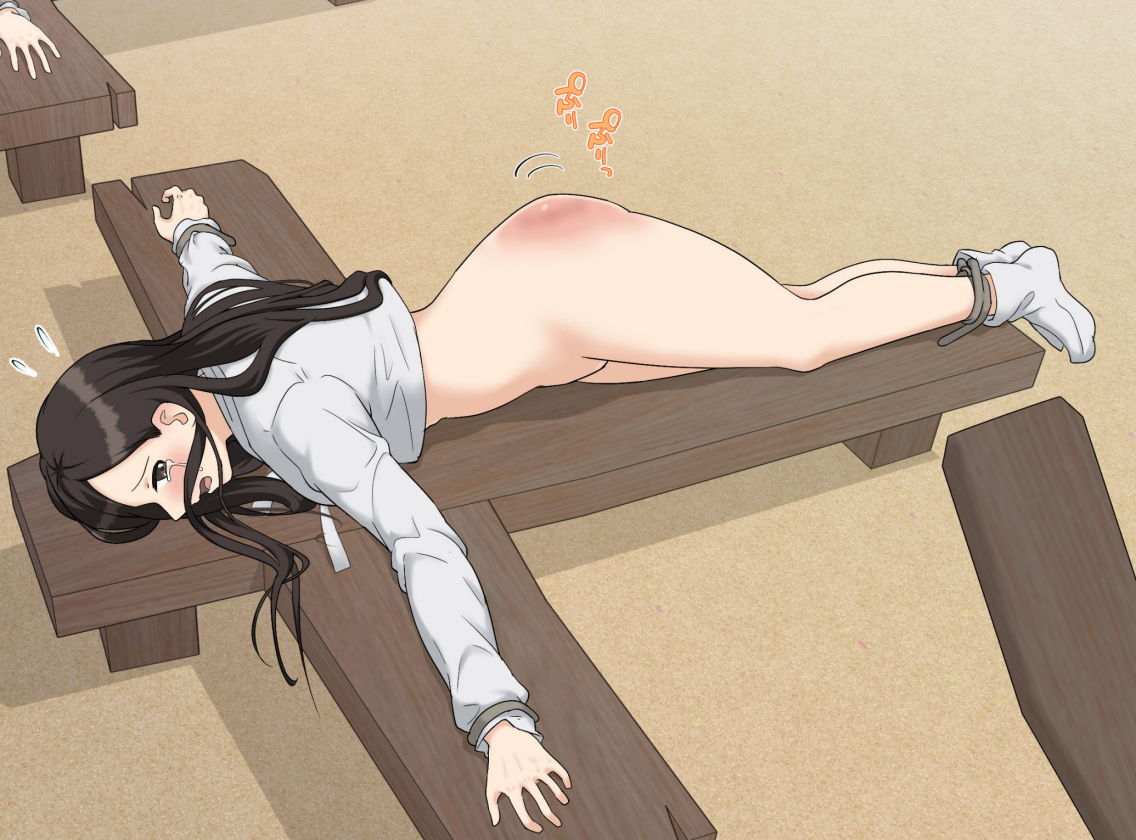

Kyaah!

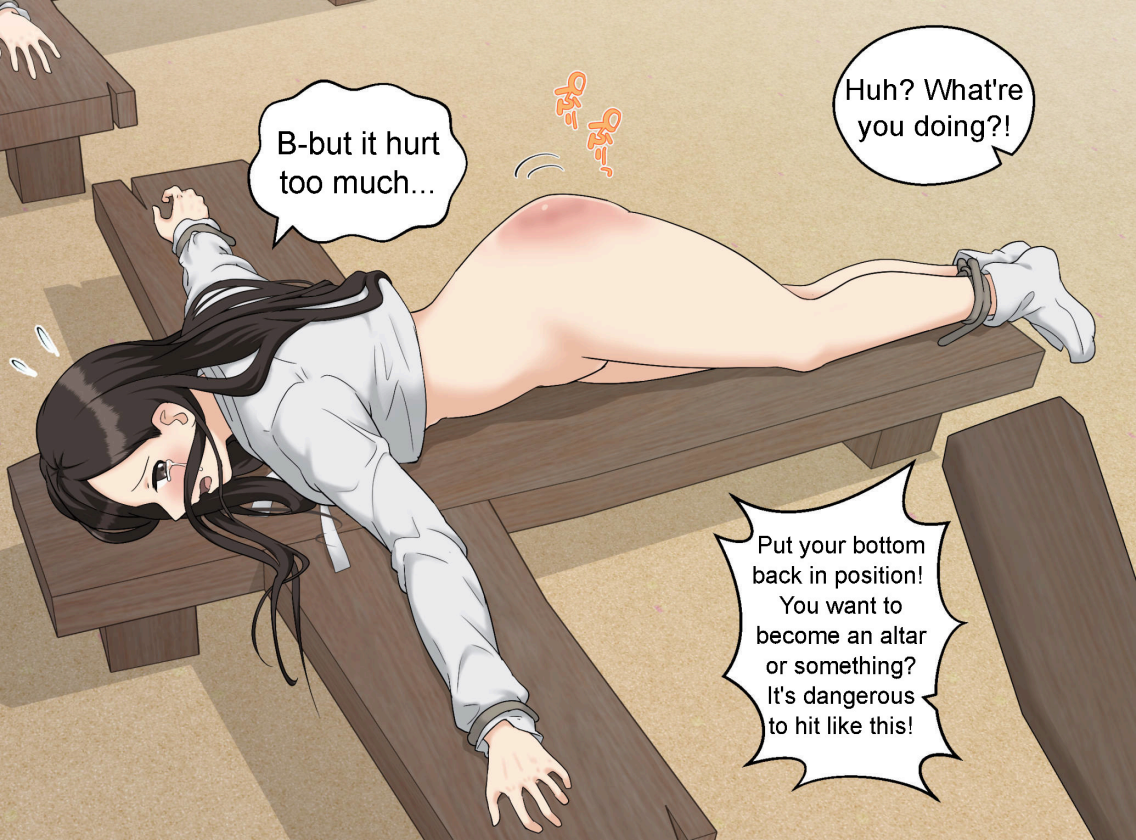

Then here we go!

バツィン

?!

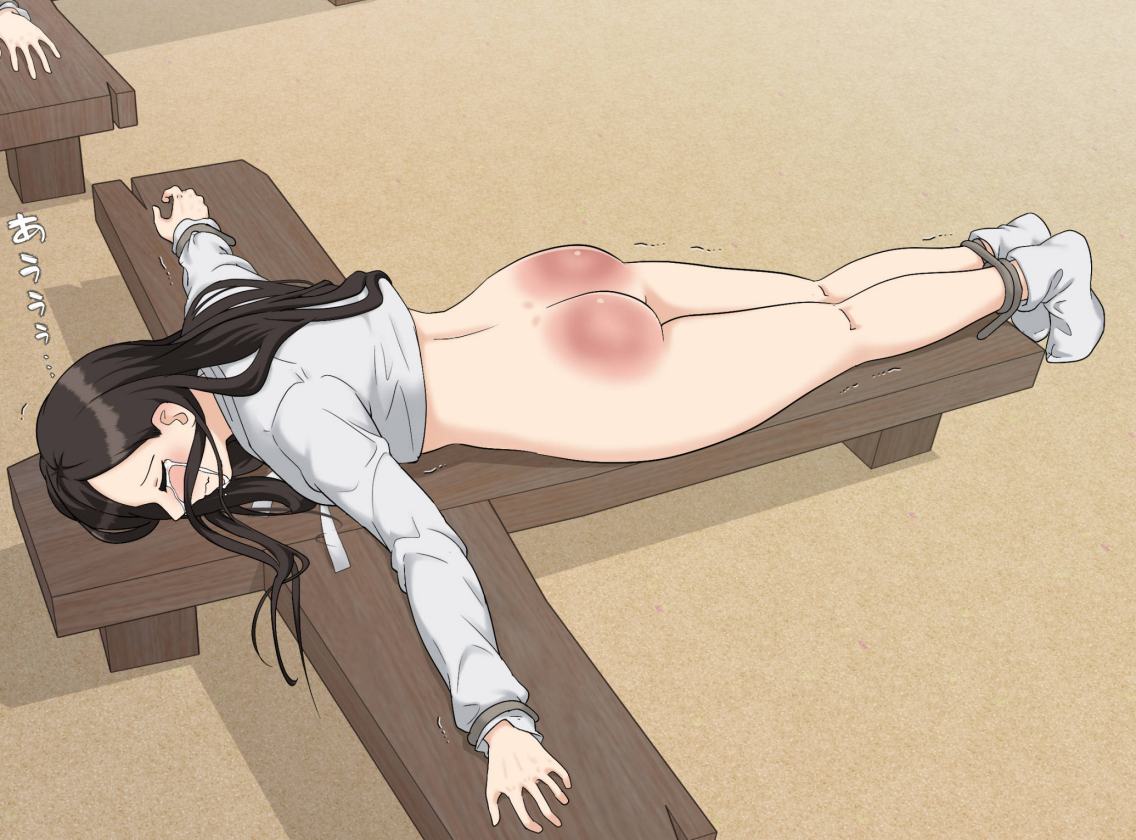

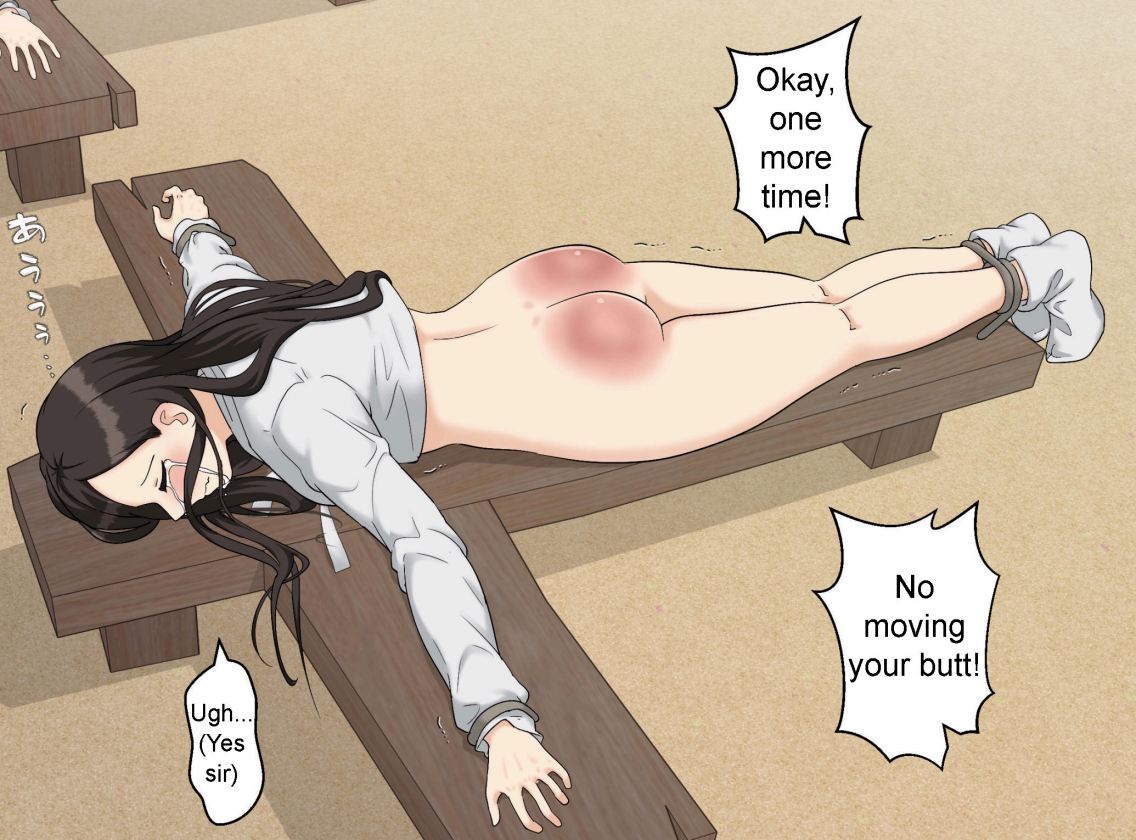

B-but it hurt too much...

Huh? What're you doing?!

Put your bottom back in position!  
You want to become an altar or something?  
It's dangerous to hit like this!

あゝあゝ...

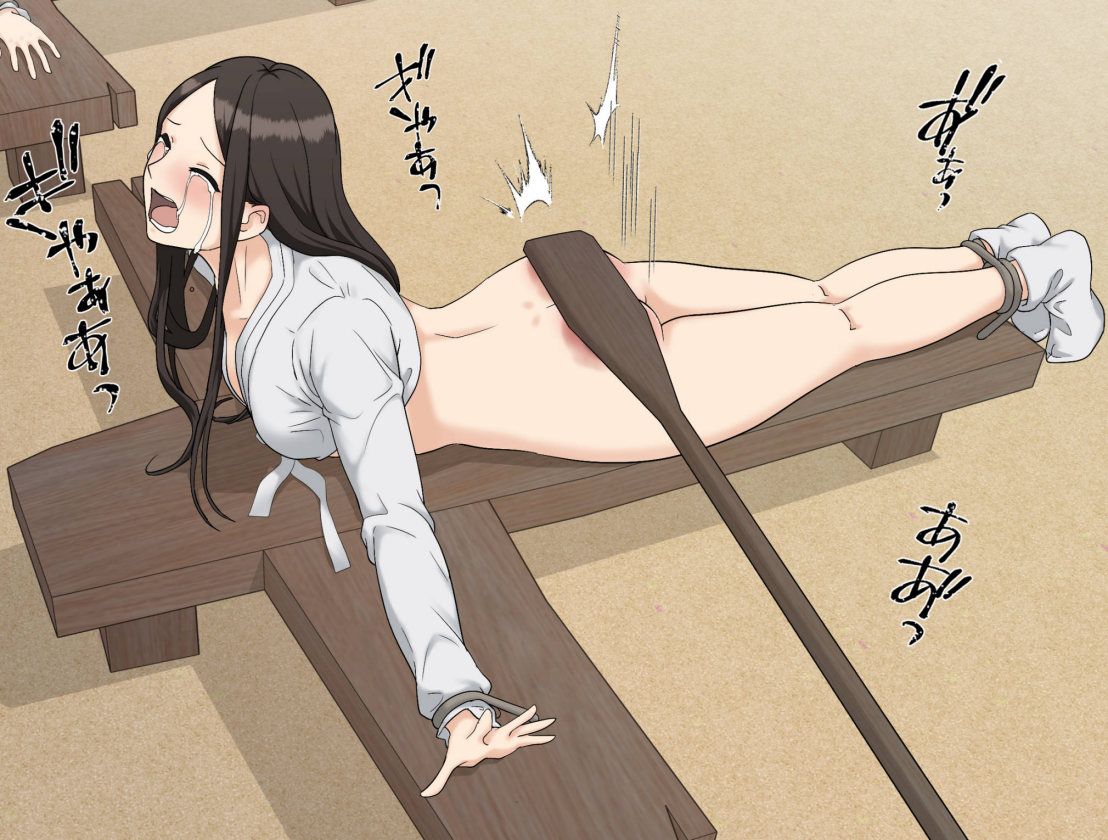

Okay,  
one  
more  
time!

No  
moving  
your  
butt!

Ugh...
