Finally finished cleaning..

Uh.. Uhm.. Can you come with me a bit?

Sure, what is it?

Ahaha.. I can't
tell you now..
Just come with me.

Hm..? Isn't
this locker room?

But it's private
enough for us.

We should head home now, it's getting late.

Please? I can't stand it, just this time.

Okay.. I need
to prepare first.

A close-up illustration of a young woman with dark, straight hair and glasses. She has a soft, pleasant expression with a slight smile. Her eyes are looking slightly to the right. The background is a warm, orange-brown color.

Hah.. It's
so good..

Do you remember
the first time we met?

That.. you accepted me even I'm not a human?

"Of course, I never forget.."

A 3D-rendered anime-style scene. In the foreground, a character with long, flowing pink hair and purple-rimmed glasses is shown in profile, looking towards the right. In the background, a smaller character with short pink hair in a sailor-style outfit stands on a pink, rounded surface. A speech bubble above the smaller character contains the text: "In that park, one month ago..". The background features a grey wall and a bright yellow and orange light source.

"In that park, one month ago.."

"You appeared out of nowhere and spotted by me who happened to pass near."

A young man with short, light blue hair and a surprised expression stands in a city park at night. He is wearing a dark blue blazer over a light blue t-shirt. He has his hands raised in front of him, palms facing each other, as if he is in shock or trying to understand something. To his left is a massive, glowing pink flower that is out of proportion to the scene. The background shows a multi-story building with lit windows and a park bench.

"..and I freaked out.."

Uwoah!!! W-What creature are you!?

A pink-haired anime girl with a surprised expression, wearing a pink sailor-style outfit with a white collar and a white bow. She is standing in a dark, leafy environment. A speech bubble is positioned to her left.

A-A human!!??

G-Go.. away..
Don't hurt me..

Is that how
to get the animal
away..?

Hey, are you
out here all alone?

Sshh!! What if
other human
show up!?

Come to..
your "house"?

Well.. If you afraid
of us like that, why
not come to my
house instead?

Do I look like that kind of person?

If you are not going to eat, burn, hit or put me in a jar, then I will go.

Promise that
you won't hurt me?

Okay. I promised.
Let's go, before
someone see us.

But.. How can
I bring you out
of this park?

Put you in a bag?
No, that way too cruel.

Maybe a carton box
would be okay then.

A woman in a black suit is shown from the waist down, standing on a balcony. A man with short, spiky blue hair and a surprised expression is looking at her. He is wearing a black jacket over a light blue shirt. The background shows a city at night with buildings and streetlights. A yellow starburst icon is next to the man's head.

No worries. I can take care of that.

W-When did you..

Oh, I forgot to tell you. That I can transform to other person whom I see or think about.

Then.. Why didn't you use it to hide..?

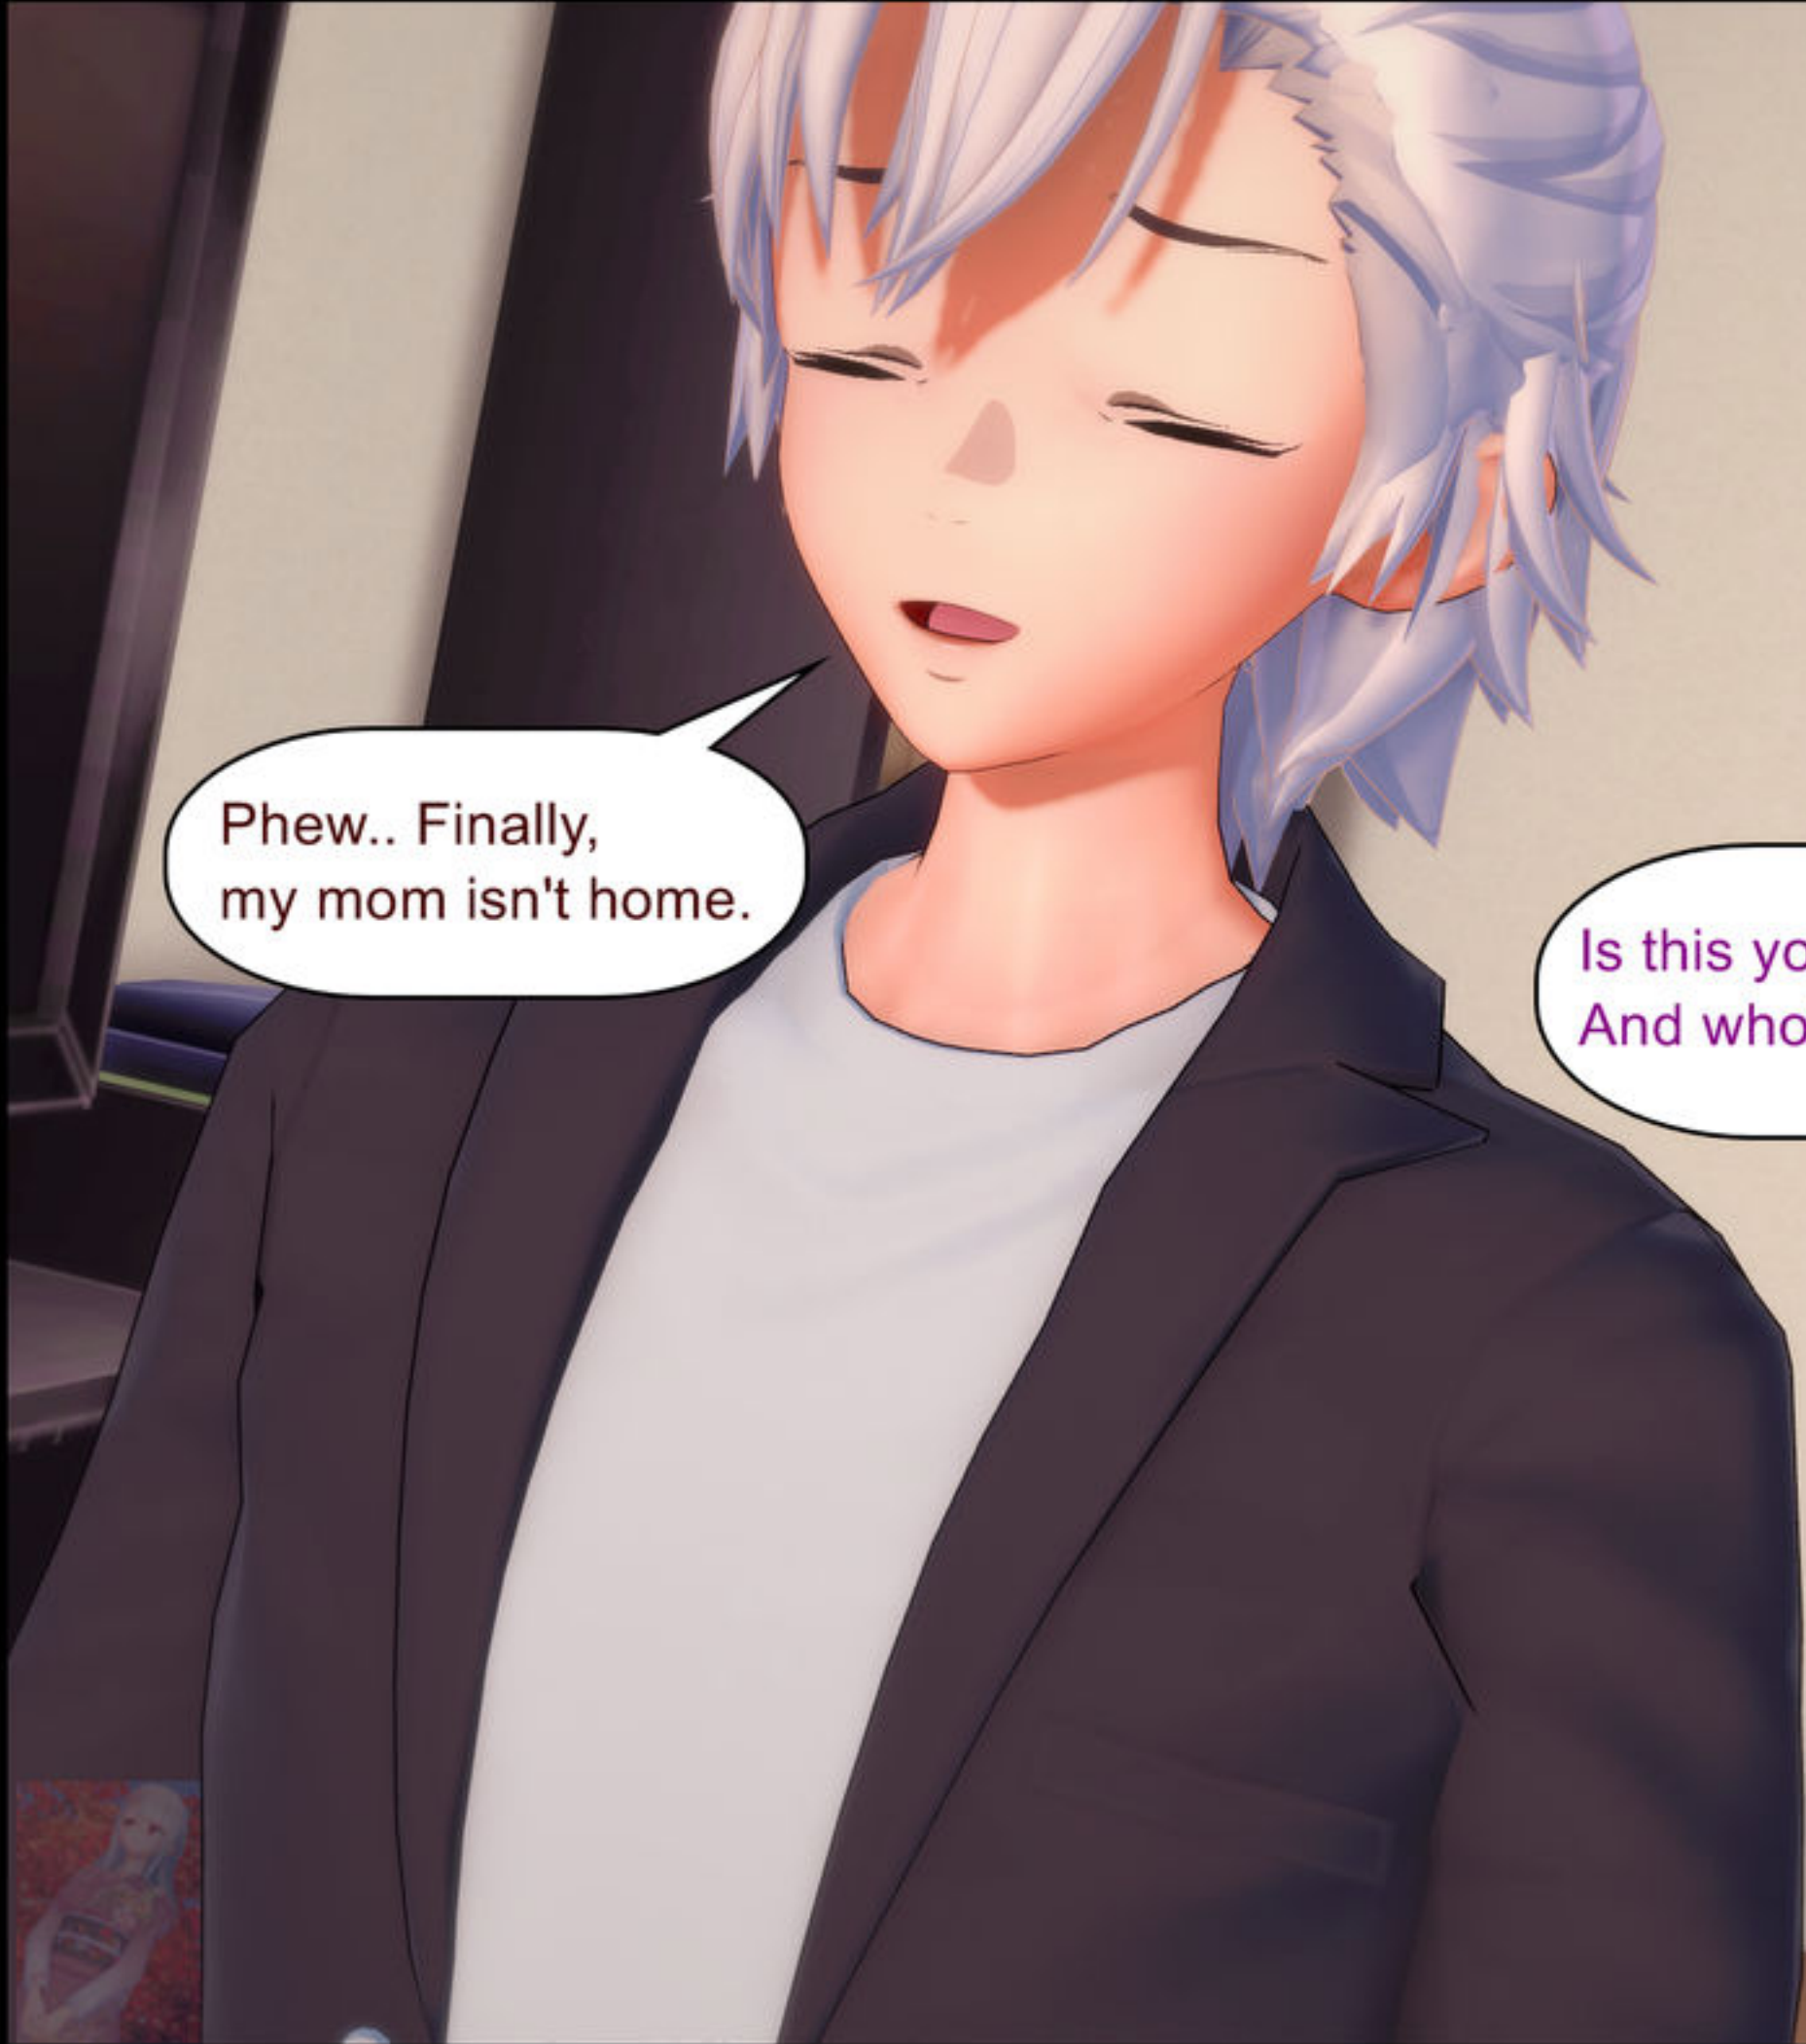

Oh? You two look the same, twins?

Y-Yes, uh.. He's my brother..

"Well, I just hope no one spot her."

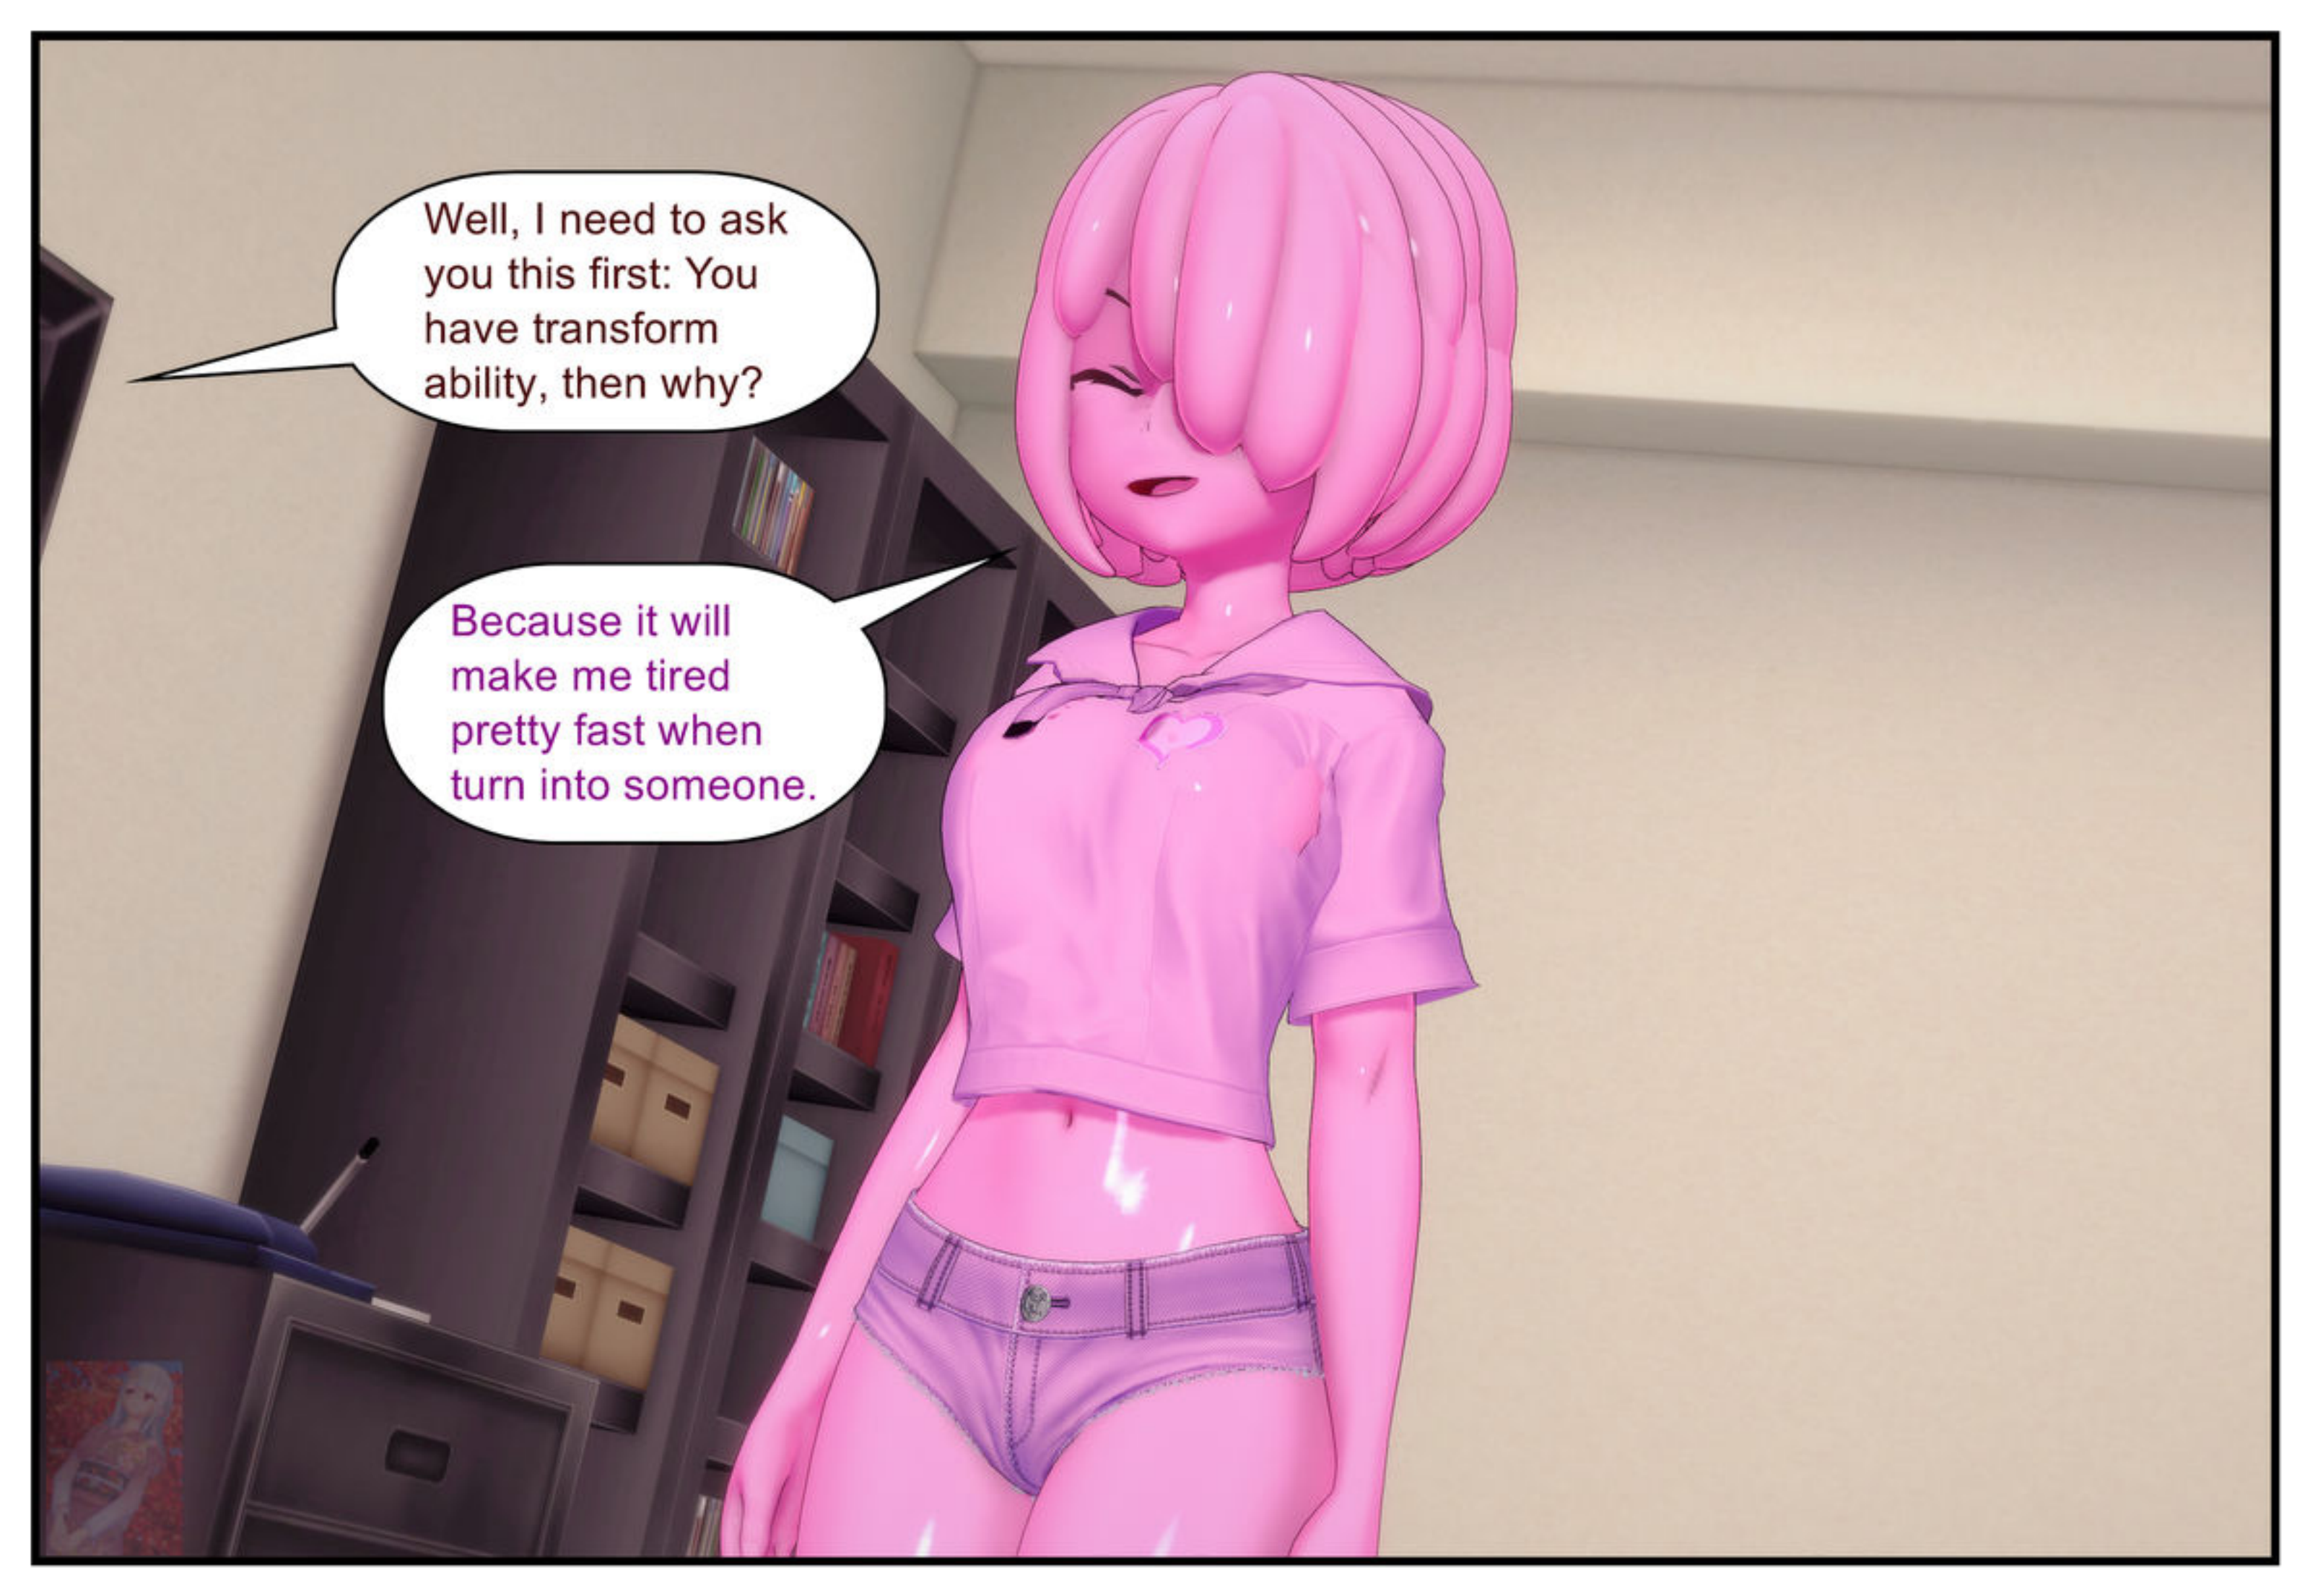

Phew.. Finally,
my mom isn't home.

Is this your 'house'?
And who's your mom?

Well, I need to ask you this first: You have transform ability, then why?

Because it will make me tired pretty fast when turn into someone.

Then.. I would like to ask you to transform..

Oh? When did you come home?

Hm? I thought
I heard someone
else is here?

N-No one, just me. Ahaha..

Oh well..

Anyway, dinner
almost ready, don't
late for it, okay?

A pink, glossy puddle is spilled on a light brown wooden floor. The puddle is irregular in shape and has a shimmering, wet appearance. To the right of the puddle is a dark grey cabinet with a vertical leg. The floor has a diagonal wood grain pattern.

S-Sure, mom.

Is she your mom just now?

Yes.. was a close call.

A hand with orange skin is reaching down towards a large, wavy, pink, gelatinous substance on a wooden floor. The substance has a shiny, reflective surface. A speech bubble is positioned above the hand, containing the text "Hm? What.. are you doing?".

Hm? What..
are you doing?

Uwoah!?

Is she who you
wanted me to
transform into?

A woman with long dark hair, wearing a blue lace bikini, stands in a room. She is looking slightly to the right. The room features a dark wooden bookshelf filled with books. The lighting is soft, highlighting her skin. Two speech bubbles are present: one on the left and one on the right.

N-No.. Not
her.. It's..

You look shy.
Then it a yes?

"T-Think again..
I have never seen
my mom this.. s-se.."

Ah.. You want to..

Hm? I thought all male human want this?

I want to see
how that "sexual"

Can you.. transform into someone else?

Ah.. What if my mom saw this mess..?

Don't worry, I have this.

Sure, just like someone came over, right?

This is the new "me", if you want to keep this form.

Just don't make
me transform too much~

"That's how
we first met."

I learnt a lot
of things from
you, too.

"And at that moment,
I have a lover who
is a slime."

And I will be
your girlfriend,
then to your wife
in future!

END?
