Your black coffee,
Master. Also, we

Oh, thank you..
I suppose..

By any chance, may I see your owner?

Is there something you want to complain, Master? Vanilla is listening.

I'm a son of the
Mayor in town so..
I can do anything I
wanted in here..

Vanilla didn't
understand what
you are saying,
Master.

"Ugh.. Still, I want to be with these catgirls."

Please enjoy your coffee.

Then.. time to use
my secret weapon..

A character with vibrant red hair, wearing a dark blue uniform with a crest on the chest, is shown from the chest up. They are holding a small, purple and white pill between their fingers. The background is a simple, warm-toned interior. A speech bubble is positioned above the hand holding the pill.

This is a pill that I bought from a dealer in the black market..

He said when I drink this, I could possess any body three times.

"Ugh.. Smell pretty heavy.. But if I want to have fun with those catgirls.."

"But.. it worth a try
and I could have fun."

"Wait.. Wait.. Wait!!
Is this even real!?
Am I turned into spirit?"

"Just calm down,
myself.. Okay..
Okay.. Good."

Hm.. I bet no one
can see or hear me.

Alright.. Let's try this drug out.

M-Master..? What are you doing.. Nyaa..?

I really trust Vanilla
that you can take
care of the shop
while I'm gone.

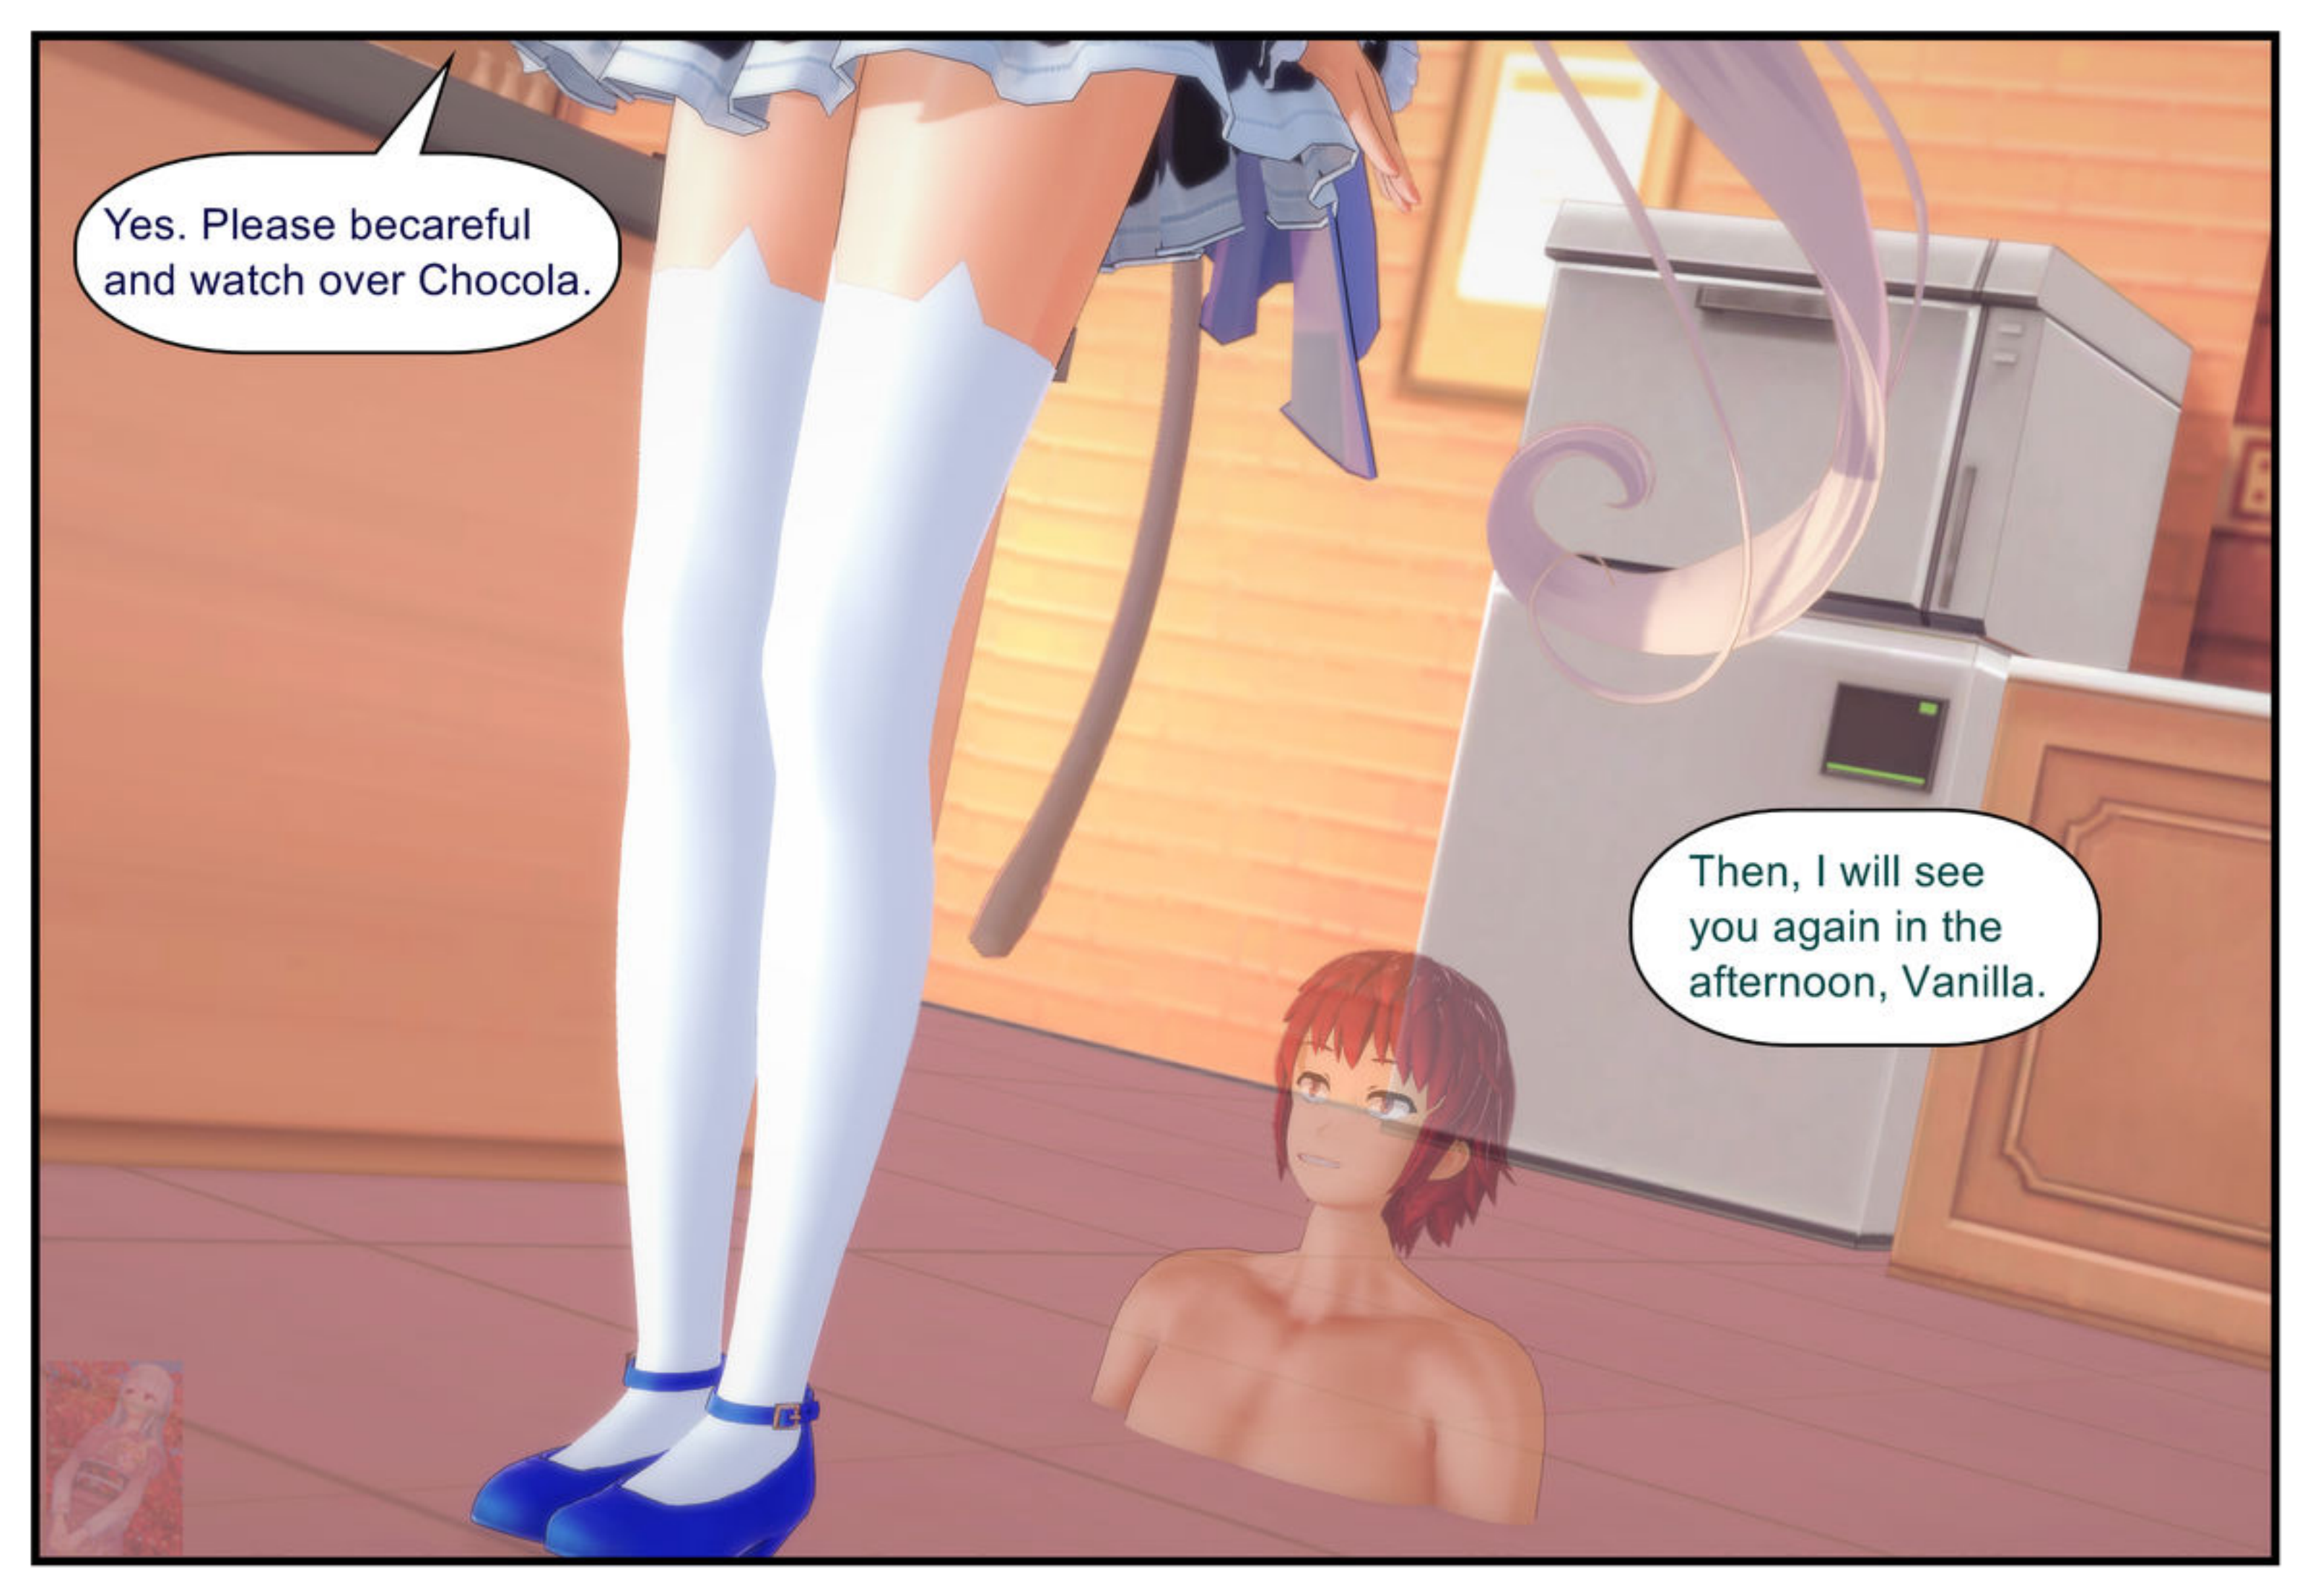

Vanilla is smart,
have a kind-heart
and also do things
in your way..

It's.. okay.. Nyaa..
You don't have
to.. praise me.. Nyaa..

Vani

Yes. Please be careful
and watch over Chocola.

Then, I will see
you again in the
afternoon, Vanilla.

Ahaha! I finally possessed a cat girl body!

Oof.. Her body is
in great shape!

"Kuku.. Now I can finally engage in sexual.."

A close-up view of a window with a diamond-patterned mesh. A red target symbol, consisting of concentric circles and a horizontal line, is drawn on the glass. The window frame is dark grey.
