

Dad Time

Naruto and Chouji share in a little dad time online while the wives are away. Inspired by the Aizenhower pics.

-x-

Naruto had the house to himself, Hinata was spending time with her family with the kids. The older blonde let out a sigh as he stretched, he was clad in an orange loose shirt, and loose orange baggy pants. The outline of his making a rather sizable bulge in the garment.

He was looking for ways to spend his “Dad Time” as his family put it. He already did his morning stretches. “Perhaps I’ll try that laptop Hinata bought me.” he thinks and sits down opening up the device. Computers had come along way since he was younger.

After starting it up, and going online his chat feature alerted him to an incoming call. “BarbecueLover?” he clicked on the link and saw Chouji. “Oh hey Chouji!” Naruto says excitedly. With his job as Hokage he rarely saw anyone anymore, outside of mission reports.

The screen opened up to Chouji’s face, the man was looking great, with his long hair, manly goatee, and adorable cheek swirls. “Hey Naruto, surprised to see you online?”

“Well, trying something new. I have the house to myself.” he chuckles and rubs the back of his head.

“No kidding? Me to, Karui took our daughter to the hidden cloud for a visit, get in touch with her roots, meet her grandparents.”

“So what do you do with your Dad Time?” he asked. To his surprise Chouji blushed.

“Well uhh, hehe I was doing it before I saw ya come on. It’s been so long I clicked on you without really thinking.” he says.

“Really? You can tell me. I’ve been kinda bored.” Chouji’s face gets a little redder as he seems to ponder his options.

“Chouji?”

“Well, it’d be easier if I just show you.” the camera adjusts and shifts and Naruto gasped. Chouji was naked! The large male was laid out for all the world to see. Chouji’s laptop had an excellent camera Naruto could see everything. Chouji’s toned arms, his plump man chest with a little bit of hair between them, his hairy pits, his plump nipples, his big sexy man guy, his treasure trail to his thick nest of pubes, his fat cock, and super huge balls. “Well what do you think?”

Naruto was drinking it all in, Chouji was hot Karui was one lucky woman. The male was hard, and he had one hand on his dick already, pre had spilled out making his cock look shiny and wet. “I think you’re hot!” Naruto finds himself saying.

Chouji blushes and his dick twitches. “You are just saying that.” Naruto stands up showing his hard dick, his manhood had swelled, tenting the baggy pants in a perverted way. It was Chouji’s turn to gulp.

Naruto couldn’t really describe this feeling, seeing his friend naked through the camera of this computer. He wanted to be there, but at the same time he wanted to watch. “Do you always do this?”

“Yeah, sometimes I cam just for the fun of it, never showing my face. Though I admit showing myself off to you got me harder.” He rubs the back of his head sheepishly. Naruto bites his lip to hold back a moan. His hand comes down and palms himself through his baggy pants.

“That’s hot!” Naruto licks his lips, his eyes burning through the computer screen. Chouji could feel it, see the hungry look in his eye that spread fire across his skin. “Do you mind if I join you?”

“Fuck yes!” Chouji moans. He’d be a liar if he said Naruto wasn’t hot as fuck. He’d seen the blonde naked plenty of times, they both have, but not in a long time, and certainly not like this.

Naruto starts to lower his pants, taking in the moment and realization Chouji’s watching he puts on a show. The waistband hooks his cock and pulls it down, giving Chouji his

first look at Naruto's nest of pubes showing he was a natural blonde. Lower and lower the pants go, Chouji taking delight in every inch. 'That's some big meat I'd like to taste.' Naruto shivers as his cock is pushed down, it wouldn't be long till...

"Ahh!" The blonde moans as his cock snaps up in all its manly glory. Their cocks were very different from each other, Chouji had a full mushroom tip with no foreskin, while Naruto's was hugged tight by his foreskin.

Chouji found the urge to suck it all the more, wanting to roll the foreskin back with his tongue and lips, to taste Naruto's manliness. The fun didn't end with just his dick, as Naruto turned around and bent over to fully remove his pants. He could have just stepped out of them, but instead he chose to bend over and give Chouji a look at his ass.

His cheeks parted ever so slightly as he bent over, giving the brunette a look at his ass hole. The tight pink pucker made his dick even harder and Chouji couldn't stop himself from pumping his aching erection.

Naruto had an ass any man would wanna fuck. If he could he would spread the blonde's cheeks and kiss his ass hole, french and deep! His dick twitched in agreement wanting very much to slide into the Hokage's ass and make him moan in pleasure.

The blonde turned around and sat in a chair, adjusting the camera so he could be seen. “Looks like you started without me. Do you like what you see Chouji?”

“Hell yeah,” Chouji says. “You’ve always been hot Naruto.” he pumps his dick, and Naruto joins in.

“Not as hot as you, you had the biggest dick out of all of us rookies.” Chouji chuckled at that. It was no secret that the Akamichi men were hung, the Inuzuka men coming in at a close second and the Uzumaki men at a third.

“You’re no slouch in the dick department either.” Chouji says, using his thumb to rub his tip. “I wouldn’t mind having that in my mouth or my ass.”

Naruto shivered as Chouji’s words filled his mind with images. Chouji sucking his cock, deep down to the root, playing with his balls. He licked his lips, imagining trying to fuck Chouji, making him moan and groan in pleasure, plundering his plump ass and filling him up with his jizz.

Pre started to form at his tip, and Naruto began spreading it over his length. “Naruto would you pull your foreskin back for me.”

“Sure,” Naruto adjusted himself so Chouji could see clearly. He started trying to pull the skin back. “It’s tight!” Naruto moans, and Chouji licks his lips.

“Slow and easy.” he says, he slows the pace on his own cock, wanting this to last. Naruto works the skin back and forth over his cock head, teasing the head of his penis. He pants and moans and the mic can hear it all.

Naruto peels his foreskin back and moans in delight, exposing his sensitive tip. He pulls back, so Chouji can see all of him again. “Hot damn I wanna fuck you!” The blonde starts pumping himself, but stops at Chouji’s words.

“You do?” Naruto shivers, his hole twitching slightly. He eyes run over Chouji’s dick, following the hand as it glided over his hard flesh. He starts stroking again, a smile forming. “I wanna fuck you to.”

Chouji brings a hand up to fondle his man tit, teasing the large nipple and toying it to hardness. He shivers in delight and pinches the perky bud. Naruto wanting to get fucked by Chouji, filled the brunette with thoughts. How hot would it be if he bent Naruto over the hokage desk and fucked him?

He pumped himself faster, making his balls bounce. “Your dick is so big, I’ll need a lot of prep to take it.” Naruto says.

“That can be arranged, I’d certainly be willing to help.” he feels his blood pumping. “I could visit you at the Hokage office, you work so hard you need some fun.”

“So hard!” Naruto groans. His prosthetic comes down to fondle his huge balls. “I haven’t gotten off in weeks.”

“Damn!” Chouji moans. Though he can’t help but hum in delight imagining how thick Naruto’s seed must be. “Mmm,” he moans.

Naruto recognized that noise. “You wanna taste my cum Chouji?” he collects some of his pre and shows the camera.

“So much!” he admits. “I’d love to drain those big balls of yours.”

“Oh fuck Chouji.” Naruto shivers in delight. Visiting his office gave him ideas of Chouji hiding under his desk sucking his dick through meetings and important paperwork.

“I can’t help it, I want to fuck you, bury my cum deep into your ass, then have you fuck me as my cum spills from you with every thrust.” Naruto gulped. “I wanna feel you inside me Naruto.”

“That sounds hot Chouji, I want it to.” Things were getting to hot for Naruto and he pulls off his top.

“Ohhh,” Chouji licked his lips, Naruto’s muscles looked tasty, so much to map with his tongue. ‘I bet he smells so sexy.’

“Chouji,” he plays with his own nipple and strokes himself faster. “I’d love to taste your cock. Bet you cum lots.”

“Lots and lots.” Chouji shivers.

“You hungry for my dick?” He wags his cock, and Chouji nods. “Your cock looks tasty to, we should 69.” The two shared the same thought and they both shivered in delight.

“Fuck Naruto!” Chouji moans, bucking his hips. “I think I could suck your dick for breakfast lunch and dinner, and never get bored.”

“A high compliment coming from you.” the two were flushed. Chouji was panting and moaning, his noises coming out clear over the speakers. ‘I think I could listen to this everyday.’ From Chouji’s stroked he had a feeling the boy’s manly musk would be strong. “I want to feel your mouth around my dick Chouji.”

“I want to feel your penis down my throat.” Chouji responds. “I’ll suck you down to the root and nuzzle your pubes.” Naruto’s dick pulses at the words.

“Chouji!” Naruto moans. Their hands itched to touch the other, bodies wanting to act out their words with the other male just on the other side of the computer screen.

The camera suddenly shifts on Chouji’s end and Naruto gets a good look as the computer was placed between Chouji’s legs. Naruto got an up close look at Chouji’s crotch and ass, the rest of his body distant but visible. He bucked his hips exposing his tight ass hole. “Like what you see?” he asked smiling.

“Fuck yes!” Naruto pumps himself faster. He could see Chouji’s hole twitching, his pre running down over his crotch, and down his taint. “I’d love to grope your ass, and thrust deep into you.”

“Yes!” Chouji moans. “Fuck my ass!” he moans. They were both older and wiser now, little things like who tops and who bottoms were meaningless. What was important was the pleasure. This was even true now as Chouji found himself more excited than any of his cam shows.

Naruto was in the same boat, he’d jerked off plenty of times, hell even Jiraiya used to watch him do it, but watching Chouji do this and see him as he touched himself to his body was oddly erotic. “Naruto...I’m close...” he bucked off his bed, body shaking as his release drew near.

“Will you cum for me Chouji, I wanna see you cum.” Want seemed so flimsy a word, he needed to see Chouji cum, see the big man come undone. The thought had not crossed his mind, but now it was all he could think of.

“Ah ah ah ah, Naruto fuck want you so bad, so bad!” he grits his teeth as his climax rocks through him. His balls tighten and his cock expands as the cum surges forth.

“Oh wow!” Naruto’s eyes widened as spurts erupted from Chouji’s fat dick. The first shot fired clear off the camera, no doubt hitting the wall behind Chouji’s head. The next spurt

fired and Chouji was ready, opening his mouth to catch it. 'Hot damn!' Naruto's eyes widen. As Chouji licks his lips he's hit in the face with the third spurt, more spurts come and splatter him, hitting his chest and his big belly. The man milk spills over and Chouji pants as his orgasm winds down. His cum still coming out and soaking his crotch.

"Cum covered Chouji what a treat." Naruto says, pumping himself faster, making his balls bounce. He leans back and adjusts the chair so Chouji can watch Naruto play with his ass. He coats his prosthetic in chakra and starts to play with his hole hole.

"Chouji, I want you inside me." He moans. One finger, worked inside soon joined by a second as the chakra stimulated his insides. He scissored himself open letting Chouji see inside him.

"Ohhh!" Chouji groaned. "Naruto amazing!" Naruto added a third finger, using his pointer and ring finger to stretch him wide, and the middle finger to stretch him even more open.

"Chouji, I'm getting close I'm gonna cum." His legs pull back to his chest, exposing the soles to the brunette. Chouji drooled at the sight, wanting to lick well everything!

"Do it Naruto, cum, cover yourself in your baby batter and I'll lick it up!" he encourages. The words pushed him over the edge, his toes curled and his orgasm rocked. Chouji watched

his hole tighten around his fingers, and his cock gave a little happy twitch. He imagined the tightness around his manhood. His orgasm wasn't as powerful as Chouji's but boy was it impressive. Naruto's orgasm was a solid stream of thick cum, it hit Naruto's face, neck, pecs, abs, legs, and some even got his feet. "Wow!" It looked like Naruto was drenched in white chocolate, making Chouji think of what other things he could coat Naruto with.

"Naruto..." The blonde came back from his orgasm high, to see Chouji hard again.

"Yes Chouji..." Naruto panted.

"Get your ass over here."

"I'll be there in a flash." Not bothering to clean up he threw on his pants and shirt and rushed over to Chouji's place. His clothing clung to him in ways that made the blonde shiver.

Chouji sensed Naruto coming and opened the door for him buck naked. "Hey," he says smiling.

"Hey." Naruto says, returning the smile with one of his own.

Chouji pulled him in and shut the door. "Mmm fresh milk." He lifted Naruto's shirt and licked the blonde's abs. The blonde was stripped and taken to the bedroom. Their Dad Time got a whole lot more wild.

Though Chouji was so excited he forgot to turn off the web cam, so Boruto got one hell of a surprise when he came home and watched his dad and Mr. Akamichi go at it like horny teens. He didn't know what was hotter watching his dad fuck Chouji, or watching Chouji pound his dad into the mattress.

As for their wives, they really did marry the best women as they didn't care if their husbands fooled around with other men. They made it clear no women though or their would be consequences permanent consequences. They didn't have anything to worry about, Naruto and Chouji were one woman men, they just liked being together as well.

Dad time was important after all, a time for discovery and relaxation, and the husbands were better for it.

End
