This is the fifth time.. Money is not the problem.

The Guild just
wanted to check what
you are going to sell,
that's all.

So? It's about closing time..

"Waste of my time..
Let's leave this one
and back to Kazuma."

Meanwhile..

Kuku.. Being
Megumin is good..

"But I would rather
to take her to test."

"Well, I don't know why.. about this drug.."

"..It gave me some unusual feeling.."

"Hmph.. At least
I know how to turn
them back to normal."

"Ah.. I left Darkness and Wiz's skin.. Can only play with Yunyun and Megu here."

"Oh right.. Before
my guest arrive.."

I can't let him find out that he is playing with a man..

But with Megumi..
the one he paid for.

A little time later..
