

Obedient French Maid

A French maid is a terrific example for all sissies to idolize as she embodies everything that is submissive and feminine throughout every day of her life. She knows that obedience is more than just following orders. It is also anticipating the needs of the people around her with every part of her being. She loves to serve, and is constantly making sure her clothing and appearance are immaculate at all times for any dominant masters that want to tell her what to do.

The "*Obedient French Maid*" loves to clean, in fact she finds that the more she cleans the more aroused she becomes. This arousal always builds into an overpowering submissive lust, causing her to need to be taken by her master or any nearby hunky stranger. She remembers always dressing and acting like a seductive little tease when she cleans to make sure there are plenty of lovers ready for her when she's ready to be fucked.

Girls that listen to this recording will find themselves slowly sinking into a life of perfect obedience. When they aren't sure of themselves, they will find solace in the fact that their dominant lovers will always know what to do. They'll quickly develop a love of cooking, cleaning, pretty dresses, and even French culture! They might even find themselves becoming a little more than obsessed with keeping their appearance and the environment around them spotless.

Learn to love your idol, and know how good it feels to wear your cute maids uniform on every occasion. So, what are you waiting for? Discover your new self by listening to "*Idols - Obedient French Maid*" today!
