***Thank you very much For buying my First comic / doujinshi!
I hope you liked it as much as I liked making it.***

*This was probab.y the biggest project I have ever done (although it's a quite short comic)
and I am very proud of the result.*

*There will always be people who share products like this online
so others can read them For Free,
so iF you didn't buy this comic and you read this,
please consider buying this comic iF you liked it!*

*I'm also thinking about producing a physical version of this Comic
iF it sells good enough.*

Again, thank you very much For your support!

*Best regards,
Yang738*
