Sigh Is there something that you want me to help with, Kongou?

N-No.. I just want to hang out with you.. You know.. Take some break away from work?

Hah.. I'm pretty busy with the paper work here. Another time.

"Ugh.. Admiral only know about works and works.."

My

Hm.. She left.. I should try this out.

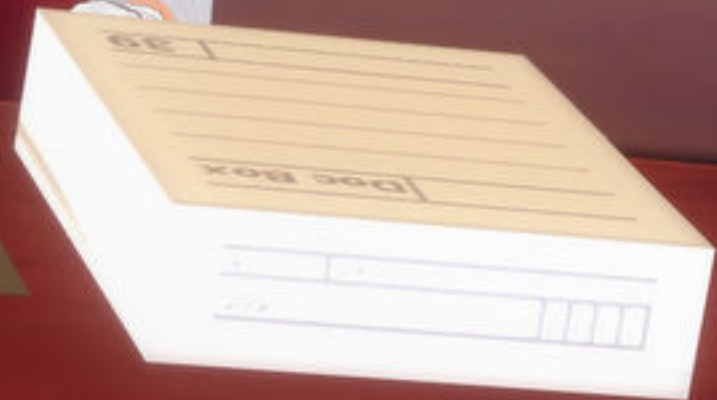

Now, come here.

W-what.. do.. you
need.. from me..?

Oh hey there..
Kashima. And
why are you shivering?

Come on. Say that
you are doing good.

Y-Yes.. Ad..miral..
I'm doing good!

Good. Now take off your clothes.

"I.. can't stop my
body.. from following
his command..!"

Hm.. I can still see some resistance here..

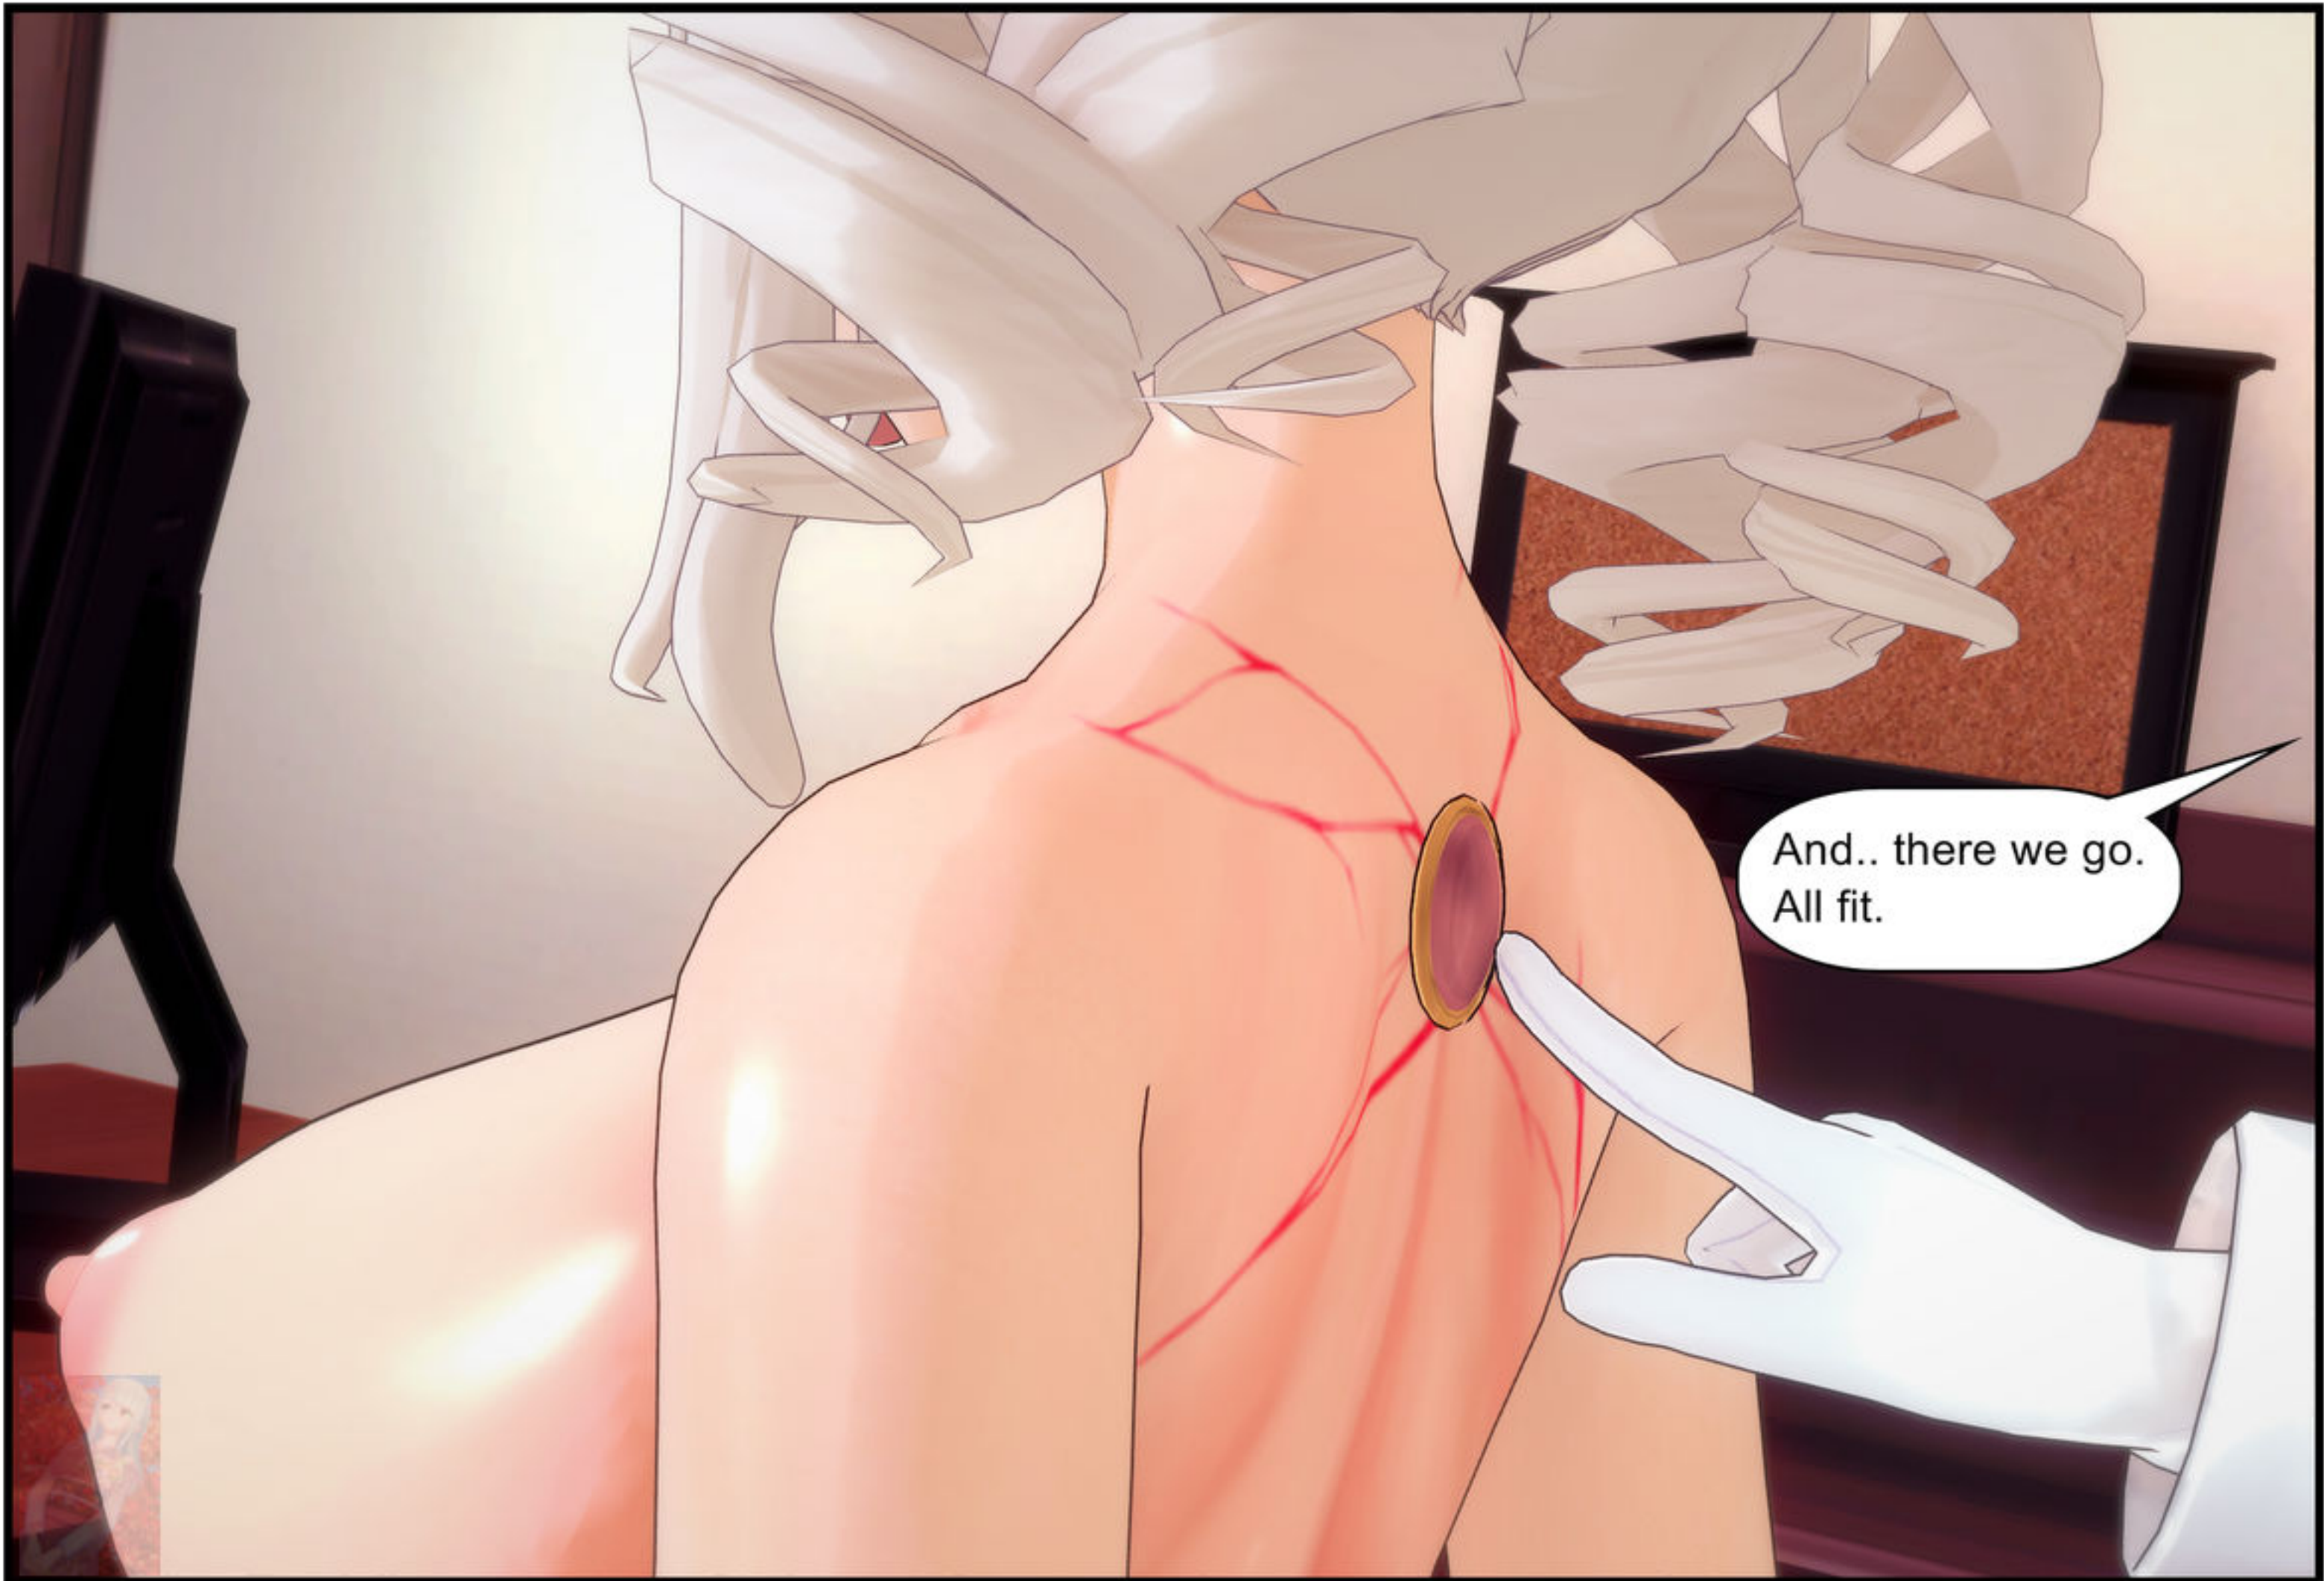

Maybe.. I attached it a bit loose..

This will hurt a little, okay, Kashima?

And.. there we go.
All fit.

I suppose you will follow my command well from now on.

Hm.. Let check you out just in case.

Myyaaa!!!

No resistance.. checked..
Still have moan.. Good.

But.. wouldn't it be very boring with only you, Kashima?

Oh yes.. Could you please.. invite her to my office, hm?

Kongou! The Admiral
is calling for you!

Hm? Why?

He said he wanted
to hang out with you.

Let me escort you to his office, Kongou.

Ah.. You don't have to. I can go there by myself.

Please forgive me. This is his order.

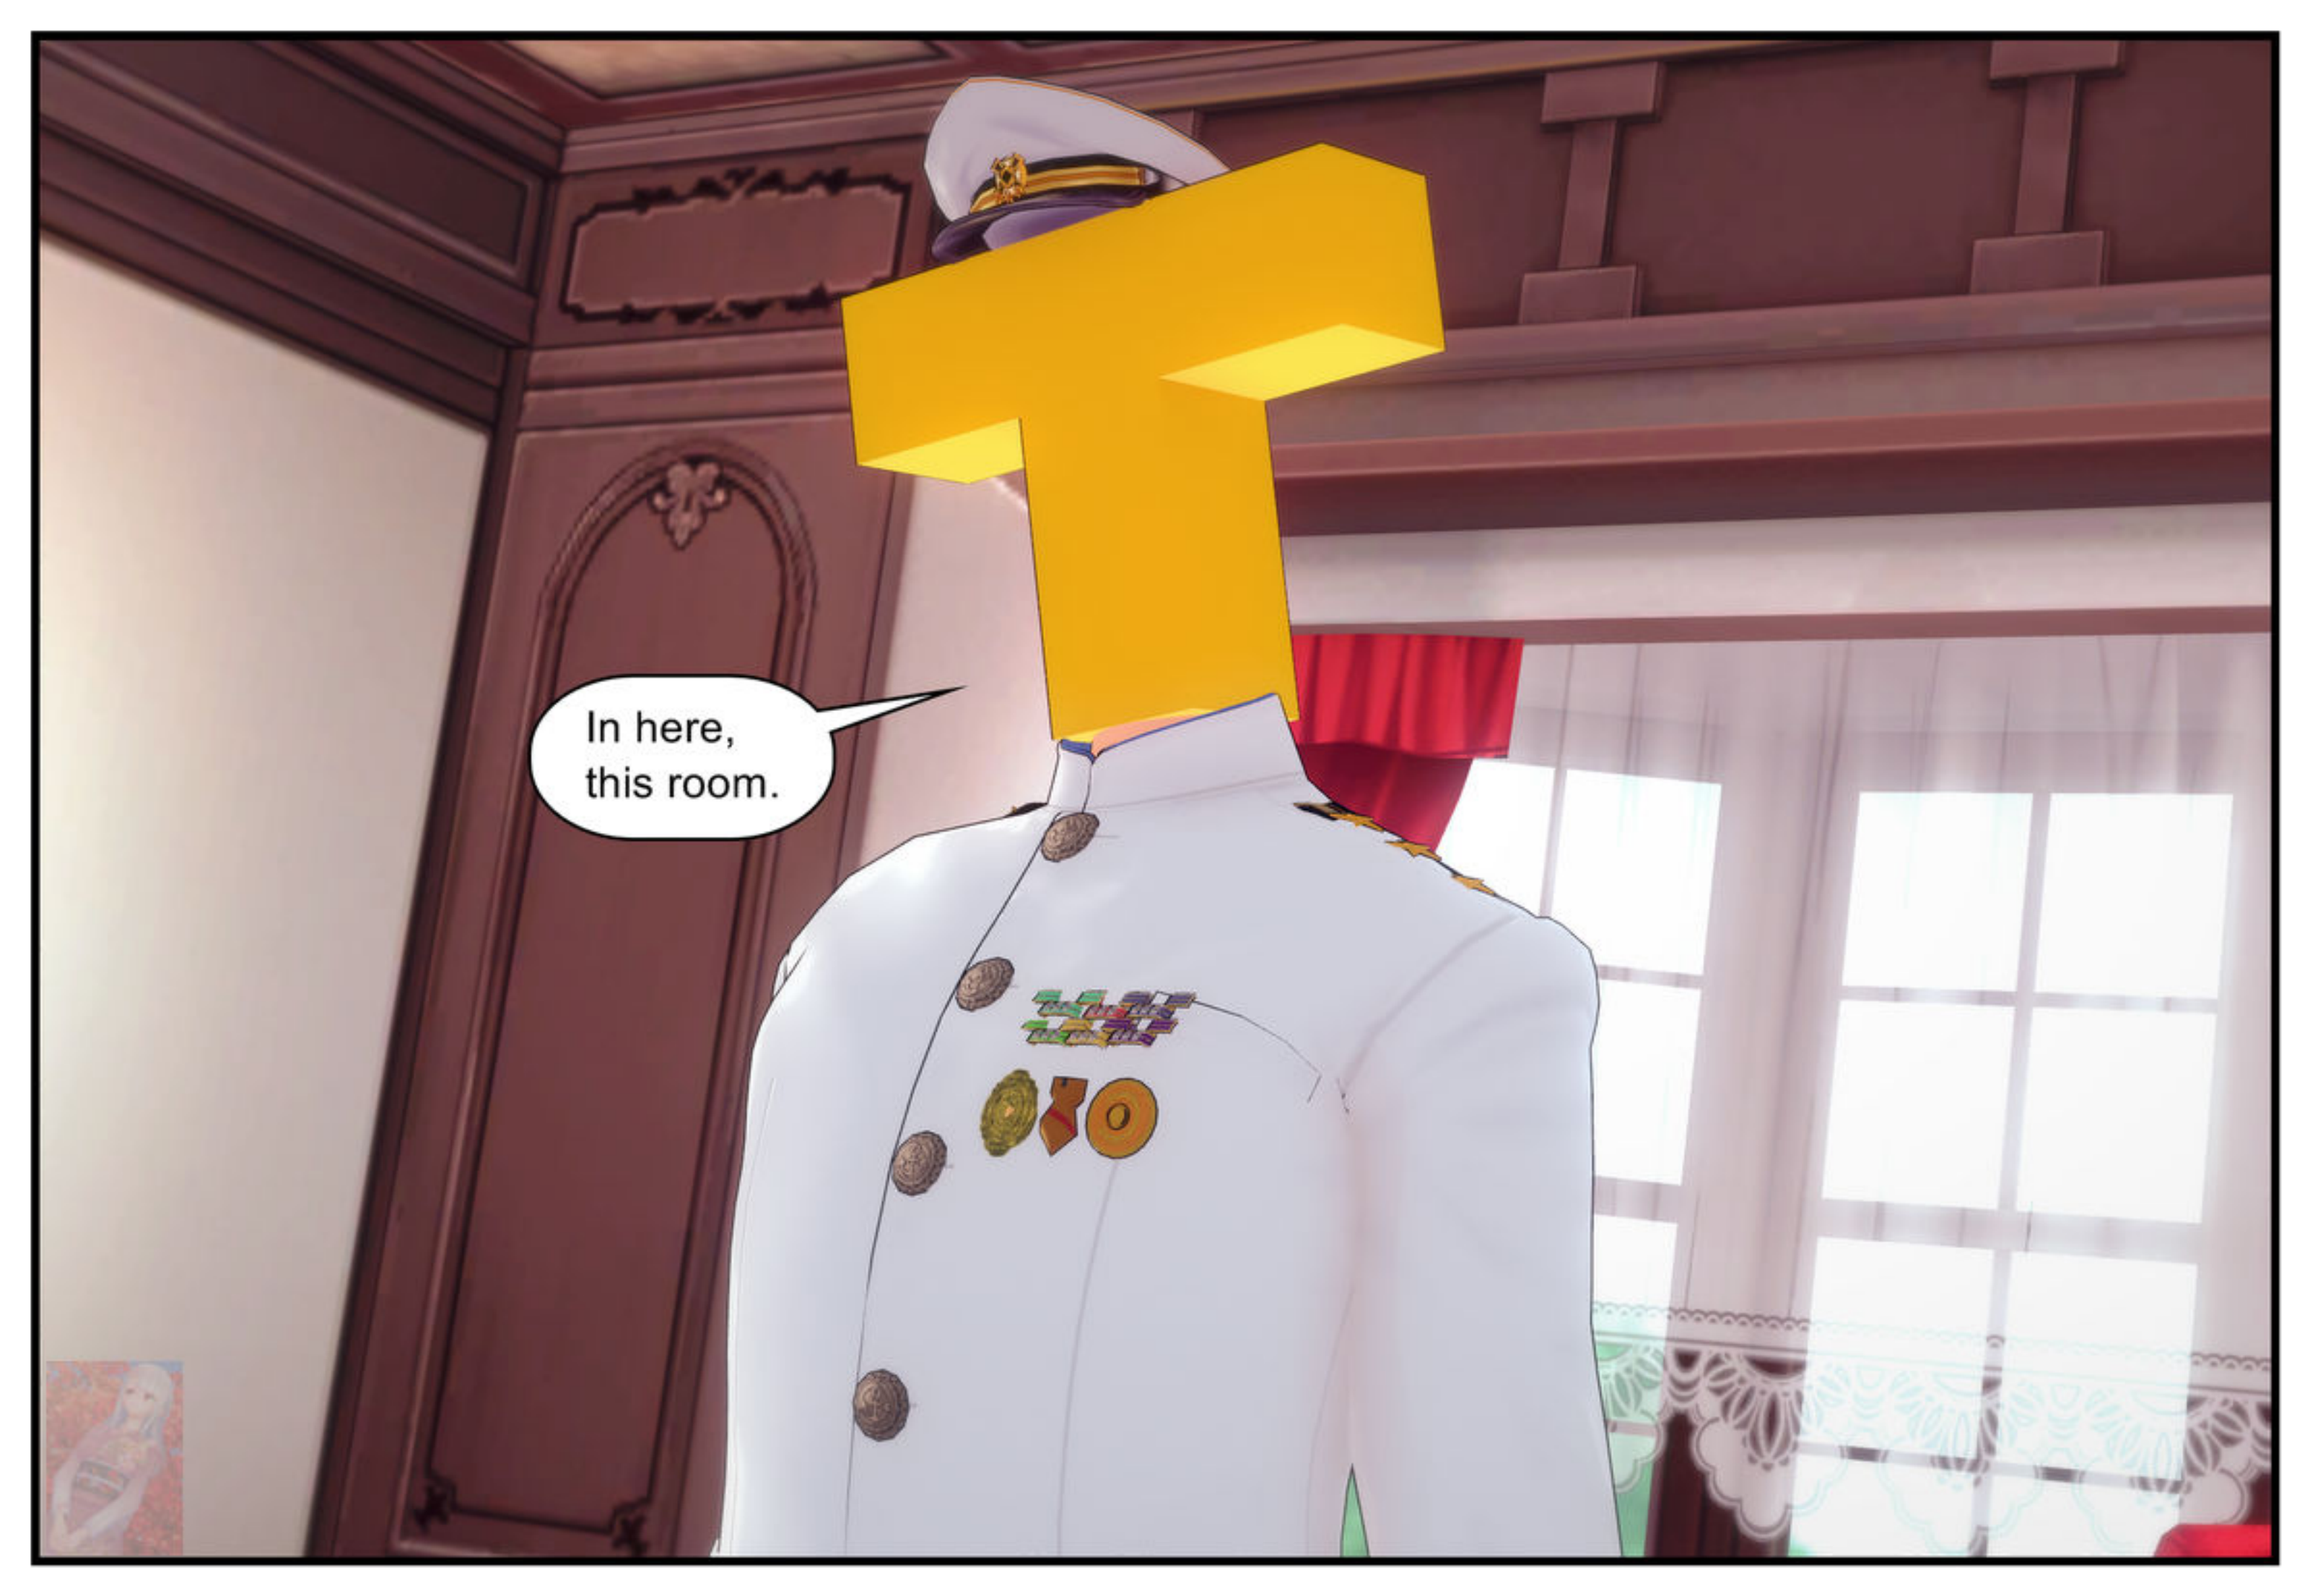

Admiral~ Finally you
took off from work!

Uhm.. Where do you want to hang out with me?

In here,
this room.

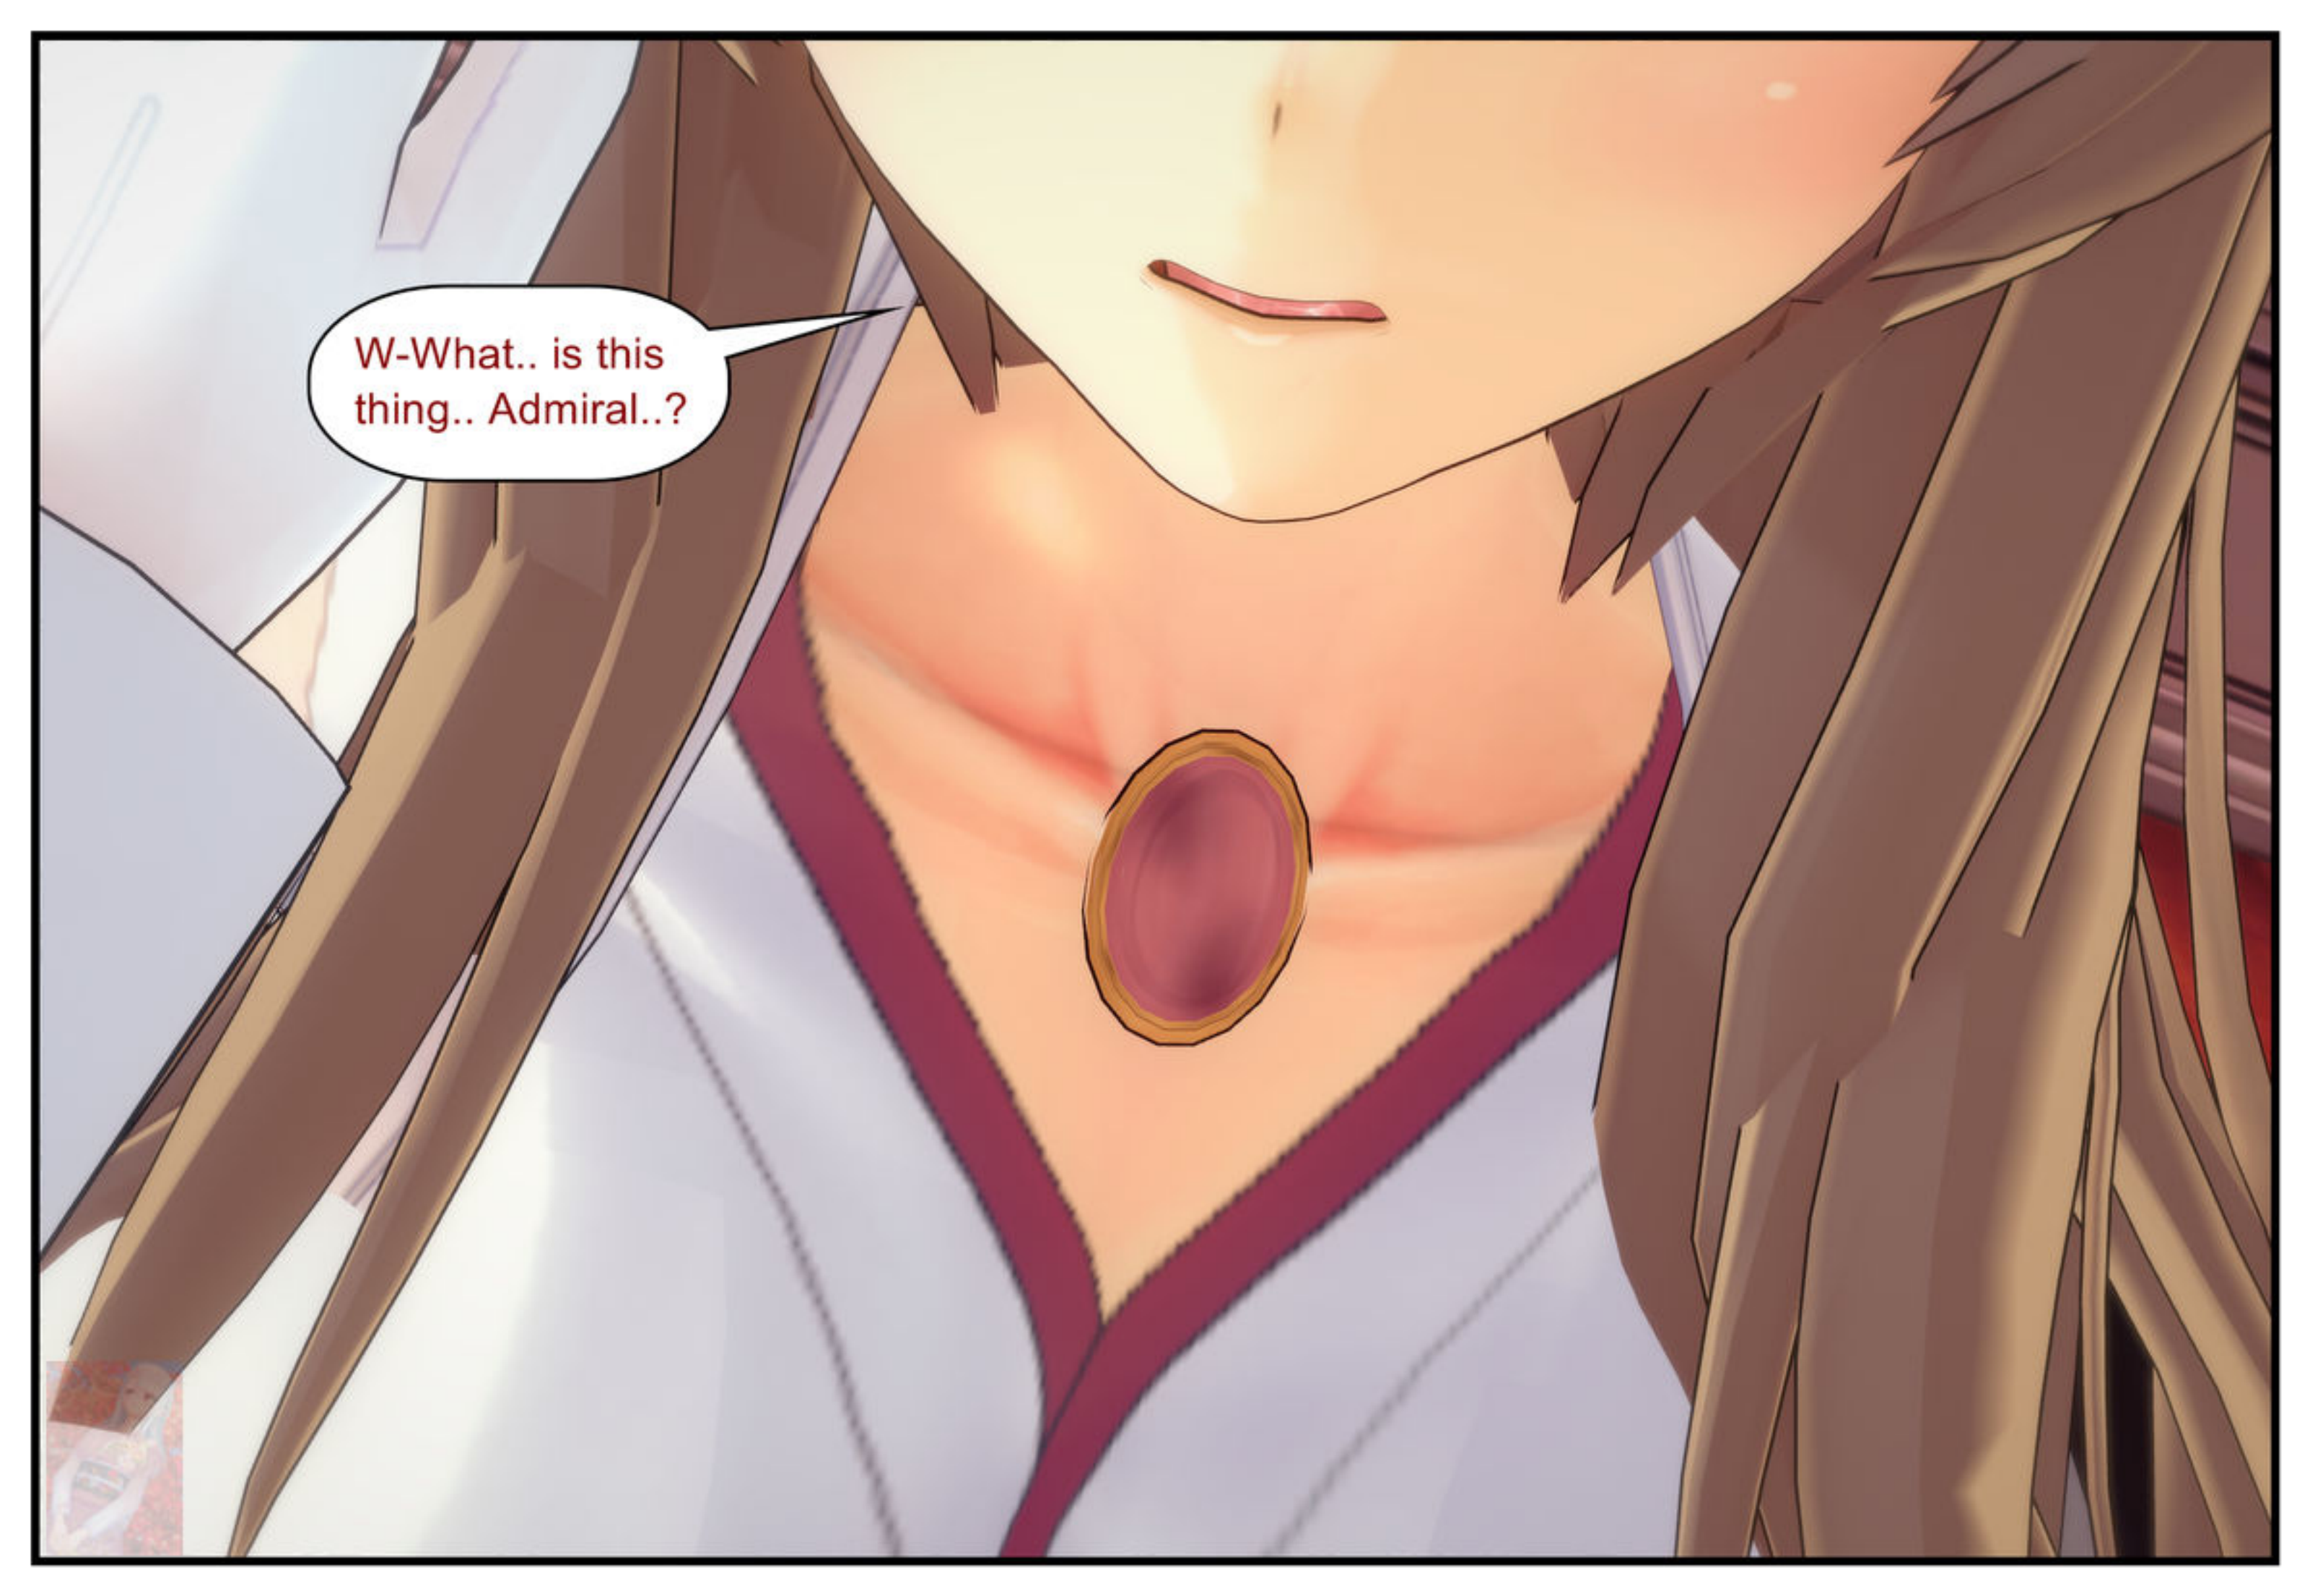

K-Kashima..?
What are you
doing..?

Admiral.. Kashima?
Are you two playing
something..?

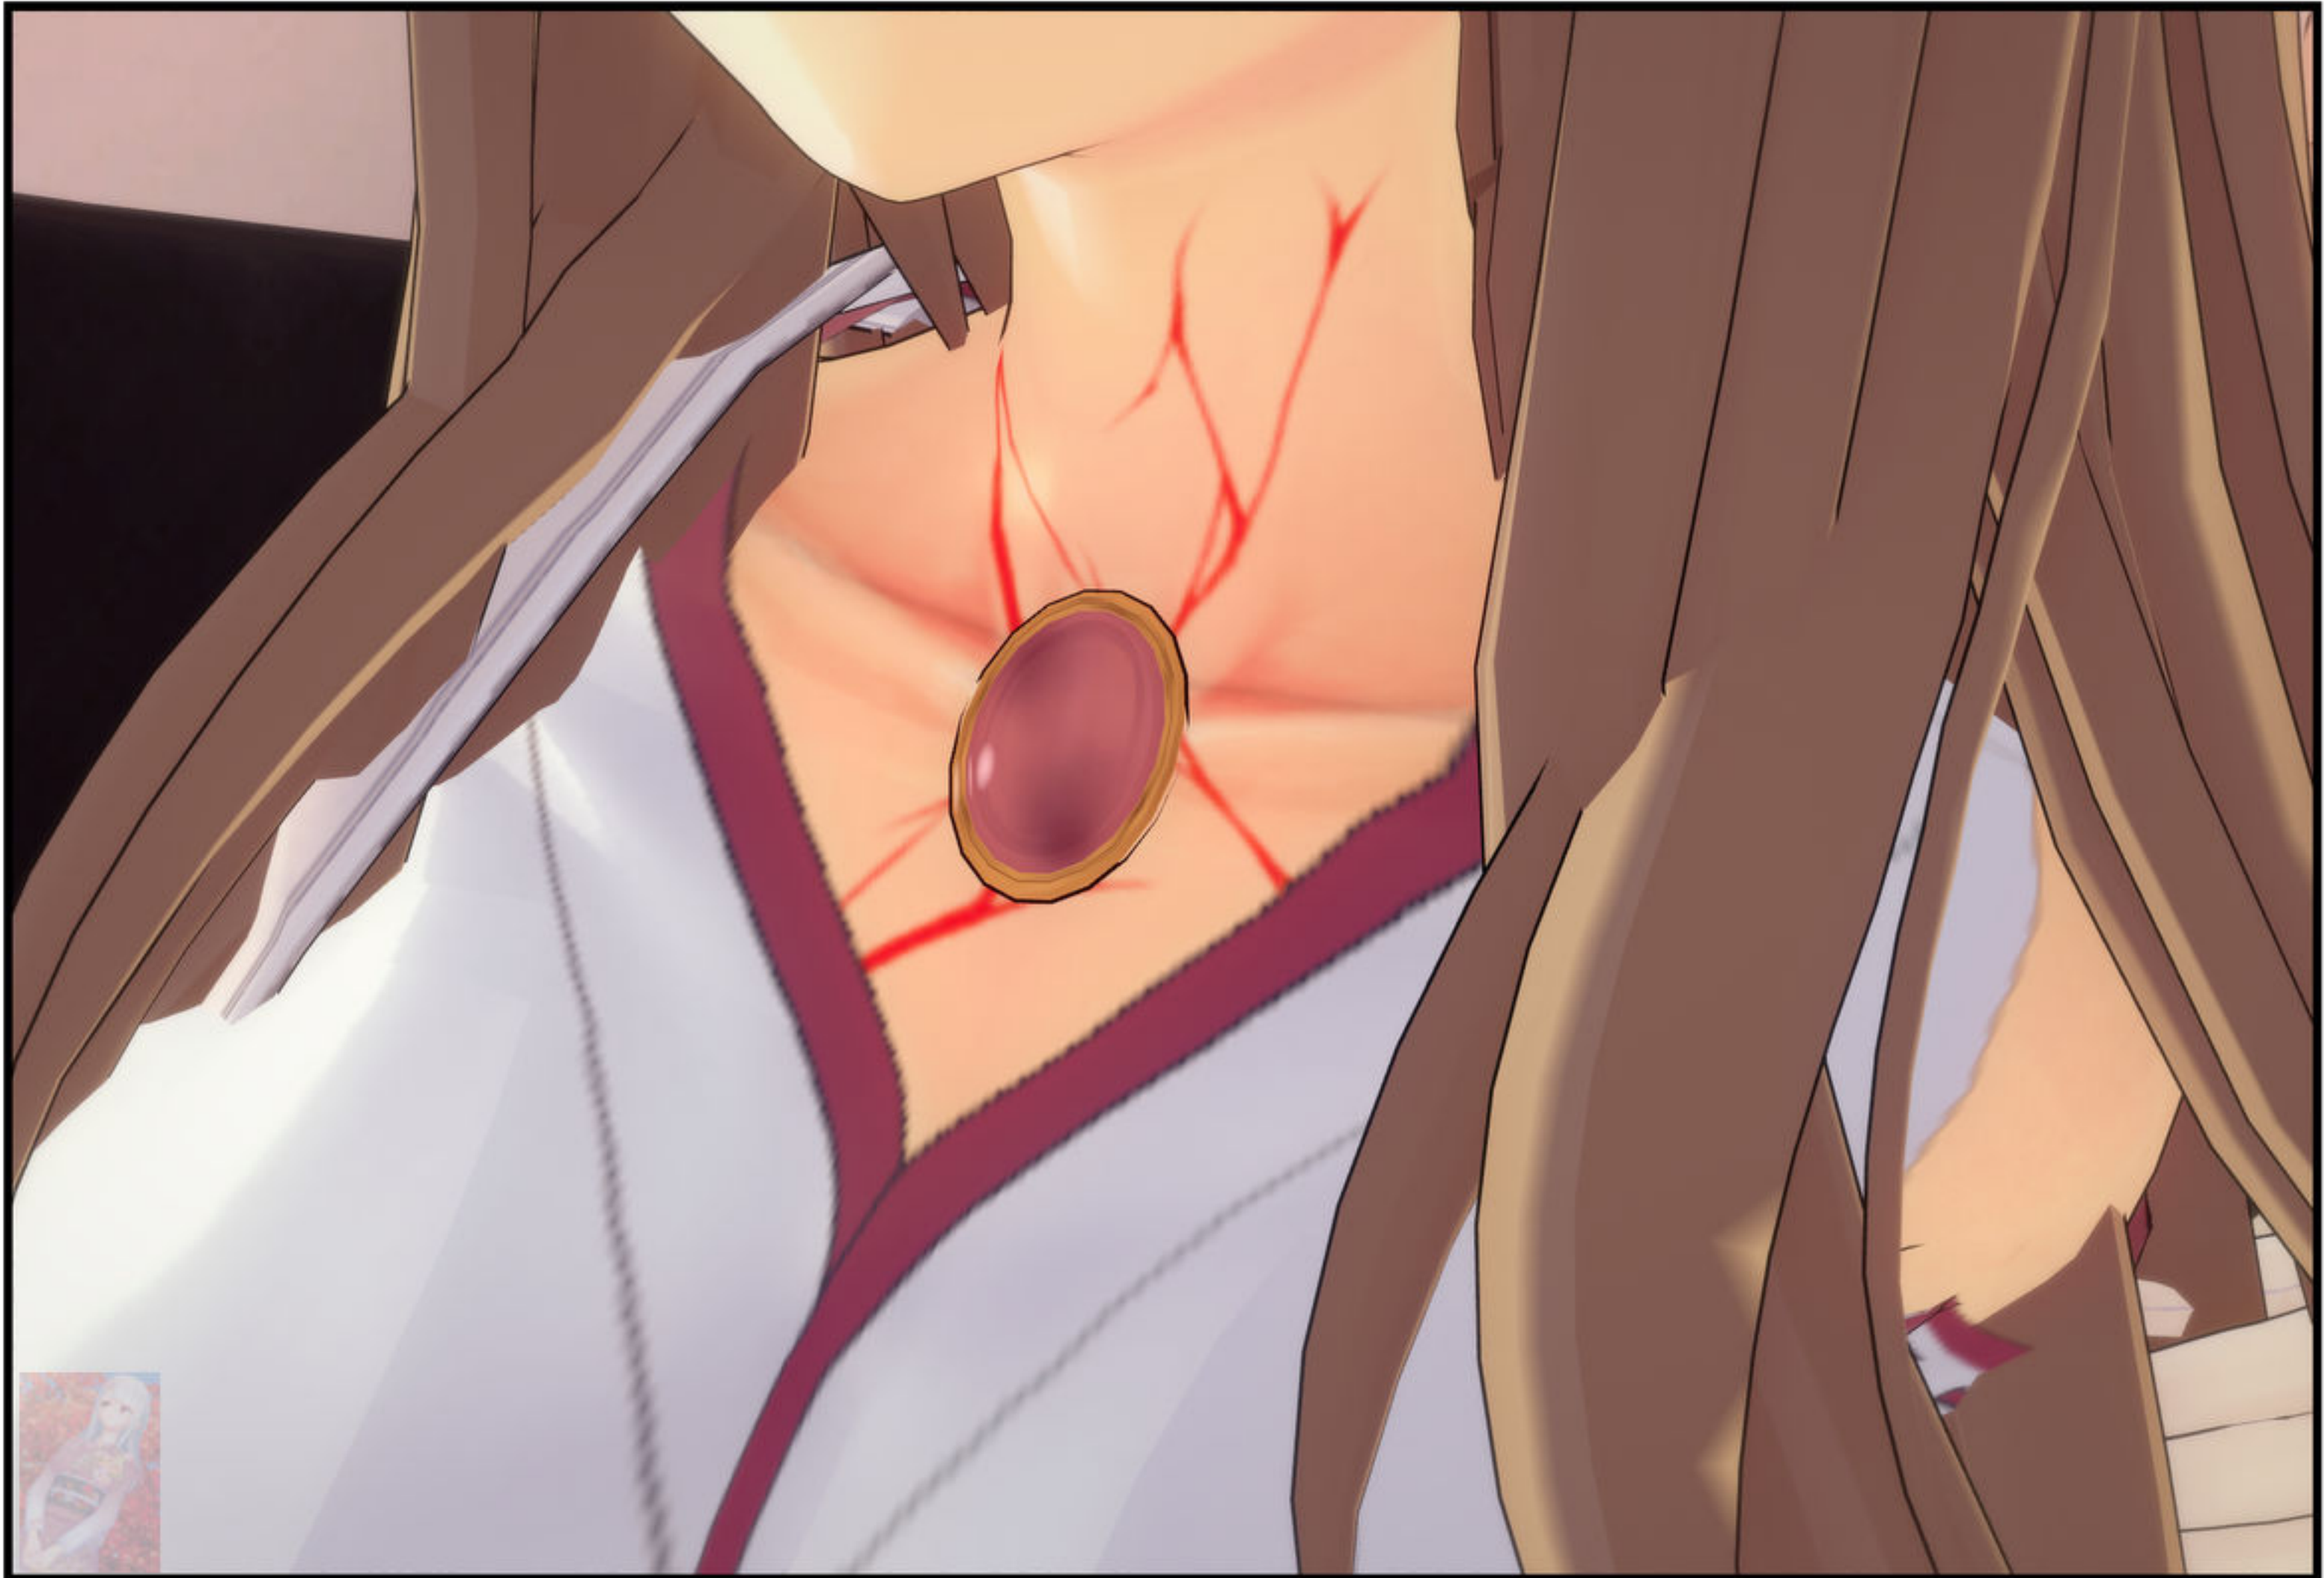

Yes. And you are going to join us, Kongou.

W-What.. is this
thing.. Admiral..?

Hehe.. You will know what will it do soon.

Aaahhhh!!??

It.. It's hurt..
My chest..!!

Quit it You can't
take that "bug" out.

As its will quickly
sink into your
body.. then to
your nerve.

That.. I should
take a break
from work.

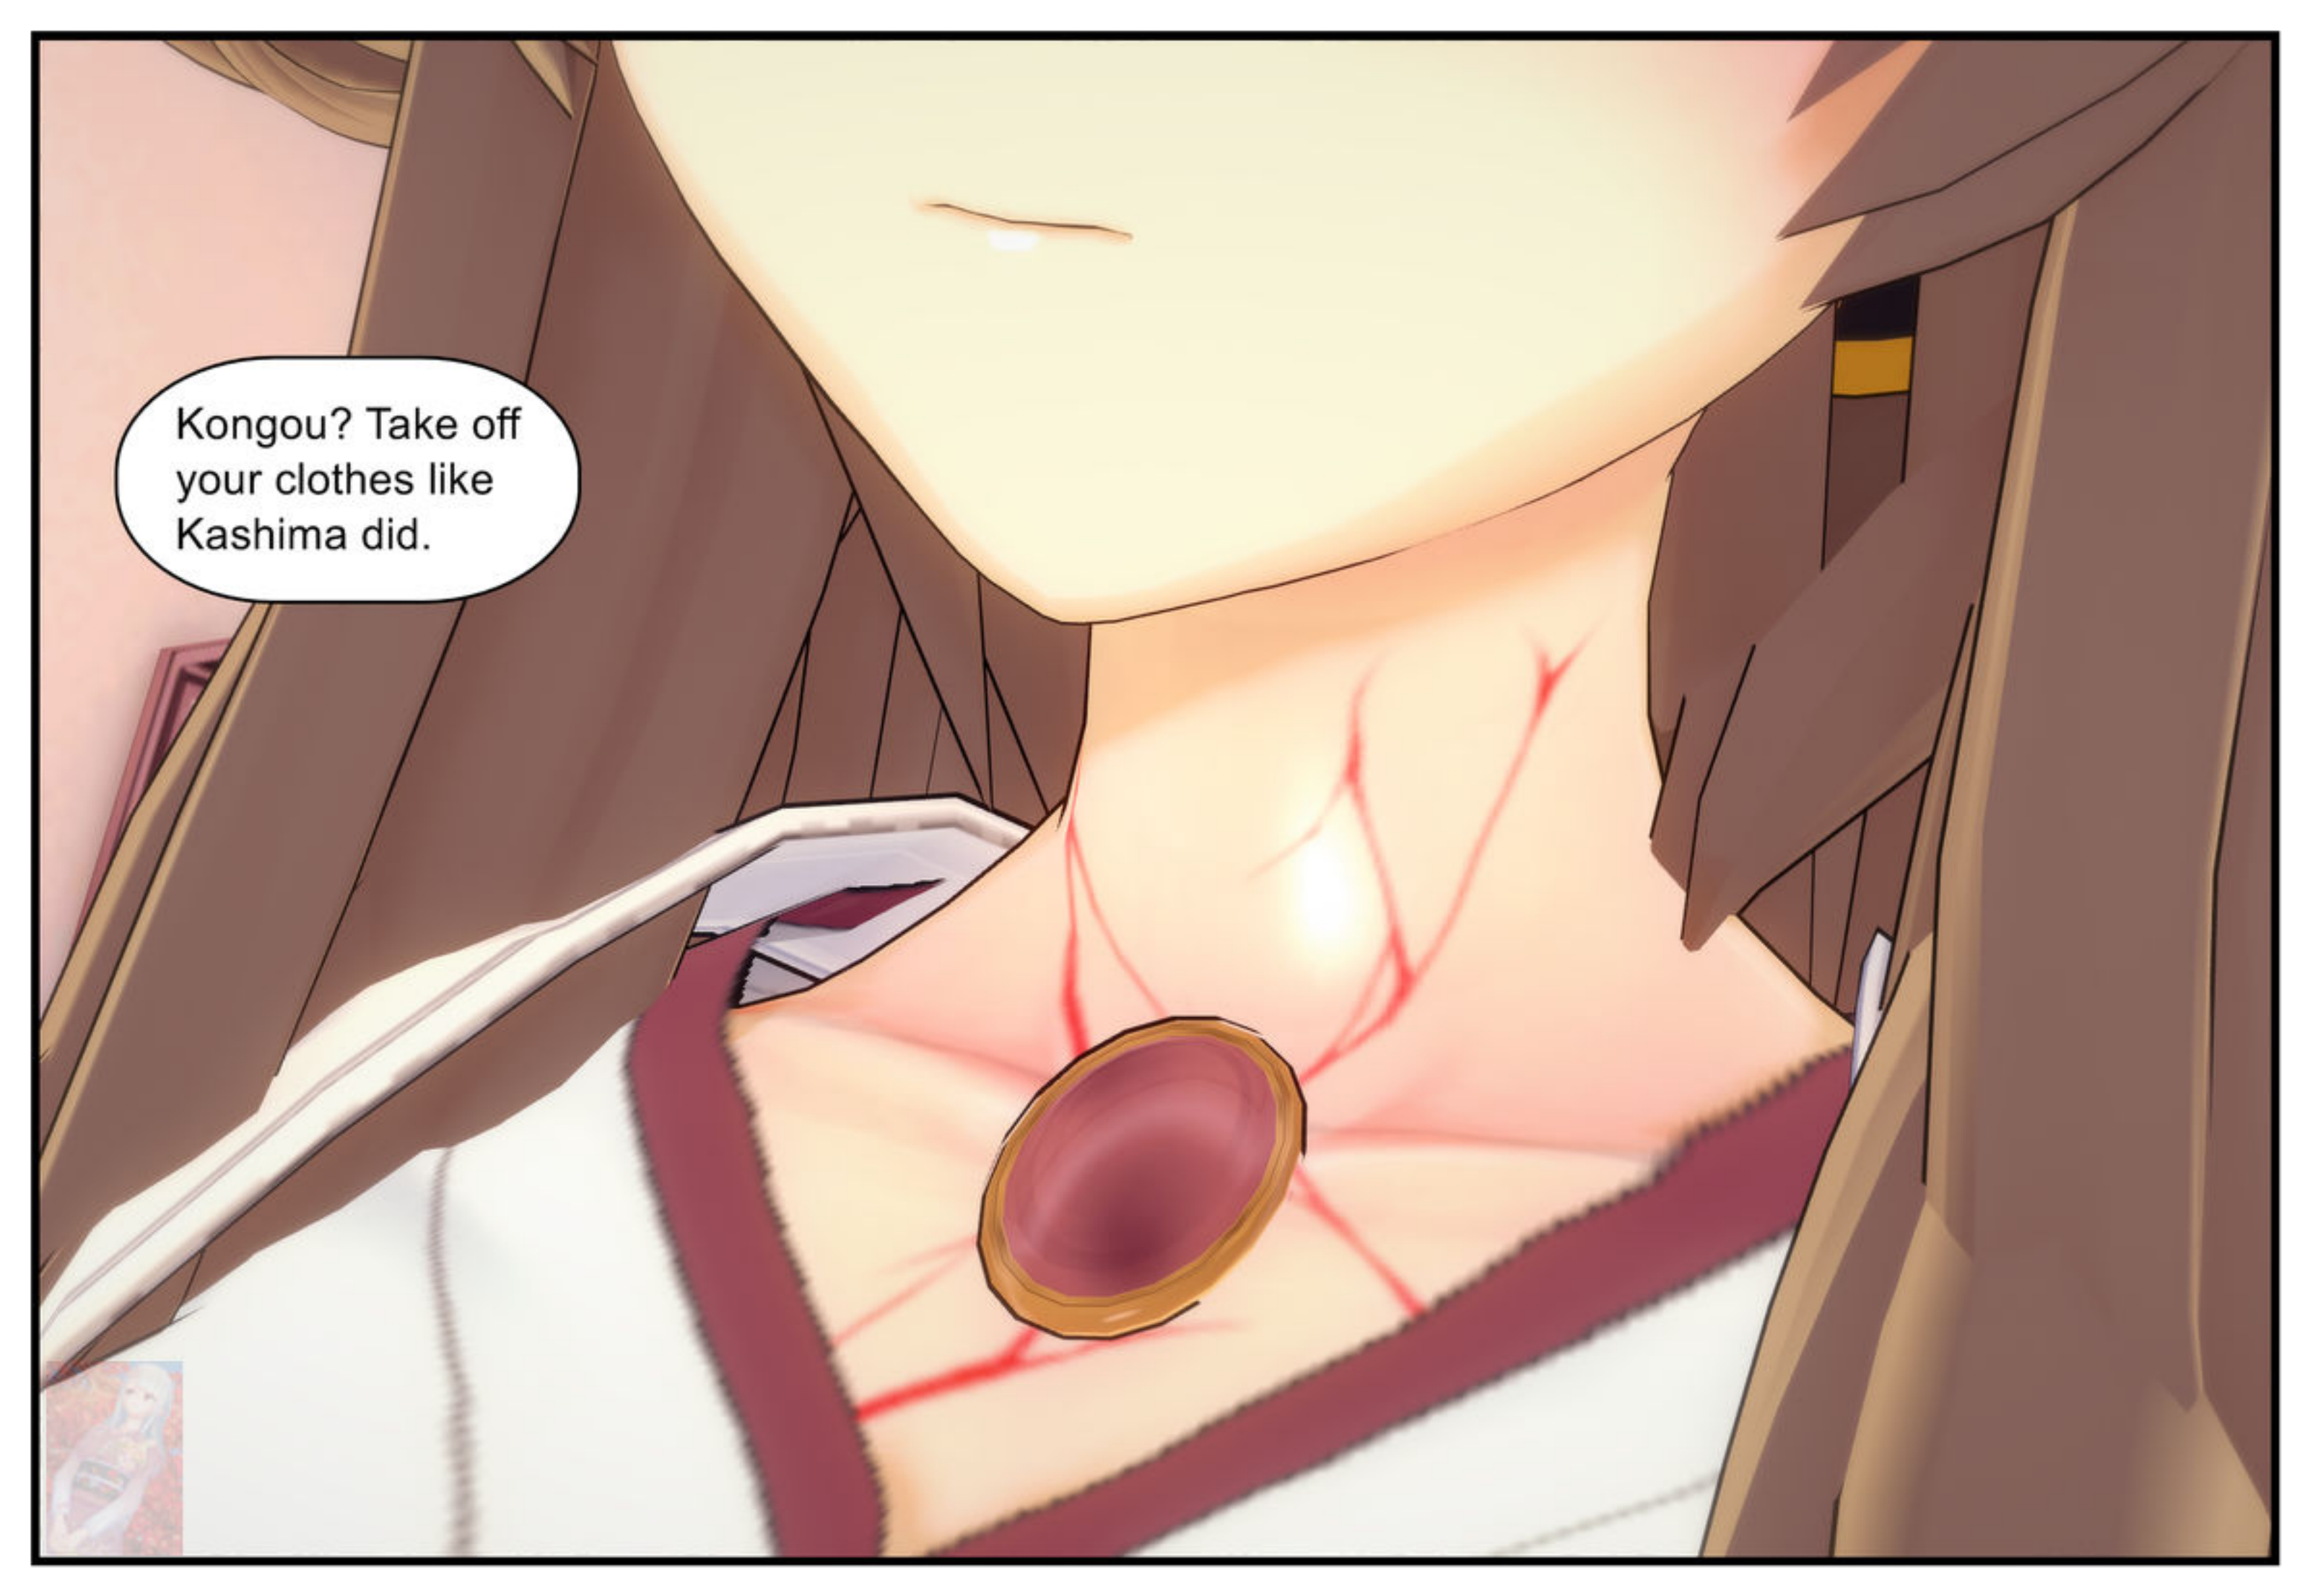

Now then.. I can control both of you.

Kashima and Kongou..

Kongou? Take off
your clothes like
Kashima did.

Hm.. That's much better. Now, act like you really want sex.. in 3..2..1!!

Hah.. I'm so tired..
Let's take a rest.

A character wearing a red cape is looking down at a desk. On the desk, there is a mechanical pencil and a pair of glasses. To the right, there is a document with the number '39' and the text 'Doc Box'.

But.. I still have more to do.. Who should I control next..?
