

ERIS MANOR

SHRINE OF CHAOS

A large crowd of people is gathered outdoors, likely at a festival or public event. The scene is filled with people of various ages and ethnicities, some sitting on concrete steps, others standing. There are trees in the background and a paved ground. Several speech bubbles are overlaid on the image, containing text that appears to be a collection of rumors or stories. The overall atmosphere is busy and social.

Did you hear this crazy urban legend? About this dude granting wishes?

I received a weird invitation, but I chickened out, it was obviously a scam. But what if...

I'm not religious or anything, but it totally sounds like the devil tempting us! IF it's true I'm sure the wishes come with an ironic twist.

"I got the invitation! I can finally turn my life around!" And that's the last I heard from him.

It's true I swear! you receive an invitation, and when you reach the place, a manor appears out of nowhere!

...Something about "balancing chaos and order" in the world since magic left it.

Remember Kate? Forget the weight loss, people DON'T suddenly grow a foot taller!

Remember my roommate Sarah, who didn't show up in class since last month? Well, yesterday I received the weirdest phonecall, someone pretended to be her, but she sounded like, 70.

THANKS FOR
COMING, KATJA. LONG

She is holding a glass of orange juice in her right hand and has her left hand on a reflective table. The kitchen features dark cabinetry, a window with a view of greenery, and a yellow water bottle on the table. A speech bubble above her head contains the text "YES! IT'S THE BEST THING I EVER...".
