EXCERPT FROM AMANDINE DI'ANGELO'S WORK JOURNAL:

POST MERGER:

I HAVE BEEN ASKED TO KEEP A JOURNAL ABOUT THIS MERGER, I WAS TOLD IT WAS TO BE INFORMAL AND TO WRITE MY FEELINGS DOWN TO HELP OTHERS UNDERSTAND THAT MERGERS CAN BE POSITIVE.

I HAVE NEVER SEEN MISS DALL'ORA SO MAD SHE STORMED OUT OF THE HR INTERVIEW CURSING AND BLAMING EVERYONE FOR THE TAKEOVER. IN MY INTERVIEW THEY SAID THAT THE POSITION WOULD NOT CHANGE MUCH, BUT NOW I GET PAID! YEAAA NO MORE WORKING AS A WAITRESS AFTER WORK. MY BOY FRIEND WILL BE HAPPY, I GET TO SPEND MORE TIME WITH HIM.

THE ONLY THING IS, I MUST LOOK MORE PROFESSIONAL, WHAT EVER THAT MEANS? I WAS TOLD TO LOOK OVER THE COMPANY'S CODE AND CONDUCT AND BUY SOME NEW CLOTHES. I CAN'T WAIT TO SEE WHAT THEY DO HERE. THEY SEEM PRETTY COOL FOR A COMPANY THEY HAVE WORK RETREATS AND INTERNAL PROFESSIONAL DEVELOPMENT COURSES. I HAVE ALREADY SIGNED UP FOR A FEW.

WE WERE ABSORBED AND TRAINED IN NEW DEPARTMENTS. I WAS SENT TO R&D TO HELP, BUT I HAVE BEEN DOING SUCH A GOOD JOB THAT I'M GETTING A PROMOTION! WITH A RISE NOW I HAVE ACCESS TO THE COMPANY GYM NOW. I'M DOING SOME SHOPPING THIS WEEKEND MAYBE GOING TO THE COMPANY SPA.

I NEED TO UP MY GAME, A LOT OF THE GIRLS AROUND HERE ARE NOW DRESSING MORE PROVOCATIVELY, AND SOME ARE GETTING WORK DONE. I WOUNDER IF I SHOULD? I THINK DAVE MIGHT LIKE ME BLONDE?

EVEN MISS DALL'ORA IS TRYING TO FIT IN, IT'S NICE TO SEE HER NOT BE SUCH A BITCH TO HER FORMER EMPLOYEES. SHE EVEN SAID HI TO ME.

8 MONTH POST MERGER:

EEEEKKK I thought I was going to lose my job but I got a promotion! Get this, to assistant. Ok so a month ago they had a new guys start, really cute, like hella cute.

Anyway, he was super nervous and making a bunch of mistakes on his first day. We were having lunch in the intern lunchroom when one of the slutty girls said that sex helped her relax, I didn't want to see him get fired on his first day so during lunch I pulled him into a conference room and kind of gave him a hand job, big mistake! It was so messy, he came all over my dress and his pants. He said thanks and next time I should try using my mouth because I could just swallow it.

A few days later he pulled me in and asked if I could help him out. Sooo I kind of gave him a blowjob in another conference room. I let him cum in my mouth so we wouldn't have to clean up after. At first it was kind of weird to give someone else a blow job other than Dave, but WOW it made me so horny thinking I might get caught. He's been asking for more, but I couldn't fuck another guy.

So today I got called into HR, they showed me a video of me giving the new guy a blowjob. I was so scared they would fire me but they said the opposite they loved my enthusiasm they said I looked like a porn star when I gave him head. They offered me a assist job as long as I keep it up. Ohh if Dave knew what I did to get the job he would explode.

12 MONTH POST MERGER:

OMG I am now Mister Withers personal assistant I Can't believe it. I have been working so hard helping the Directors relax, turns out I don't mind sleeping with powerful men.

They even told me because I have done so much to improve how I look they would pay for any surgery I wanted soooooo, I got the works, Tits, ass, lips, botox and a couple I have never heard of that the directors suggested as well. Dave was not happy but fuck that limp dick, I get paid better and have better benefits.

Get this I have Barbie working for me now, she even looks up to me, she is kind of a ditzy slut now, but she is nicer and does anything I ask her to do, she even went down on me CuZ she never tasted pussy before, she did ask nicely, if you ever need her to go down on you her togue is amazing, I mean she spends most of her time on her knees anyway. Know wonder she had her Company bought out. I have been asked to book her in for some more surgeries maybe I should get her some more piercings and tattoos while she is getting built to fuck. I'll have to run that by the boss.

EXCERPT FROM MANDY DEE'S WORK JOURNAL:

16 MONTH POST MERGER:

I love to fuck. Oh Gawd, having my pussy filled with cock feels so good, but do you know what feels better. When a guy plows your ass, ok hear me out. So at first I kind of thought it was icky, but the director said I should try it with Barbie. We are roommates now, since dave kicked me out after catching me with 3 coworkers in the living room, I swear we were just watching my first "only fans" video they said I should do a gang bang to make major bank, one thing led to another and 3 guys were fucking me, anyway. So Barbie gets a strap-on from work, she went slow at first, it felt super weird but I got use to it and I finally came and she called me a "Butt Slut".

The next day the boss man asked how it went I told him not great! He said I should try it with a real cock. He was so right I came so hard with him inside of me. I think it was because he was my boss, but I wasn't sure so I found a hot employee, he was with a guy I fucked earlier, so I let them tag team me, it was even better being filled from both ends. Turns out I put on a show in the conference room. The one we were in had a glass panel wall and most of the executives watched me cum my brains out like a porn star. After I got fucked I got pulled in to HR and sucked their cocks while they told me about my new position, Personal Ass. I got even bigger boobs, bigger lips, a bigger fuckable ass and some other stuff and all I have to do all day is look hot and fuck anyone I want, which is everyone. I'm so happy and horny.

PS it's totally worth it girls. Being hot and sexy pays off in the end I don't pay for anything and spend my time on my back or my knees cuming my brains out.
