Come camping

It'll be fun.

that they would pull
some kind of prank...

I have no idea
where the
campsite is.

Fuck!
No signal...

KKRRRI

ΔCCCKKKK!!!

It doesn't feel like there's any heat coming off of it at all...

Am I drowning?

No, I can breathe.

What I need!

What do we do?

Hand her your jacket, Dylan. All I've got is this shirt...

Umm, Miss.
Are you ok?

You can uh, take
my jacket to
cover up. It's
getting cold...

Can we call
somebody
for you?

Have you got any
friends nearby?

Hello boys!

END?
