-whew-

I love these cherry-scented bubble baths. I wish I could soak longer, but I gotta go berry picking. *sigh*

And now to use this new perfume I bought. "Snack Attack". Ah, it smells like pastries.

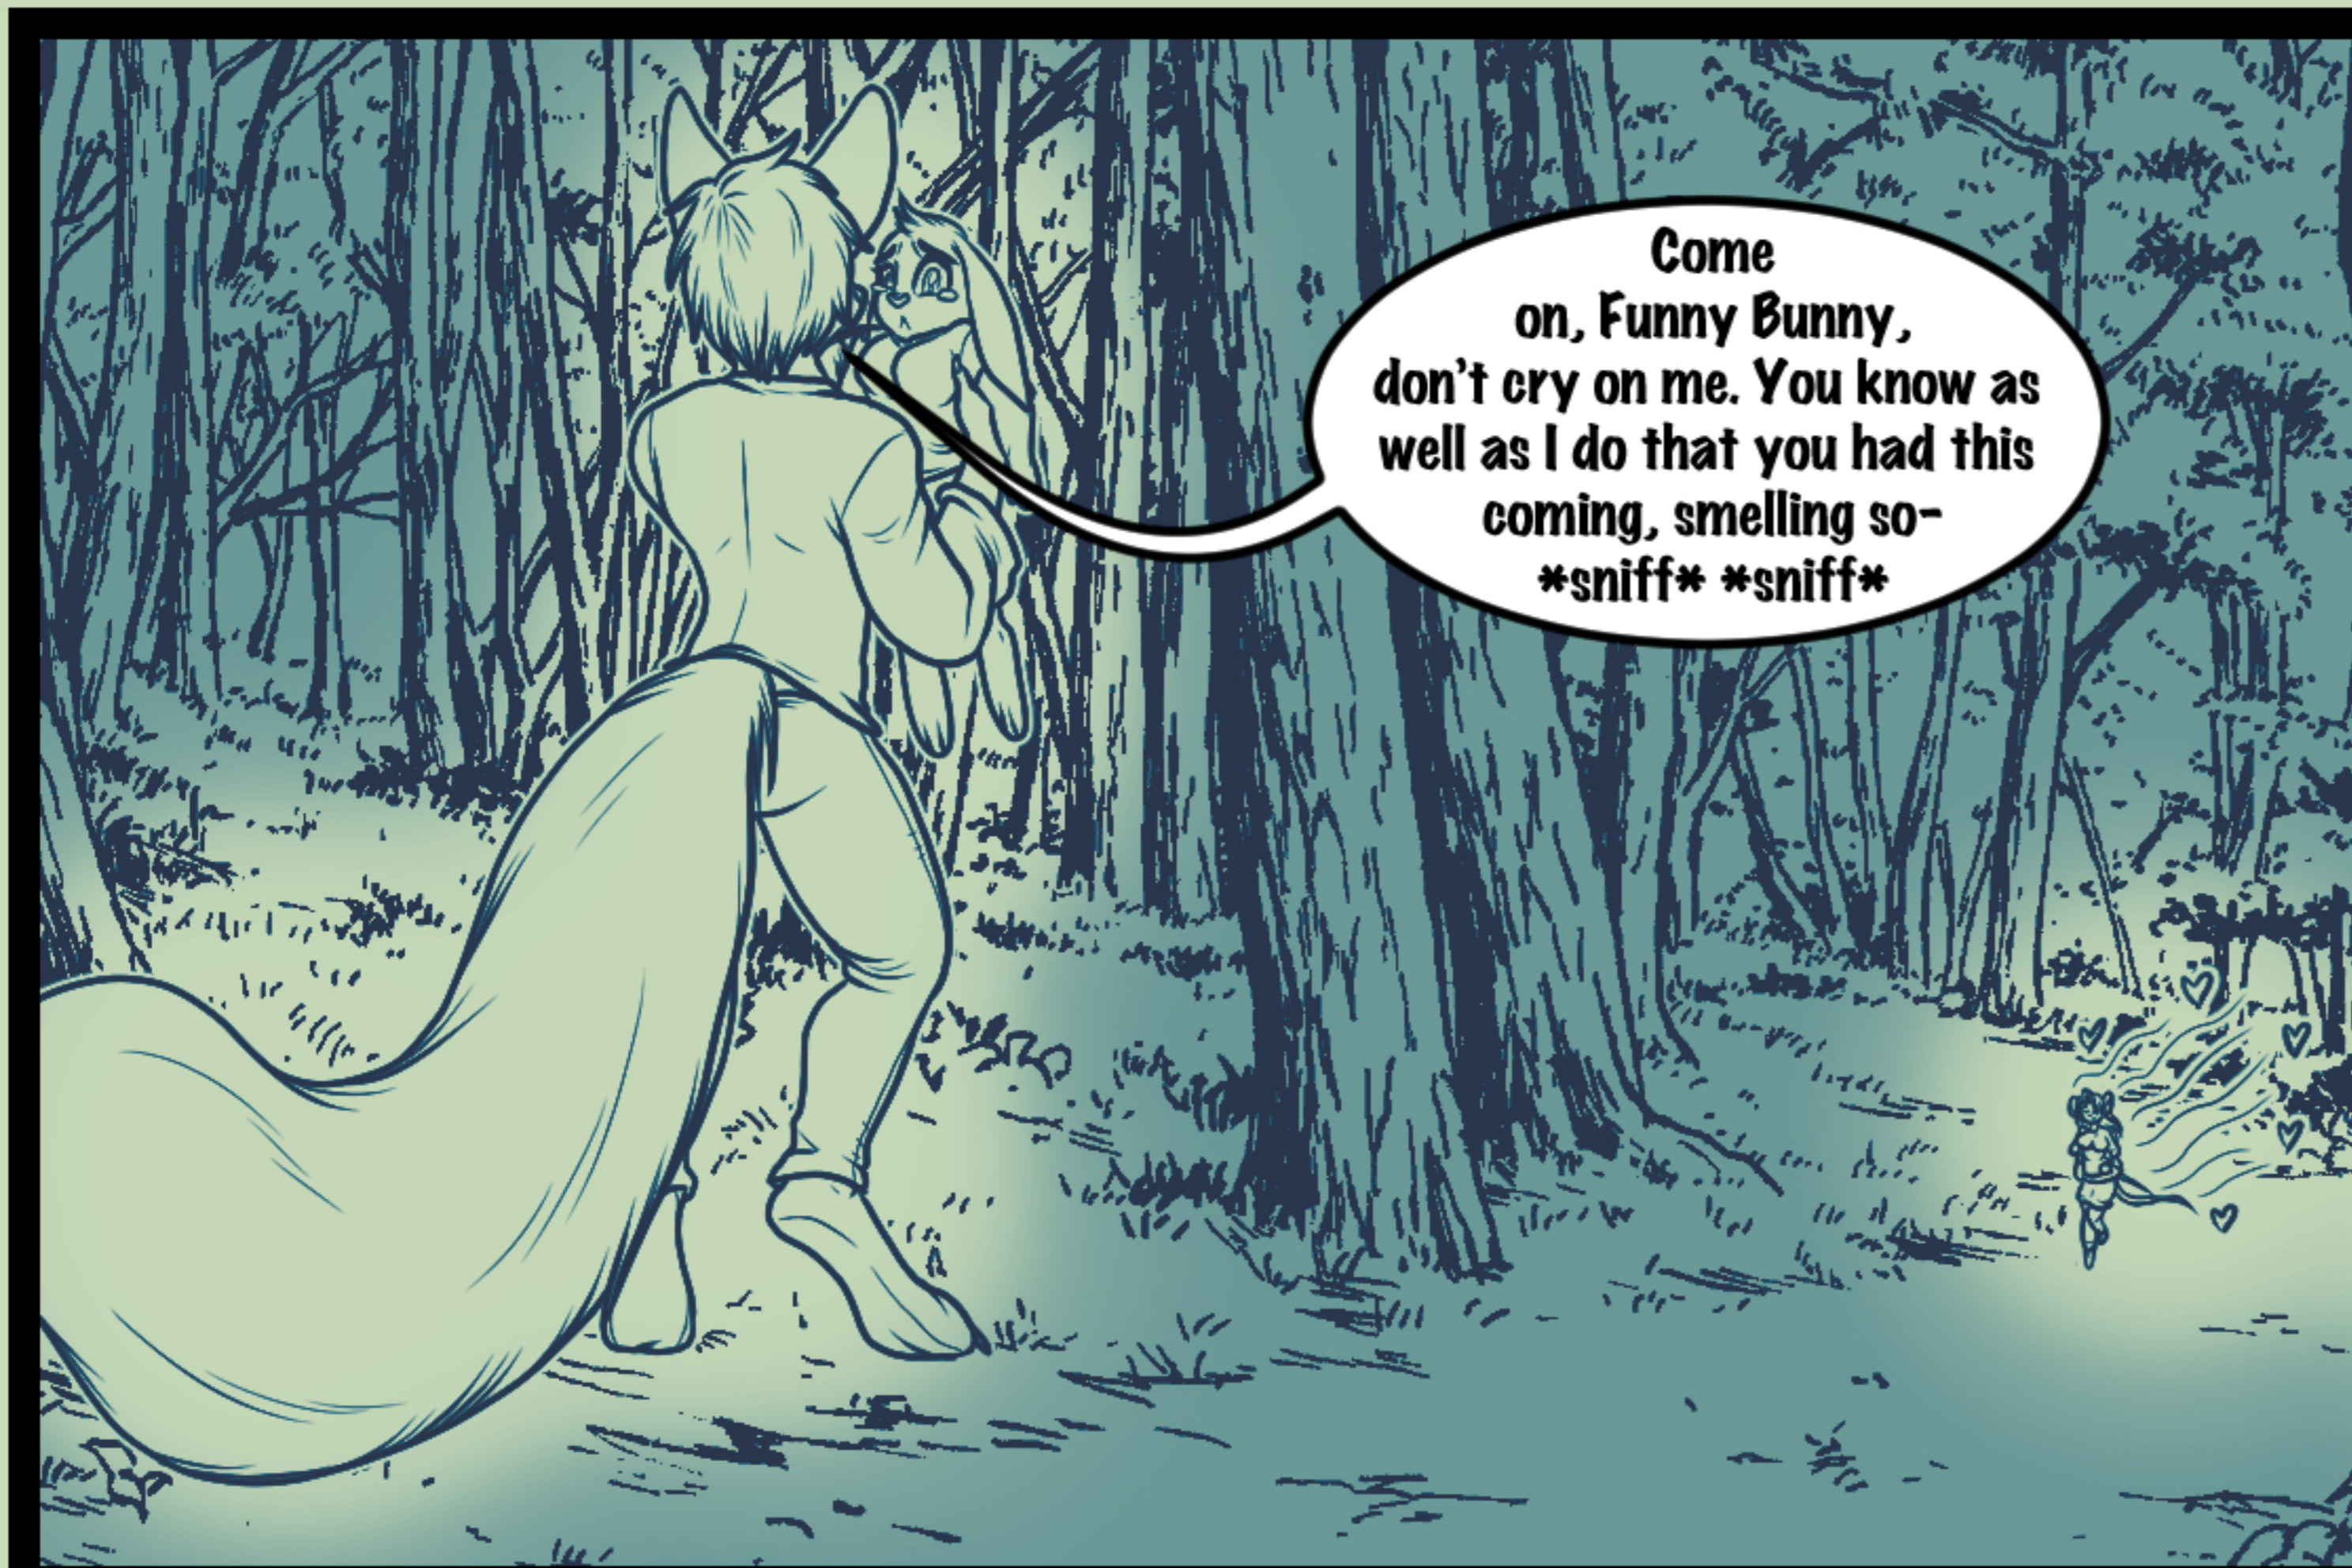

Hey, Jess! *sniffs* N-new body spray?

Yep! All of y'all have an awesome day!

Feels like nothing can go wrong. *hums a merry tune*

Come on, Funny Bunny, don't cry on me. You know as well as I do that you had this coming, smelling so- *sniff* *sniff*

-Delicious. *sniff*... What the heck is that scent? Where's it coming from?

- I dunno, but whatever it is, I'm going to nibble on it like a carrot~

Lemme see if I remember where the best blueberry bush is... Uh...

EEE-!
