based on the fanfiction **Secret Series - Fiery Lake**  
by **TheWriteFiction**

A few months following the end of the Intergalactic Martial Arts Tournament and the Cell Games, peace had finally been restored to the Earth. As the heroes known as the Z-fighters settled in for the long, hard-won period, things slowly started to change. Particularly around the Son household in Mount Paozu.

**BOO-OOOM! KA-BOOM!**

Not just for the tough, diligent mother, Chi-Chi...

Ah. Those two are at it again. 'Giggle'

**BOOM!**  
**BOOM-BANG!**  
**BROOOM!**

...but also for her oldest son -the new hero of Earth-

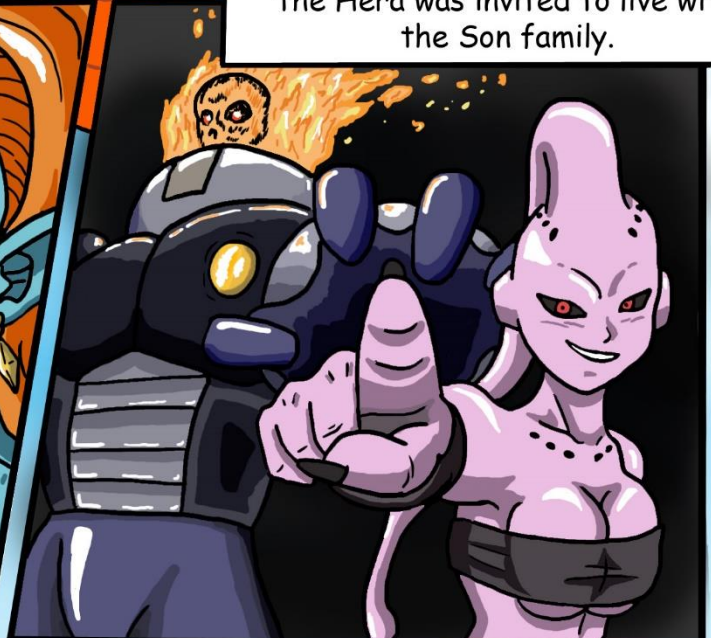

...and his newfound ally, friend and training partner...

After the young hero saved her from Bojack's influence, the Hera-seijin was left as the one and only survivor of her group. So, with no people or home to return to, the alien soldier decided to stay on Earth and keep an eye on the boy who rescued her- including his family.

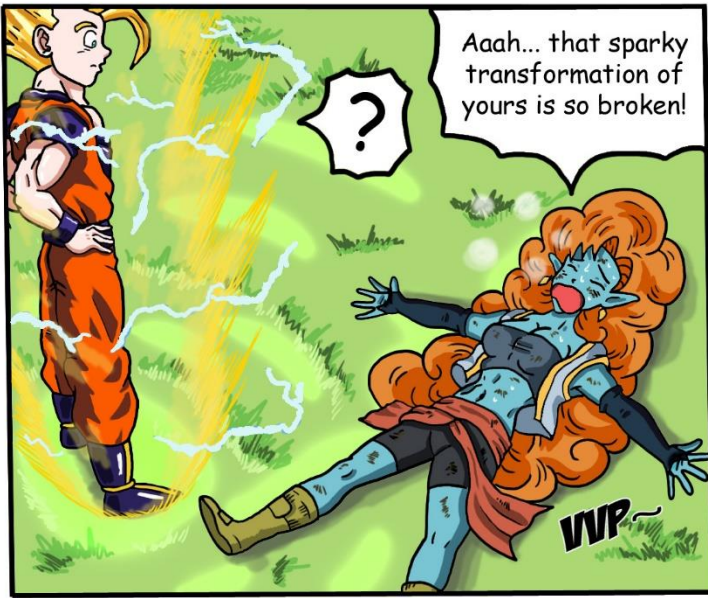

...Zangya.

In the many weeks that followed, Zangya grew close to Gohan and his friends. After a harrowing adventure to Trunks' future, and battles with Future Buu and the planet vampire- Scorch- in the present, the Hera was invited to live with the Son family.

And since then, the two warriors became best of friends.

Aaah... that sparky transformation of yours is so broken!

?

VVP~

...that... \*pant\* ...sucked so bad!

\*Gaah!\* Man...

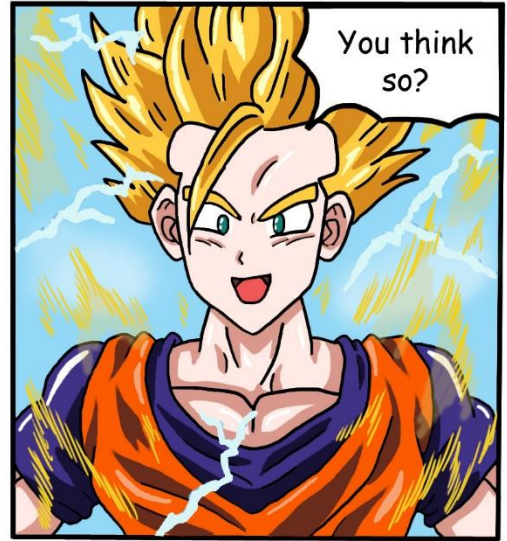

That was a great session, Zangya. You nearly had me there a couple of times.

Hehe...

VV-

-P!

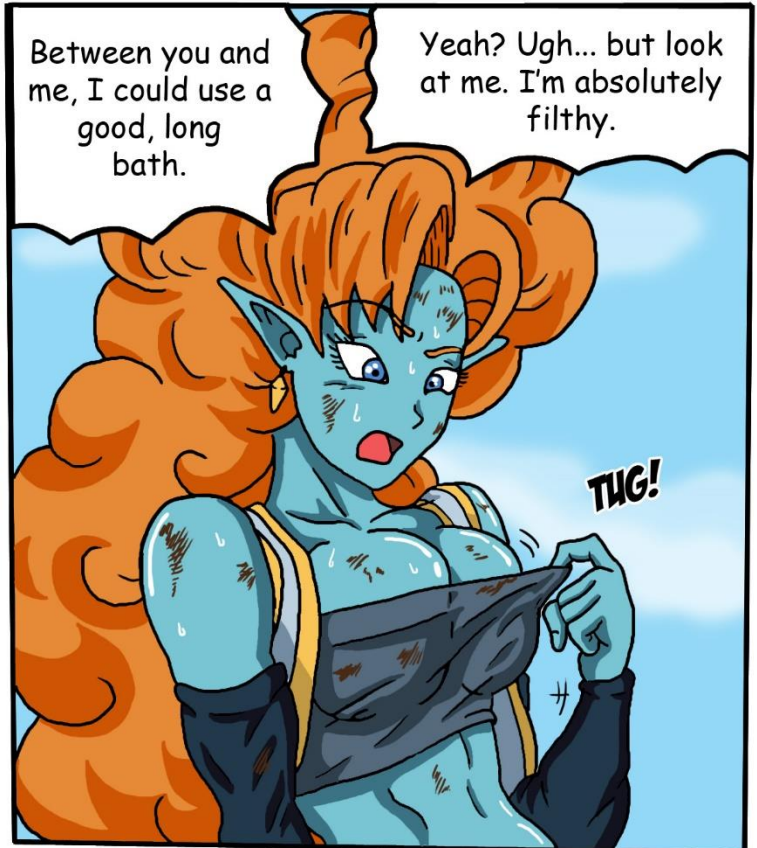

You think so?

Haha! Sure! Why not?

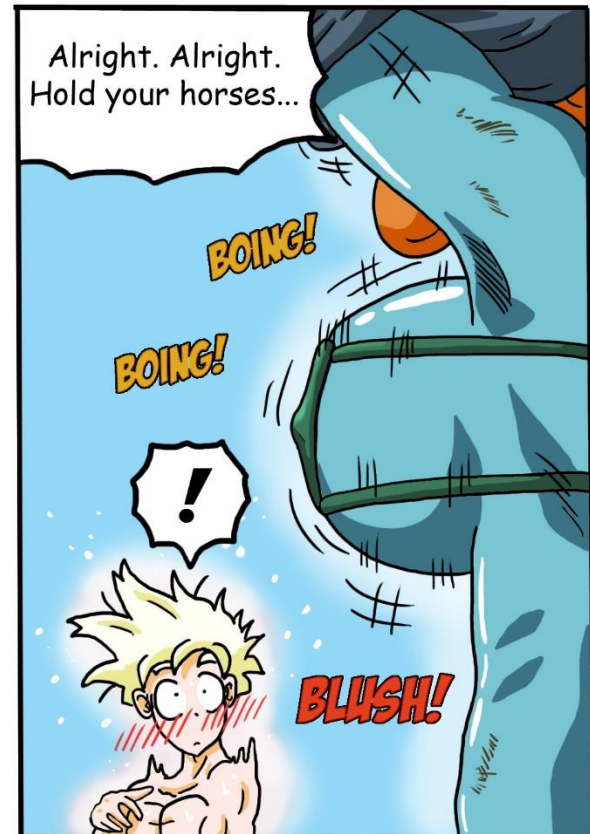

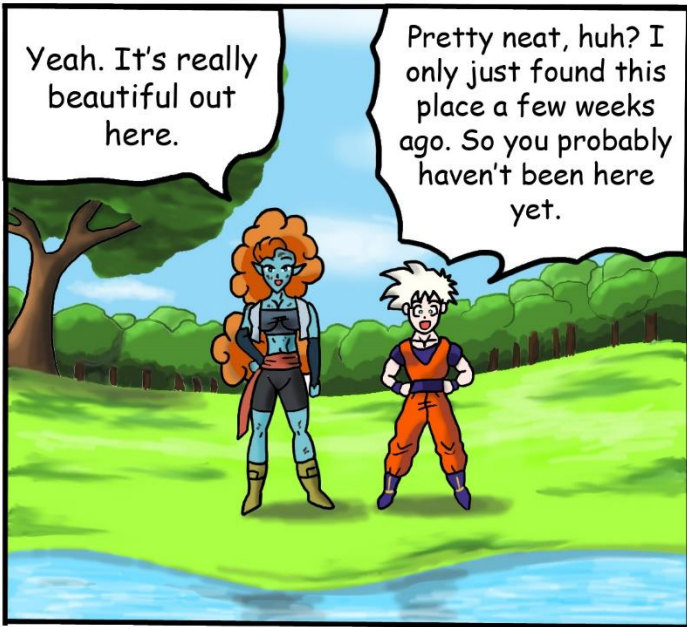

Hey! Wanna go for a dip in one of the lakes nearby? Swim a few laps?

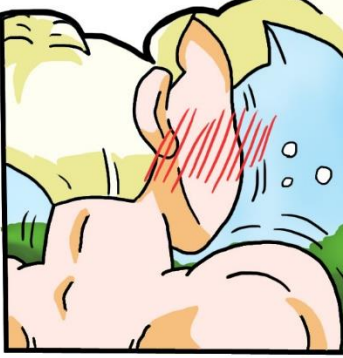

Between you and me, I could use a good, long bath.

Yeah? Ugh... but look at me. I'm absolutely filthy.

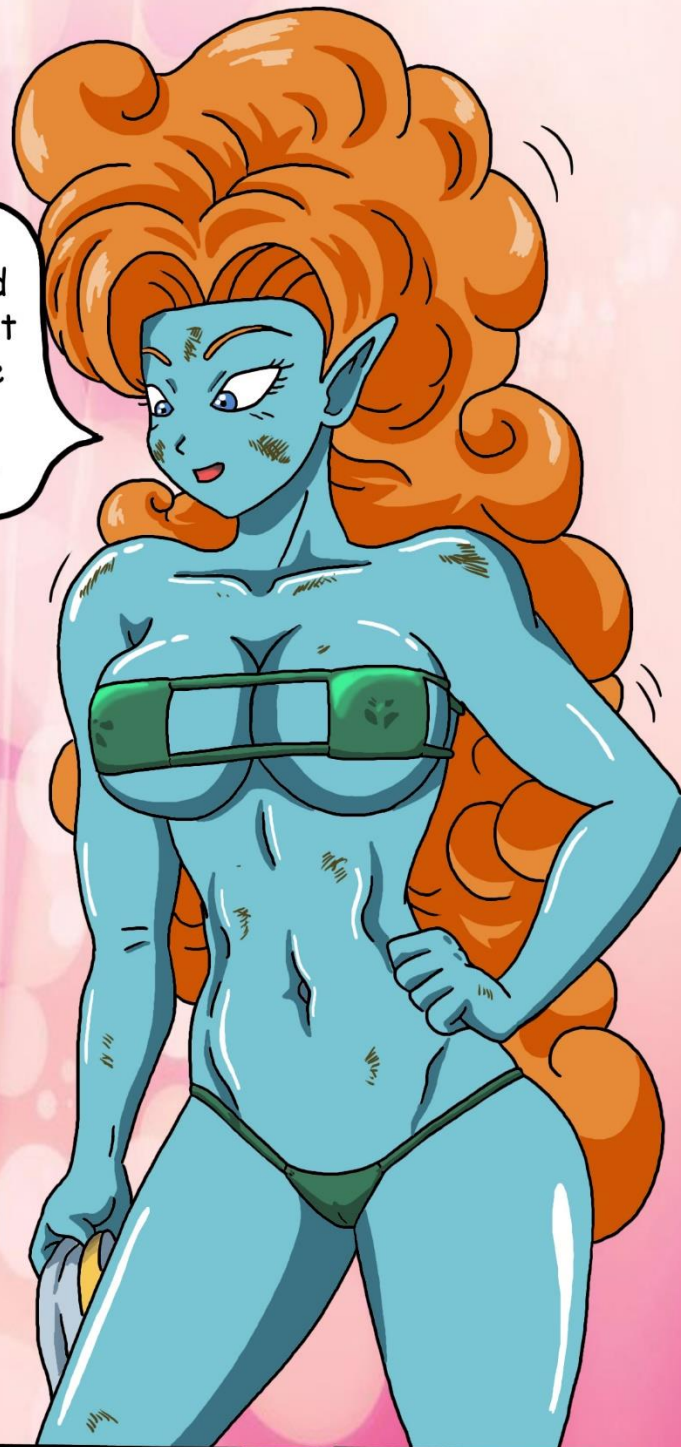

TUG!

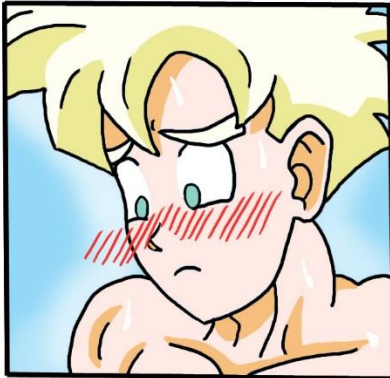

Z-ZANGYA! What exactly are you wearing right now?!

Woo! It's good to get out of those sweaty clothes.

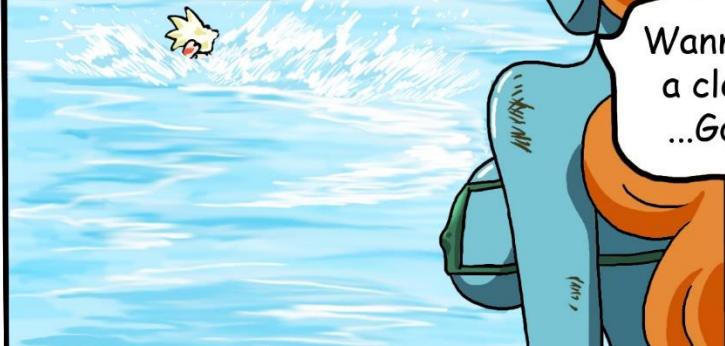

Huh? These? This is just my regular under-wear. I always wear this kind of stuff under my clothes.

No thank you, Zangya! I'm good!

!

SWIM! SWIM!  
SWIM!

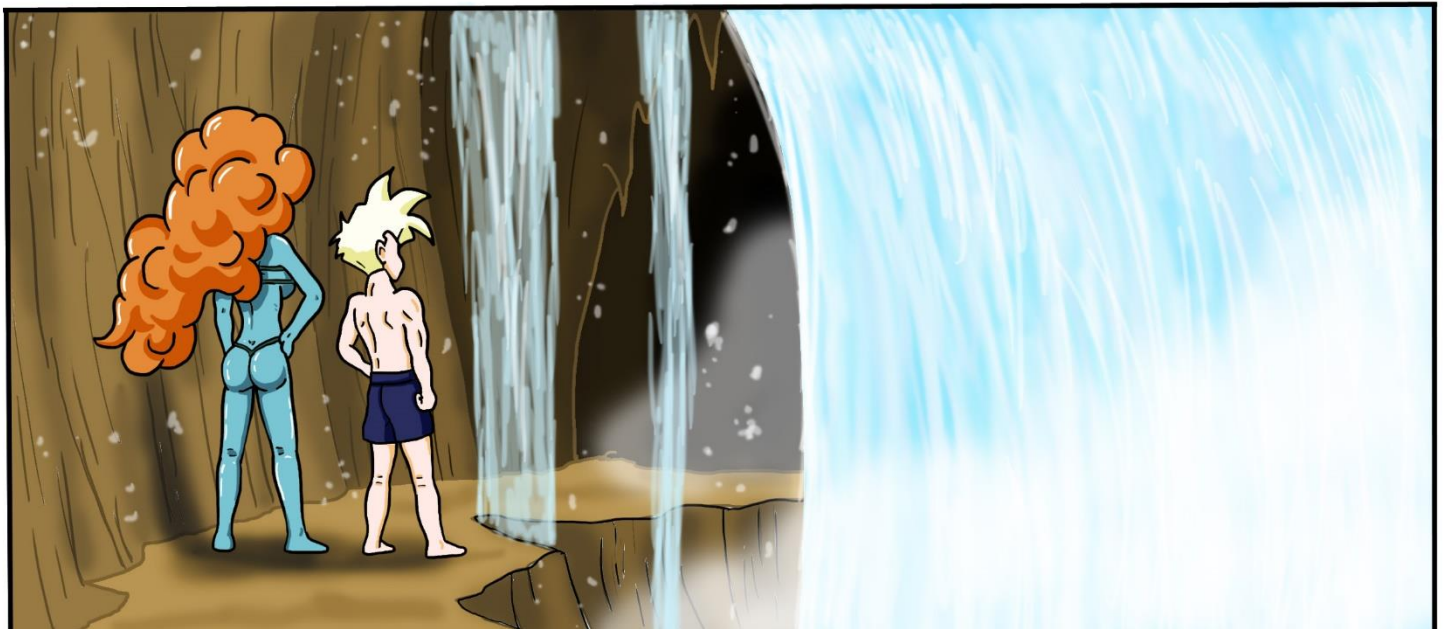

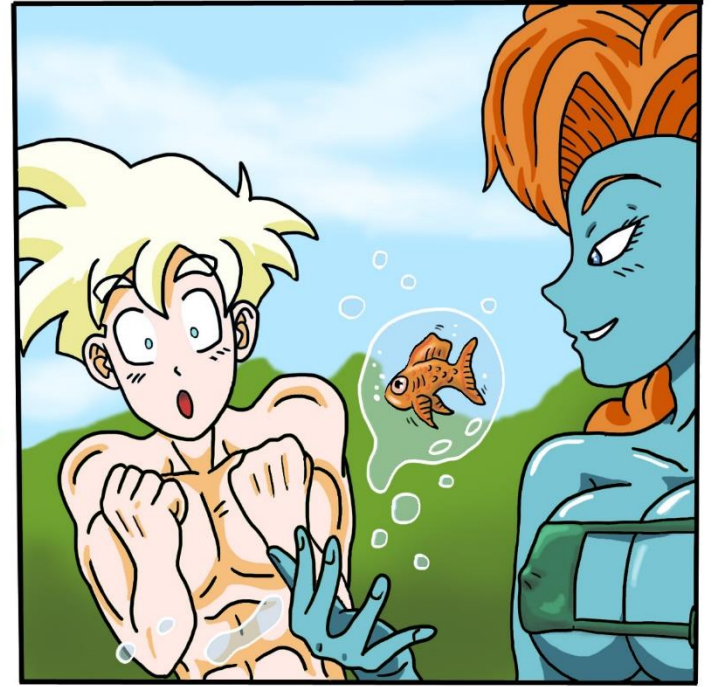

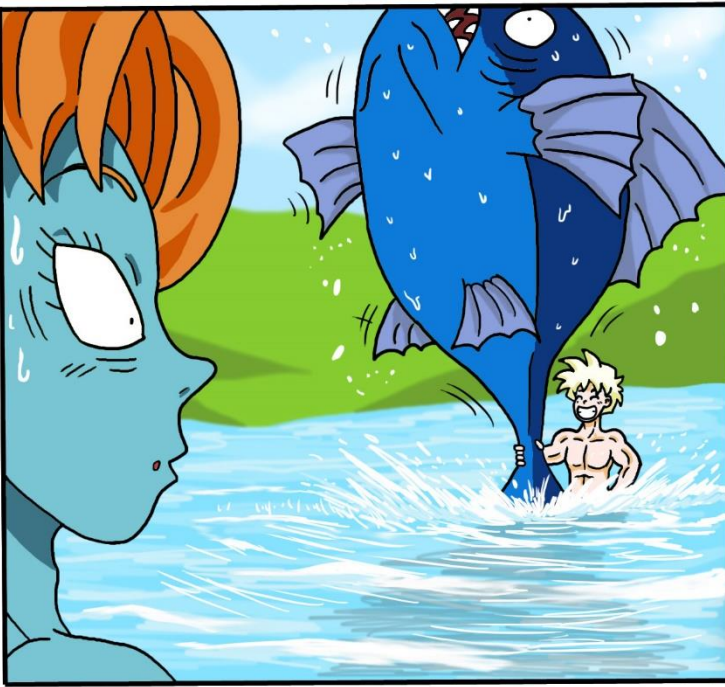

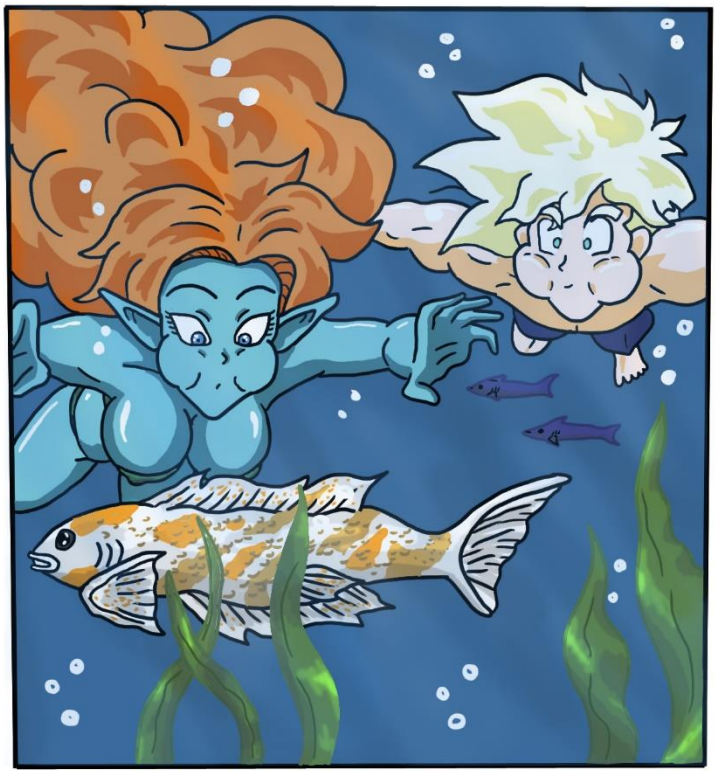

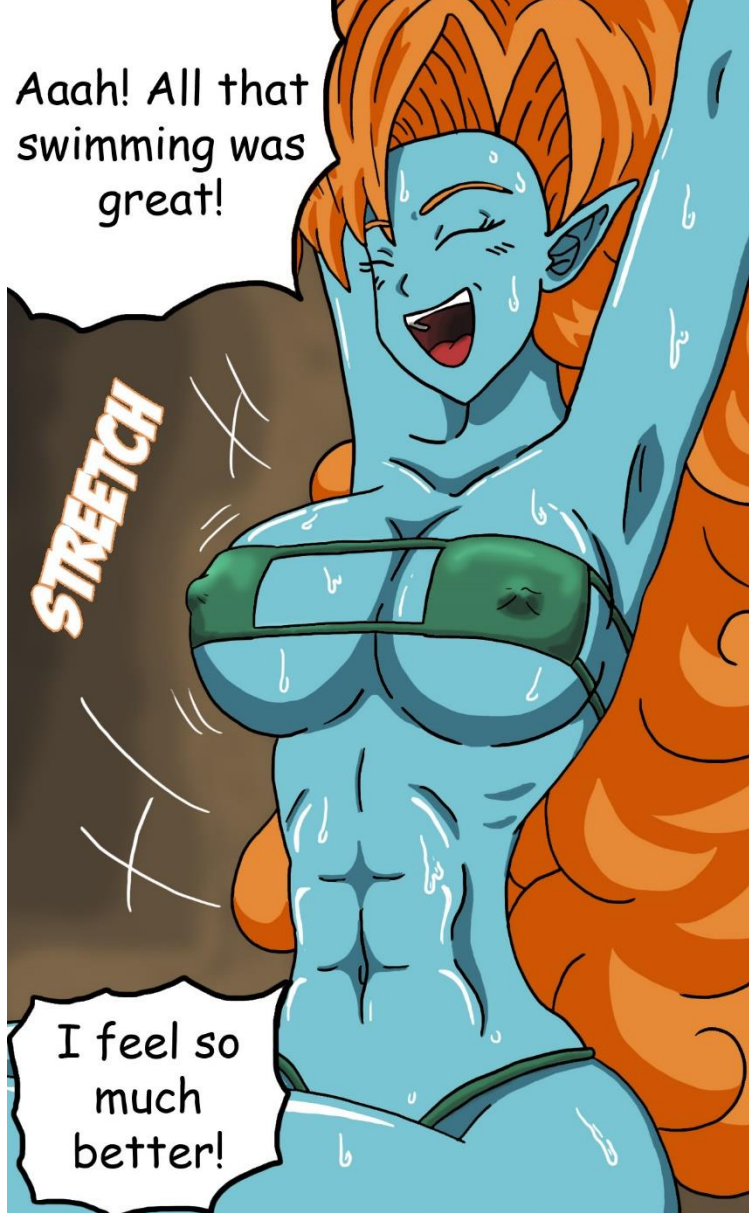

You don't like the underwear I'm wearing? Giggle...

Oh? What's wrong, Gohan-kun?

Wanna take a closer...  
...Gohan?

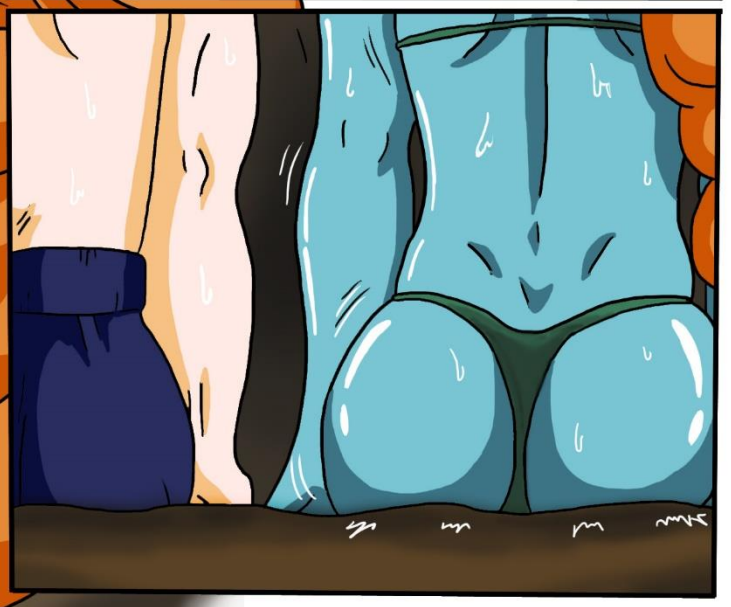

Aaah! All that swimming was great!

I feel so much better!

This cave is pretty damn cool, huh?

It is, isn't it?

Oh! N-No... it's nothing! Nothing at all!

Hnm...? Really?

Hm? Something the matter, Gohan?

Ohh. ♥

W-What are you...?

Uh... Z-Zangya?

Hm? What does it look like? I'm teasing you, silly. I noticed you were staring at me while we were swimming together. Are you interested in my body? *Giggle...*

Th-That's... I mean... you are really pretty, Zangya.

Ooh? Is that all? So does THIS guy think I'm pretty too?

**GRAB**  
♥

You don't have to be ashamed, Gohan-kun. I'm actually flattered you think of me that way,

Really?

Sure. In fact, I'll help you fix your "little problem."

I... I already know about that stuff. It's just-

An erection. Something you guys get when you're really excited. For a growing boy like you, a reaction like this is completely normal.

A-A what?

Wait! Hold on! Why are you...?

*Giggle.* You are interested in me. You have a hard-on.

Uhh... h-hang on  
a second, Zangya!  
I don't think  
you should-

Now... let's take  
a look and see  
what we have  
hiding under  
here!

**FLAP!**

It's so big... and  
hard! Kami, I  
can't even fit  
my fingers  
around it!

Aah!  
Z-Zangya!

W-Whoa! This thing  
is freakin' enormous!

How does  
Gohan-kun have  
such a monster?

Wow!!

**THROB!**

**THROB!**

C-Could you... um... fix it now, please?

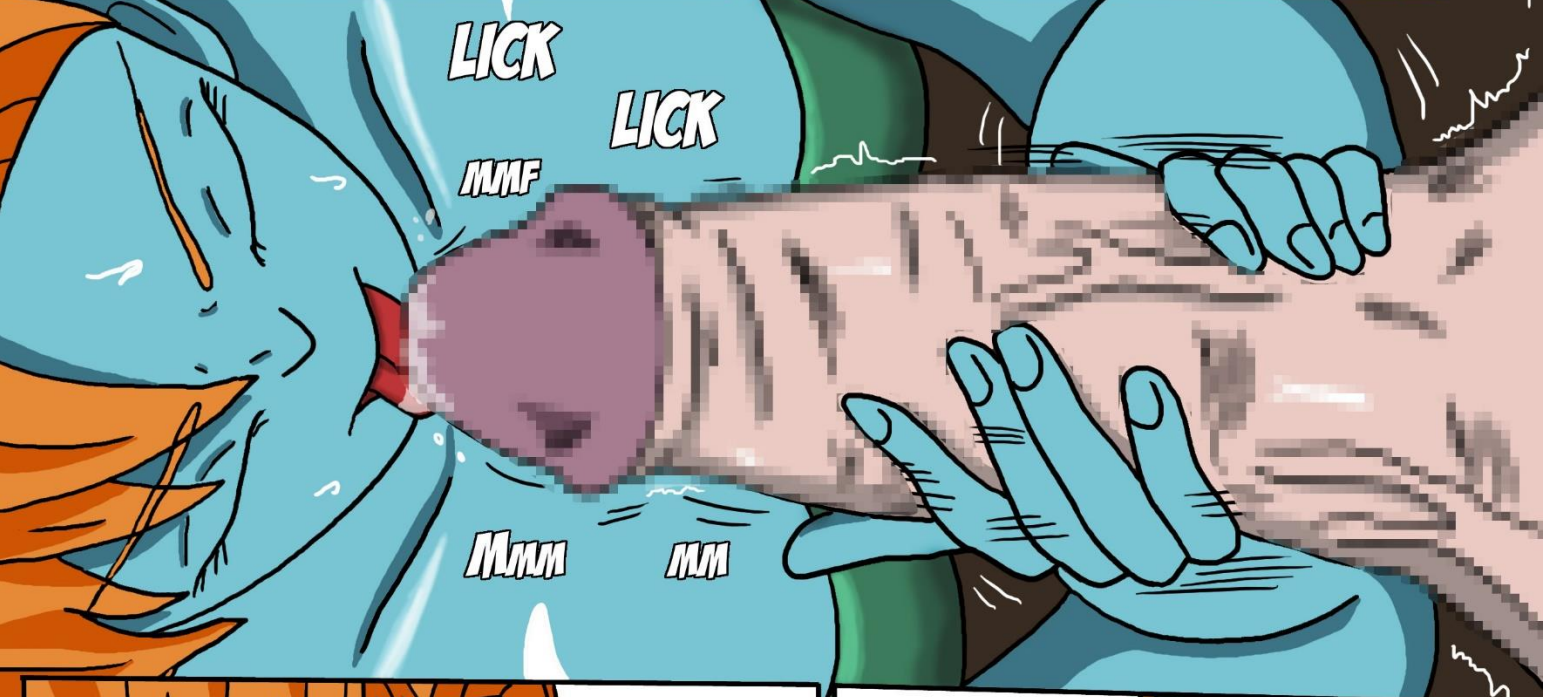

Chu!  
♥

Of course. Don't worry. You're gonna love this.

I-Is something wrong?

No... it's just... I've never seen one this big before. Yours is incredible, Gohan-kun.

?

I already owe you so much for all the amazing things you've done for me. You rescued me. Gave me courage to stand up to Bojack. Defended me from Scorch. Kept me company when I was alone And took me in when I had nowhere to go.

And yet, despite all the kindness you've shown me, I ended up taking away your first time, when I'm sure you wanted to save it for someone special.

R-Really?

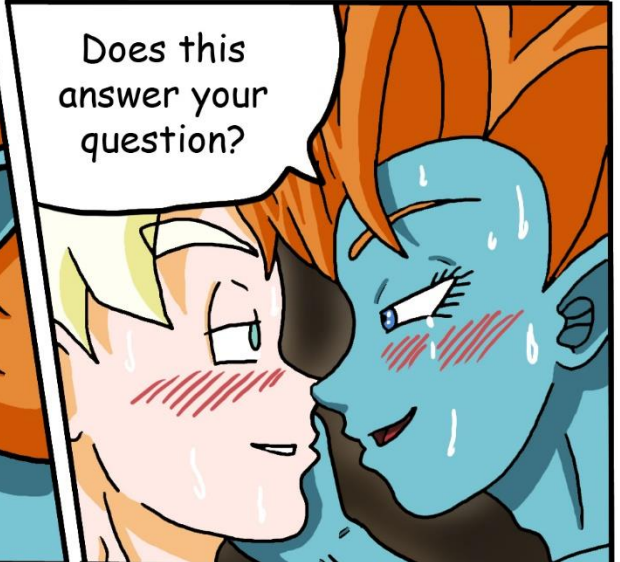

Yeah. I mean... since it was my first time, I hope I was able to do a good job. Did I?

B-DUMP!

You didn't take anything away from me, Zangya.

In fact... I'm glad I was able to experience something like this with you. Especially when it felt so great.

Does this answer your question?

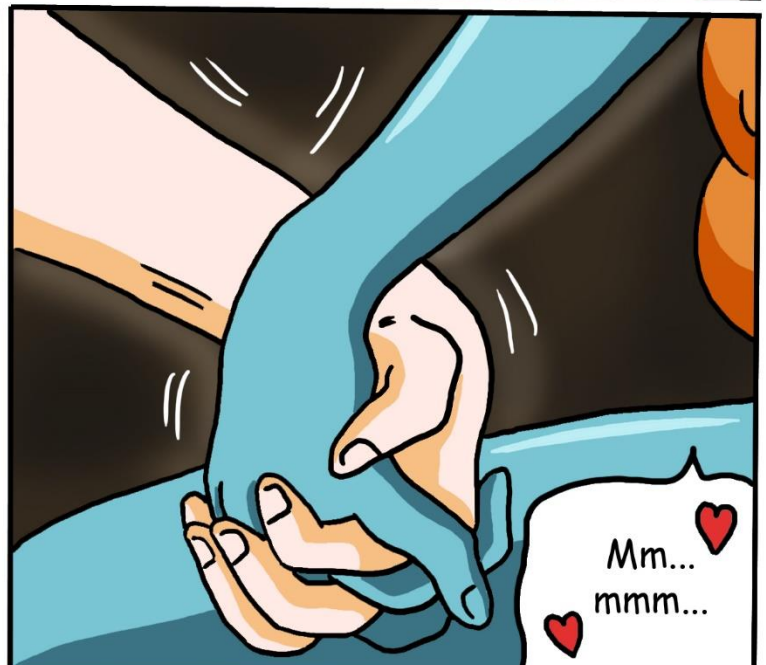

Hey! Since you're still in the mood, want to go for another round?!

Yeah! Absolutely!

W-When is it gonna be our turn, Gohan-kun? I... I really want to have sex with you again. So does Erasa...

**TO BE CONTINUED...**

Who will be next?

Hello all.

I hope you guys enjoyed reading my first ever doujin featuring my favourite character, from one of my all time favourite anime, and a character I thought was really cool when she was introduced. Considering the amount of disrespect Gohan has received over the years, as well as the lack of screentime, fan art, and accomplishments in the present, I created this dojin as a way of giving him the reward he is due and then some (though in a way most people might find odd). I also wanted to give a personal favourite character of mine- Zangya- a second chance to shine, compared to what she got at the end of the Bojack movie, which was not only a waste of a fascinating character, but also a waste of a cool female fighter who could duke it out with a Super Saiyan.

Since this is the first full dojin I ever created, I wanted to make it as good as I could, and included as many dynamic scenes as possible. As a result, it did take a lot of time and effort to complete.

If this becomes popular- and if people want to see me continue this series with other DBZ girls- be sure to support me on patreon, and follow me on twitter and fanfiction, where you can find posts of all my work. :)

Thank you,
