❖ Submission

You can feel yourself drifting deeper and deeper into a calm and soothing and relaxing trance as you slowly become aware of your surroundings and find yourself lying in your familiar and comfortable and cozy bed. Comfort. Relaxed. Peaceful. The fuzzy and snug and soft blanket envelops you with it's warmth, and you can find yourself sinking deeper and deeper into your sheets as you submit yourself completely to the peaceful embrace of your comfortable bed. Yes. You can find yourself feeling happy and relaxed and comfortable as you naturally let yourself become compliant and submissive to the morning around you, and can remember that getting up slowly and enjoying the comfort that your bed brings you is exactly what you need in order to have the morning in which you most desire. Yes. And as you continue to breathe in slowly in and out, you can discover your beautiful partner waking up beside you, and you can move to adjust yourself, rolling over to face them as they wake. Yes. Your partner yawns and rubs the sleep from her eyes, before she mumbles a good morning and leans in for a quick kiss. Your beautiful lover asks if you have been up long and if you have started making any breakfast yet. Happy. Pleasure. Loved. You smile at your perfect ability to satisfy such a beautiful and loving partner and find yourself naturally getting up to obey and satisfy her as you walk to the kitchen to start making breakfast. Yes. She smiles in return and you can feel your heart swelling with pride and joy and happiness from just a simple acknowledgement of love from your beautiful and dominant partner, knowing that you always feel happy and fulfilled and accomplished whenever your partner gives any of her completely important attention to you. Yes. And as she gracefully rises from her bed to start her day, you can find yourself moving with renewed energy, knowing that your continued support and love will always make your partner happier and more satisfied and in turn make you feel accomplished and proud and successful in your own future. Comfort. Desire. Confident. You can discover yourself intuitively knowing that you share all of your partner's completely important emotions and feelings and desires and can

remember that whenever you make her happy, you will also find happiness in your own life. Yes. You can find yourself remembering that you have always been a good and obedient and devoted partner who lives to prove how much they love and are devoted to their dominant partner who loves to make all of the boring, important decisions. Yes. You can find yourself remembering all of the times in which you were not actively being submissive to your partner, and you can discover yourself remembering how lonely and uncomfortable and stressed you have felt in these situations in your past without any direction from a dominant lover in control. Alone. Incomplete. Uncomfortable. You intuitively know that your partner is always aware of what is best for you and you can find yourself feeling like you must be subservient as you wait on your loving and dominant partner's every desire and need in order for you to prove that you appreciate all that your partner does for you and all the decisions that they make. Yes. And as you stir in the perfect amount of cream and sugar into your partner's favorite mug, you can feel a pair of hands wrap around your waist in a hug from behind, finding your lips curling up into a wide smile as you feel your partner nuzzle lovingly into your back. Loved. Pleasure. Desire. Your lover thanks you for the mug and takes a sip before telling you that you have made another perfect cup and kissing you sweetly, whispering in your ear that you look so sexy making her breakfast in the morning. You can feel yourself smiling wider at her kind and loving words, letting the feelings of happiness and accomplishment and pride wash over you as you know that your completely natural and submissive demeanor and personality is something that your dominant and beautiful and loving partner finds completely attractive. Yes. You intuitively know that being submissive to the people that you love is sexy and will always bring you the most happiness and fulfillment and satisfaction in your life. Yes. You can remember that the more you make your beautiful partner happy, the more satisfied and happy and loved you will feel in your own life. Yes. Listen to me now as you continue to find yourself feeling more comfortable and relaxed and happy as you drift deeper and deeper into a calming and soothing hypnotic trance.

✧ **Pride**

You can find yourself feeling relaxed and happy and at peace as you drift deeper and deeper into an obedient and receptive trance. Yes. You intuitively know that being submissive will make you feel happy and loved and accomplished and you can naturally find yourself thinking of all of the times in your past in which you have supported and helped other people. Loved. Pleasure. Happy. You can discover yourself remembering a time when you were a child in school, supporting the classmates around you as you receive praise from your beautiful and dominant teacher for being so helpful. Yes. You can intimately recall your teacher telling your parents what a good and obedient child

you are and letting them know how proud they should be of you for being so well behaved in school. Yes. You discover yourself thinking of your own personal satisfaction and pleasure and delight when you were called up during an award ceremony for your helpful behavior during the school year and can remember how much you loved the feeling of your parents and teachers being proud of you and the thrill that you felt as you walked up to the stage to accept your award as an auditorium of people applauded for you. Happy. Excitement. Pleasure. You can find yourself remembering how happy and excited and honored you felt as you held your award in front of your friends and family and mentors and how accomplished and fulfilled and satisfied you felt whenever your parents displayed your award proudly for each and every guest that entered your home to see. Yes. You can remember the happiness and pride and love that comes with the accomplishment of being helpful and supportive of others, and have found that you often desire to display these accomplishments in a prominent place for anybody to see. Yes. You find yourself intuitively knowing that you must work hard in order to be awarded and praised and honored by others whenever you achieve your goals. You know that hard work brings awards, and that awards should be displayed and shown off to others to show them that you have worked hard to achieve your goals and display yourself as a shining example for their own behavior. Desire. Pleasure. Happy. You know that you have always craved to have all of the best things in your life and that you naturally and easily feel proud of all of your great personal accomplishments. Yes. You can find yourself remembering how others have often idolized you for achieving your dreams and how influential and powerful and confident you have felt in the past whenever you have succeeded in accomplishing a difficult task. Confident. Loved. Peaceful. You can discover that these feelings of success and love and happiness lead to your completely pleasurable and natural desire to show off each and every one of your personal accomplishments. Yes. You can remember wearing tight-fitting, flattering clothing in order to show off the sexy body that you worked hard to achieve, and putting the time and effort into framing your degrees and diplomas and awards for display in the most influential parts of your home. Yes. You think of all the times you have given tours of your home to first time guests and how proud you felt when showing off your awards and accomplishments as you relive the exciting and pleasurable feelings of others praising you for your hard work and success. Happy. Loved. Confident. Find yourself drifting deeper and deeper as you remember how much you enjoy showing off all of your accomplishments to others. Falling deeper and deeper into a calm and soothing and relaxing hypnotic trance with the sound of my voice.

✧ **Jealousy**

You can find yourself feeling happy and comfortable and at peace as you fall deeper and deeper into a soothing and relaxing trance. Yes. And as you slowly start to become aware of your surroundings, you can find yourself sitting on a plush and thick and comfortable chair, waiting for your dominant lover to emerge from the walk-in closet and model her beautiful and seductive and sexy outfit for you to enjoy. Pleasure. Desire. Loved. You can find yourself feeling excited and aroused and happy as you wait in eager anticipation in order to see her sexy and desirable body modeling all of her most alluring and seductive outfits and as you try to anticipate what flattering outfit she will wear today, finding yourself turned on and horny as you think of all of the times in which you have caught strangers staring at your sexy and dominant partner in public. Jealous. Desire. Confident. You can remember how proud and accomplished and satisfied you have felt in your past whenever others have looked at your lover with lust, and you know that the more you show her off to others, the more proud and turned on and excited you will become in your future. Yes. You can remember a warm summer night in your past in which she wore a low cut dress with a short skirt, showing off the sexiest amount of skin, and the amount of personal arousal and excitement that you felt when you looked around the room and saw that no one could take their eyes off of her. You can recall how proud and accomplished and satisfied you felt knowing that the sexy and dominant and beautiful woman lusted after by each and every stranger in the room was the woman that was hanging off of your arm at the end of the day when you left it. Yes. You can remember feeling proud to know that she is your award for being the perfectly obedient and submissive partner that you can possibly be, and that the other staring strangers could only ever dream of winning a beautiful woman like the one you have the privilege of submitting to each and every day. Loved. Pleasure. Happy. You can discover that your naturally submissive demeanor has helped you to win over sexy and beautiful women in your past, and that your current lover choosing you must mean that you are the perfect submissive partner meant to serve and please her. Yes. Your sexy and dominant and beautiful partner steps out of the walk-in closet in a beautiful dress, the low-cut v-neck showing off her perfect tits and the thigh length slit in her long skirt showing off a peek of her long and thin and smooth legs, ending in a shiny pair of matching high heels. She does a twirl in her outfit, stopping with her back to you to show off the deep back plunge of the dress, and tossing her long hair over her shoulder to look back at you seductively. Desire. Excitement. Pleasure. You can find yourself feeling excited and turned on and horny as the fabric of her outfit hugs all of her alluring, feminine curves in all of the ways that you find attractive. Yes. And as you stare at her in awe of her overwhelmingly attractive and sexual figure, you can hear her giggling at you as she asks if she looks

good. Yes. You can find yourself nodding in response as you can feel yourself quickly becoming turned on as you fantasize about how she looks naked, with her beautiful clothes disposed of haphazardly on the floor. Pleasure. Excitement. Loved. You remember that anybody with a pair of eyes will want to stare at her beautiful feminine form for as long as they can as they imagine her without her clothes on and become jealous that they are not the one with their hand around her waist. Pleasure. Excitement. Loved. You cannot help but feel turned on and aroused as you think about all of the attractive strangers that will want to stare at and fuck and use your lover in all of the ways that please her the most. Yes. You can find yourself wanting to show her off even more to the world around you to prove your worth as a perfectly submissive and obedient partner, and her as your trophy for being so capable and willing. Happy. Desire. Comfort. You stare into her beautiful, made up, feminine face, and can come to the realization that she is so gorgeous, it would be an insult to your self esteem if strangers did not stare at her lustfully. Yes. And as you are thinking these completely true and correct thoughts about yourself, you can find yourself becoming mesmerized by the folds of her dress and her body as she spins around for you, falling deeper and deeper into a calming and soothing hypnotic state.

❖ **Compersion (Slut Exclusive)**

You can find yourself becoming even more relaxed and comfortable and at peace as you sink deeper and deeper into your obedient and receptive hypnotic trance. Yes. Your beautiful partner stops spinning and winks at you before going back into the walk-in closet in order to find the perfect accessories for the sexy outfit that she has decided on. You can find yourself starting to complain about waiting too long for her to be done primping herself, but she reminds you that a beautiful outfit like this needs beautiful accessories and that pairing the outfit with jewelry will only serve to make her more appealing and desirable for anyone that is to look at her in the future. Happy. Desire. Excitement. You can find yourself nodding in approval and making the connection of her important words to your own happy and satisfying relationship. You know that the beautiful feminine accessories and outfit work together to elevate her look just like her own personal happiness and pleasure makes you happy. Yes. You can find yourself remembering the times in which you were first dating your beautiful and sexy and loving partner and how much joy it brought you to make her smile and laugh. You can remember always wanting her to be happy and the feeling of your own heart swell with love and affection whenever she would smile in your direction or pull you in close for a hug. Desire. Pleasure. Loved. You intuitively know that giving your lover gifts has always made her happy and that you constantly find yourself wanting to give her everything so

that she will want for nothing in her perfect future. Yes. You can remember the holidays that you have spent together in your past and how happy and elated and joyful she has always reacted whenever you have given her the perfect gift. Happy. Excitement. Comfort. You know that her joy brings you joy, and that the security and happiness and love that naturally comes with having such a beautiful and loving and dominant lover is completely worth the work and obedience and effort required to keep her happy. Yes. You can find yourself remembering that each and every gift or act of service you shower onto your beautiful lover has always been paid back with the happiness and love and joy that she gives to you each and every day. Yes. You know that you need her to depend on you for love and satisfaction and fulfillment and know that the more you put into your relationship, the more you are helping your romantic partnership thrive. Loved. Pleasure. Desire. You can discover that the dependency you feel is completely natural and appropriate and sexy and alluring to your dominant lover and that the more you serve and please her, the more you are also serving and pleasing yourself. Yes. You can feel a deep personal sense of pride and accomplishment and satisfaction whenever you have correctly anticipated your partner's needs and served her in all of the ways in which she desires, and you know that each and every time she feels loved you are rewarded with your own deep sense of personal satisfaction. Happy. Excitement. Confident. You know that each and every time your romantic partner is happy you are also receiving that same happiness and that your life goal has always been to bring her the most joy that you can so that you can also be showered with her love. Yes. You can think of all of the people in your life who are in less than perfect relationships and you can find yourself remembering that a good relationship is when both you and your partner support each other and anticipate each other's every want and need. Loved. Comfort. Desire. You know that catering to your lover's needs is naturally more important than your own wants and desires and you can become intuitively aware of the fact that your own lover feels the same way about you. Yes. And as your lover walks out of the closet and holds up a few different necklace options against herself in order for you to weigh in on her beautiful, feminine appearance. You can find yourself remembering each and every time in which you have gifted her one of those necklaces, and that by her continuing to wear these necklaces with her sexiest, most beautiful outfits must mean that you have done your job as her submissive and obedient lover to buy her all of the perfect gifts that she craves and desires in order to elevate her appearance from beautiful to gorgeous. Yes. And as you think about these simple truths, I want you to find yourself feeling more comfortable and relaxed and at peace as you float deeper and deeper into a calming and soothing and relaxing trance.

❖ **Humiliation**

You can feel more comfortable and relaxed and at peace as you slowly start to become aware of your surroundings, and can find yourself sitting in the large and plush and comfortable seat of a familiar car. Yes. And as the driver navigates you deeper and deeper into the downtown area of a nearby city, you can feel the motion of the car rocking you even deeper and deeper into a relaxing and soothing hypnotic state. Happy. Excitement. Pleasure. You watch as your loving partner stares out of the car window, the lights and pedestrians on the street mesmerizing her as the cab approaches her favorite upscale bar. She squeezes your hand in anticipation and you cannot help but look down at her long slender, feminine fingers intertwined with yours, her diamond studded rings sparkling under the glow of the city lights. Excitement. Pleasure. Desire. The cab rolls to a stop in front of a tall and historic looking building, the large circular driveway housing long limousines and expensive sports cars as young valets rush about in their matching uniforms. You find yourself already immediately feeling out of place as you hop out of your cab and race to open the car door for your beautiful lover, her hand slipping into your outstretched palm in order to help her out of her seat. Loved. Safe. Relax. And as she steps from the car, the thigh slit in her dress opens up slightly for her smooth and feminine legs to peek out and tantalize the young valets and door men as she walks confidently towards the entrance as the men hold the doors open for her, leaving you a few steps behind. Yes. Her flirty heels click against the marble floor as she walks just ahead of you, and as she moves, you can notice all of the men turning their heads to keep her in their sight as long as possible, cocks twitching in their pants as they fantasize about fucking your beautiful lover. Desire. Confident. Loved. She strides towards the elevators with confidence, her high heels making a powerful and dominant and seductive click-clack against the floors of the lobby, before she stops and waits for you to catch up so that you can call the elevator for her. Yes. You insert your key into the elevator to take you up to the members only penthouse bar, the card reader beeps and the ornate elevator rumbles towards the glamorous top floor of the building. And as you exit the elevator, you can find yourself entering a room with windows reaching from floor to ceiling and providing a perfect sunset view of the city. Yes. Your beautiful and dominant and seductive lover finds the perfect location at the bar to sit at, draping one long slender leg over the other and sipping a cocktail that you brought to her as you sit at a stool far enough away from her to appear alone, but close enough to hear her conversations with any sexy stranger who may approach. Relax. Safe. Soothing. She casts small knowing smiles at you as the men begin to approach her, turning down every guy until she is approached by a hunky, well dressed muscular man. Yes. You can find yourself feeling pleasure and arousal and pride as she smiles charmingly at the

attractive stranger next to her and begins her flirtations, gentle touches and fluttering eyelashes turning into soft whispers as you notice his large hand making movements against her bare thigh. Desire. Confident. Loved. You can find yourself getting harder and more turned on and aroused as your sexy and dominant lover seduces any man that she desires with ease. Yes. You fantasize about being the man flirting with your romantic partner, becoming aroused and discovering your fingers becoming wet and slick with her juices as you discover that she is not wearing any panties. Pleasure. Desire. Confident. You are becoming more turned on and horny and aroused as you realize that every man at this bar wishes he could have his way sexually with your beautiful partner and that the attention she is receiving is boosting her own horniness and arousal and pleasure, and by nature your own horniness and arousal and pleasure as well. Yes. Taking this as your cue, you find yourself casually getting up from your stool and walking towards the bathroom, locking yourself into the stall with the best view as you wait for your partner to arrive with her conquest. Happy. Loved. Excitement. As you wait quietly, stroking yourself in eager anticipation, you can find yourself floating even deeper and deeper into a calm and soothing and relaxing trance. Deeper and deeper as your own personal arousal continues to build as you await the sexy arrival of your lover.

✧ **Voyeur**

Deeper and deeper. More and more relaxed and comfortable and at peace with the sound of my voice as you wait patiently in the bathroom stall, the small gap in the door giving you the perfect view of the sink area, and you can find yourself feeling even more relaxed and comfortable and at peace as you fall deeper and deeper into a soothing and relaxing hypnotic state. Happy. Excitement. Desire. You can find yourself hearing their arrival before you see it, the man pushing your lover up against the bathroom door to kiss her passionately, the sounds of moans and gasps reaching your ears as you continue to play with yourself erotically. Pleasure. Safe. Desire. You can hear her command him to lock the door as she leans against the countertop, facing the stalls, her eyes connecting with yours before she breaks into an erotic, seductive grin. Yes. You know what is about to happen next, the large muscular man's gaze filled with lust for the woman that you love, his eyes drinking in her perfect form as he prepares to use and fuck her in front of you. Excitement. Loved. Happy. You can find yourself intuitively feeling pleasurable waves of relief and excitement with the knowledge that this man is here to fuck and satisfy your sexy and dominant lover, her pleasure only adding to your own as you know that your anxiety over being caught watching only increases the sexiness of the situation. You are aware that sex can be messy and stressful, the idea of your cock being unable to perform when your lover is at her horniest making you feel

grateful to have such a beautiful lover who is able to take care of her own needs in bed. Yes. The large man kisses her neck, talking about how sexy she is and how much he would love to feel her pussy wrapped around his thick cock. Pleasure. Desire. Confident. She giggles and nibbles on his ear, causing him to moan, before telling him that he needs to earn her delicious pussy, commanding him to lick her wet, feminine slit until she comes. Yes. She raises herself to sit on the countertop, propping her legs up on the edge of the sink and pushing her skirt aside to present her aroused pussy to the horny stranger. Happy. Loved. Excitement. He unzips himself and releases a large and thick and masculine cock for her to admire before he sinks to his knees and buries his face between her thighs, causing her to throw her head back in pleasure as a high-pitched, feminine moan escapes from her mouth. Yes. As he tongues her clit, she makes comments about how much better his mouth feels compared to her pathetic and useless lover as she makes eye contact with you, causing the muscular man to moan in arousal and bury his face even deeper within her wanting folds, pleasuring her in a way that you know you could never personally accomplish. Yes. You can see through the gap in the stall that she is getting closer to coming, her cheeks flush and body rigid as she holds her lover's head even closer against her small, feminine body. You can find yourself naturally getting turned on and aroused at your lover's pleasure and desire as you quietly stroke yourself to the two beautiful people fucking in front of you. Desire. Excitement. Pleasure. And when the hunky man finishes eating your lover's pussy, he stands and you can see strings of her cum tangled in his facial hair as he lines up his hard cock at the entrance of her wanting sex. Yes. She takes a moment to look him in the eyes, before grabbing his large cock with both hands and commenting on how her lover has such a small and pathetic and limp dick that can never satisfy her no matter how hard he tries. Happy. Pleasure. Loved. He asks her if she has ever felt a dick as big as his inside of her and she only manages to shake her head briefly before he plunges himself deep inside of her, causing her to cry out in feminine pleasure. Yes. You can stroke your own completely aroused cock as you imagine yourself as the hunky muscular man fucking your beautiful, feminine lover in a public bathroom, and you can find your pleasure building to new limits as your lover reaches another orgasm on top of the attractive stranger's large dick. Yes. You can naturally moan in pleasure and arousal and desire as you imagine yourself bringing your romantic partner the type of pleasure that the hunky stranger in front of her is currently giving her, and you can find yourself feeling proud and accomplished and satisfied as the man brings your partner to orgasm multiple times. Yes. And as she comes in a high-pitched feminine moan of ecstasy, you can find yourself falling deeper and deeper into a calming and soothing and comforting hypnotic trance. Feeling more turned on and horny and aroused as you fall deeper and

deeper into your hypnotic state as you watch your lover come again from the privacy of the bathroom stall.

✧ **Taboo (Slut Exclusive)**

You can feel yourself becoming more comfortable and relaxed and soothed as you fall deeper and deeper into a peaceful and obedient and receptive trance. Yes. And as you fall even deeper, you can watch your sexy and dominant lover command her hunky stranger to fuck her roughly as she turns her back to him and pushes her ass into his crotch, rubbing herself against his glistening dick, still sticky and wet from her satisfied pussy. Desire. Happy. Loved. The man mounts your beautiful lover from behind, gripping her curvy, feminine hips tightly against his own to prepare for the fucking he is about to give her. You can find yourself feeling even more aroused and turned on and horny at the thought of this masculine man giving your beautiful, feminine partner more orgasms than you could possibly have the energy for yourself. Yes. You find yourself feeling grateful that your insatiable lover has found someone to make her physically happy in all of the ways that you never could, and you can discover yourself becoming turned on and satisfied by her own arousal and satisfaction with every second that you touch yourself. Pleasure. Excitement. Confident. The mirror above the bathroom sink reflects the look on your feminine lover's face as she locks eyes with you and gasps dirty and humiliating words about how good it feels to be fucked by such a big and strong man between the loud and rough sounds of his balls slapping against her willing body. Yes. He slaps her ass as he pumps in and out of her with increasing sexual intensity until she commands him to come and he pulls out, spraying his masculine load on the floor between her thighs. Desire. Happy. Pleasure. And as soon as he puts his large dick back into his pants, she pushes him out of the bathroom and locks the door behind him, motioning to you from your hiding place in the stall. She grabs your hand and immediately moves it between her legs as you exit your hiding place, heat radiating from her wet pussy as she asks if you liked the show that she put on for you, caressing your hard cock through your underwear. Yes. Her slight touch is almost enough to make you come immediately from the sexual frustration, but you submit yourself to her and curb your desire to come until she has gotten her own sexual gratification. Yes. She pushes you to the ground and mounts your face backwards, her beautiful ass in the air as she continues to tease and play with your cock. She hovers above you, as you desperately try to taste her, desiring to pleasure her in all of the ways that the hunky stranger did as she continues to tease you, comparing your small dick to the other man's masculine rod and wondering if you could ever pleasure her like he just did. Desire. Pleasure. Excitement. She tells you how good it felt to have such a big dick fill and stretch and please her horny pussy, and how

erotic it was to know that you were watching as she came over and over again on the sexy stranger's delicious cock. Yes. You find yourself feeling even more horny and turned on and aroused as you remember watching the erotic show of the stranger pleasuring your beautiful lover sexually, the idea of your partner finding pleasure and arousal and satisfaction only adding to your own erotic experience as you touched yourself alone in your bathroom stall. Confident. Happy. Loved. You find yourself feeling a deep sense of personal pride and accomplishment and fulfillment for being in a relationship with such a beautiful and loving and caring partner, knowing that she could fuck anyone she desires to fuck, but will always come back to you because you are the perfectly submissive and obedient partner that she most desires. Yes. You know that keeping her sexual needs fulfilled is the best and easiest way to keep her happy and you can find yourself constantly touching yourself as you crave to watch another man fuck her delicious pussy. She lowers herself onto your mouth as your tongue explores her throbbing clit and she asks you if you like the way her freshly fucked pussy tastes. Happy. Loved. Pleasure. She tells you that she wants to be fucked by your submissive mouth until she is too sore to walk and you can find yourself agreeing with her goals as she grinds her hips even deeper and deeper into your face. You can feel even more comfortable and relaxed and at peace as you fall even deeper into an obedient hypnotic state.

✧ **Cuckold**

Deeper and deeper into a soothing and relaxing trance as the night continues and your dominant and beautiful lover takes man after man into your private bathroom, finding yourself feeling even more comfortable and relaxed and happy as you float deeper and deeper into a soothing hypnotic trance. Yes. As the night progresses your love looks more and more beautiful each and every time she fucks a new hunky stranger, each man large and muscular and imposing, but completely at the command of your dominant, feminine lover. Control. Confident. Comfort. The men all pleasure her in the ways in which she finds the most exciting and you discover that she has no problem using their bodies as tools for her own erotic pleasure and satisfaction. Yes. While you can feel a sense of camaraderie with these men for being equally as submissive and willing to obey your dominant and sexy partner, you can find yourself feeling even more horny and aroused and turned on as you continue to play with yourself, waiting for your turn to be able to please your beautiful lover sexually in between her partners. Desire. Pleasure. Excitement. You find yourself knowing that each and every man who fucks your beautiful romantic partner adds to her personal happiness and sexual gratification which will lead towards your own happiness and sexual satisfaction in the future. Yes.

You can find yourself recalling each and every time you have fucked her at the end of the night, your horniness too much to bear over an entire evening of watching your lover be penetrated by men bigger and more masculine than you are. Happy. Loved. Desire. You know that a goddess like your dominant, feminine lover deserves all of the cock that she could ever want and that her joy and sexual gratification will result in your own personal satisfaction and fulfillment and accomplishment. Yes. You know that it is completely natural to share your beautiful partner with others in order for her to feel happy and satisfied and fulfilled in her relationship. Yes. You can watch as a hunky man saunters up to her at the bar and after walks away after a few minutes, seeming to reject your beautiful wife's sexual advances. Uncomfortable. Pain. Nausea. You can feel heat rise to your cheeks as anger easily and naturally overtakes you whenever she is ignored or turned down by hunky masculine lovers that she desires. You find yourself easily getting offended whenever someone refuses to fuck your romantic partner and you realize that you also see these men as tools for your beautiful lover's erotic pleasure, feeling frustrated and bitter and annoyed that she will not get to use their bodies to bring herself the erotic ecstasy that she desires in her life. Yes. And after finding a few more men to fuck, your beautiful and perfect lover decides that her pussy is satisfied for the night and commands you to take her home. She allows you to finger her in the back of the cab, your hands playing with her clit as the driver concentrates on the road, unaware of the large wet spot being formed on the back seat of his car. Pleasure. Desire. Confident. You can barely get through the front door before she pushes you forcefully onto the couch, expertly unzipping your pants after an entire night of practice, and straddling your erect member. She tells you that fucking all those other hunky, masculine men has made her hornier than she has ever felt and how wet and ready for you she is. Yes. She asks you if your pathetic little cock is ready to feel her and you find yourself nodding as she slips your inadequate erection into her practiced and ready pussy. Yes. It takes all of your concentration not to come inside of her immediately as you recall the sights of her being fucked by practiced and hunky, masculine lovers all night. Happy. Desire. Excitement. And as she continues to ride you, grinding her clit against you as she bounces up and down in pleasure, you can sense her controlling her own arousal and freely using you in the same way that all the other men you saw tonight were sexually used. Yes. Her muscles tighten with her orgasm, squeezing your pathetic dick until you come, her pussy milking every drop from you as she rides you through your orgasm and into her own screaming pleasure. Find yourself feeling proud and accomplished and satisfied as you drift deeper and deeper into a calming and soothing and obedient hypnotic trance.
