

You did what?

What did he say about me?

What did you talk about?

Eh..? Uh.. Just about how the office is going..

He was giving me some pointers on how to run it better.. That's all.

Then he said the lawsuit's taking too long

And that I should put you on some field work..

To.. intimidate our opposition?

But I told him off

HMPH

I didn't like that he was talking about you like you're a tool..

Then he apologized right after and that was it.

That was it..?

RELEASE

That was it!

Crush, don't worry. He's not team leader, I am.

I already told him off, okay?

You don't have to do violent things anymore.

That's not who you are

It's not like you wanted to hurt people, right?

You had no choice!

Come here, it's already solved, okay?

SQUEEZE

Noone's gonna make you do anything you don't want to anymore!

Not when I'm around.

Hm
