Monday, Capsule Corp.

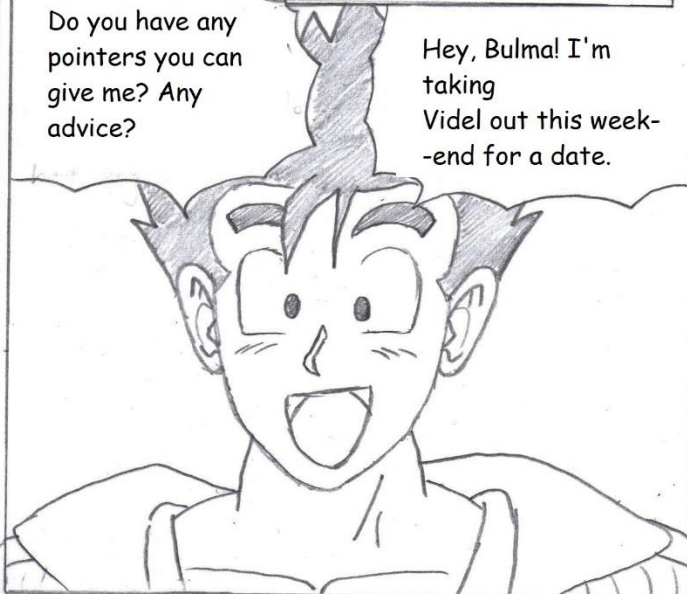

Hmm... well... I think I can give you a couple of tips. Okay... first...

Heh, Thanks. So... do you think you can help me?

Ohh, you have a date? Well done, Gohan! I'm so proud of you! I bet Chi-Chi is pleased.

Do you have any pointers you can give me? Any advice?

Hey, Bulma! I'm taking Videll out this week-end for a date.

M-Make sure... ooh, so big... make sure you go deep... aah... on every thrust! Aaahh! Stir up her insides ... ooh... ... with your big, fat cock! OOOH! SO GOOOD!

KYAAAAH! YEEES! IT'S POURING IIINN!!

SPLURT!

Tips? Oh, no, no, no. Goodness, no, Gohan-kun! I'm afraid my daughter has given you some very bad advice. Oh, you should've come straight to me instead.

That's right!

Oh. Hi, Panchy-san. Bulma was just giving me a few tips for my date with Videl this weekend.

Oh my. What's going on in here?

AAH! With a cock this burly, you can... ooh... let the girl ride and grind on you all night long! Ooh! Let them enjoy your amazing dick!

HAAH! AAAAH! YEAH! OOH! YOU'RE SO BIG GOHAN-KUN!

OOH! OOH, YEAH, BABY! OOH! I CAN FEEL YOU HITTING THE BACK OF MY WOMB! AAAH! I'M GOING TO CUM!

AAH! That's it, Gohan-kun! When you cum, flood the girl's insides to the brim with your cream! Ooh... it's spilling out!

Mmm... Gohan-kun. I want you to give it to me again...

Hmm... a date with Videl, huh? Perhaps I could... give you a few hints. After all, who better to ask for dating advice than another girl?

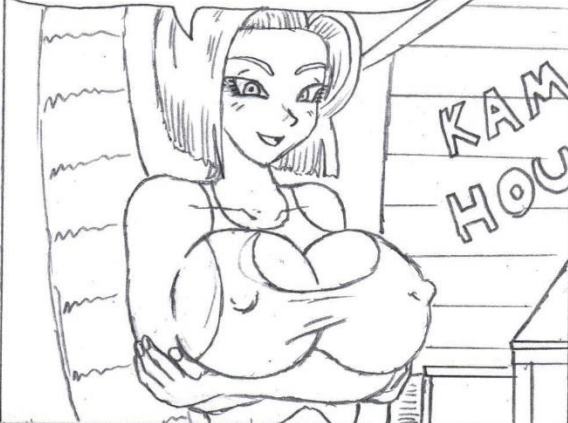

Oh... uhh... hey, Eighteen. I was hoping to see Krillin. Wanted to ask him for advice for my date with Videl this weekend. I figured since he took you on lots of dates, he'd...

Tuesday, Kame House.

Long time, no see, Gohan-kun. What brings you here today?

AAH! AAH! M-MAKE SURE YOU... AAAH... GIVE IT TO HER FROM BEHIND... AS MANY TIMES... AAH... AS YOU WANT! AAAH! AAAH! POUND HER PUSSY DEEP AND HARD! AAH! YES! HARDER! HARDEEER! OOH! MESS ME UP!

Hey there, Gohan-kun! It's been a while!

L-Lime? Is that you? Wow! I barely recognized you. How have you been?

Giggle I've been well. I'm working on the farm with papa and learning the trade. Grandpa has also been training me!

So... what can I do for you?

A-Actually... your mum came by our shop a couple days ago. She mentioned that you had a girlfriend. Is that true?

W-Well... yeah.

Hum...

We're... going on our... uhh... first date this weekend.

I see. So you guys haven't done it yet? *Giggle* If you like... I can help you get ready for when you do?

A short while later...

Ooh... do you like my titty-fuck, Gohan-kun?

AHHH!

Huh? W-What do you mean by that, mum?

Well, I'm disappointed in you two. Not only was your love-making crude and pedestrian, it was also wasteful and lacking form and elegance. *Sigh* Kids these days... it looks like you need a **real** woman to show you how it's done.

S-Sorry, Chi-Chi-san. But I was just showing Gohan-kun a few things for his date with Videl this weekend. Then we got a little bit... *carried away*...

Gohan. Lime. What exactly were you two doing in such a shameful state, having sex in the living room?

AAAH-AHH-AAH! THAT'S IT, SON! OHH! PLUNGE IT IN DEEPER! **HARDER!** AAH! MAKE SURE TO RAM IT IN FROM EVERY ANGLE! AAAH! PUSH IT IN AS DEEP AS YOU CAN! RIGHT UP TO MY WOMB!

Umm, not exactly. Hey, Bulma. Do you happen to have any petrol for a time machine? Oh... and any clothes that can fit a lost Saiyan?

Huh? Gohan? Trunks? Are you two finally home?

Mirai Trunks' Future, hours later...

Uhh... hello?! Is anyone home? Hello!?

Oh Kami! So huge...

AAH! AAH! IS THAT GOOD? DO YOU LIKE BUMPING UGLIES, FASHA? DO YOU? ♥

Several hours later, Capsule Corp.

Huh? I was in Towa's room a second ago! The **DBM** comic? I'm not even supposed to be here until Universe 16 Bra's shower room scene?! What is this?!

Why are you naked?

Sometime later, **DBM Parody** timeline...

Oh? An upgrade? Thanks, big bro! Now die!

Uhh.....

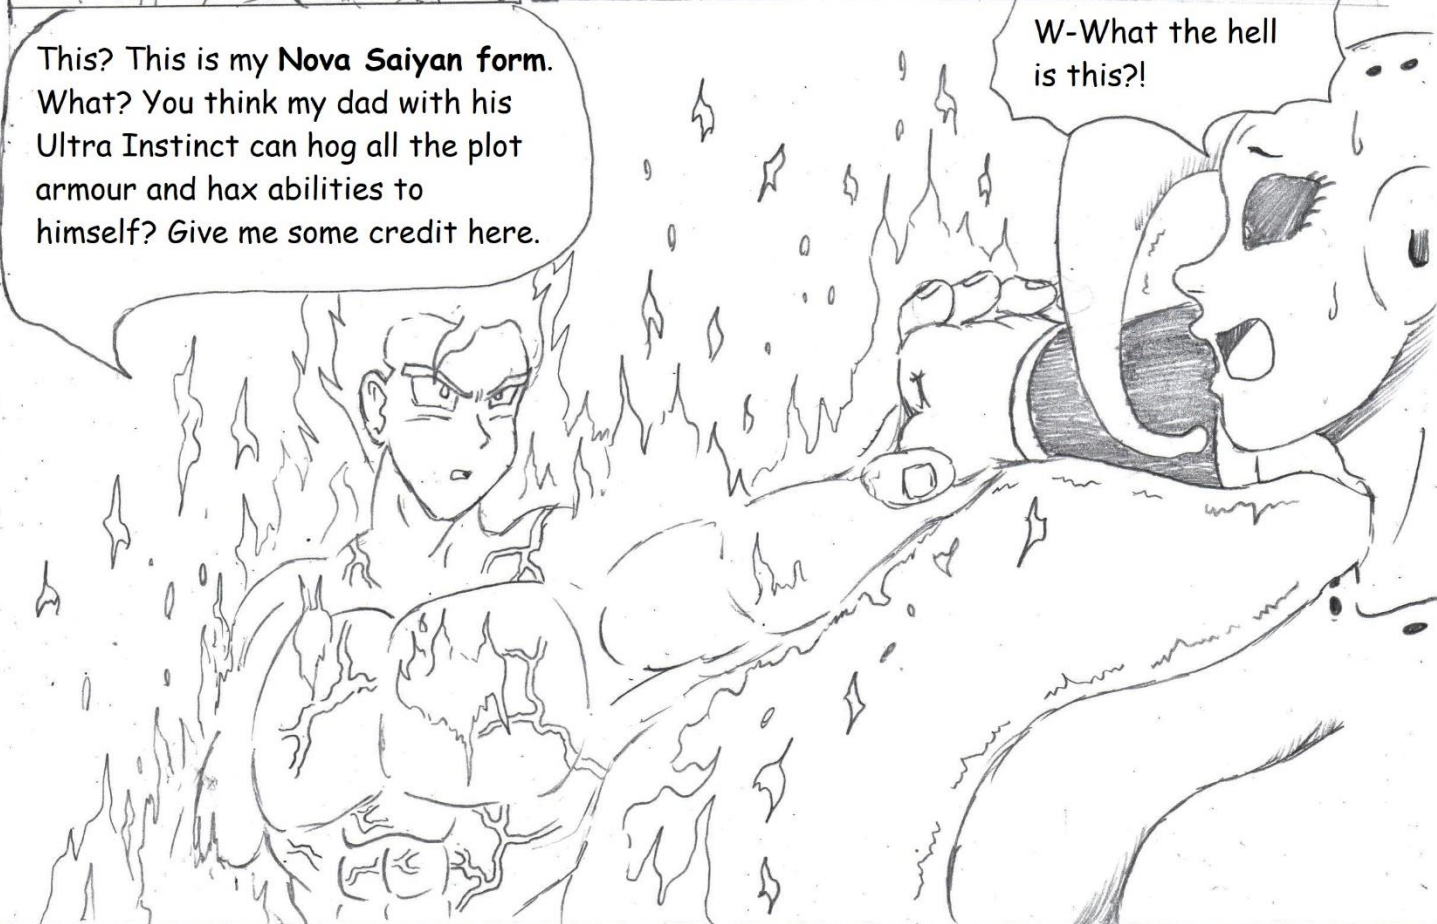

Another Gohan? Piss off, weakling!

This? This is my **Nova Saiyan** form. What? You think my dad with his Ultra Instinct can hog all the plot armour and hax abilities to himself? Give me some credit here.

W-What the hell is this?!

Ngh. Wow! Your pussy is so soft and warm, Bra! Ngh. It feels awesome!

AAH! AAH! AH! OOH! FUCK, YES! AHH! YOU'RE FUCKING ME SO HARD, GOHAN! AAAH! SO GOOD!!

Nipples form on Buu-Bra when aroused.

If Akira didn't nerf me after the Cell Games and actually wrote a good story, I could've been as good a protagonist as my father. So many ideas. So many directions. SO MUCH potential. And what did he go with? ANOTHER tournament followed by a pink bubblegum monster that turns people into candy. Ugh...

You know... sleeping with all these girls has got me thinking...

Sure I got an awesome wife and daughter out of it, but all my growth over the decade got flushed down the toilet.

I agree. It's an untapped market. Hentai companies can make some serious cash on this. Highschool girls wearing cat ears and tails don't count.

AH!
AHH!♡

You know what the hentai industry is missing? Some good, hard core, furry ANIMATED porn. I mean... where are my sexy fox girls? My cat girls? Dare I ask dragon girls?

YES! I-I'M GONNA CUM!

Sometime later, Demon Realm...

Alright, Miraculous Donkey Dong. Tell Zeno I'll see him for poker on Friday. And try to stay in your own universe this time. I'm not a fucking UBER driver. Rick out.

I've been stuck doing it with those two for the last several hours. I don't know what you did to the blonde one, but she's been desperate for your cock. So, I had to get the big toys out.

Hmm... I think you've spent enough time on the bottom, cutie. Fufu...

Sometime later, Towa's bedroom...

Ah, man. I'm totally drained. C-Could I have a quick break, Towa-chan? I promise I can keep going...

Ahh! Ahh! Yeah! Now this is a tight pussy! Aah! Yeah! Keep pushing that hot ass against me!

AH!

Okay... let's be honest...

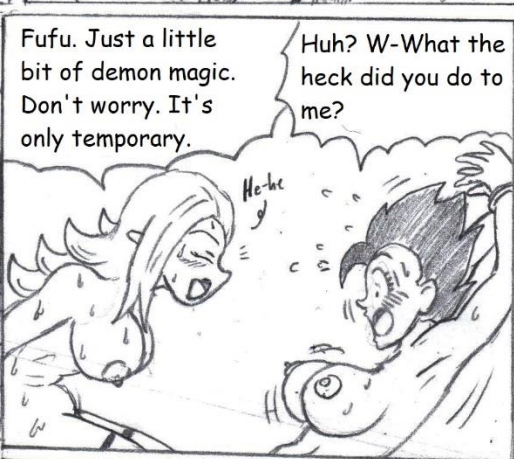

You know... aah... ah... I could get used to this. Aah!

AHH! AH! AH! OHH!

Fufu. Just a little bit of demon magic. Don't worry. It's only temporary.

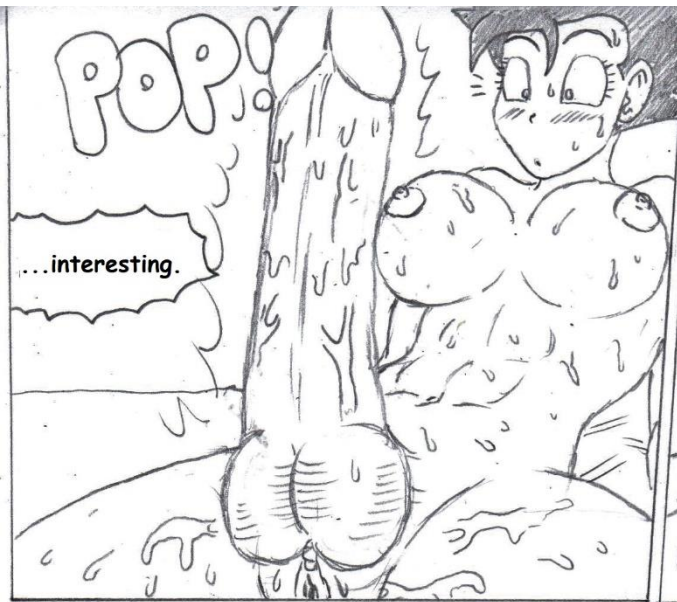

Huh? W-What the heck did you do to me?

Now... it's time for you to be up front...

...this isn't the worst thing to happen to Gohan over the course of Dragonball Z.

(He's been beaten, poisoned, abandoned, blinded, shot, set on fire, absorbed, electrocuted, tortured, crippled, crushed, had his neck broken, was blown up twice, nerfed, and has gotten fucked up the ass by the creators of the show at every major arc. This is bush league for him.)

POP!

...interesting.

Hmm. I see. How about we make things a little more...

Many hours of fucking later.

Ahh! Ah! Yes! Ooh! Towa-chan! You're... aah... fucking me so roughly! Ahh! I'm gonna go crazy!

...to have some fun.

Mmm... it's been a while since I last used this big guy.

Good. Now it's our turn...

You too, 18-chan.

POP!

Fufu. Now, it's time for mama to-

Oh? This is Gohan-kun's house? Nice...

Welcome to Earth. Son House-hold. Age 774. Local time is 10:32 AM. We hope you girls enjoy your stay here at the shack for the next many years. Gohan-kun's room is third door on the right. I'll be in there for sex shortly.

Back in the present, Thursday. Mount Paozu, Son Residence.

gonna get pregnant! She's keeping me fused
so that she can breed me, like a real Saiyan!

Excuse me, Kale... Caulifa... but what do you two think you're doing?

EEK!
V-Vados-
sama!!

The next morning...

You came so much. My insides are so warm. ♡

Ahh... that was so nice. ♡

GOHAN-KUN!!

KYAAAAAAA H!!!

We're gonna have to fix it.

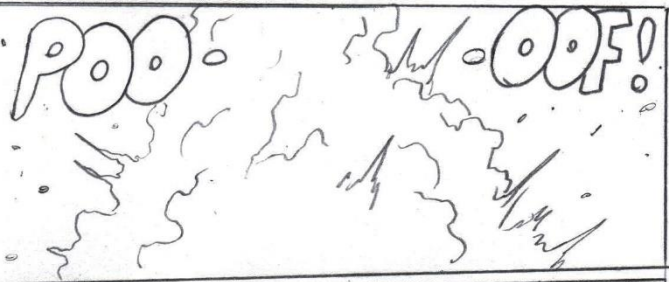

That one shouldn't be here. Also, that form is going to be a problem, so...

What did you do to him?!

KYAA! OH MY GOD!
GOHAN-KUN!
YOU'RE SO ADORABLE!!!

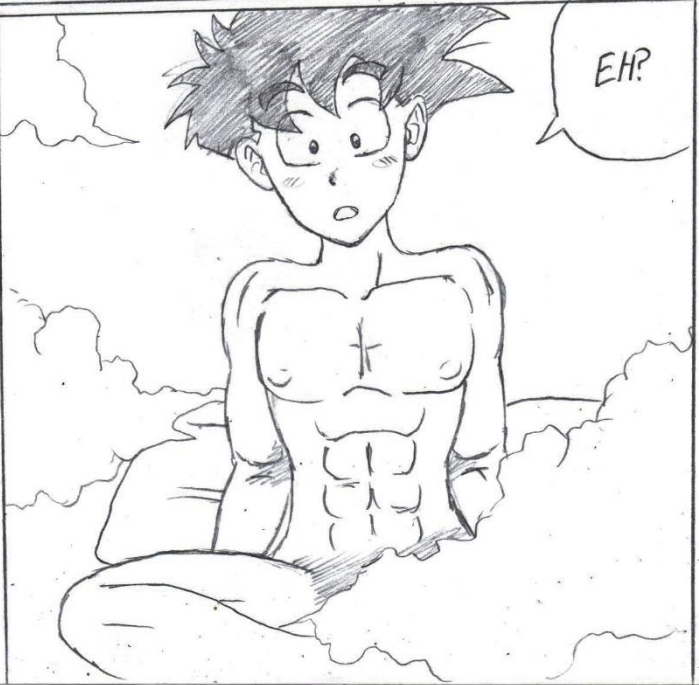

Aside from one or two exceptions- you, me, Videl, Krillin getting married, the Broly movie, and Vegito- everything afterwards has either been pretty shit, mediocre, boring, or recycled concepts from superior Dragonball arcs- the Moro Arc being a good example of all of the above. Everything else that was good has gone the way of poor Gohan...

Since you're pregnant with his child, you'll have to stay fused for the next several months. As for him, I reverted Gohan back to his prime- back before Akira ruined him. I think we can all agree the good Dragonball Z ended at the Cell Games.

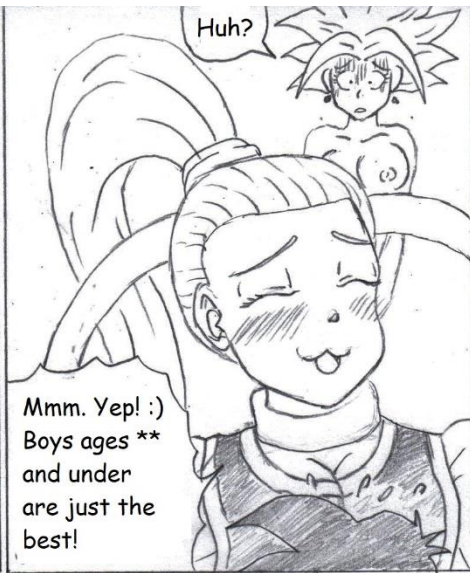

EH?

Hmm... now then...

Hours later. Caulifa's room.

Aaaaah...

You're having fun with a cute little shota...
