

Walk this way, the bunny girl had said.

I guess
that must be
the place.

Weird
floating rocks
and all.

Hello?
Anybody home?

Alice?

Josie?
Sis?

What
happened to
you?

It's so good
to see you.

I missed
you, sister.

Ah,
poor girl.

You
are not Alice,
are you?

A woman with long, straight red hair and bright blue eyes is sitting on a large, thick brown snake. She is wearing a red bikini with black straps. The snake is coiled around a large, mossy tree trunk in a lush jungle setting. The woman is looking towards the camera with a slightly concerned expression. A speech bubble is positioned above her head, containing the text "Why don't you tell me what happened?".

Why don't
you tell me what
happened?

Well, we were talking in the garden of Mom's and Dad's house.

And I saw that girl dressed in a bunny outfit running into the woods.

I followed her, and there was this mysterious cat girl.

And then I was a woman somehow.

And then I got
super horny somehow
and this person
fucked me

I met
the bunny girl again.
She helped me and send
me here to meet
somebody to guide
me.

And now
you are a
monster freak
and I...

There,
there, little
one.

I just can't
anymore.

A woman with long, straight red hair and bright blue eyes is shown from the chest up. She is wearing a red top with black leather-like straps. She is standing in a forest with trees and foliage in the background. Two speech bubbles are positioned to her left. The top speech bubble contains the text "I understand your concern." and the bottom speech bubble contains the text "But do tell me, have you ever thought about being Alice before?".

I understand your concern.

But do tell me, have you ever thought about being Alice before?

I... *sniff*
I did.

That day
when we talked,
I was looking at
how to transition,
and become
female.

And is that something you still want?

Does it feel bad, being Alice?

I.. no, I don't think so.

It's just so weird, all of a sudden, you know?

I do not
know, in
fact.

But I can
understand.

And I
can offer you
something.

A woman with short, straight red hair is seen from behind, looking towards a fountain. She is wearing a black lace top with thin straps. The fountain is a tall, slender column of water surrounded by dense green foliage. The scene is set in a forest with sunlight filtering through the trees.

This fountain
has a choice for
you.

A choice you
have to make,
and one only you
can make for
yourself.

Behold.

I think you
may be familiar
with this one.

Oh my
god. It's
massive.

Is that
really...?

It is mine.

I can still feel me touching it.

And if you want, it is yours to take.

It's fully your choice, and your choice alone.

I think I...

I think I do
want it.

A woman with long brown hair is shown from the waist up, wearing a black lace bikini. She is leaning against a tree trunk on the left side of the frame. Her right arm is raised, and she is looking towards the camera with a slight smile. The background is a dense forest with green and brown leaves. A speech bubble is positioned above her head.

Kinda in a
weird way
though.

This
feels so
bizarre.

Feeling it
getting touched,
but not attached
to me.

I wonder if I
can... take it?

Like,
actually take
it inside me?

Fuck.
They said it's
my choice.

And I do
want it.

Yes.
I missed this
feeling.

So good, rubbing it.

And
having that
pussy long for it
at the same
time.

Who am I kidding?

I want this. I want this

And now I can take it.

Come
to mama,
little one.

So good.

Ooooooh.
Yeeees.

Don't
ever leave
me again.

Join me.

YEEEEEEEEEEEEEEES!!!!!!
