

I've never seen anything like this before..

This might work..

He performed many experiments while in her body.

He wanted to feel everything..

Show me what you've got, girl!

Come on handsome, Let's fuck!

I can't hold it anymore!

Not yet! Let me suck your cock first!

This is disgusting... but it turns me on

I'm going to live this woman life from now on!

And then he disappeared...

*But something might have happened to him right?
Because someone got his dagger, Maybe he got killed*

Who knows...

Okay, thanks for the information I really appreciate it.
if there anything I can help please tell me

Yes, there is one thing that you can help me..
