Usage held in 1 hand; **Bulk** L

This pair of magic daggers have small blades and long handles made of gold and iron. Inside each of them, there's a bluish-green gemstone. Looking closely at the gem, you can see bolts of energy flowing inside it, like a trapped storm.

When you hit the same creature with both these daggers in the same turn, you can use a reaction to activate the electric gemstone. Lightning arcs flow from this weapon, dealing an extra 1d6 electricity damage. On a critical hit, the energy leaps from the target to a different creature of your choice within 10 feet of it to deal an equal amount of electricity

Activate  interact; **Trigger** You strike the same creature in the same turn with both these daggers.
