

Tara: Tara's Research - Chapter 29

Tara not only learned Evlin's secret, but one of her own. Now what to do with it?

A Liquid Bimbocite
Story - Part 33

If only her friend,
Honey, were here.
She'd know what
to do! Oh wait...

Evlin revealed some really incredible information to Tara, assuming that it is all true of course.

<giggle>
Well, aren't you just a little cock-obsessed slut now?

But something about it just feels right. Tara doesn't doubt the reality of it for even one single second.

But I get it. I can only imagine some of the yummy cravings that must be running through you right now.

Of course, it's hard to deny when you feel your entire body change into something completely different.

However, you are going to have to wait for a little bit.

Not to mention all of the new and interesting thoughts and desires flowing through her altered body.

There are some other things that we should really talk about first.

Cravings that she cannot, does not, want to deny. No, Tara wants to give in to every naughty thought that is popping into her head.

Like some of the things you can do now that your inner succubus has been revealed.

A woman with long, wavy brown hair, horns, and large, dark, leathery wings stands in a dimly lit bar. She is wearing gold jewelry and has a serious expression. In the foreground, the back of another woman's head and shoulders is visible. The background shows a bar counter, a wooden chair, and a window with city lights at night.

Awww!
But I don't
wanna talk! We've
talked enough
already.

Evlin, however, seems to have other priorities at the moment, which doesn't make Tara happy.

I
wanna **fuck!**
And **suck!** And do
all sorts of other
dirty, nasty
things.

A woman with dark skin, long wavy hair, and large black horns stands in a room. She has large, dark wings and is wearing several gold and red bracelets. She has a determined, slightly angry expression. The room has brick walls, a window showing a city skyline at night, and a wooden chair. A speech bubble is positioned to her left.

Come on, Evlin!
I really **need** that fat, fucking cock inside of me again.

Don't
you want
to feel that too?
Wouldn't you like to
pump that huge
schlong between
my big, fat
titties?

I'll
treat you
really good,
Evlín. I know you
want it too. Give
into your
desires.

You
are trying
to seduce **me**?!
Hahaha! Oh
my!

A horned woman with long, wavy red hair and glowing red eyes. She has large, prominent breasts and is wearing a dark, possibly black, bra. She is holding a small, dark, pointed object in her right hand. The setting is a dimly lit room with a brick fireplace in the background, a metal staircase to the left, and a floor lamp to the right. The overall atmosphere is dark and moody.

That's rich! You're about 10,000 years too early for that, Tara.

A 3D rendered character with dark skin, long wavy hair, and large curved horns. She has glowing red eyes and is looking towards the viewer with a slight, knowing smile. She is positioned in a room with a brick wall, a spiral staircase to her left, and a floor lamp in the background. A speech bubble is positioned to her right.

But
it is nice
to see you fully
accepting your
true self so
readily.

A 3D rendered character with dark skin, long wavy red hair, and large black horns. She has glowing red eyes and is looking towards the viewer with a stern expression. She is wearing a dark, strapless top. Her right hand is raised, showing long black claws. The background features a brick wall, a metal staircase, a framed picture of a blue landscape, a floor lamp with a yellow shade, and a wooden table with a patterned cloth. The lighting is warm and indoor.

You must learn patience and some level of self contro--

Please,
Mistress?
Just shove it in
my butt!

Many
a young
succubus has
been destroyed by
giving into her
own--

It's
so soft
and round and
juicy!

Sigh...
I can see
that you are not
going to listen
until you are
satisfied.

A close-up, cinematic shot of a woman with dark, curved horns and long, wavy brown hair. She has a red-tinted complexion and is wearing heavy black eye makeup and black lipstick. Her mouth is open in a wide, toothy grin, showing her teeth. She is looking slightly to the left of the camera. In the background, there are blurred lights from a window at night. A speech bubble is positioned to the left of her face.

Oh yes!
Fuck me silly!
Use me and abuse
me, like the horny,
fuck-slut that
I am!

Very well! If you need to have some sex that badly, then come with me. I have a surprise for you.

Right
this way.
Don't keep me
waiting.

Wait,
where are you
going?

I am going upstairs... to the bedroom, dear.

Oh?

Ooohhh!

Wait for me!

I wonder what the surprise is going to be?

Maybe we're going to sixty-nine so that I can bury my face in between those juicy thighs.

A comic book panel showing two women with horns on their heads standing on a balcony. The woman on the left is dark-skinned with long dark hair and glowing red eyes. The woman on the right is light-skinned with long blonde hair and is wearing several gold and green bracelets. To the right, a large, dark, dragon-like creature with wings and horns is partially visible. The background is a brick wall with a wooden door.

Here we are. The place where all the real magic happens.

And all the horny dreams are made?

For some people, like her... and possibly you.

Hold
on a second.
Is that my friend,
Honey? What is
she doing
here?

A comic book panel showing a woman with long, wavy red hair and large, dark, curved horns. She has glowing red eyes and is wearing a dark, revealing outfit. She is looking directly at the viewer with a slight, menacing smile. To her right, a man with horns and a large, ornate bracelet is partially visible. The background is a dimly lit room with a metal railing on the left.

Yes,
it certainly
is. Like I said
downstairs, I have
a surprise for you.
And there
she is!

A 3D-rendered character with dark skin, long wavy hair, and large, curved horns. She is unclothed and has several gold and silver bracelets on her wrists. She is looking towards the left with a slightly confused or questioning expression. The background is a dimly lit, ancient-looking interior with stone walls and a doorway. A speech bubble is positioned above her head, containing the text: "What's that supposed to-- Oh... you mean...".

What's
that supposed
to-- Oh... you
mean...

Gawd...
she looks even
more voluptuous
than the last
time I saw
her.

Go on.
Go take a
look. You can even
touch her if
you want.

A woman with long, dark, curved horns and a red cape with black trim is the central figure. She has a confident, slightly smug expression and is wearing several gold and silver bangles on her right arm. She is standing in a room with a pink chair in the foreground. A speech bubble is positioned to her right, containing text. The background shows a simple room with a light fixture and a doorway.

What
luscious
curves, and such
thick thighs! Fuck
me, just look at
that incredible
ass!

A woman with large, dark, curved horns and black wings stands in a room with a brick archway. She is wearing a black bra and has large, prominent breasts. She is holding a black handbag with a silver handle. She has a confident, slightly smug expression. The room is dimly lit, with a lamp visible in the foreground. The background features a brick wall and a white pillar.

And
her fucking
tits! Look at the
size of
them!

Click!

She's
even bigger
than you,
Evlin.

They look... No, **she** looks... absolutely delicious! I need to taste her again.

A 3D rendered character with dark skin, long wavy hair, and large black horns. She is wearing a black cape and has a speech bubble above her head. She is looking directly at the viewer with a slightly confused or questioning expression. Her right hand is raised, and she is wearing a gold bracelet. The background is a blurred outdoor setting with buildings and trees.

Wait...
again? Why
did I say,
"again"?

Honey wakes up almost immediately after Tara clicks the light next to the bed on, and the glow shines onto Honey's gorgeous face.

<yawn>
Evvy? Is
nap time over
already?

What's up with the demon outfits? I thought we were doing an Egyptian theme?

She takes a quick look around the room, but doesn't seem fazed at all by what she sees.

A 3D rendered character with large, exaggerated breasts and voluminous purple hair is sitting on a bed. She is wearing a black bodysuit with white lace trim around the bust and a white ribbon around her waist. She is looking towards the viewer with a slight smile. The bed has a blue and red star-patterned blanket. The background is a brick wall. A large, dark, out-of-focus object is visible on the right side of the frame.

Ooohhh!
That is such
a big and yummy
looking cock! Is
that for
me?

In fact, her attention quickly snaps
to the most interesting "feature"
that she spies in the room.

Hi there!
I'm Honey.
You have nice
boobies! Not as big
as my milkers,
but still pretty
awesome.

It only hovers there for a moment,
before turning toward the next
most interesting thing.

Honey is almost rambling. There is no filter. She just says the first thing that pops into her rather vapid head.

Hmmm, you kind of remind me of my friend, Tara, only she doesn't look like a horny demon.

But it's kind of cute and sexy on her,
rather than being annoying.

She
sucked and
fucked my giant
titties really good
one time
though.

The topics of conversation bounce around a little bit, but they start to heavily lean in a single direction.

She doesn't know it, but I kind of have a thing for her. She is smoking fucking hot!

A 3D-rendered scene featuring a woman with voluminous, curly purple hair and a dark complexion. She is wearing a black lace-trimmed bra and a black skirt with a white waistband. She is holding her large breasts with both hands. To her left, a man's arm and shoulder are visible; he is wearing a gold watch and holding a green bottle. The background consists of a brick wall and a bed with a grey and red star-patterned coverlet. A speech bubble originates from the woman.

I wish she were here right now to suck on 'em some more. Oh! Maybe you would like to suck on my great, big, jumbo juggies instead?

And it should surprise nobody that it very quickly degenerates into a conversation about sex.

Now that's an invitation that simply cannot be refused.

Though, as Tara points out, it is more of an invitation to molest Honey than a conversation.

Glom!

QoQoohhHhh!!!

Tara doesn't wait after Honey's proposition. She doesn't even pause to push aside or remove her lovely night gown.

She latches onto Honey's fat tit right through the lacy material, and starts sucking down her friend's luscious boobie nectar.

Thick, creamy rivulets of Honey's sweet milk flow out of her turgid nipples and fill Tara's throat.

Fuuuccckkk!
That feels so damn **gooddd!**

Yeeesss!
It's so thick
and rich, just like
honey. I can feel
the power
within it.

It even continues spurting from both
fat tits after Tara has had her fill.

Splurt!

Splurt!

That is such a turn on! Fuck, Evlin, I wish I could borrow your dick. I'd love to fuck her right now.

Splurt!

You don't need mine. That's one of the things I was trying to tell you - just grow your own. You should have the energy for it after lapping up some of her lust-laced milk.

Splurt!

Wait,
are you
telling me that
I can change my body
like you do? Ok,
hold on. Let me
try it.

Mmmm,
more dick'd
be good.

Pribble!

Cock!

Dick!

Schloug!

Fat bat!

Man-meat!

Fuck stick!

Long dong!

One-eyed willy!

I
don't see
anything
yet.

Oh,
wow! You're
really doing
it.

Poink!

Not bad, but that's barely even a cock.

Grow!

Now
we're getting
there! Bigger!
Thicker!

Swell!!

Mmmm,
just a little
more. You've
almost
got it!

Thicker!

Bigger!

Bulge!

PULSE!

Throb!

Oh yeah!

Oh
yeah!

Oh
yeah!

The story will
continue in
the next part.
