

AMAZON FAMILY
CHAPTER 2

One week after part 1, we find the family in the living room as the children stare in disbelief at their now tall busty mom.

is
it just me or
does she keep getting
a bit bigger each day?

So mom, you
are looking, nice
today?

Did you call us
so you can show
off again?

it's bad enough
she is taller than me,
but she is bustier
too!

**Thank you, Greg, and
yes, Addy, I am showing
off as this has been the
best week of my life!**

You both have nothing wrong to say about me, do you?

Yes kids, you don't have any ill will toward your mother's recent new looks, right?

whatever Mom, have fun being a giantess Bimbo! Come on, Greg, let's go!

dang mom thinks she is the center of attention just because she gained a few inches. I'll show her who is the "boss" around here!

Oh Diego, I still can't believe how effective your growth serum is! I have never felt better!

Well my darling, Ava, perhaps I can help you feel even better.

A woman with long dark hair, wearing a black and white strapless dress with a large white 'Q' on the chest, is sitting on a light-colored tiled floor. She is leaning back on her hands, looking upwards and to the right. The room features a purple tufted sofa on the left, a dark wood coffee table in front of her, and a staircase with gold railings in the background. A white speech bubble is positioned above her head, and another white speech bubble is on the floor near her right hand.

**You doing
alright down
there?**

A-Ok, love!

How about a different angel?

Well I like what I see!

Mmm yes,
that's it dear,
keep going.

GROW!

A man in a grey sweater and blue jeans is walking towards a woman in a pink tank top and blue jeans who is standing in a kitchen. The man is gesturing with his hands as if speaking. The kitchen has a brick wall, a window with flowers, and a modern stove. There are many yellow spherical pendant lights hanging from the ceiling.

How can I not, your mom can be heard a mile away at her height!

you hear that too, huh?

You know, I heard that the growth serum can be triggered by pleasure. Care to test that theory?

Oh what the heck, I need to get some tension off anyway.

Sure it is.

Keep in mind this is a secret thing.

What, have you seen yourself and your Mom?

Wow, hard already?

Very funny.

GROW!

come on, David, I thought you could do better than this.

I hardly feel any bigger.

GROW!

**give..it... time to kick in
(as he catches his breath).**

**yay yay, just
get over her!**

Come on,
harder, harder!

GROW!

Oh yes, that is it, more!

I think it is working,
what do you think?

GROW!

I can myself getting bigger and it feels amazing!

GROW!

Great, because I think I am about to unload.

GROW!

You know, you do a good job at this.

GROW!

Ahh, yes, more growth, baby!

Well, I think you should be as big as your Mom now, wouldn't you say?

EXPAND!

**You bet your butt I am.
Now, time to remind Miss
Bossy Bimbo's place in this
house.**

Oh hello, father, like my new outfit? I think it compliments my new height don't you think?

Addy, what happened to you?

**Yes Dad, doesn't
Addy look sexy?**

A scene from a video game showing two women in bikinis and two men in a room. The woman on the left is blonde and wearing a pink bikini. The woman on the right is dark-skinned with long dark hair and is wearing a red bikini. She has a speech bubble above her. Two men are standing in front of them, one in a dark suit and one in a striped shirt. The room has large windows with curtains and a chandelier.

She does look good, Greg, but nothing compared to my new assets, right dear?

What the actual heck!

Ava, how did a person of your size creep up on me?

Dang, Mom looks even bigger than before.
