So what are we playing today? I'm down for anything. Should we play what we were playing last night? Alright I'm down...oh there's an update. While that's downloading I'll be right back.

Hey babe! Could you come here for a sec. Sorry, I saw you walk by and figured I'd grab you now. Uh...so here's the thing...I don't know how to ask you this cause it sounds...weird? In a way? Just...promise you won't laugh?

[clears throat] Ok...remember when we fucked while in call that one time? Um...I've been thinking...that was fun, wasn't it? Sorta risky...sorta public...it turned me on a lot. So...would it be crazy for me to ask you to do that again? With me? It's been on my mind a lot since it happened and I just think...it might be fun to try every once and a while. Thoughts?

...

You said you wouldn't laugh...babe I'm being serious here! If you don't wanna do it you can say no...I just figured I'd bring it up...that's all. Mmph! [kisses] Hey...don't call me a pervert while kissing me. If anything...you're the pervert cause you started it last time. I just...ended up really liking it. So, is that a yes, then? Heh...ok good.

Of course I'm happy. I wasn't lying when I said I'd been thinking about it a lot. I like when you tease me...it makes me super horny, you know? So would you want to...do it now? Now that we've been talking about it...it's kinda got me excited already.

[kisses] You have to be quiet though...I'm not gonna mute the mic this time, ok? So...do your thing...wait...one more kiss. [kiss] [laughs] Ok now I'm good. I'm gonna unmute now.

...

I'm back. Oh good, my game is downloaded. How's everyone else? Should we get started then? I can make the lobby. [zipper sfx] I'll...um...send the invites. [wet sfx] [small gasp] Uh yeah...did you get them? I see you guys...loading in. This will be fun...mmm...so fun. I'll find us a match.

[whispers] Babe...can you move your hand faster? The slow movements are making me so sensitive...just a bit faster...nng! Yeah...like that...fuck...you're so good to me.

(flustered) Huh? Oh I didn't choose my character...my bad. T-there. Hopefully we get a good map. Mmph...who, me? My week's been...good. Really good actually. My partner...hah...my partner's been home a lot so we've been spending a lot of...time...together. Y-yeah we've been together...quite a while now. They're definitely...nnggh...a handful. *[laughs]*

I'm gonna go left...I think I see only one of their players...mmm...over here. Nnggh! Shit...s-sorry...they startled me. My bad.

[whispers] Your mouth...it's so hot, babe. At this rate, I'm gonna cum already. Just...be a bit more gentle-

Shit! He downed me...hah...my reflexes are really...bad right now. Must have a lot on my mind or...something. You guys got this.

[muffled moans and whimpers] [gasp] [whispers] Wait...h-hold on...I'm gonna...I'm cumming, baby...*[hand over mouth moan]* S-shit...that was so quick...I'm kinda embarrassed. With everything happening...this is making me way too horny. I love this feeling.

What happened? Why are you calling my name? Oh...we lost that round? Ok, I'll queue us for another mmph...another round. S-sorry...I'm spacing out a lot.

[whispers] Y-you want me to cum again? I really don't know if I can handle it, but...fine...just once more, ok? If you can get me there. *[wet sfx]* Fuck...you're so...you make me crazy. Nnggh...careful, babe...not so rough. I'm...crazy sensitive, right now. Shit...

[hand over mouth whimpers] You want me to go with you? Sure...sure I can do that. Looks like there's...mmm...a few of them. I'll do my...best. Mmph...oh you downed one. I almost have the s-second...one. Fuck...y-yeah this guy is tough. No...no I got him. He's down. G-good job, guys...hah...good round.

[cut off moan] [whispers] W-what are you doing? You choose now to...nnggh...start fingering me? A little warning next time...we've only ever done this a few times before.

...

You like my reactions? You're...f-fuck...you're so good at this. How are you so good? I'm getting dizzy. Having both my front...mmm...and my back s-stimulated...you're amazing.

(tense) Yeah, I'm here. Was getting water...nnggh...what's up? Sure we can do that. I'm down for...anything. I'll queue us up now. Oh, my puppy? They're...good. T-they like so...sit beneath my desk. It's...mmph...so cute. Pictures? Another time...my phone isn't...hah...with me.

By the way...t-this is gonna be my last round. I know...I'm sorry. I'm just...not in the right headspace. I'm...not doing well. [awkward laugh] Next time, though. I'll...mmm...I'll be better. Don't worry. Let's make this one count.

[whispers] Fuck...your mouth is everywhere on me...feeling both your fingers inside me...your tongue on me...it's so good...you're so fucking good...

S-sorry...I forgot to call out...I think we have people near me...mmph...at least three. I can probably take two of them...ah...g-got one. I'll try...nnggh!

[attempted whisper] Wait...that spot! S-shit...baby, I'm gonna cum...I can feel it...ah fuck...and you're taking me so deep...your throat is-! It's so tight! Baby...oh baby...don't stop...I'm cumming...cumming! [hand over mouth moan] [heavy breathing]

[whispers] Holy shit...that felt amazing. I'm...so glad I asked you to do this again. You're so good at pleasing me...I can't wait to return the favor. [kisses] I'll tell them I have to go, alright? One sec.

Hey guys. Something came up, so I gotta head out now. I'm really sorry! Please don't be mad. I'll make it up to you guys tomorrow, alright? Don't miss me too much. Alright...bye!

Now...where were we? [kisses] Hold on...let me shut down my computer. That way- huh?

...

[awkward laughs] So, uh...my friends messaged me. They said if we ever fuck in a call again they're gonna end us. Oh god...guess we weren't being very subtle...though that's kinda hard when you turn me on this much. I have a lot of making up to do, don't I?
