

Shaping the Vessel

Konoha broke Naruto, trying to kill the demon inside. Kyuubi takes this chance and gives the boy a very special kekkei genkai. Now it's up to him how he will use it.

Characters

Naruto 12 inches + Cock Tail

Iruka 8 inches

Kakashi 8.5 inches

Sasuke 4 Inches

Kiba 10 inches

Akamaru 9.5 inches

Asuma 13 inches

Chouji 9 inches

Shino 7.5 inches

Shikamaru 8 inches

Hyuuga Neji 6 inches long uncut

Rock Lee 3 inches

Chap 6

Kakashi thought he had the best dream of his life. The pleasure; the intensity, it was like a dream, then he felt the massive cock tail shift in his ass. 'It was real!' Kakashi thought, before his morning wood erupted, spraying himself in cum.

The tail seemed to sense he was awake and started fucking him. "Oh gawd oh gawd!" He moaned, body shaking. He gripped the sheets tight. He arched off the bed in orgasmic bliss, semen spraying all over his face chest and abs.

It milked him for several minutes, wiggling and rubbing his insides, making sure to nudge his prostate with each thrust. This carried on till Kakashi's cock twitched in a dry orgasm. The tail left his ass, and Kakashi whined at the loss. His hole was wrecked, left gaping wide and drenched in semen. He was laid out, basking in mind-numbing pleasure. His eyes rolled up, and a trickle of drool running down his chin.

Even as Naruto and Iruka awakened, he couldn't move a muscle. Naruto pulled out of Iruka's drenched hole, with a sigh. "Ahh good morning, you two relax I'm going to shower."

Iruka chuckled. "Well looks like you had fun." he rolled Kakashi over. He kissed his hole and began to lick and lap out Naruto's cum. Kakashi whimpered, his cock twitching helplessly.

He really went to town, the Jounin shaking under Iruka's talented tongue work. Iruka couldn't help himself, Naruto's cum was just so good. He made sure to leave some inside for Kakashi to enjoy.

The blonde came out feeling refreshed. "Ah good, you started. Iruka have fun with Kakashi I'm gonna head to the training grounds." Iruka pulled away from his ass, licking his lips. "Thank you Naruto-sama!"

Before Kakashi could ponder what he meant, Iruka's dick was plunging into his ass. "Ohhh!" he moaned, and Iruka went to town pounding his ass.

Dressed and ready for action Naruto went to the training grounds. Sasuke blushed when he saw him. Kiba however...

"Hey Naruto!" he threw an arm around him. "Do you think we can fool around?" he asks heatedly. Rubbing his cock against the blonde.

"Sure, strip!" Kiba doesn't hesitate, tossing his clothes aside and he got on his hands and knees. Sasuke blushed, feeling his cock leap. Naruto got behind him and stuffed him with his hard cock. "Ohhh yes!" Kiba's tongue hung out of his mouth. The blonde looked to the dog and smiled at him. Kiba's ass was perfectly tight, hugging his cock in all the best ways.

Sasuke didn't say a word, covering his tenting trousers, as he watched Naruto fuck Kiba. The heavy "clap clap" of skin striking skin made him hot and seeing the huge length stuff Kiba's ass made his own twitch with want.

Kiba was in heaven, bucking back to impale himself on Naruto's dick. The friction was driving wild, his own hard fat cock bouncing and bobbing with every thrust. The power of Naruto's thrusts sent it flying and slapping his abs. "Oh gawd yes Naruto your cock feels so good!" he moans.

"Your ass is great Kiba," he speeds up his thrusts and Kiba melts. The friction increasing, and Naruto's pre-cum wetting his insides. He wanted to feel Naruto's cum, needed it! His climax hits, blowing his load all over the ground, and his inner walls hugged the thrusting cock.

Naruto followed suit, his balls lurching and he pumped Kiba full of cum. "Ohh yeah!" he slumped, Kiba's dick twitching in another orgasm. "So full, so hot!" he shuddered, the thick man milk poured deep inside him and stuffed his belly.

"You like that Kiba, you like me pumping my cum inside you?" he asks, rocking his dick in and out. "Fuck yes!" Naruto pulls him up and shifts to sitting so Kiba can be impaled in his lap.

Naruto's hands come around and play with Kiba's nips. The dog nin sighs happily and rolls his head back. "Hey Sasuke, do you wanna come play with Kiba and me?"

"No way!" Sasuke says blushing. Though his body was clearly wanting to desperately join. "Kakashi-sensei could be here any minute!"

"I think he'll probably be late again," Naruto says knowingly. Iruka was currently fucking Kakashi side saddle, his balls running along his leg as he drove his cock into the silver-haired male's ass.

Akamaru transforms into human form and takes turns with Kiba. Kiba is a good boy and licks Akamaru's bouncing cock, pre-cum getting splattered on his face. Sasuke watched, and Kyuubi laughed. 'The boy has a hard shell but he'll come around.'

They had more than enough time to fuck themselves silly and get dressed before Kakashi arrived. Naruto watched the shift in his step. 'Good job Iruka,' he thought. The Jounin had a butt plug stuffed up his ass, no doubt containing the cocktail of cum in his ass.

Kakashi gave a lame excuse, but the test began. Kyuubi told Naruto to hang back and watch what the other boys do. Kakashi gave them the bell test, trying to force them to compete against each other. Kiba and Akamaru's teamwork was fine, but they weren't working with Naruto or Sasuke. They ended up getting tied together.

Sasuke tried to fight Kakashi alone, and despite surprising him a few times, Kakashi was far more skilled. Sasuke found himself trapped in the ground leaving only his head exposed. With only 5 minutes left, Naruto made his move. He found Kiba and Akamaru and freed them, then found Sasuke and got him out. "Okay guys, I have a plan, but we are gonna have to get naked."

Sasuke blushed. "Absolutely not!" he crossed his arms in defiance. "Come on Sasuke!" Kiba says.

"Then you are fine with being sent back to the academy?" Naruto asks. "I promise, this will work."

"Fine!" he snaps. The trio strip off their clothes and Sasuke blushed as they huddled up. "Okay here's the plan," he whispers.

-x-

Kakashi saw the clock and saw their time dwindling down. 'Are they giving up?' he thinks. 'Apparently not...' Sasuke comes soaring in and to Kakashi's shock the boy was bare ass naked.

The boy was fighting with a wild spirit. He dodged the boy's attacks, only to fall into a trap, and naked Kiba and Akamaru dove forward and tackled Kakashi. He escaped using Substitution jutsu, but Naruto was ready he knocked him back into the fray. Kakashi found himself pinned by 4 naked boys, two practically twins.

"Well then you pass, this tactic was quite the surprise," Naruto smirked. "You haven't seen anything yet." Kakashi was bound naked to a post, watching Naruto fool around with his boys.

Naruto was making out with Sasuke, the two frothing like horny bunnies. The poor Uchiha couldn't believe their plan worked. Fighting naked had completely knocked Kakashi off his guard. He closed his eyes in bliss as Naruto's tongue played with his own. 'He's such a good kisser.' he rubbed his tiny tool against Naruto's massive dick. The blonde's length was giving friction to the raven's dick and balls driving him mad.

Behind them, Kiba and Akamaru were making out and frothing as well, but one little extra. Naruto's cock tail was

fucking the two. Thrusting into Kiba, then thrusting into Akamaru, back and forth, back and forth, their bellies bulging.

Kakashi had the perfect spot seeing the boys' holes getting wrecked. His own hole twitching around the sex toy. He wiggled feeling the cum slosh inside. Naruto fitted him with a new toy, a vibrating cock ring. Funny how he woke up in pleasure heaven and now he was in pleasure hell.

Kiba came first, Naruto's cock tail ramming his prostate, he spilled his seed between his and his partner's bodies. Naruto made his cock tail cum, pumping the dog nin with another load of semen. 'Oh fuck yes!' he thought happily. The blonde pulled his tail out and stuffed into Akamaru. The white-haired twin of Kiba followed in his master's wake howling as he came between them.

Naruto rewarded him with another climax, his cock tail twitched and pumped Akamaru with semen. The look on his face matched Kiba's it seems they both loved being pumped with semen.

Before he broke the kiss with Sasuke, he masked his tail. "See Sasuke, it's not so bad being naked with us is it?"

"You are all perverts!" he pants, but shivers. "Yeah, it's not so bad." Naruto grins and pins the boy down, kissing him again. The Uchiha couldn't hold back, cumming against the blonde's dick.

Naruto's release followed after, his cock erupting all over the Uchiha's pale skin. It was a wild start, but they were genin now with lots of fun towards the future.

Kyuubi basked in the pleasure. 'This is the life!'

To be continued

Chap 7

Sasuke couldn't deny it, his teammates were fucking perverts. "Ah ahh ahhn!" Sasuke moaned, the buzzing inside him driving him nuts. "You are doing so good Sasuke, keep it up."

Team 7 had taken up the no clothing policy while at the training grounds. They sparred and worked out in the buff. Kiba, of course, had no issue with it finding it oddly freeing.

Most of the days passed, doing the basics, and ending in a mini orgy. Sasuke would often watch as Naruto fucked Kiba or Akamaru, and Kakashi would come in as clean up, rimming the two dog nin, and offering blow jobs to his team.

If Sasuke got involved it was usually with Naruto, kissing, frotting or receiving a blow job from the blonde. Naruto was the only one he let touch him, Kiba tried to give him a rim job once, and Sasuke flipped out.

Kakashi showed up with a new toy every day, sometimes a different size, a different shape, sometimes they even vibrated. Sasuke didn't know it but Naruto was fucking their sensei, he knew he was a pervert with the kind of books he read but he had no idea.

Kiba could smell it however, he could smell his master's cum inside Kakashi and recognized him as part of the pack. He learned Iruka was the pack mother. Akamaru was his partner and harem brother. He wouldn't mind if Sasuke joined the pack, but he was so skittish.

-x-Flashback-x-

After they became official genin, and the official team 7.

After their fun time, Sasuke went home after getting dressed.

“Oi Naruto? I can smell your cum inside Kakashi-sensei. Just what are you up to?”

“I'm building a harem.” He says with confidence. Kiba smirked, before letting out a laugh. “Interesting, very interesting, you really are a surprise Naruto!” Kiba embraced him. “I really like you, and that fun appendage of yours, I really like that too.”

He buried his face in Naruto's neck, inhaling his manly musk. ‘I like this too, your scent, it makes my beast growl in desire.’ He pressed his hard dick against the blonde. “Your cum inside me, I crave it I feel so good, you marked me as yours didn’t you?”

“That’s right, you and Akamaru, welcome to the harem...no welcome to my pack Kiba!” He wrapped his arms around the dog nin.

“I take it back, I fucking love you.” Naruto moved Kiba to fuck him doggy-style. “Ah ahh, Naruto-sama!” he moaned. Akamaru joined in the fun and stuffed his dick into Kiba’s mouth. Kiba moaned around his partner’s length. ‘Heaven!’ Akamaru panted, moaning as he fucked his partner’s mouth, his heavy balls smacking his chin. “Good boy Akamaru.” he kissed his cheek. His tail wagged happily. He was rewarded by Naruto’s cock tail thrusting into his tight hole.

He moaned and licked Naruto's whiskered cheek. Kiba bucked back onto Naruto's massive shaft before getting his mouth stuffed with Akamaru's dick. ‘So big!’ Kiba came,

blowing his load all over the ground, and Akamaru followed suit. He came down Kiba's throat, Kiba sucked him through his release, milking the former dog of a few extra spurts.

Naruto finished last, his climax hitting and filling both dog nin. His hefty balls lurched, and cum shot through his cock and cock tail. He painted their inner walls white. 'So full!' Kiba rubbed his swollen belly, Akamaru did the same.

'They look so cute blissed out like this.' the two shared similar cum drunk expressions. Naruto pulled out, the two whining at the loss, cum running down their sexy legs, and the twins cuddled up to him. "I know some guys who'd fit right in," Kiba says nuzzling the left side of Naruto's neck while Akamaru nuzzled the right.

-x-End Flashback-x-

Naruto was pleased Kiba's list matched up to some of his targets. Kiba loved checking out the guys in the bathhouses, he liked seeing how he measured up.

Shikamaru was 8 inches long, as Kiba put it, he'd be down for the harem thing. He was pretty lazy in his love life, he'd be the type all too happy to turn over the reigns.

Chouji was 9 inches, but thicker than Kiba. Chouji was pretty laid back to, he'd get in on them harem so long as Shikamaru was.

Shino was 7.5 inches long, Kiba believed he could get Shino to join no problem.

Hyuuga Neji was 6 inches long uncut. Kiba didn't know much about him, just seen him around the hot springs.

Rock Lee was about 3 inches, he works out a lot from what Kiba could smell.

Asuma Sarutobi, who was the sensei of Shikamaru, Chouji, and Ino, the man had a 13-inch beast, his body rippling with muscle and peppered with manly hair.

There were more than that Naruto had to look into but both he and Kyuubi agreed, getting Kiba on this was a great move. For now, he was focusing on Sasuke, the raven was too adorable to resist.

He had Kakashi enact Kyuubi's training methods. The silver-haired Jounin had no complaints as despite the odd premise they would get results.

During meditation, Kiba, Sasuke, and Akamaru had bullet vibes pushed inside them. Naruto helped Sasuke at first when he was too embarrassed to do it himself. While Naruto wasn't getting toys stuffed up his ass, his cock was bound by 3 vibrating rings, and his nips had the eggs on them. Sasuke couldn't see it, but Naruto fucked himself with his own cock tail.

The boys would have to meditate for hours, with the toys buzzing at various levels on their bodies. If you cum before you finish, you had to do laps with the toy inside and go back to meditating with an additional toy.

This helped work their stamina and endurance. Also, the toys were special in the ninja world as they stimulated one's chakra. So while they meditated they worked on controlling their chakra, strengthening their chakra system and overall chakra control.

A ninja could protect one's sweet spot or erogenous zones with chakra. So having toys that disrupt or manipulate chakra were quite handy. For example, the vibe Kakashi had in his ass was a chakra manipulator, drawing the man's chakra to his channel and sweet spot, making the vibrations he felt all the more intense.

Kiba and Akamaru were on their second toy. Their bodies glistened with sweat from having to run laps, their hard dicks twitching again. The twin egg vibes buzzed inside them, four in total between the twins.

Sasuke was so close on the edge. "You can do it Sasuke." Sasuke blushed. "I can't I'm gonna cum." his tiny tool was weeping, the tip a lovely shade of red. Naruto sat behind him. "You can do it," he places his hands on Sasuke's stomach. "Focus on my hands, let the chakra swirl here." Sasuke obeyed he focused as the clock ticked away. "That's it perfect, just like that."

Sasuke moaned, but held on, focusing on keeping his chakra in check. His dick was twitching like crazy, pre overflowing from the tip and soaking his crotch. He was holding on by a hair. Kiba and Akamaru panted beside him. 'So hot, so intense, I can't...'

Naruto leaned in close, whispering into his ear. "Just a little more, you are doing so good Sasuke." Sasuke shivered, and he let out a gasp as Naruto nibbled his ear.

Kakashi's alarm bell went off, and Kakashi arched his back, cumming hard. His semen erupted all over himself. "That was

great Sasuke.” Naruto purred into his ear. The raven panted falling back into Naruto’s arms.

Kiba and Akamaru came together, covering themselves in cum. The two turned to each other and started making out, before licking the cum off the other. Their lovey-doveyness makes the raven blush.

Naruto collects his semen and licks it off his palm.

“Delicious.” Sasuke shivered again. ‘Damn it all, is this really training.’ he shifted, only to gasp as the vibrating egg nudged his sweet spot.

“Need help getting it out?” Sasuke blushed and pushed the blonde away from him. “I can do it myself!” he reaches back and spreads his cheeks. His manhole twitches and Sasuke trembles as he pushes the toy out. It wasn’t easy as he didn’t even bother or forgot to turn off the toy. He panted as he clenched, the vibrations making things harder in more ways than one.

“Your hole is twitching a lot,” Naruto says, and Sasuke blushes as red as a tomato. "Shut up!" he closed his eyes and focused on pushing the toy out. His hole opened up, and Sasuke gasped as it popped out and he came again.

-x-

Naruto, Kiba, and Akamaru got dressed and left to go to the bathhouse. “Kakashi-sensei, is this training really necessary?”

"I know it is a bit odd, but trust me I can see the results." he put his hand on Sasuke's shoulder. "Being shy and embarrassed can be seen as cute in the bedroom, but on the

battlefield, it can be deadly." Kakashi sat Sasuke down.

"Imagine if you were captured by an enemy, it is a common tactic to strip an enemy, take their supplies and weapons. Having your enemy naked makes it more difficult for them to escape."

Sasuke thought about it, how he was before, he'd definitely be paralyzed if this were the case. "Now you can fight without clothes, so even if you were captured by an enemy you'd catch them off guard." Like he was when the boys attacked him naked. "Sasuke, you like Naruto don't you?"

"Ehh?" he gasped. "I...I...I mean...what?!"

"I think you should sleep with him, it's more special for a ninja to have their first time with someone they really like," he says and gives the boy an unmasked smile. "I know you're worried about your clan, but I have a feeling it'll work out."

Sasuke had a lot to think about. "Go home and think about it, the intro training is done we'll be going on missions soon." It was the next step in ninja training, maybe it was time to take the next step with Naruto.

To be continued

Chap 8

Sasuke laid in his bed, tossing and turning, he didn't know what to do. Things have been so weird lately, first, there was Naruto he was...different. It wasn't just him either, Kiba and Akamaru had changed. The dog nin had always been brash, but now he was wild, passionate, and he certainly wasn't shy. Akamaru had also started staying in human form a lot more, he was like Kiba's twin. He had a feeling Naruto had a hand in this change, he had no proof, but it was a feeling.

Things were certainly different, the Naruto he knew would have laughed his ass off seeing him naked. This Naruto, he didn't laugh at him or mock him for his size. He felt weirdly safe, even as naked as a babe he felt safe around Naruto. He was a pervert no doubt about that but maybe he wasn't so bad. Sasuke ruffled his hair in frustration.

Kakashi told him to sleep with Naruto, while he didn't find the idea bad, there were other complications. He was the last Uchiha, the council expected him to have an heir. Which usually meant a woman. Sasuke's own goals were to get revenge for his clan and revive it. 'Am I turning my back on my clan if I want to be with Naruto?' he thinks. His cock certainly knew what it wanted, it wanted Naruto. It throbbed at the mere thought of the blonde, his dreams were filled with the blonde, above him, behind him, before him. 'What am I gonna do?'

His hands reach down and he begins to touch himself, one hand playing with his tiny tool, the other fondling his balls.

He tries to think of anyone else to help get him off, but as much as he tried to think of a girl, his mind kept shifting back to men. One particular man to be precise, and as soft features turned hard, and hair blonde, Sasuke's hand left his balls to reach back and play with his ass. Sasuke gasped but didn't stop, his fingers slicked with his pre, he rubbed his hole. He gasped again as his middle finger slipped inside, a blush spread from ear to ear.

His digit thrust in and out, working a little deeper each time, he wiggled his finger and shivered at the sensation. 'This is strange, but it feels kinda good.' he continues teasing his entrance and cock, pleasure rippling through him. "mmm hah hah hah," he panted as his release drew closer and closer. He adds a second finger, the digits twisting and thrusting in his tight hole. "Naruto!" Sasuke cries out, as his fingers brush his sweet spot. His back arches and he cums all over his hand.

He gets laid out, basking in the afterglow of his climax. "Oh man..." he closes his eyes. "What am I gonna do?" he falls asleep, hoping the him of tomorrow will be able to figure this all out.

-x-

Tomorrow Sasuke had no answers either, so he showered and headed to the training grounds. "Oh fuck yes!" He heard Kiba howl. Sasuke's face turned red as he watched Kiba get fucked onto Naruto's cock. "Ahhh ah yes fuck me, oh gawd your dick feels so good!" Kiba's cock bounced and wagged as he was bounced up and down. "Fuck it, can't hold back I'm cumming!" he howled, his dick swelled and he shot his seed

all over himself. Naruto groaned as Kiba's inner walls clamped down onto his dick, he gave a few more thrusts and he came into Kiba as well.

Sasuke gulped, his hard dick pushing at his underwear. "Hey there Sasuke!" Naruto calls. Kiba was riding on cloud 9 at the moment, his head was rolled back onto the blonde's shoulder. He rubbed Kiba's belly, smearing the dog nin's cum all over his abs. "Sleep well?" he asked.

The Uchiha didn't answer at first, eyes watching as Naruto's hands roamed up to Kiba's chest. He toyed with the dog nin's perky nips, he flicked, pinched and even gave a tug. Kiba panted, writhing in pleasure. The dog nin came again, his body shaking as he spilled his seed onto the ground. Naruto pulled out of Kiba's spasming hole, his climax helped him tighten back up, but that didn't stop the blonde's seed from pouring out.

Kiba whined at the loss of the blonde's dick, but the double orgasm had Kiba more than happy. He turned his head and licked the blonde's cheek. "That was amazing," he says. Sasuke's eyes were glued to Naruto's massive piece, still in a semi-hard state. He felt his own manhole tingle in delight.

Naruto chuckles. "Can you stand?" Kiba grinned. "I'll manage." he stands up and he shivers, cum gushes out of his hole and runs down his legs. "Ohhh!" Sasuke's gaze shifted, watching the cum drip out of Kiba, and run down his legs. The dog nin was practically glowing, the afterglow of sex marking him. The blonde stands and walks towards Sasuke, his semi-hard on bouncing as he walks.

“Did you not sleep well?” Naruto asks.

“No, I’m fine...” he says, he pulls away from the blonde. ‘I can’t do this, if I get with Naruto I’ll be signing the Uchiha clans death warrant.’ he takes a deep breath. ‘I can’t give up on my clan, I need to focus on getting my revenge.’ his hands balled into fists. “Kakashi-sensei said we’d be starting missions today, are you guys gonna be naked all day?”

“Probably not, but it’d be interesting to see everyone’s faces.” Naruto chuckles.

“Well someone as endowed as you can laugh about that.” Sasuke snaps. Naruto blinks at him, and the Uchiha looks away.

“Sasuke there’s nothing wrong with your size, you should relax. Trust me if you walked around the village shirtless you’d have your fangirls fainting in seconds.” Sasuke fought back a smile. ‘Don’t be nice to me, I can’t do this, I can’t be with you.’ his heart ached.

“I’m gonna meditate, come to get me when Kakashi-sensei shows up,” he says and walks off. Naruto looks confused. ‘What happened to him? He seems off today.’

‘I can sense his feelings are a storm inside him right now. He has a weight in his heart, if you force him, he might break for good.’ Kyuubi explains. The blonde frowns, but nods. Kiba, however, noticed the change in the Uchiha too. He was fine if the Uchiha joined the pack, but he had a heavy burden on him. The council went after the clan heirs, telling them how it was their responsibility to carry their family

lines. The Inuzuka's didn't care much for it, but they were just one clan. Akamaru came over and helped with the cleanup.

"What do you think Akamaru should we have a talk with Sasuke?" he asked his partner, the white-haired male looked up from licking Kiba's inner thigh. He whined and gave a nod.

-x-

Kakashi arrived a few hours later. "Sorry, I was a bit tied up this morning," he said when he was showed up. Kiba fought back a chuckle but grinned. Naruto was better at hiding it, but he knew. Kiba and Akamaru had come over for breakfast and seen the copy ninja on the ground, arms tied behind his back. He had a cock ring on, connected to clips on his nips, so each time his cock bobbed his nips got a little tug. His ass was stuffed with a massive dildo.

Naruto was fucking Kakashi's mouth. "Morning Kiba, Akamaru!" he says looking over his shoulder.

"Morning Naruto-sama," they strip at the door and bring their pulsing manhoods over to where Kakashi was bound.

"Where's Iruka-sama?" Naruto blushed and gave a chuckle.

"I got a little excited last night, Kakashi-sensei told us we'd be doing missions soon. I wore Iruka out all night he's sleeping it off," he says and rubs the back of his head. He had stopped his thrusts, but Kakashi bounced up and down on the massive dildo, mouthing over Naruto's massive man meat. Iruka was in the bedroom, looking about 8 months pregnant from how much cum Naruto pumped into him. His chakra system would absorb it eventually and recover but Iruka was exhausted.

“Impressive Naruto-sama, may I?” he asked wagging his hard cock. Naruto nodded. “Be my guest.” he pulled his cock free of Kakashi’s lips. Kakashi whined at the loss, a string of pre connecting them before it snapped, he licked his lips. Kiba thrust into Kakashi’s mouth and groaned, he humped and humped, his hefty balls smacking his chin.

After ten thrusts, he pulls out and it’s Akamaru’s turn, Kakashi could only moan as his mouth was used by the three. When they came, they aimed for Kakashi’s open mouth and came all over his beautiful face. Tasting so much cock, Kakashi would have blown his load, if not for the cock ring. “The ring take it off, let me cum.” he panted, the blonde wasn’t cruel.

Naruto did remove the ring, and Kakashi came hard all over the floor. “We are gonna head to the training grounds sensei, Iruka will untie you once he wakes up.” Kakashi gulped, Naruto hog-tied him good, giving him enough slack to ride the dildo but not much else. The trio had breakfast and Naruto fucked Kakashi's mouth with his cock tail. Semen for breakfast, he'd complain but the cum from Naruto's cock tail tasted so damn good.

Iruka did free him later, but not before fucking his mouth. Kakashi really loved being apart of Naruto's pack, it wasn't planned but it felt so nice. He believed Sasuke would be happy in it too. Iruka was so much bolder, Kakashi was able to live his fantasies that surpassed even his favorite porn books, though he still read them.

As Kakashi promised they were starting missions, nothing too fancy, walk dogs, find runaway cats, help out around the village type stuff. When it was over Naruto yawned and stretched. "Man, I need a good soak in the hot spring," he says and heads off. "Anyone wanna join me?"

"Not this time," Sasuke says. "Rain check," Kiba says, but Akamaru was happy to go. "I have reports to file, great work today boys." he vanished and a puff of smoke. Naruto left the Inuzuka and Uchiha alone.

-x-

"Do you wanna talk about it?" Kiba asked. "You're holding yourself back Uchiha."

Sasuke snorts. "You sure are not." he folds his arms. "It's not easy you know."

"I know the council must be breathing down your neck. You're scared." Sasuke scoffed at that.

"You are the second child, your sister can carry on the line." he snaps. "I'm the last."

"That's true, but if you deny yourself this I think your gonna beat yourself up for the rest of your life." Kiba gives him a stern look. "I always thought I was gonna be top dog, get a few girls a few guys, but I like being with Naruto this way." Sasuke looked down at his feet. "Have some faith in Naruto, he's quite unpredictable you know." he started walking off.

"What's it like?" Kiba stopped. "Being with Naruto, going all the way, what's it like?" he asks blushing.

“It’s...something you’ll never forget. Naruto has a way of making you feel whole.” he turns and smiles at Sasuke. “Plus, there's more to Naruto than you know.”

-X-

Akamaru was cuddled up to Naruto. “So Sasuke is worried about reviving his clan?” Akamaru nodded. ‘Hey Kyuubi, isn’t there a way to do that, even though Sasuke is a guy?’

‘Yes there is, but I won’t tell you.’

‘What why?’

‘Because if the Uchiha chooses his clan over you then he doesn’t deserve it, you’ll tell him if I tell you?’ Naruto sighs, Kyuubi had a point. He wanted Sasuke to be his and to be happy. **‘Don’t worry kit, your plans are already in motion.’**

To be continued

Chap 9 Plans Unfold

Naruto's plans were indeed set in motion. The blonde asked Kakashi to keep tabs on Asuma. The man was supposedly dating Kurenai, so Naruto wanted to be sure the man wanted men, before bringing him into the fold.

Team 7 had started missions, nothing to major, simple stuff around the village. These were to get them ready for larger more dangerous missions. So they did things like, find lost pets, walk dogs, and other D Rank Missions. Simple enough missions that consisted of things like farming and even babysitting.

This gave Naruto time to move things along, same for Iruka. While the Chunin had gotten the joy of pounding Kakashi's ass he had yet to sample Kiba and Akamaru's. On this particular day, Team 7 had finished their missions and filed out. Sasuke spent the rest of the day training, as a way of working off his current sexual frustration he was experiencing. Kakashi met up with Asuma, while Naruto went off to find Shikamaru. Kiba and Akamaru spent the day with Iruka.

-x-

Iruka was the first mate, which meant when Naruto wasn't around he was in charge. It was why Kiba had pull over Kakashi, despite being older and stronger, he was the younger harem brother which meant his ass was fair game unless ordered different by Naruto.

He stood before the two dog nin, both of them knelt before Iruka. It was kinda nostalgic, from the days when Iruka would give them lectures. The only difference was they were all naked, cocks hard and wanting. This to was part of Naruto's plan, his harem had to work together and bond together in different ways.

"Naruto has put you two in my care today, I trust you will obey your harem brother's orders." Kiba loved sex, and Akamaru was happy to take a cock or two. "Yes!" Iruka's latent lust was free, and it was time to play with his younger harem brothers. "Come, suck my dick!"

The two crawled forward, cocks bouncing as they moved forward, asses shaking, as Akamaru's tail wagged. Since they were among harem brothers Akamaru was in his true form, the twin of Kiba.

They buried their faces in Iruka's crotch. His manly musk filled their senses and they moaned. They sniffed and shuddered, Iruka's musk making their cocks quite happy. Their hard manhoods dripped pre onto the floor, as they started licking up his shaft.

"Ohh fuck!" Kiba and Akamaru worked together, licking up and down Iruka's hard member. It was amazing, their tongues were so long and flexible. "Yes, that's it!" Iruka moaned, hands petting them.

The praise made the two moan. They started to compete with each other, while Kiba sucked on Iruka's dick, Akamaru went down to lap at the Chunin's balls. They switched every 15 bobs, Kiba slurped and bobbed his head back and forth. His

tongue caressing the underside, as he sucked every inch. He buried his nose in Iruka's pubes and took a deep whiff of his musk.

Iruka's pubes tickled his nose and made him moan around his shaft. At the fifteenth pass, they switched, Kiba licking his way down and began worshiping Iruka's balls, as Akamaru took his turn on his cock. They both were excellent cock suckers without a hint of gag reflex. Kiba was more skilled at cock sucking in a way, pacing himself to savor the flavor. Akamaru was more primal, focusing on giving pleasure.

“Gonna cum!” Iruka howls, his cock twitching in an early sign. Kiba and Akamaru shared the head, lapping at the tip excitedly. Iruka's climax hits, and he cums all over their faces. Their mouths opened wide, catching some of the erupting cum, tongues outstretched wide, curling to hold the ropes of cum. They swallowed their shared loads, their own cocks twitching, so close to orgasm.

Iruka was still hard. “Let's continue, Kiba I bet your hole is hungry.” Kiba was licking the cum off his lips, he snapped up. “Yes!” he moans.

The older brunette lays on his bed and wags his cock. Kiba climbs up and straddles his waist. Iruka's cock slides between his plump cheeks. He bucks back, rubbing against his shaft. Playing a bit, until he slides up until he positions over his shaft.

He sinks down, taking Iruka's cock inside him. “Ohhh!” Kiba took it all, thanks to Naruto's cock tail his hole was made for

taking cock. His inner walls clamped down onto Iruka's 8 incher.

Akamaru whines, watching his cock and hole were aching to be touched. Kiba shudders, taking his harem brother's cock felt good, so good he couldn't wait and started moving bouncing up and down in Iruka's lap. His own hard cock bounced and flopped about along with his balls.

Iruka's feet were planted firmly, he bucks up into Kiba's ass making the dog nin moan. "Big Brother Iruka, your cock feels good!" he moans. The older brunette smirks and bucks a little harder, cock ramming his sweet spot. "Ahh!"

"Akamaru, I wasn't gonna leave you out." he gestured for him to come. Akamaru understood and soon straddled Iruka's face. The Chunin pulls him down and kisses his hole. Akamaru moans as his ass was breached by the older male's tongue. His tail wagged as the tongue fucking began.

The dog nin's holes being stimulated was enough to drive them closer and closer to the edge. Iruka reached around and played with Akamaru's dick, pumping his weeping length. Kiba began playing with his nips, loving every second he was on Iruka's manhood.

His stamina was quite impressive, Kiba rode him hard and fast but the Chunin dick never gave in. It was actually Akamaru who came first, shooting his load all over Iruka's pecs, abs, and his partner's back. Kiba came next, his climax hitting and blowing his load.

The dog nin's inner walls tightened around Iruka's dick, the clenching heat helped pull Iruka over the edge. His dick

swelled and his semen pumped inside the Inuzuka. “Akamaru your turn.” Kiba was pushed off and Akamaru took his turn on Iruka’s cock.

A change in position was needed, Iruka was behind Akamaru driving into the white-haired male, Akamaru pulled his partner in and stuffed him with his cock. Kiba moaned as he was stuffed. It was hard to say who held the higher position between Kiba and Akamaru, but they were partners for so long they'd fuck each other as needed.

Iruka pounded into Akamaru driving him into Kiba at a lustful speed. Akamaru licked his partner’s neck and shoulder, as Kiba panted and drooled. ‘This...is...the...best!’

-x-

Asuma and Kakashi had gone to the local BBQ shop to eat and drink. Kurenai had joined them. They discussed how their students were coming along. Kurenai boasted about her team. Sakura, Shino, and Hinata they were doing very well, and Sakura and Hinata were excelling under Kurenai’s teachings. “I’m so glad you gave me Miss Haruno, she’s quite unique.” Sakura’s inner Sakura created a unique case the split personality made her quite useful against genjutsu, she just needed to hone it.

“Well, it was a decision from on high,” Kakashi says. He was barely listening to her. He had a belly full of his master's cum and a vibe buried in his tight heat. The vibrations ranged from low to medium, bouncing back and forth. He was very good at keeping a straight face.

“I think my team will be ready for the next Chunin Exam.” she boasts.

“I'm sure." Kakashi looks to Asuma. "How is your team going?" He noticed Kurenai was focused on either bragging about her team or was talking to him. Yet, her supposed boyfriend she barely glanced at. Asuma sat there quietly eating before he answered he looked to Kurenai before answering.

“Doing alright, been focusing on teamwork. I’m tasked with training the next Ino-Shika-Cho team. Their skills really compliment each other.” he says. “I think they’ll be ready for the next Chunin exam as well.” Kurenai stands up.

“I must be going.” She looks at Asuma who stands up to let her out. “Will I see you later?” Asuma asks.

“I don’t think so, I’m gonna work on some new genjutsu techniques.” Asuma goes in for a kiss, but she quickly avoids him, not even letting him get a cheek kiss. She walks off and Asuma sits down.

“Trouble in paradise?” Kakashi asks.

“Kurenai...she...she doesn’t like the beard.” Kakashi raises a brow. “Things have been tense since she’s become a jounin.”

“Didn’t you start dating a few months after she became a Chunin?” he asks, and Asuma nods.

“I thought she’d be happy once she became a Jounin, she asked me to put in a good word for her with my father.” Kakashi blinked. ‘He didn’t...she didn’t...’

“We used to have a nice loving relationship, I mean I gave her my virginity. Then she started pulling away but then she said she was nervous about her Jounin exam. So I put in a good word for her.” Kakashi fought back the urge to facepalm. ‘She's totally using him.’

“Is there a problem in the bedroom?” he asked quietly. Asuma blushed and rubbed the back of his head. Kakashi was one of his best friends, they had shared secrets in the past together, and he didn't know who else to talk to.

“I thought it was great, but lately she seems to just get mad. Sometimes I was still hard after we had sex, and she said she was finished. She says she doesn't like kissing me because of my beard, she says that my body hair feels weird, and she says my dick hurts her.” he looked at his friend. “What should I do, should I shave, should I take some meds to shrink me down?”

“Asuma, if you are with someone who doesn't accept you for you, and needs you to change so drastically maybe they not for you.” It was clear to Kakashi she was using Asuma since he was the son of the Hokage. “If you aren't satisfied in the bedroom, maybe you need something else.”

"But Kurenai she, she's the first woman to ever want me. I tried going out before, and my dates always ended badly." It was true, most girls often went out with Asuma because he was a proud member of the Sarutobi clan, and his father was the Hokage. The dates usually went south once they hit the bedroom, most of the girls scared off by Asuma's size.

"You know there is the other option, remember you told me about that dream you had." Asuma blushed and felt his heart race, his blood rushing south. In their youth Asuma had confided in Kakashi that he had a sex dream about his sensei. "Have you had any such dreams recently?"

Asuma shifted in his seat. "Sometimes," he takes a cigarette and tries to light it. "I don't know Kakashi, those dreams are..." it was his deepest secret, he'd only told Kakashi. He'd been worried that such desires made him less.

"You are the submissive, I remember." Kakashi had shared some of his porn with Asuma back in the day. In the end, he chose to walk a different path. He looks around. "Follow me." he leads Asuma into the bathroom. A quick check and seal to make sure the room was secure. Kakashi removes his mask making Asuma blush deeper.

"Kakashi what are you...whoa!?" he gasps. Kakashi stripped naked and turned around. He bent forward slightly, his ass cheeks spreading exposing his stuffed hole. The tight ring throbbed from the vibrations.

"I've found myself a top, I'm apart of a harem." Asuma's cock bulged his pants, he was so hard at the sight of his naked friend. "He accepts me, he accepts us. I'm not telling you to join but maybe you'd be happier with a man."

Asuma feels his hole clench. Kakashi shows him the size of the toy inside, it was so big. "But...But what about Kurenai, I can't just break up with her." Kakashi turned around, pumping his cock as his hand pumped his shaft. "Shouldn't I try to make it work?"

“You have tried. My friend, you are a wonderful man, if given the chance you'd make a woman very happy. I think however a man can make you very happy.” Asuma sighs. When he was a kid he was scared of letting these feelings out, but now he was older and wiser, he had siblings who were already carrying on the clan's name. He didn't have to be with a girl unless he wanted to. "Think it over." he starts putting on his clothes, tucking his arousal back into his pants. "But you should be with someone who accepts you for you," he says and pats his shoulder.

He left Asuma with many questions. He still couldn't see that Kurenai used him but, he could see that their relationship was pretty strained. He wasn't happy, Kurenai was distant but she was happy after becoming a jounin but their relationship hadn't gotten better.

Seeing a man as powerful as Kakashi, naked, hard, with his hole stuffed took the weight off his shoulders. ‘Maybe I should try meeting a guy.’ he thinks and palms his arousal. He sits in an open stall and takes out his hard 13 incher. ‘I wonder who got Kakashi to submit like that?’

The thought made his manhood twitch. He started pumping himself, his cock was large, with a heavy girth. He pulls his shirt over his head exposing his ripped body, he had manly hair over his muscles. Running a hand through his manly hair he sighed. ‘I always thought I looked good, but Kurenai thinks I'm gross.’ He lifted his balls out of his underwear.

Pre spilled over his length allowing him to pump himself faster. He worked himself faster and faster making his heavy

balls bounce. His family jewels had gotten larger, having a seriously bad case of blue balls.

He grunts and groans, feeling his release build higher and higher. It didn't take long before him to cum, his climax hits hard and his knees go weak. Thick cum splatters all over his pecs abs and crotch. 'Would he accept me too.' he thinks. He had lied to Kakashi when he said his dreams came only sometimes. Since he started dating Kurenai his submissive dreams happened almost every night.

Collecting his cum, he reaches down and slips a finger into his hole. "Oh ohhhh!" he moans. He continues to pump himself, his cock still hard and wanting. As he starts playing with his ass, pleasure washes through him in waves. He gets louder unable to control his voice as things get hotter and hotter inside him.

He cums again even harder than before, his semen erupts like a volcano drenching himself in his seed. 'Ohh fuck!' he thinks. Kakashi had heard everything. 'I need to talk to Naruto right away.'

-X-

Naruto had a nice talk with Shikamaru, a very nice talk. Naruto laid his cards all on the table, told Shikamaru his plan and intent, even going as far as to show his cock tail. Shikamaru was surprised, embarrassed, and aroused. His genius mind worked through the problem, and he made his decision.

The two were laying naked, watching the clouds go by. Shikamaru was getting his ass stuffed with Naruto's cock tail.

He had cum three times already, his semen marking his face, neck, chest, stomach, and crotch.

His body shuddered, toes curling in orgasmic pleasure. His belly bulged from the force of Naruto's cock tail. "Ohh I felt that!"

"Feels good yeah?" Naruto chuckles.

"Soo good! So not troublesome." he shivers, and rubs his swollen belly, only to watch shrink as the tail pulls back leaving a void inside him. He was only empty a few seconds before the tail thrust back in. "Ohhh!"

Naruto leaned over and began licking his orgasms off his body. Shikamaru's ass was wonderfully tight, his tail was coating its insides with pre. The cock tail pounded his ass, his wet insides allowing him to go faster and faster.

He offered his cock, and Shikamaru began to suck it. 'So big!' Shika thinks as he bobs back and forth, slurping and sucking the blonde's massive dick. The pre was delicious and made the lazy nin suck harder. He could only suck about half, but Naruto was more than close. Naruto's climax hits, and his cum fills his mouth and ass at once. Shikamaru hits another orgasm and cums all over himself. "You weren't kidding, this really is amazing!" he licks his lips.

The cock tail leaves Shika's ass, and Naruto pulls him into his lap, still hard cock slipping inside. "Ohhh!" Shikamaru drooled. His head rolled back onto the blonde's shoulder. They watched the sunset together, Naruto caressing the lazy nin's body. "This is nice."

“Indeed it is.” Naruto kisses his neck and cheek. Shikamaru wanted to live an easy life, a life in Naruto’s harem didn’t sound troublesome at all.

Kakashi showed up. "Naruto-sama!" he says. Shikamaru gasps but doesn't bother to cover up.

“What’s wrong Kakashi, did things not go well with Asuma?”

“Things went alright, but I think you may need to take action with him. He’s being used by Kurenai.”

“What?!” Naruto gasps.

“I’m not surprised, I once saw Asuma-sensei try to give her flowers, and she didn’t really seem to like them. Ino told me she saw the same flowers in the trash the next day. Asuma didn’t talk about it, but he seemed down.” Shikamaru looked to Naruto. “If you want to add him to the harem I think he’d actually be happy.”

Naruto hugged Shikamaru. “Kurenai might be a problem.” he frowns. “I think Asuma might be willing to leave her. He just needs a push.” Naruto brings his cock tail around, his pre pouring out. He collects the essence in two vials. “Give this to Asuma, and this to Chouji. If they react to my essence I will bring them into the fold.”

“I’m sure he will, thank you so much Naruto.” Shikamaru kisses him. He wanted Chouji, and he had a small crush on Naruto. If Naruto could bring him in the fold, he’d have both his crushes. Kakashi strips down and removes the toy, he joins the two Naruto’s cock tail plunging into his ass.

He fucked them both. Naruto let the pleasure wash away his concerns. Kyuubi, however, shared his concerns, Naruto's plan needed time to unfold, pushing too hard, or slowing down could draw out issues. The council had forces, eyes, and ears everywhere if Kurenai used Asuma, it made him wonder if she was acting alone or apart of a bigger scheme.

To be continued

Chapter 10

While Kakashi and Shikamaru went out to complete their missions, Naruto returned to his home and was greeted by a naked Kiba and Akamaru. “Hey boys did you have fun with Iruka?” he embraced them, and they nodded.

Just to be sure, he checked their asses and found their holes properly fucked and filled with cum. The dog nins shivered in delight, their hard dicks rubbing against the blonde. “Iruka was lots of fun.” Kiba sighed happily.

After some long fucking Iruka fed the two with his special man milk. A double pleasure for Iruka as the milk was sucked from his nips, feeding the horny canines. Every suck giving a little mini orgasm to the brunette. Said brunette was currently relaxing with a nice warm bath. ‘Man those two wore me out!’ he was smiling though.

“Mmhhmm,” Naruto says, petting them. “You were right by the way Shikamaru is in, he was very open to the idea.”

“Hehe, knew he would be,” they moved to the couch, the two dog nin rest their heads in his lap, loving the musk of their master’s crotch. Naruto thrusts a cock tail into Kiba first, the dog nin’s face twisting in pleasure. He was drooling by the time the cock tail bulged his stomach out. “Ohhh!”

His tail thrust in and out making Kiba pant and moan.

Akamaru gets his cock out and the two start to lap at his cock. The canine tongues worked over his length welcoming the manly flavor that spread across their taste buds.

Just when Kiba thought he was gonna cum, the tail left his ass, making him whine at the loss. His hole was left gaping, insides wet, his tight ring spasming as it tried to close. His cock tail thrust into Akamaru who moaned and lapped at his cock faster.

He kept the two on edge, fucking them with his tail as they worshiped his length. Soon his balls were pulled out, and they were switching back and forth. Whoever was getting fucked sucked his dick, while the other sucked and licked at his balls. “Shikamaru wants to bring Chouji in I hope he reacts to my essence.”

The canine duo nursed from his length, gulping down mouthfuls of his pre. The two couldn't think of anyone who would resist this tasty treat. Their cocks bounced excitedly, getting so close to the edge only to be pulled back. ‘Hot!’ the two shared similar thoughts.

This went on for who knows how long. Their balls were hot and itching to release. “Roll over,” They obey, and Naruto grabs their dicks and pumps them to completion. They howl as their balls lurch, and their backs arch as they cum. This was edging, their orgasm was more intense having been built up, held off, built up again, held off again, over and over till their minds got all twisted up, and now they had cum.

It felt like their minds were surging through their dicks, as thick ropes of cum erupted all over them, faces, necks, shoulders, pecs, abs, and crotches were drenched. Naruto slipped from them and headed towards the bath, he had another brunette to play with. He left his pups to bask in the

afterglow of the orgasm, they were still twitching on the couch, cocks pulsing in aftershocks of their climax.

-X-

Shikamaru mixed Naruto's essence into some BBQ sauce. He was shocked by Naruto's plan, and his new appendage, but he was still Naruto. They had a nice long talk, and how people treated Naruto was stupid, he was the vessel of the fox demon, not the fox himself. From what he said, the fox demon was his friend and wasn't gonna hurt anyone.

He never had any solid sexual preference, he thought both girls and guys could be troublesome. Shikamaru could count the number of people he was sexually attracted to on one hand. He wasn't even one for masturbation, causing his balls to swell with his unshed seed. Naruto's offer was tempting, so he decided why not!

Naruto's lust was very not troublesome. He took full control, and all Shikamaru had to do was take it and feel. The pleasure Shikamaru could still feel it, every step he took, every beat of his heart. His skin still felt hot, his nipples tingly, hole winking, insides soaked with seed, his balls happy and dick twitching.

He found himself wanting to spend the rest of his days on the blonde's dick, sucking on that big cock tail. He had this wave of protectiveness and love wash over him in strong waves making him want to share this with Chouji.

Chouji and Shikamaru have been close since childhood. Their dads were apart of one of the elite teams of Konoha Ino-Shika-Cho. The jutsu combination their family possessed was

excellent for combos. Ino, however, was obsessed with Sasuke, and was often super troublesome to hang around, she hated Shikamaru, and often made fun of Chouji's weight, she wanted followers to promote herself and they were not that.

Attraction to girls didn't help anyone in their class, as the girls seemed to only want Sasuke's dick, and if you weren't Sasuke Uchiha then they weren't interested. This helped Chouji recognize which team he should play for.

When Shikamaru called him out for some food he happily joined. "Sup Shikamaru!" he waved.

"Hey Chouji," the two bumped fists. "Got something for ya." he showed off the bottle of sauce. Chouji's eyes lit up at the sight of it.

"Is it good?" Shikamaru found himself on the edge of his seat in anticipation.

"Oh yes, I tried it myself it's amazing." that had Chouji drooling in hunger. "Shall we try it out?" They hit the BBQ shop and ordered some meat. Chouji was excited, licking his lips as the meat cooked.

He brought out the sauce and applied it to the meat. "Mmm," he took a whiff of the mystery sauce. "Smells good," he pumps some out onto his meat and took a bite. The flavor was complex but made his taste buds tingle. "This is good!" he licks his lips. "Has a kick to it." His heart fluttered, and sensations spread through his body.

Chouji takes another bite, it tasted like other sauce he's had, but with something new he couldn't quite place. Each bite

caused the sensations to ripple out. His toes curled as pleasure washed over him. 'More!' He applied more sauce, and that flavor slowly began to dominate the others. "What's in this stuff?" he asked, dumping more on the meat and stuff his face. "It has a flavor I just can't pinpoint, but it's so good!"

He savored the meat and flavors, finding new sensations racing through him. Chouji's 9 incher grew harder and harder into his pants, bulging his pants out. The fat cock was demanding freedom. His nipples hardened, the fabric of his shirt stimulating them.

"Ohhh!" Shikamaru watched as his friend and crush grew wild with lust. He could see the nipples peeking through his shirt, and the boy's cock was weeping like crazy. He soaked through his underwear, in seconds.

"It's hot!" he finished off the sauce and felt a surging force tear through him. He felt it in his ass hole next, the tight virgin hole throbbing none stop. "Shikamaru!" he moans, no longer able to contain his lust.

He came hard, his balls lurching as his hot cum erupted into his shorts and ran down his legs. "Wow!" Such a powerful orgasm had his arms and legs numb, and still, his cock was hard.

"Want more?" Chouji nods. "I got some of that secret ingredient."

"Really?" he smiled. Shikamaru nods and pulls Chouji towards the men's room. The brunette was in a daze of pleasure. Like Shikamaru, he wasn't one for masturbation, but he had desires to.

He'd never told Shikamaru, or anyone this but he's had dreams of slurping noodles off Naruto's body, BBQ sauce off Kiba's body, and whipped cream and chocolate off Shikamaru's body.

Tasting that sauce was like a dream come true. Shikamaru locked the bathroom behind them, and he dropped his pants. Chouji blushed and felt his dick twitch. His friend reached behind himself and spread his cheeks, exposing his well-fucked manhole to Chouji.

His jaw dropped, he could see inside Shikamaru, his insides coated in essence. "This is Naruto's cum, he came so much inside me Chouji. It felt amazing, I gave you a little sample." Chouji gulped.

"I want more..." he drops to his knees and helps spread Shikamaru's cheeks, so he can brace himself against the wall. Chouji dives in devouring Shikamaru's ass making his fellow brunette moan. Chouji's tongue runs up his taint, catching some of the escaping essences. The flavor explodes over his tongue. 'This is it!'

His heart races as he buries his face between his friend's cheeks, he laps at Shikamaru's hole, his wet muscle digging in and taking out Naruto's cum. He moans, hand dropping down to free his pained erection. Once his pants were undone, his dick ripped through his underwear.

Shikamaru pants and shivers his own cock twitching in delight as Chouji rims and sucks on his hole. "Chouji!" he pushes back, his insides twitching. He was doing a good job

cleaning him out, but Naruto had bred him deeply, so his body could enjoy his cum as well.

Chouji's climax hits from him making out with Shikamaru's ass, french and deep. His fat dick explodes across the floor. "Chouji, I'm gonna cum!" he moans.

He pulls back, a string of saliva connecting them before it snapped. He licks his lips before turning Shikamaru around and swallowing his dick in one go. "Ohhh fuck!" He cums hard, his balls lurching as he explodes down his throat. "Chouji ahh!" Shikamaru's toes curl, as his friend starts to suck him through his orgasm.

His efforts were rewarded with a few extra spurts. He pulls of Shikamaru's dick, and hiccups. "Shikamaru..."

"Yeah?" he sits down beside his friend.

"I think I like guys," Shikamaru gives a chuckle.

"Me too," Chouji smiles.

"And I really like cum." Shikamaru pulls him in for a hug.

"Me too!" the two kissed their cocks hardening again.

"Naruto is gonna take care of us yeah?" he asked between kisses.

"Oh yes," he says between kisses. "Not just us, he's making an amazing family."

"I want in!" Shikamaru smiles. He sees Chouji's hole twitch and spasm, and as much as he'd like to claim his cherry, that honor was for Naruto. He got to enjoy Chouji's mouth first and kiss. "Hot!"

“I know, we’ll get to Naruto and it’ll feel so good.”

Shikamaru uses his jutsu to clean up their mess, the shadows working to wipe up the semen.

-X-

Kakashi had called Asuma out. “Twice in one day, what do I owe the pleasure?”

"Asuma, I wanted to talk to you seriously," he reveals the vile of Naruto's essence, he tosses it to Asuma, who catches it.

“What’s this?”

“It’s the essence of my master.” Asuma blushed.

“What?” he stutters out.

“I want you to have a taste.” Asuma’s blush spreads, he coughs and tries to calm down.

“Enough jokes, it’s not fair to tease me like this.”

“I’m serious, can you honestly tell me your happy?”

“I uh...”

“I am,” Kakashi says. “My master treats us so well.”

“Us?” Asuma shivers.

"Yes all of us, I have harem brothers Asuma, I submit to them, but he is my true master." Asuma wanted to ask who but Kakashi had moved in close. "He wants to be your master too."

“Kakashi...I can’t...Kurenai...I’m with her...”

“Are you happy with her?” Asuma bites his lip. If he was honest with himself, no he wasn’t. No matter how hard he

tried he couldn't seem to please her. "If not, drink the vile, it's the key to joining the family."

Asuma stares at the vile, his heart pounding in his chest. He grips the vile and...
