AUGUST 00⁰⁰

I want more
than this

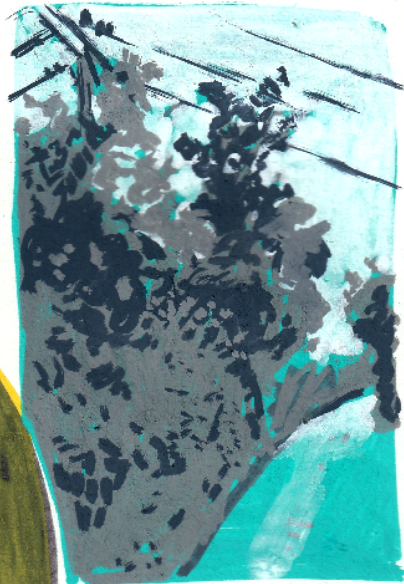

Filling gaps with
doodles before bed

oyasumi lol

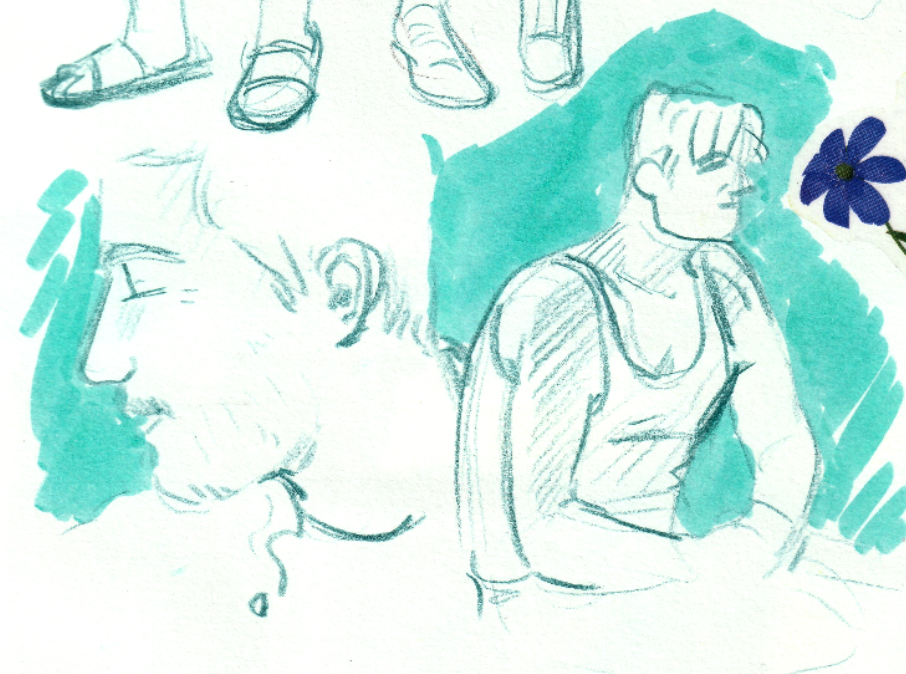

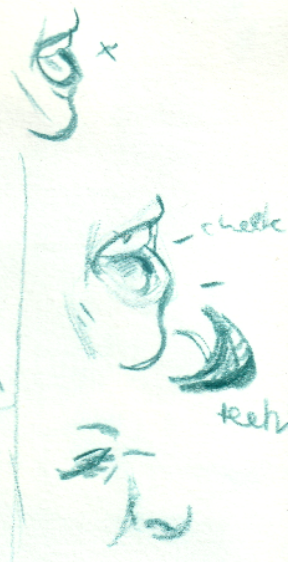

.....

on the way home

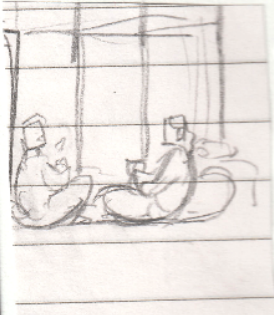

// =

Handwritten orange scribble.

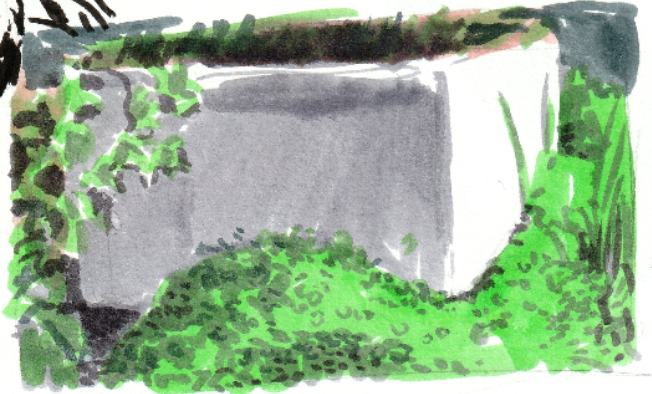

Leavening

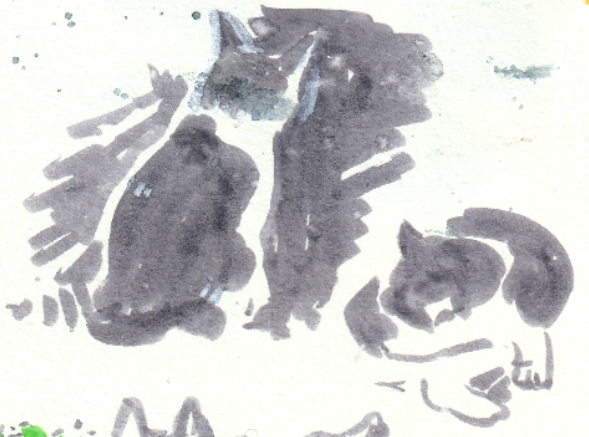

probably dreaming of chasing crickets

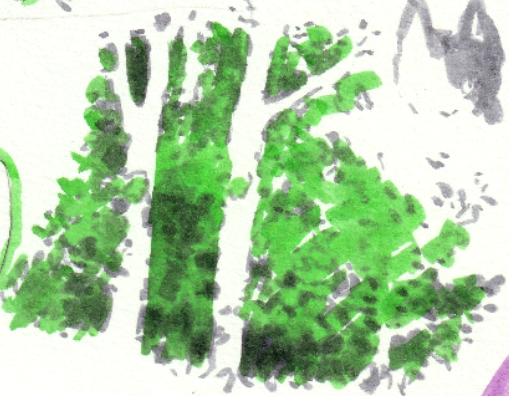

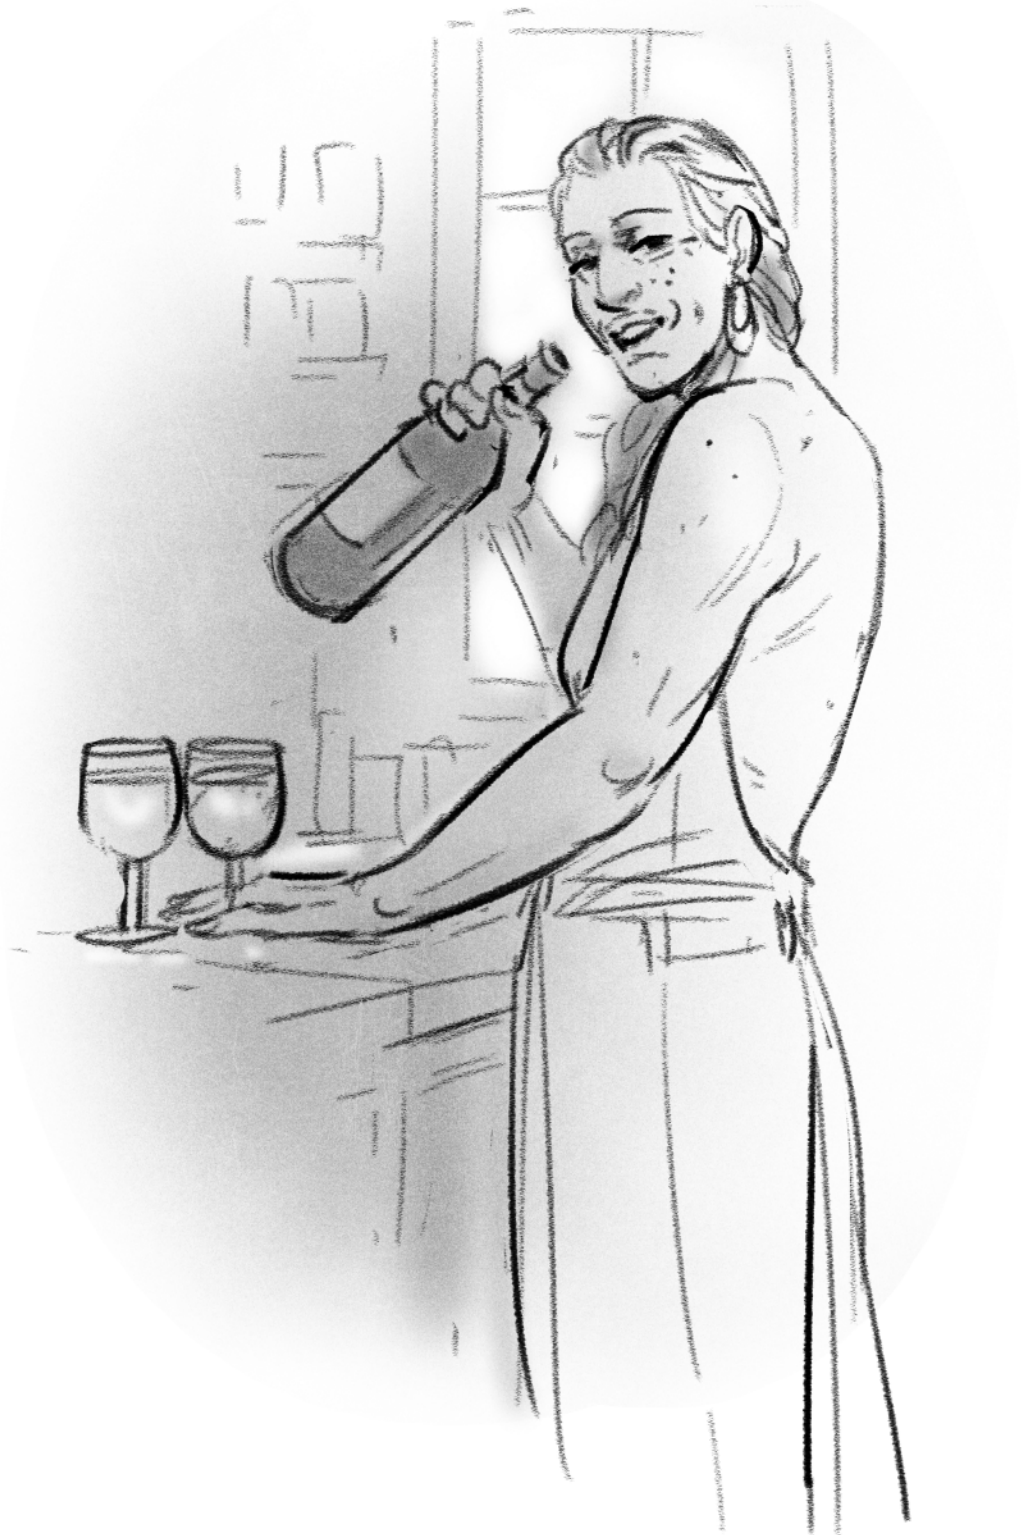

I would like a little shelf to hold my little zines

I have emetophobia
plus general anxiety
and Josie is putting
my nerves to the
test

(Where was the car
parked again?)

thanks for reading!
