

Nights In Firavahana

PART 1

Jimmy sat with his carry on bag in his arms resting on his lap, his foot tapping nervously as countless passengers passed by him in both directions, all in a hurry to get to the gate for their plane's departure. He was always nervous flying, but today his anxiety was through the roof. He looked up at the boarding display and saw the 1:15 from Lax had come in thirty minutes ago, they should be here any minute!

Jimmy put his hands together and grimaced at how sweaty they were, he immediately began wiping his hands on his shorts trying to get rid of the damp feeling and hyperventilating a bit. He got up and started pacing around his seat, looking at his feet when someone suddenly grabbed him! Jimmy jumped in fear as the person threw themselves onto his back, wrapping around him like a spider! Two soft hands covered his eyes as a very deep voice rang out in his ear!

“GIVE ME ALL YOUR MONEY LITTLE BITCH!”

Jimmy shook the person back and forth, his heart was still beating from the scare but he now knew the threat was not real, and the person on his back was no stranger!

“ALEXIA!stop!” Jimmy grabbed her hands prying them off of his eyes!

He felt her grip loosen as she let her feet hit the floor behind him. Her arms ran down to his neck but she kept them together hugging him from behind. Jimmy's face lit up when he saw her, Gwen! It had been almost a full year since highschool and even though Jimmy stalked her on facebook, she was way more attractive in person. Jimmy had always had a crush on Gwen but never said anything for their entire life long friendship, he was just too shy! He watched in a daze as she reached up putting her thick brown into a ponytail before stepping forward to give him a hug. She had on tight beige shorts and a light blue tank top showing off her body which had become much more curvy in the past year. It looked like instead of the freshman 15 she gained a freshman 50. She was always tiny, so the weight actually fit her well. She stepped back letting her arms drop from around Jimmy as Alexia stepped out from behind him. She hadn't changed a bit.

Gwen

Alexia

Alexia was your average Valley girl, her family was loaded and she never let that fact be a secret. All their lives she had the most expensive and newest clothes and gadgets, cars, jewelery, anything she wanted. She could be a bit much at times but they had known her so long that they were used to the attitude. Alexia had also gotten a bit curvy in the first year of college but it was hard to tell. She had on a tight pair of pink gymshark leggings and a t-shirt for a metal band that Jimmy was sure she had never ever listened to! The shirt was cut up

and it was clear she did it on her own with scissors. Both girls dropped their bags and took a seat by the chair Jimmy was in.

“How was the flight?” Jimmy asked

“Ugh! It would've been fine! **IF SOMEONE**... wasn't farting up a fucking storm!” Gwen said with a smile and a nod towards Alexia!

“**I TOLD YOU THAT WASN'T ME! IT WAS THAT GUY!**” Alexia said at full volume and pointed to an overweight man leaving their gate.

“**SHHHHH!** Don't point!!!!” Gwen said while grabbing Alexia's hands and pushing them into her lap!

“What about you Jimbo? How was your flight?” Alexia asked while kicking her feet up over Gwen and into Jimmy's lap. Gwen pushed her legs down almost instantly!

“It was alright, I slept the whole way! Where's Phil? Wasn't he flying in with you two?” Jimmy asked

“Oh you didn't get my text? I sent it right before we got on the plane!” Alexia took out her phone and turned it on.

“He got in a car accident and had to stay behind, he's not coming on the trip”

“**WHAT! IS HE OKAY?**” Jimmy asked in shock

“Yeaaa, he's fine, he just really messed up his car, i feel bad” Gwen said with a frown

“**DON'T!** He drives like an animal! It was gonna happen sooner or later” Alexia said while getting up from her seat.

“I'm gonna go get some Mcdonalds before we board, do you two want anything?” Alexia asked

“**PLEASEEE DON'T!** It's such a long flight Alex! I don't wanna deal with your gas for the next 12 hours!” Gwen begged her

“**I TOLD YOU THAT WASN'T ME!**” Alexia stamped her feet!

“Last chance, free food, on the table?” Alexia asked and waited a second before turning to head towards the mcdonalds.

Jimmy's eyes drifted down to her ass like it was a magnet. She had always had a big bum but it had nearly doubled in size. Each cheek was like a sack of fat wobbling back and forth and smacking into one another. Each smack would send a small wave down her cheek and thigh which could be seen through the thin tight pants. He felt a small pinch and snapped out of his thigh as Gwen smiled at him.

“Whatcha starin at?” she asked with a smile...

“Nothing...” Jimmy said while looking down and blushing a bit.

“So how's film school been going?” Jimmy asked..

“Trying to change the topic... i see” Gwen joked and laughed a little..

“It’s been good, but eh, i don’t know” Gwen said while looking away

“What’s wrong? It was your dream to go to school out there?”

“I know, it’s just, I guess I miss my family and friends. I figured when i made new friends maybe the homesick feeling would go away, but... i just feel like a tourist, if that makes sense?” Gwen reached into her bag for a reusable water bottle and began taking a drink...

“What about you, I figured you would be too busy at your big fancy shmancy business school to even come on this trip!?” Gwen asked with a smile.

“Business school is boring as fuck, i was thinking about this for so long, it’s just too bad about Phil”

“Yeaaaa, too bad, now you get to travel to a foreign country with two beautiful women, **OH POOR YOU!**” Gwen said while putting her hand to her forehead and falling back into Jimmy like a damsel in distress.

Alexia was heading back over with two big paper bags in her hand full of steaming hot fast food. Gwen leaned in with her hand cupped over Jimmy's ear!

"It was **TOTALLY** her ripping ass the entire flight! I could feel the vibrations in the seat!"

Gwen giggled and Jimmy laughed a bit as well while pressing his legs together and hiding his erection.

Jimmy had a fetish for farts his entire life, ever since he was young. He had only experienced a few farts to his face throughout his life and all by girlfriends and all accidents, plus they were all small almost non-existent little poofs! Over the past year of college that fart fetish had developed into an intense scat fetish, it was something he was incredibly ashamed of. He had thought about seeking therapy but then he would have to admit it to a doctor, it would be horrifyingly embarrassing. He tried to ignore the thoughts and suppress them but they only grew stronger.

"I am SOOO hungry!" Alexia said while sitting down across from Jimmy and Gwen. Jimmy could see a few college-aged guys sitting a few rows down and all checking her out very obviously.

Alexia pushed her long straight brown hair back over her shoulders before opening the bags and pulling out a greasy double cheeseburger. It was literally dripping with grease that landed on the bag in her lap. Both Jimmy and Gwen watched as she bit into the burger, chewing with her mouth open in a very unappealing manner. It was something both of them had gotten used to over the years. She was spoiled her entire life and in her parents' eyes could do no wrong but at the end of the day she was a nice girl and they both liked her. Sometimes she could be a bit much, but being her friend had its benefits.

One of the guys from the group that was looking her up and down was coming over. He brushed off his shirt and smiled as he began walking with a smooth stride. Gwen laughed and motioned to Alexia.

"Four O'clock" she said with a smile under her breath.

Alexia saw the guy coming and Jimmy smiled, he knew what was coming, he had seen her shut down guys multiple times and it was always funny. Even if the guy was great Alexia just liked putting herself above people.

"Hey, I'm Bradley, I couldn't help but notice you from over there" the guy smiled and stuck his hand out to shake hers

Alexia without even looking up grabbed a napkin from her bag, swiftly wiped the grease and ketchup from her lips and then crumpled up the napkin placing it in his hand. The guy stood there in slight shock as Alexia crossed one of her thick-toned legs over the other and began ripping into another burger. With a full mouth she looked up to him and rolled her eyes...

"Can't you see I'm eating? What do you want? A tip?" she asked with food falling from her mouth

"I uhhh, just wanted to introduce myself" the guy stammered a bit

"YEAAAHH, at a layover at an airport, what do you want? Me to blow you in the bathroom? GET OUT OF HERE YOU LIMP DICK MOTHER FUCKER!" Alexia screamed as everyone

in the area turned to look, the guy hung his head and began speed walking back to his friends as they cackled and laughed.

“Is that fun? For you?” Gwen asked with a smile

“Guys are dogs! Am i right?” Alexia asked looking at Jimmy... He nodded knowing better than to disagree with her.

“Now boarding Flight 408 to Brazil” said the soft voice of a flight attendant over the loudspeaker.

“**OOH THAT’S US!**” Gwen said while popping up and throwing her carry-on bag over her shoulder. Jimmy looked over and saw her big fat bum, the beige khaki shorts were literally being eaten by her cheeks. She reached back with two fingers picking the material from her crack before grabbing Jimmy to pull him up.

“Alexia, come on!” Gwen rushed her!

“Relax! We have lots of time!” Alexia said while stuffing her face with a handful of fries and taking a big sip of her coke.

Gwen nervously paced back and forth as Alexia finished eating, stuffing the last few burgers and fries into her face and then leaving all the trash on the empty seat beside her. She wiped her greasy hands on her leggings before reaching up for Jimmy to help her up. He took her hands and could still feel a layer of grease on them. He gripped her soft palms and pulled her up into him, Alexia smiled and then opened her mouth wide.

UUUURRRRRRRPPPP BRRHHURRUU

Jimmy stepped back fanning his nose as Alexia laughed and grabbed her two carry on bags. She tossed the larger and heavier one to Jimmy while putting the other over her shoulder and onto her back.

“What’s wrong? I saw you watching me eat so i thought i’d share some of the food with you!” Alexia laughed

“**CAN YOU TWO STOP MESSING AROUND!** We’re gonna miss the flight!” Gwen paced back and forth a bit.

“Alright, calm down girl, let’s go” Alexia hooked her arm around Gwens and began walking as Jimmy ran a bit to catch up.

“I can’t believe we are going to Africa for a week!” Gwen said while hopping a bit

“You’re gonna love the place! It’s a literal palace! My dad bought the land in Madagascar years ago for next to nothing, and then it turned out to be an oil reserve! It’s almost like some people are meant to be wealthy!” Alexia said in a very haughty tone.

“I can’t thank you enough for this Alexia, i could never afford this on my own” Jimmy said with a smile

shimmying by him and Gwen before running to the bathroom. His heart was racing, he looked over to Gwen who was still deep asleep and then over to Alexia's cushioned plane seat. Slowly he leaned down, he could already feel the heat. His nose was an inch from the seat and the odor was so strong he wanted to cry. It was like he was sniffing her asshole. Jimmy pinched his eyes closed to clear the watery tears before pressing his nose to the seat and sniffing deep. Every molecule of his body was frozen in pleasure as he huffed the shit straight from the material, it was so thick. He could smell the beef and cheese, it was so wet, so bitter! He moaned and sniffed harder, rubbing his nose up and down to try and find the most potent spot.

"What are you doing?" Gwen asked in a sleepy voice as Jimmy shot up like a bullet! Gwen had to push herself over to not smack heads with him..

"WHOA..." Gwen said while rubbing her eyes...

"What were you doing?"

"Oh, i uh... i dropped my phone" Jimmy said while reaching down with his phone in his hand and pretending to find it.

"Here it is" he held it up and smiled.

Gwen fanned her nose and then groaned...

"Alexia is in the bathroom?" Gwen asked, Jimmy nodded...

Alexia came walking back and pushed by both of their legs to get into her seat. She dropped back hard with an exasperated sigh and groaned.

"I can't use airplane bathrooms, i'm gonna wait until we get to my family's estate!" She said while taking out her phone and putting her headphones on.

The flight from Florida to Brazil's national airport went by in a flash but that was just preparation for the real one. As soon as they landed all three of them had to rush to the next gate to make their flight to Africa, it was a 12 hour flight and no one was looking forward to it. As soon as they boarded and sat down Jimmy began to tap his leg nervously. Gwen looked over and noticed as she reached into her carry on and pulled out a bottle of sleeping pills. She popped two into her hand and passed them over to him with a smile.

"Take these, you'll be out cold and then before you know it we will be back on the ground!"

Gwen smiled and handed him her bottle of water.

Jimmy took the pills and swallowed some water. He put his head back and closed his eyes. The plane began to take off and then everything went dark as he drifted into a deep drug induced sleep.

PART 2

“Jimmy...JIMMY.... WAKE UP” Jimmy reached up to rub his eyes as Gwen shook him by the shoulders.

“Where are we?” Jimmy asked in a sleepy tone

“Where here! Come on!” Alexia rushed him as she held one hand to her stomach with a clear look of pain on her face.

The three of them grabbed their carry on bags and walked down the metal stairs that had been pulled up to the plane, the first thing Jimmy and Gwen noticed was the heat, it was almost unbearably hot!. All the passengers exited onto the runway and walked to the building with the customs agent but Alexia led them the opposite direction. There was a large black limo with a driver standing outside and a young African man dressed in a traditional servants attire with black pants and a white button up shirt.

“**ABEEKU!**” Alexia yelled as she ran up like she was about to hug the man but then stopped and threw her bag at his feet!

Jimmy and Gwen both walked up. Jimmy was still sleepy but he could see a look of fear and horror in the young man’s eyes. It looked like he was about to cry and held his gaze to the ground, avoiding to look at Alexia.

“**GUYS...** this is one of the slaves... i mean...”servants” i told you about” Alexia said with her hands on her hips.

“**PUT THE BAGS IN THE LIMO, NOW!**” she screamed at the young man so abruptly that both Jimmy and Gwen jumped a bit. The young black man took Alexia’s bags and began loading them in the trunk. He ran over to grab Gwen’s as she smiled and thanked him very kindly. Jimmy walked behind the car and put his own bag in the trunk before the man could grab it, he felt bad enough. Jimmy knew how bitchy Alexia could be and knew how rough it must be for the staff at her mansion.

The ride to Firavahana was like a dream, Madagascar is beautiful! Neither Jimmy or Gwen would ever have been able to afford a trip like this on their own so both spent the entire ride staring out the window and taking pictures of the wild animals, elephants, lions and more! Alexia laid across the back limo seat like a queen sipping champagne, she had been here many times but Jimmy couldn’t imagine how the sights would get old. As they were driving the Limo had to slow down as they passed through a small military encampment. There were tons of very scary looking militia type guys with guns who eyed the limo.

“Are we safe here?” Gwen asked with a slight hesitation in her voice, Jimmy had the same feeling though.

“Yeah, guys relax, my dad wouldn’t have let us come if it wasn’t safe, like sometimes there is revolutions and all that shit, but we are safe at my estate, trust me!” Alexia said, trying to reassure them.

The driver of the Limo talked with the soldiers for a minute before it continued on the way. Within twenty minutes they pulled through the gates to Alexia’s family’s Madagascar estate and both Jimmy and Gwen were in utter shock. The place was with no exaggeration a literal palace. From the front they could see it was four stories with huge marble stone pillars in the front. Balconies came from the front of all the top floor windows and the doors were open to let fresh air in. The entire place was surrounded by a huge wall and large iron gate that closed securely behind them as the Limo drove in.

“I told you, you two are gonna love it here!” Alexia said with a smile

As soon as the limo came to a stop, the young black servant sprinted to the back door opening it for Alexia to get out. Jimmy and Gwen followed her and saw a crew of staff was already taking their bags inside without even asking them.

“You are royalty here, so get used to it” Alexia said to her friends, noticing the culture shock they were experiencing.

“**ABEEKU!**” Alexia yelled at the top of her lungs making both Jimmy and Gwen jump again.

The young man closed the Limo door and then got to his hands and knees before Alexia
“Yes Miss Alexia” He said in an obedient tone.

“It’s been a long flight, I need to use the restroom, bring me there” Alexia said in a very spoiled and strict tone while stepping over the man with one leg on either side of his head. She dropped her full weight onto his back and both Jimmy and Gwen could see him flinch in pain.

“Yes Miss Alexia” the man said while looking down and blushing, it was easy to see he was humiliated and did not want to be doing this.

Slowly he began trying to raise to his feet with Alexia seated heavily on top of him. She was by no means fat but also not skinny or light, she had a fair amount of fat on her which had only increased over her first year at college. She stayed seated on him like a queen as he unsteadily rose, keeping his back bent at a ninety degree angle and Alexia seated on top like he was a horse. Jimmy could see his entire body shaking and trembling as he struggled to support her, the man was thin, even skinnier than himself.

“Alexia! Just walk! Please!” Gwen begged her as Alexia laughed

“Were on vacation Gwen!” Alexia said as Abeeku carried her inside like a broken horse. All the staff averted the man’s eyes as he carried Alexia up the main stairway, grunting in pain with each step. Within a minute they disappeared around the corner, Gwen put her palm to her face and began apologizing to the staff around for Alexia’s display of attitude but they seemed used to it. An older black woman walked up to both of them and bowed before speaking.

“Please follow me and i will show you to your rooms!”

“Thank you” Gwen smiled at her as both of them walked in behind her.

The place was enormous and the inside was like a castle, the walls were covered in huge massive murals, all the side tables had very large and expensive looking decorative vases. The floor was marble and covered with a red carpet that ran throughout the hallways like you would see for royalty. Neither of them knew that Alexia’s family was so wealthy. As they passed the back they could see a huge pool that stretched a quarter mile, it was astounding! They walked upstairs and the older woman showed them both down the hall to two opposite doors.

“The guest rooms” she said while motioning to the rooms

“If you need anything else please don’t hesitate to ask” she said with a bow as Gwen and Jimmy both thanked her again.

Gwen opened the door to her room and then looked back to Jimmy with her mouth open.

She then mouthed the words silently “**OH MY GOD**” before waving for Jimmy to follow her.

MY FAMILY OWNS YOU! AND NOTHING THAT GETS SAID IN THE ESTATE GOES BY ME! UNDERSTAND!?” Alexia yelled so loud that Jimmy could hear clearly from the otherside of the door.

“MPPPPHHH MPHPHHHH” Abeeku cried with his mouthful, he sounded like he was in such pain.

“Good... now swallow and make room for more, i have at least ten more mouthfuls for you! It’s been a year since i have visited so i had doubles at the airport! I figured you could use a good home cooked meal, isn’t that right?” Alexia asked while laughing to herself

“ISN’T THAT RIGHT???” she screamed again when there was no answer..

“MPPPHHHH”

Jimmy slowly pushed open the door just a bit, barely half an inch, just enough so he could see inside. He almost screamed when his vision narrowed in on what was going on inside. Abeeku was on his back, his head inside of a clear plastic bag. The bag was attached to the bottom of a toilet with Alexia sitting on top. The wave of odor that hit Jimmy was so thick that he wanted to puke but he held his breath not wanting to give away his position. The inside of the bag was caked in liquid brown shit, it was smeared all over the sides and ran down to a thick liquid pool of shit that surrounded Abeeku’s face.

Jimmy watched as a thick sausage like log came crackling out from Alexia's big ass, it slid across the man's face before plopping into the shit and sending the pool up and over his face. Immediately he began choking down her feces, Alexia lifted her feet, putting both of them down on his chest and pushing as he tried to eat. Her soles pressed into his ribs as she dragged her toes up and down, groaning and rubbing her stomach.

Abeeku was flailing, his body shaking as he gulped down the thick shit. Jimmy could see him crying as his face bobbed up above the shit, his mouth could be seen packed with sticky hard feces. Just as he had eaten enough to take a small breath, Alexia grunted again letting a wave of yellow shit down, the inside of the bag splattered with diarrhea as Jimmy gasped in shock, she was going to kill him....

"What are you doing?" Gwen asked as Jimmy fell back and slammed the bathroom door hard by accident!

"Quick! Let's go!" Jimmy grabbed Gwen and began rushing down the hall back to their bedrooms.

"What's wrong with you?" Gwen laughed and began prodding at Jimmy's sides.

"It's like you just saw a ghost!" Gwen laughed and made fun of Jimmy as he went inside his room and quickly got his bathing suit on.

PART 3

Gwen swam around in the pool splashing water on Jimmy who sat by the side with his head in his hands, trying to shake what he had just seen from his mind. He still wasn't convinced it was real, should he even say anything to Gwen? He was sure she couldn't handle it.

“What’s gotten into you” Gwen said while splashing some more water at Jimmy’s feet

“I don’t know, ... i.....just....”

“**YOOHOO**” Alexia said loudly as she came walking out in a very revealing two piece bikini!

Both Gwen and Jimmy turned to look, Jimmy couldn’t help but notice how much smaller her stomach was, it was like she had lost ten pounds! She walked over right beside Jimmy sitting by the side of the pool and turned with her big butt facing him!

“How does my ass look?” she said while shaking her butt back and forth, Jimmy turned away from her massive jiggling cheeks, all he could see was the pounds of shit coming down, he reached down and pressed his dick to his thigh while closing his legs.

Alexia hopped into the pool and dunked her head, coming up like a model in a shampoo commercial running her hands down hair.

“sooo are you two hungry?” Alexia asked with a smile, Before either of them could answer she yelled at the top of her lungs..

“ABEEKU!”

Jimmy looked up to see a very sickly and pale looking Abeeku standing by the doors to the house. He had a defeated look in his eyes but his hands were gripped into tight fists like he was restraining his anger, holding back.

“BRING US THREE BOWLS OF ICE CREAM...CHOCOLATE ICE CREAM, WITH NUTS”

Alexia yelled to the black servant with an evil smile. Only her Jimmy and Abeeku understood how humiliating the order was as Gwen splashed around in the pool innocently.

“You should really speak more nicely to people you know,” Gwen said while splashing Alexia a bit.

“Hey! They are my property and I can do what I want with them!” Alexia said back

“THEY AREN'T PROPERTY!” Gwen shouted at her a bit frustrated!

“WELL, HERE, THEY ARE!” Alexia shouted back!

“Sooner or later this kind of treatment of others is gonna come back and bite you in your big ass you know!” Gwen splashed her friend, trying to diffuse the situation but also taking a jab at her.

“Well, when that day comes, I will do what i always do, throw money at it!” Alexia smiled and both Jimmy and Gwen knew she was serious.

Abeeku came walking back over with a tray, on it sat three white bowls all filled with creamy thick chocolate ice cream. He couldn't help but remember her shit with how much the dessert resembled it. As Abeeku got close he could see that he was trying to hold back, he was going to be sick. Jimmy actually got up and moved out of the way from fear that he may explode vomit and shit all over him.

“Ooooh perfect! I am starving!” Alexia swam to the side of the pool and grabbed a bowl. She took a big spoonful of ice cream out and brought it to her lips, sucking it down and closing her eyes.

“Mmmmmmmmm **THAT IS SO GOOD**” She said with a smile while getting another spoonful.

“Do you want some Abeeku?” Alexia asked but he quickly turned and began walking away, his fists still clenched tight in anger.

Gwen grabbed a bowl of ice cream and was about to eat when Jimmy stopped her.

“What?” she asked

“I just have a bad feeling” Jimmy said quietly as Alexia inhaled the ice cream.

“Don’t be such a nervous nelly!” Gwen said with a smile as she began to eat.

All of them were pretty tired so after the swim they all dried off and went to their rooms for a quick rest. Jimmy laid on the bed on top of the sheets staring at the roof, he couldn’t sleep, not after what he had experienced today. Alexia, he has known her all of his life, he knew she was spoiled, he knew she saw herself as above others, but he had no idea she could use someone as a toilet... he had wanted that, for so long, but actually seeing it, smelling it,

hearing it, Jimmy was positive he would not be able to eat shit, even if he had to, he doubted he could get it down. He started to feel sick just thinking of Alexia's fart fumes as he got up and walked to his balcony for fresh air. Jimmy's balcony overlooked the front of the estate and right away he noticed a long line of trucks with torches coming down the road. It was night now and they stood out from miles away. He watched nervously as they approached the front gates of the estate. The guard began speaking to the militia and then he opened the gates. Vans stormed in as tons of men with guns began jumping out and running in the front doors.

"OH SHIT!" Jimmy said out loud as he sprinted over to Gwen's room. He kicked open the door and saw her passed out on the bed.

"GWEN, GET UP, GET UP!" Jimmy shook her hard, trying to wake her but she was out cold!

"FUCK, THE ICE CREAM!" Jimmy shouted out loud, it must have been drugged!

Jimmy tried his best to lift Gwen's dead weight, she was again, not fat but also not skinny. Her weight was much too heavy for Jimmy to carry and he only managed to drag her to the side of the bed. He could hear the men running down the halls and kicking open doors so he quickly got under the bed. Gwen's doors exploded open and two large men grabbed her by the hands and feet, together they carried her out. The men began looking around Jimmy's room as he held his breath, his heart racing. Suddenly he felt hands on his feet as someone pulled him out from Gwen's bed. He turned just in time before the man hit him in the head with the butt of his gun knocking him unconscious

---- ---- ---- ---- ----

"Jimmy... Jimmy... wake up!" Gwen said while shaking him lightly.

Jimmy suddenly began to choke as a blast of freezing cold water hit him in the face! It went up his nose and into his lungs as he sat up quick and began choking up water!

"WHAT THE HELL! STOP IT!" Gwen yelled to a laughing guard.

Jimmy slowly sat up and began looking around. He was on the floor in a concrete jail cell in some sort of decrepit looking basement. It was dark but just light enough to see the two guards at the far end of the room, both with guns. He looked to his left and saw Gwen, still in her bikini and crying as she held onto him. To his right was Alexia, also in her bikini, sitting and crying as she covered her face with her hands. The cell was almost 6 feet by 6 feet, just large enough for them all to sit side by side without touching.

The metal door at the far end of the room opened and Abeeku walked in now dressed in a military uniform and with a gun. Alexia looked up and immediately jumped to her feet grabbing onto the bars of the jail cell.

“ABEEKU! GET ME OUT OF HERE! RIGHT NOW!” She yelled like she was still in charge. He walked to the cell inches from her and spat on the floor by her feet, she had to jump back for it not to hit her and gasped as his disrespect!

“WHAT’S GOING ON???” Alexia screamed as she began to cry!

“We are holding you for ransom” someone said from the shadows as he slowly stepped forward. The man was much older with a military jacket covered in patches. He had a large scar across his dark skin and a terrifying look in his eyes.

“Your family will pay us 50 million dollars, we will keep you here until they do, so get comfortable” he said while turning around and placing a hand on Abeeku’s shoulder.

“Watch these filthy americans!” the older man said before leaving the room followed by the other two guards leaving Abeeku alone. The door closed hard and echoed in the cold empty basement.

“ABEEKU! HOW COULD YOU DO THIS TO ME!” Alexia cried as she stepped forward holding the jail cell bars!

“How could i do this? **HOW COULD I DO THIS? YOU USE ME AS A TOILET! FORCE ME TO EAT FECES! YOU ARE THE DEFINITION OF SPOILED AMERICAN!**” he shouted at Alexia’s face!

“SHE DID WHAT?” Gwen shouted half in shock and half in anger!

“YOU TREAT US LIKE OBJECTS!” Abeeku shouted at her as he turned around and walked back towards the door.

“LET ME OUT OF HERE NOW!” Alexia shouted again, demanding with her eyes full of tears!

“We will, when we get the 50 million dollars! Abeeku said with his back turned.

“My family doesn’t have that kind of money!” Alexia whimpered...

“We will see,” Abeeku said as he closed the door, he could be heard sitting down just on the other side.

“What are we going to do?” Jimmy asked out loud, thinking out loud and not expecting a response.

Gwen got up and walked over to Alexia, she was holding in her emotions.

“Alexia, your dad is gonna get us out of this right? He’s gonna pay them? Right?” She asked again and again...

“I... i don’t know.. He’s been having Money troubles, I begged him to let us come on this trip” Alexia looked down at her feet as she slowly sat down on the cold concrete floor with Jimmy.

“WHAT ARE WE GONNA DO?” Gwen shouted!

Bbbbbbbbbbbbbbbbbbbbbbbbbbbbbbbbbfrttttttt bfrttttt

A sharp wet splatter of gas echoed in the jail cell as both Jimmy and Gwen turned to one another before looking over to Alexia. She was holding her stomach and leaning to one side with her fat ass cheek raised from the cold concrete. The odor hit them immediately, dairy, chocolate, it was bitter and sour, Jimmy could taste the ice cream on the tip of his tongue and began gagging hard, he had to lean forward and cup his hands to his mouth to keep himself from throwing up and Gwen did the same.

“Sorry, i get really gassy when I'm nervous” Alexia blushed and hid her face as she spoke. The odor was so strong in the damp basement that it even bothered her a bit.

“Where are we supposed to go to the bathroom?” Gwen asked as they all looked around with a horrible realization.

PART 4

Alexia groaned and held her hands around the sides of her bloated stomach, the loud bubbling gurgles could be heard easily across the entire basement. Jimmy and Gwen both sat with their knees up to their chests, trying to stay warm and calm as they too in the situation, they had been here for four hours now. This was a nightmare, things couldn't possibly be worse, or so they thought...

Jimmy looked over to Gwen, he could see she was trying hard to keep her composure and not break down but she was on the edge. Tears dripped from her eyes as she took deep breath in through her nose and out through her mouth. Alexia was the complete opposite, alternating between screaming and shaking the bars of the jail cell and screaming in a fit of rage while crying at the top of her lungs. Jimmy reached over and put a hand onto Gwen's back trying to comfort her, she looked up to him with a very frightened stare, they were both unsure of what the future held.

“LET ME OUT LET ME OUT LET ME OUT! AHHHH HEY! ARE YOU LISTENING TO ME!!!!” Alexia screamed at the locked metal door across the room while shaking the metal cage bars as hard as she could.

“Alexia.. **ALEXIA!**” Gwen yelled as Alexia stopped and looked down to her sitting on the floor..

“You're not helping! Just try to relax!” Gwen said in a soft voice

“Relax? RELAX?!?!? HOW CAN I RELAX WHEN IM BEING TREATED LIKE A FUCKING PEASENT! I WANT A DRINK! I WANT A DRINK!” Alexia screamed over and over like a child as both Jimmy and Gwen covered their ears.

The metal door opened with a loud clang as Abeeku came walking over..

“Oh Perfect, Abeeku, Bring me something to drink” Alexia ordered like she was still in control Both Jimmy and Gwen gave each other a worried look while waiting on the response.

“You still think you can order me around?” Abeeku asked while laughing

“I said...I'M THIRSTY! NOW BRING ME A DRINK ABEEKU! RIGHT NOW! OR I SWEAR, I'LL”

“YOU'LL WHAT?” He shouted back, cutting her off very abruptly.

“You're thirsty!? Here” Abeeku horked up a big wad of spit and then spat it onto the cement ground right at Alexia's feet. She jumped back and held her hand over her mouth in shock at such an act of disobedience.

Abeeku walked across the room, the metal door opened as he approached it and another soldier passed him two dirty bowls. Abeeku walked back to the cage and then placed both bowls onto the ground, roughly sliding them inside. Jimmy, Gwen and Alexia all looked down, it looked like a very gross and dirty Chili, there were bits of root in it that looked more like wet wood.

“What is this?” Alexia asked with a look of disgust...

“Breakfast... Lunch... and Dinner!” Abeeku said with a smile as he turned around and began heading out of the room.

“WHAT! THIS IS ALL THE FOOD! THERE IS ONLY TWO BOWLS AND THERE'S THREE OF US! YOU FORGOT ONE” Alexia shouted in shock.

“No I did not” Abeeku said with a cruel smile as he slammed the metal door leaving them alone once again.

“This can't be happening! How are we supposed to survive on so little food?? I swear when we get out of here, i'll make sure that they pay for this! There is no way these dirty filthy poor pieces of

“ALEXIA! ENOUGH! STOP IT! YOU TREATING THEM LIKE THIS IS THE WHOLE REASON WE ARE IN THIS SITUATION IN THE FIRST PLACE! JUST SIT DOWN, SHUT UP AND TRY TO DO WHAT THEY SAY, THEN MAYBE WE WILL GET THROUGH THIS ALIVE!” Gwen yelled with a red face in a fit of anger! Jimmy sat in silence not sure what to do or say..

Alexia began to blush as she bent down and picked up one of the bowls of chili. She walked to the back wall of the jail cell and leaned against it, slowly sliding down into a sitting position before greedily digging into the food.

Jimmy looked up at her with a slight of concern..

“Hey Alexia” Jimmy asked softly as she stopped eating and looked up to him

“Maybe you shouldn't eat that, it doesn't look safe and who knows what they put in it?” he said softly, trying not to anger her even further...

Almost instantly a sour wet smell washed over the cell like a wave, everyone began to choke including Alexia who usually was unaffected by her own gas. It was so thick and meaty that it was impossible to smell without breaking into tears with watering eyes. Jimmy even though he was repulsed still got a very abrupt erection which he had to hide in the waistband of his pants.

“Oh god, that is rancid” Alexia fanned her nose and then waved her arms back and forth not noticing she was pushing the smell more towards her friends.

“Maybe you should slow down and not eat so fast!” Gwen said with a hint of attitude in her tone.

“Maybe you should **MIND YOUR OWN BUSINESS!**” Alexia spat back.

“Hey, let’s all just relax, we need to stick together to get through this, it’s just a fart, we’re all adults, right?” Jimmy said, trying to break down the tension.

They all sat in silence, no one was sure what to say when the moment was cut short with a splattering explosion of gas.

Bbbbbbbbbbbbbbbbbbbbbbbbbbbfrttttttt PPPSPRT Bbppprpott PPRT

Alexia groaned in relief as she leaned back against the wall and stretched out her legs. The smell of her gas was so intense you could literally taste it. Jimmy could feel the bitter grit of her shit on the tip of his tongue from how thick it was in the air. He licked his lips and then began dry heaving hard from the taste. He heard a slight giggling and looked back to see Alexia, watching him with a smile.

Hours passed with no one coming back into the room and night slowly fell. As the sun set, the small bit of light coming in from the windows disappeared, the three prisoners were plunged into almost total darkness. Even after their eyes had adjusted to the dark they could still only see about a foot in front of their face. Gwen laid down at the far right side of the cell on the floor and Jimmy laid down right beside her. Alexia was to Jimmy’s right sitting up against the wall. She continuously complained saying she didn’t want to lay on the dirty floor no matter how much Jimmy and Gwen tried to convince her that she would need rest. Slowly Jimmy drifted off to sleep.

Jimmy dreamed of what he had seen that day, Alexia, sitting above Abeeku like a queen, he would never forget that look on her face, the smile and curl of her lips as she grunted and pushed. The massive thick slimy log slithering out across his crying face. It was horrifying to even think about how she would treat an unwilling person in such a manner. He sniffed deep, taking in the odor of the gas, it was so thick, so real, it was almost like he was right there.

Jimmy suddenly woke up as a thick warm humid wind hit his face with a shocking force. In the pitch black darkness he couldn’t make out what was happening but his eyes began to water from the overbearing heat. He was hit by a sour meaty bitter stink so powerful that his lungs actually began to twitch inside of his chest. It was inevitable, he couldn’t hold back, Jimmy dry heaved and choked hard, his face thrusting forward from the force of the cough.

His face crashed into two thick soft pillow-like surfaces but damp and covered in sweat. He pulled back, instantly knowing what it was he had crashed into just as another blast hit him square in the face.

Through the tears in his eyes Jimmy's vision began to adjust in the dark. Inches in front of his face all he could see was two thick bubbly ass cheeks with a thong tucked deep in between them. Alexia had her knees tucked up to her chest and was laying on her side in a ball, her butt aimed right at Jimmy's face! He looked down her big cheeks to see her dirty bare soles as the bitter smell of her gas soaked into his lungs. It was so potent, like sniffing directly from a freshly used toilet bowl, but Jimmy in all his depravity was aroused.

Jimmy looked over his shoulder to see Gwen behind him, sleeping soundly and shivering slightly. He felt horrible about what he was about to do but his instincts were too much, the urges too strong. He might never have an opportunity like this again, hell, they could be dead in a few days. This was a once in a lifetime opportunity and he wasn't going to waste it. Jimmy rolled back onto his side facing Alexia and slowly reached his hand down into his pants, grasping his rock hard dick. He already had a pulsing erection from the erotic dream. He took a deep and slow breath, exhaling deep before moving his head closer to Alexia's

ass crack, his nose so close he could feel the heat from her body. Jimmy pressed his nose softly between her sweaty damp ass cheeks and took a deep sniff! His eyes went wide as he held his breath trying not to choke and wake her! It was so fucking salty and sour! The bitter wet smell of shit was so powerful he could barely breathe! Jimmy pulled back a bit, choking silently as he could before slowly moving in for another sniff. As Jimmy moved his nose into Alexia's ass crack, her bare soles moved down a bit and pressed to his chest as she moaned in her sleep.

With his hand gripped around his throbbing cock he paused and froze, he was so aroused that he could have cum right then and there if he wanted but this moment had to last. Jimmy could feel her asshole pulsating on the tip of his nose and knew a fart was coming, he began to slowly sniff in just as the wet eruption began.

It was truly like nothing Jimmy has ever experienced. He could feel the muscles in her thighs and ass cheeks tensing as her puckered greasy asshole spread wide. He could feel it through the thin thong bikini as the rim of her anus scraped his nose. The brutal gas blew out with an exploding force, crawling into Jimmy's lungs deep, he could feel the warmth of her gas all the way down his throat, the burning heat, it was unreal! Alexia began rubbing her soles harder on Jimmy's chest when suddenly his eyes went wide with fear. He felt someone's hand on the back of his head. The sharp manicured nails dug into his skull and he knew instantly, it was Alexia. She pulled him, forcing his face further between her fat cheeks, almost to the point of suffocation. Jimmy's heart was beating faster than it ever had before. He reached up with shaking hands and spread her fat sweaty cheeks, using his fingers he slowly lifted the thong and held it to the side. In the darkness he could see her greasy asshole winking at him, inviting him.

Jimmy moved in quickly, wrapping his lips around her shit hole as Alexia moaned deeply. Jimmy was hit by a world of earthy bitter flavors, it was so wet and salty, so sour, he had never anticipated shit to taste this way, he thought it would be... worse? He licked around her asshole feeling the hairs with his tongue and scraping up the bitter sticky shit as Alexia moaned loudly slowly getting more and more high pitch.

"Brace yourself" Alexia said softly..

"Mpppph?" Jimmy asked with his face still submerged in her ass cheeks and his mouth around her asshole.

“Mpppph mppppph” Jimmy groaned and held onto her cheeks trying to stop her weight from crushing his head. She was sitting so heavy and on the concrete floor it felt like his head may explode! He pressed his tongue flat and softly rested it against Alexia’s asshole trying to signal to her that he didn’t want to continue.

“Oh no, sorry Jimmy, no backing out now, you’re already strapped in!” Alexia said in a very animated and fake tone while applying more of her weight to Jimmy’s skull.

Jimmy grunted and almost cried as she pressed down, it felt like his jaw was about to crack off with how heavily she was sitting. Her anus began to spread wide as it pushed outwards and let loose right in his throat. He reached up in a panic, digging his fingers into the fat on her cheeks but she didn’t react at all. The burning gas rushed down Jimmy’s throat like liquid fire, he could feel it building up in his stomach before he choked and burped, forcing the hot fumes out his nose! He began to cry, the smell was so sour and burning warm, he couldn’t even make out what it smelled like, it just hurt! Alexia moaned above him as the fart fizzled out and ended with a dep wet splatter filling Jimmy’s mouth with hot sticky feces!

Jimmy’s eyes went wide as he grabbed her ass and pushed hard, so hard that he lifted Alexia off of him a few inches. His arms gave out and he dropped her down back onto his face as she laughed and giggled!

“Aw what happened, did you bite off more than you could chew? Eyes bigger than your stomach?” Alexia asked while wiggling her big ass on his face.

Jimmy cried as her sticky shit sunk over his tongue, dripping into the back of his throat. He knew in that moment that this was all just a fantasy for him, he didn’t like shit, he didn’t even know if he still liked fart. He could feel the hot bitter feces leaking down into the back of his throat in chunks and started to gag.

“You better not puke!” Alexia said in a dominant tone before pushing herself up and off of him.

Jimmy instantly crawled to the far corner of the cage and began choking, spitting up her shit all over the floor. It was barely a mouthful but way more than he could handle. His eyes dripped with tears as he dry heaved and choked hard, trying to be quiet and not wake Gwen.

“THAT’S DISGUSTING!” Alexia yelled!

“Shhhhh!” Jimmy shushed her!

“CLEAN THAT UP! NOW!” Alexia yelled like a spoiled kid!

Jimmy in a panic took off his shirt and used it to scoop up the feces. Once he cleaned the floor he rolled the shirt in a ball and tossed it to the far end of the room through the jail cell bars. When he was done he looked back and could see Alexia plugging her nose in the darkness.

PART 5

Jimmy fell asleep quickly feeling sick and disgusted with himself. He could hear Alexia snoring in the darkness and deeply regret what he had done with her. When the sun came up all three of them woke up around the same time. It was cold and damp, they were all sore and very hungry. No one was in a good mood.

Both Jimmy and Gwen sat against the back all resting as Alexia paced back and forth at the front of the cell in her two piece bikini, shouting for the guards!

**“HELLO, I'M TALKING TO YOU! ANSWER ME YOU DIRTY PEASANTS!
HEEEELOOOOOO SOMEONE IS CALLING YOU, ANSWER ME IDIOTS!”**

Eventually the door opened and Abeeku came walking in.

“What?” he asked with a scowl

“Oh thank god you're here!” Alexia held onto the jail cell bars and waved Abeeku over. He walked over to her.

Alexia whispered to him but loud enough for everyone in the room to hear!

“I have to go to the bathroom, are you hungry? Huh, little doggy?” Alexia smiled while holding the cell bars.

“YOU DISGUSTING BITCH! I AM NOT YOUR TOILET!” Abeeku yelled and than stepped back

“The only reason i ever did those things is because **YOU** forced me to!”

“but...Abeeku... you used to call me Goddess!” Alexia sounded like she was about to cry!

“Haha! You!? **A GODDESS?** You are **FAT...WHITE..AMERICAN TRASH!**” Abeeku turned and began to leave the room as Alexia yelled to him...

“WHERE AM I SUPPOSED TO SHIT?? ON THE FLOOR? LIKE AN ANIMAL?”

Abeeku smiled as he turned around and slammed the metal door closed behind him.

The room was silent until Gwen finally spoke up...

“Alexia... did you really use your servants here as toilets?” Gwen asked with a hint of disgust..

“Don't speak to me like that!!!” Alexia said in a bitchy tone!

“Excuse me??” Gwen asked.

“THE ONLY REASON YOU TWO COULD AFFORD TO COME HERE IS BECAUSE OF ME! YOU SHOULD BE KISSING MY FUCKING ASS! WATCH YOUR ATTITUDE!” Alexia shouted in anger!

“EXACTLY! THE ONLY REASON WE'RE HERE, IN A JAIL CELL! IS BECAUSE OF YOU! TREATING PEOPLE LIKE OBJECTS!” Gwen shouted back.

“PEOPLE ARE OBJECTS! OH MY GOD! YOUR SO ANNOYING GWEN! EVEN YOU AND JIMMY ARE OBJECTS TO ME! MY FATHER IS GONNA HAVE TO PAY TO GET US OUT OF THIS SITUATION AND IF I TELL HIM TO HE WILL LEAVE YOU HERE! DADDY DOES WHATEVER I SAY! SO WATCH HOW YOU SPEAK TO YOUR SUPERIORS!”

Alexia shouted at Gwen as she stepped forward with her hands on her hips

“Maybe we should all take a deep breath and calm down?” Jimmy asked in a neutral tone trying to ease the tension.

“**SHUT THE FUCK UP JIMMY!**” Alexia shouted as she reeled back her hand and delivered a devastating slap to the side of his face, knocking him to the ground. Gwen cupped her hands over her mouth and gasped!

“**HOW COULD YOU DO THAT!**” Gwen shouted as she got down to the ground and tried to help Jimmy up! Alexia stood there laughing...

“DON’T TOUCH HIM!” Gwen shouted as Alexia suddenly paused, Jimmy saw the glare in her eyes as she got an idea and he knew it was going to be just terrible.

“Hey Jimmy, lay down,” Alexia said with a smile..

“WHY... WHAT ARE YOU GONNA DO?” Gwen shouted almost on the verge of tears..

“I’m gonna use his mouth as a toilet, like it was meant to be!” Alexia said with a big grin.

Gwen was in too much shock to even respond...

Jimmy slowly began backing up towards the wall on his butt, pushing himself further away from Alexia as she laughed and stepped forward.

“If you resist, maybe I will tell my dad to leave you here, he will, if I tell him to,” Alexia said softly while looking down at Jimmy.

“YOUR SICK!” Gwen shouted as Alexia laughed..

“What are we supposed to do, shit on the floor?” Alexia asked

“WE??? I’M NOT GONNA SHIT IN SOMEONE’S MOUTH!” Gwen shouted...

“We’ll see” Alexia said as she placed her dirty bare sole onto Jimmy’s chest and pointed at the floor with her manicured finger!

“Lay down!” she said in a strict tone..

Jimmy was shaking, his dick was so hard and erect, he was disgusted with himself and scared at the same time. He knew he couldn’t do this, he was barely even able to manage a small mouthful. He didn’t want to do this in front of Gwen, he knew if he did his chances of being with her would be over, but something pulled him forward, like a magnet. He couldn’t help himself as he got onto his back on the concrete floor. Alexia stood over him with her big foot on his ribs. Gwen cried to his left...

“Jimmy! You don’t need to do this!” Gwen whimpered as she watched...

“He wants to! Because he knows I am better than him! I’m rich and that puts me above the two of you!” Alexia said casually as she pulled down her thong bikini bottoms and kicked them aside with one foot.

Alexia stepped over Jimmy’s face and looked back over her shoulder into his eyes as she slowly jiggled her bit wobbly ass!

“What are you Jimmy?” she asked with a smile..

He hesitated to respond...

“A toilet” he said quietly while blushing, he could feel Gwen staring in shock but couldn’t make eye contact with her.

“And what am i?” Alexia asked as she began to crouch, he could see her dark puckered asshole spreading as she held onto her fat cheeks keeping them spread wide.

“A Goddess” Jimmy said while crying.

Jimmy was terrified, he knew what was coming and knew he wouldn't be able to take it. He had known Alexia all of his life and dreamed of being under her ass more times than he could remember, but this, it was all too real. He had dreamed of tasting shit, being forced to be a toilet, but now, being here, he knew he couldn't do it, he knew he didn't want this! Just the taste of her morning gas was too much to handle. Each blast warmer than the last, burning the inside of his body and teasing him with what was about to come!

Jimmy pressed his flat tongue to her large gaping anus, trying desperately to stop her, maybe she would have a change of heart? Her anus pinched closed and then blew outwards shooting his tongue into the back of his throat and punishing him with a horrible odor so rancid he thought he would die right then and there. Bits of liquid shit leaked from her

asshole and dripped to his tongue, it tasted like acid! Jimmy could hear Gwen crying to his left and knew she was in pain just witnessing this. He made a vow right then that he would try his best to eat the shit, not for Alexia, but for Gwen, the least he could do is make sure she didn't need to sit with this odor for days and days. It would be too much for her, at least maybe Jimmy could survive it.

Alexia began to grunt as her anus pushed outwards and into Jimmy's mouth. There was a wet crackling as her thick log of shit pushed out into his mouth. It was so wide, at least 5 to 6 inches around in diameter but incredibly mushy and soft. The moment it hit his mouth the feces began bunching up and puffing out his cheeks! The flavor was rancid, like warn bitter dirt. There were clumps of undigested food in it and Jimmy began retching imminently! Alexia sat heavily keeping him pinned to the ground as she grunted and moaned.

"AHHHHH that was a hot one! I could feel it on the way out" Alexia said while giggling. Gwen began gagging just from the thought, Jimmy could hear her and it didn't help him in the least.

"That's just the start, better swallow quick slave" Alexia said with a hint of superiority Jimmy swallowed a big thick clump and began dry heaving, he could feel the sticky shit leaving skid marks all the way down his throat! Before he could even recover, Alexia grunted letting another load loose, filling Jimmy;s mouth with soft almost liquid shit! She moaned in relief and sat with her full weight making a tight seal and forcing some of the shit to spray from Jimmy's nose! He cried under her as the shit forced its way down into him, it was so thick, like eating hot concrete. He could feel it accumulating in his stomach like a big hot ball of fire! Alexia grunted again, pushing out another load of steamy soft shit followed by another and another and another and another. Jimmy was literally floating, he was so full, his belly bloated and stuck out like he was pregnant. Alexia moaned and massaged her stomach as she sat up straight on his face and wiggled her ass back and forth smearing feces onto him like a mask.

"Ugh, my stomach always acts up when i eat ethnic food" Alexia laughed as Gwen choked and gagged loudly..

"JUST STOP! PLEASE!" Gwen screamed.

"I'm just about done" Alexia smiled as she started to grunt. A very wet messy blast of gas blew from her asshole and into Jimmy's mouth as he cried loud. She let out a small moan as she pushed off of his stomach to raise herself up.

As soon as Alexia was up the smell escaped into the room. It was sour and thick, filling the entire space within seconds. Gwen began to gag as she turned the other direction trying to limit her exposure to the smell. Jimmy crawled to the far corner of the cell and curled up on

his side facing away from Gwen, he felt so sick, his stomach was churning and he didn't want her to see his face!

"Well, that wasn't so bad was it" Alexia said while stretching her arms above her head and laughing lightly. Both Gwen and Jimmy were too stunned to respond...

PART 6

The room was dead silent except for the sound of Alexia slurping the disgusting chili provided by the captors. Gwen sat at the far corner in a state of shock, her knees raised to her chest and her head rested down in her folded arms. She couldn't look at Alexia right now and was trying to block out the sounds of her lips smacking together as she chewed and swallowed. Every time she began to think about what she had just seen, tears began to drip from her eyes, Jimmy, she couldn't even imagine how terrible that must have been for him. Why? Why did he do that voluntarily, she couldn't wrap her mind around it.

"Are you not gonna eat?" Alexia asked, breaking the silence

Gwen looked up slowly, staring at her with anger and confusion... the tension was so thick in the air, you could practically cut it with a knife.

"Excuse me?" Gwen asked, she had heard but was unsure how to respond...

"Your chili... are you not gonna eat?" Alexia asked as she motioned to the bowl on the ground. There were baby cockroaches trying to climb the side of the bowl that Gwen smacked off.

"I'm saving it for Jimmy, he may be hungry" Gwen said before putting her face back down onto her folded arms.

"HAHAHAH ummmmmmm, i don't think he's hungry" Alexia said before cackling loud in a girlish but evil laughter. She began rubbing her slightly pudgy belly and massaging her sides...

"I made a pretty big deposit earlier, speaking of which! I may need to take another soon, this damn African chili goes right through me, i'm gonna lose so much weight, my body's gonna be amazing when i'm home!" Alexia said, more speaking to herself than anyone else.

"WHAT IS WRONG WITH YOU!" Gwen screamed as she stood up and stomped her bare feet in anger!

"What?!" Alexia asked while looking up at her friend...

"JIMMY COULD DIE! YOU COULD HAVE GIVEN HIM ANY NUMBER OF DISEASES! LOOK AT HIM!" Gwen shouted as she pointed to Jimmy, still curled up in the corner and facing away from the two women. Every few minutes he would choke and dry heave in a very unappealing manner.

“Are you kidding me?! He’ll survive, it’s just a little bit of poo... well.. It was a lot of poo”

Alexia said while laughing to herself!

“I CAN’T BELIEVE YOU!” Gwen shouted as she turned her back on Alexia and faced outwards looking out of the cell bars.

“It’s survival of the fittest, and i’ve always been on the top, that’s how i was raised, if you wanna shit on the floor like an animal, that’s your prerogative, but i don’t want to be sitting feet away from your feces until i’m freed!” Alexia said while putting her empty chili bowl onto the floor and checking her fingernails.

“What are you trying to say?” Gwen asked...

“I’m saying, that when the time comes for you to use the bathroom, you better not shit inside of this cell, or I will tell my parents to leave you here! You think i wanna smell your fucking shit all day?” Alexia asked as she laughed a little

“Well where am i supposed to go?” Gwen asked as she turned around, her face red and flushed, it was apparent she was holding it in and couldn’t much longer.

Alexia smiled and then turned her head to Jimmy, curled up in a ball in the corner.

“I COULD NEVER!” Gwen shouted in shock

“It’s not that hard, it just takes a bit of aim” Alexia said with a smile

“THAT’S NOT WHAT I MEANT!!!” Gwen shouted as a piercing sharp wet fart echoed through the damp wet basement. Gwen blushed and held her hands over her ass as her face began to go pale.

“UGH! GAWD! THAT IS FUCKING NASTY!” Alexia cried as she covered her nose and began to choke!

“YOU’VE BEEN FARTING THIS ENTIRE TIME!” Gwen yelled almost at the point of crying!

“Yeaaa, but not like that! Uh, **FUCK**, what did you eat!!!?” Alexia fanned the air in front of her and choked as she held her nose.

bbrrrrrrrrrrrrrrrrrrrrrrpsvvvvvvvvVVVVVVVVVVRTT

A very long twenty second fart leaked from Gwen sweaty unwashed ass cheeks, whirling out like a high pitched fire cracker. It splattered against the fat of each cheek before hitting the back of her Dirty bikini bottoms and painting them a bit brown. She reached back covering her ass crack as the sour rancid smell filled the jail cell. She had to go, and there was no time to spare! The fart ended with a crackle that made Alexia begin to choke just from the sound!

“Oh god! **THAT STINKS!** I don’t wanna smell your shit! **JIMMY!**” Alexia yelled!

Jimmy turned over, his face was deathly pale and he was shaking horribly. Alexia snapped her fingers and pointed to the floor at the far end where Jimmy was curled into a ball.

“LAY DOWN THERE, ON YOUR BACK” Alexia ordered and Jimmy did as she said. His eyes were puffy and red, he looked very sick.

“I....i can’t do this!” Gwen whimpered

“If you let one more of those sour ass fucking farts loose in this room, i **WILL** tell my parents to leave you here. You have always been too soft, you may be willing to sit in a pool of your own feces but **I’M NOT!!!**” Alexia shouted at the end and pointed to Jimmy laying on his back.

“YOU’RE A MONSTER!” Gwen shouted...

“Nope! I’m just better than the two of you” Gwen laughed a little under her breath in a condescending nature.

Gwen pranced back and forth on her two bare feet, trying to hold it in. her stomach was so full and bloated, she could feel the heat inside of her, the burning sensation. She knew that was going to be a horrifying shit. She would have felt bad shitting in Jimmy’s mouth on a normal day, but this, she couldn’t! He could die and she couldn’t be responsible for that! She held her stomach with both hands, she could feel it bubbling and gurgling, begging her for release. Slowly her eyes drifted to Jimmy, he was so pale, like a ghost. She could only imagine, all of Alexia’s feces, it was still inside his body. It must be pure hell. A surge of pain went through her gut as she bent over and held her sides.

“Time’s ticking Gwen” Alexia said with a smile.

Slowly Gwen began walking over to Jimmy, her sweaty feet sticking to the dirty concrete floor. She stopped right above him and looked down at his face, he was avoiding eye contact and crying. Gwen turned towards Alexia, about to interject but Alexia held up her hand and smiled.

“I know what you’re gonna ask, and the **ANSWER, IS NO!** It’s Jimmy’s mouth, or nothing!” Alexia smiled.

Gwen looked away from Jimmy and slowly undid the knots on the side of her string bikini. She slowly let the sides fall before pulling the bottom out of her thick swampy ass crack. As soon as she did she was hit with the sour bitter smell of feces. Her eyes locked onto the thick brown stain on the back ass portion of the bathing suit and immediately she started to cry harder. She had to go, she couldn’t hold it any longer, she looked back to Alexia one more time, hoping she would change her mind but the look in her eyes, anticipation, it was like she wanted Gwen to hurt Jimmy.

Slowly Gwen stepped over Jimmy’s skinny shaking body and began to squat over his face. She could already feel her asshole twitching, trying to release the avalanche of shit that was inside. She let out a small whimper and moan as she felt his hot breath on her asshole, a

Gwen's stomach pushed, regardless if she was ready, it was coming out. She began to cry as Jimmy choked under her, she wanted to give him more time, she wanted to make this easy, but the pain was too great. A selfish urge of survival came over her, it was either this, or she would be trapped here!

Gwen let loose and her asshole spread wide. She could feel the thick massive log of steaming shit rushing out of her asshole and into Jimmy's mouth! It burned worse than any shit she had ever taken in her entire life and she had produced some room clearing movements. She looked down and she could see his throat stretching as the massive log snaked into his body. Her asshole pinched closed, breaking off the monster two foot long

turd as it slid quickly down into his stomach. She watched it travel down as his throat shrank in size after it passed. He reached up with sweaty cold palms and grabbed her ass, trying to lift her, he needed relief but Gwen was far from done.

She grunted hard, her stomach bubbling as the last half of the massive thick turd began to emerge. It was so fucking hot, it actually burned her asshole so she pushed hard to let it pass! Jimmy began to scream under her as his hands dug into her ass fat, she watched his throat swell up as the shit gathered inside of him before covering her eyes and crying. It was too horrifying to watch.

“Ah ahhh ahhh ahh ahhh” Gwen could hear a faint panting and moaning. She slowly turned to the side only to see Alexia with one hand under her bikini bottoms. It took Gwen a second to realize what she was doing. Her eyes drifted down and she saw Alexia, sliding two fingers in and out of her goey pussy as she watched Gwen using Jimmy.

Gwen gasped in shock as a sharp wet fart left her asshole and filled Jimmy’s mouth with wet shit! He reached up and began clawing at her ass as it filled his mouth,

“Wh...what.....what....are you...doing?” Gwen asked as she gasped in shock!

“Enjoying myself! There’s nothing to do here! Now stop talking and finish!” Alexia said with a smile as she leaned back against the bars and continued to finger herself.

Gwen turned her face away and closed her eyes, this was horrible! A nightmare! She lifted up for a split second to allow Jimmy a small breath, as soon as she was up he let the most horrific sounding wet splattering choke loose. Gwen slammed back down, her stomach churning in pain as she pushed hard letting another thick monster turd slide out. It was soft and burning hot but solid enough to stay in one piece as it traveled down his throat.

Gwen wanted to give Jimmy a break but it was so hard to hold back. She could feel his face between her fat sweaty cheeks, struggling to keep up with her but holding back was almost impossible. As soon as the last turd had slid down his throat, she pushed hard and filled his cheeks with liquid diarrhea! Her hands came up as she covered her face and cried trying not to think about how horrible it must be!

“Oh fuck! That’s nasty!” Alexia said between moaning

“**SHUT UP!**” Gwen yelled before leaning forward in pain and groaning as another liquid blast rushed out of her asshole. Jimmy’s mouth was full, he hadn’t swallowed yet, as Gwen pushed, all of the liquid shit came shooting out of his nose, filling her ass crack and then

“See it feels good, right?” Alexia asked

Gwen gasped as Jimmy’s tongue popped out of her shitty asshole and then his hands released from her cheeks letting them clap together. Slowly he crawled to the other side of the jail cell, laying on his side and choking beside the shitty pair of pants.

“I hope you didn’t fill the tank, it’s time for round two” Alexia smiled at Gwen as she walked over to Jimmy and kicked him hard in his side.

“ON YOUR BACK SHIT WORM!”

PART 7 (Jimmy’s View)

Alexia’s shit was so heavy in his stomach, it was like he had swallowed a boulder of shit that just sat in his belly. The heat was worse than anything, he could feel it, burning from the inside. He had dreamed of this, wished for it, even prayed at one point but he was wrong, this was just a fantasy, better in his imagination. Actually being a toilet, this was a whole another level, and one he was not up to! Every ten minutes he could feel the hot shit fighting to come back up his throat, but he couldn’t do that to Gwen, he didn’t want her to have to smell it.

He was so sick, concentrating so hard, he hadn’t even been listening to the conversation behind him. He only clicked back into consciousness when Alexia screamed.

“Jimmy! LAY DOWN THERE, ON YOUR BACK” Alexia yelled and pointed as Jimmy scrambled into position.

He was shaking with fear, he couldn't handle another load right now, he was still so full. He could only hope that Alexia wouldn't need to shit that much considering how much she had let loose earlier.

Jimmy kept his eyes closed, he knew from his previous experience it was better not to look. He could feel the warmth of Alexia's body near him, her feet on either side of his head. He peeked for a split second and then his eyes popped open in shock! It wasn't Alexia over him, **IT WAS GWEN!** Her thick thighs and fat bum jiggled as she began to squat, her cheeks

crush on Jimmy, ever since they were kids. She was always waiting for him to ask her out but it never seemed to line up. Anytime she was dating, he was single and then vice versa. She tried to give him all the signs, but maybe he just never felt the same as her.

“Fine..... i can’t believe this shit eater used to have a crush on you” Alexia said with a grin..

“**WHAT?!**” Gwen spun around and said much louder than she had intended. Her eyes looked up and down her rich friend, sitting on Jimmy’s face.

“What?” Alexia asked in confusion

“What did you just say?? Jimmy had a crush on me??” Gwen asked, trying not to sound desperate.

“Hold on” Alexia raised her finger and began grunting, Gwen watched as Jimmy reached up, grabbing at her fat ass as she filled his mouth with shit! Hot black shit came out of Jimmy’s nose and it looked like tar!

“Ahhhh, fuck sorry, my stomach is killing me, what did you ask?” Alexia asked again..

“**JIMMY!!! YOU SAID..** i mean... you said he had a crush on me? What do you mean?”

Gwen asked again, forcing herself to lower her voice.

“Oh, a few weeks ago, Phil, he told me that Jimmy was gonna ask you out, during this trip, apparently, he has been like, obsessed with you for his entire life, isn’t that pathetic? I mean, like, be a man and stand up and say something right? What kind of adult man still has crushes. It’s so gross, could you imagine? Dating this toilet? You dodged a bullet” Alexia said with a giggle as she grunted and let loose another load.

Gwen turned around, she had to hold the jail cell bars to keep herself from falling to the floor and breaking into tears. She bit her lip and began to cry silently as Alexia grunted and moaned, using the love of her life’s mouth as a toilet. She could never forgive herself!

PART 8

BANG BANG BOOM

POP POP POP BOOM

The entire basement was surrounded in violent gun bursts that echoed down the hallway to the jail cell. It sounded like a war was going on outside. Gwen sat in the corner with her hands covering her ears and head down to her knees. She peeked from the corner of her eyes and could see Jimmy was laying on the floor in the fetal position doing the same as her, Alexia was the only one who seemed to be unphased by it all. She sat with her legs out in front of her and casually checked her nails, picking at them.

BOOM

The entire room shook as a devastating blast went off very close to where they were. Stones and dust fell from the ceiling as Gwen began to cry quietly.

Explosions and gunshots rang out all around them as Alexia ignored the commotion and grunted, pushing hard. Gwen could see Jimmy's eyes bulging from his skull, she could only imagine what it was like swallowing that filth! Loads of brown shit flowed from the sides of his mouth, his face could barely be seen as Alexia slowly began to rise. She hovered over his face, grunting and dropping a monster liquid load of shit that blew from her asshole like a

broken drain pipe! Gwen covered her mouth and nose with both hands as the overpowering stink filled the small space.

BANG BOOOOM

The metal locked door at the far end of the room exploded open seconds later as a ringing traveled throughout the space blocking all sound. American Soldiers piled into the room, guns at the ready to complete their rescue operation but they all froze in place. The sight was too much to comprehend. Two beautiful young women in bikinis, trapped in a jail cell with their legs smeared with feces! The floor was a pool of shit and piss with a young man almost buried beneath it. He was flailing and gasping for air as shit dripped from his head. All the men stood there like statues...

“ARE YOU GONNA GET US OUT OF HERE OR WHAT?” Alexia shouted in a rude manner as the sergeant stepped forward and unlocked the cell door.

Both Gwen and Alexia were helped out of the room by armed soldiers but no one wanted to touch Jimmy. He was too sick to move and could barely breathe, his entire throat clogged with wet sticky feces. The sergeant came up with an idea of tying a rope around the man and dragging him to the pool outside, they could dunk him inside the chlorine water as a quick disinfection.

Gwen kept her eyes down trying not to look around, there were fire and bodies everywhere, mostly from rebel soldiers. Two large military helicopters landed not far away and the soldiers began rushing both women to them. Suddenly everyone stopped as Alexia shouted! **“WAIT!”**

Gwen looked up to see her walking across the bloody battlefield to a wounded rebel soldier. Gwen had to squint but she could just make out that it was Abeeku. Alexia stepped forward, her foot pushing down on a deep wound on his chest, he began to scream at the top of his lungs!

“Please... Miss... have mercy” He begged as a smile crossed Alexia’s face.

“Bring him with us,” Alexia said with a smile as she walked back towards Gwen and the soldiers and then began heading towards the helicopters.

“But Miss! The orders were clear, your father requested to bring you and your guests home safely, no one else” The sergeant said in a bit of a neutral tone, not sure how to speak to the young rich woman.

“I make the rules! Not my father!” Alexia said as she was escorted to the helicopter by soldiers and followed by Gwen.

Gwen watched from the helicopter as soldiers handcuffed Abeeku and then began dragging him to the other helicopter. Jimmy was on a stretcher and being carried to the other as well.

A few minutes later they were up in the air and flying over the african wilderness. Gwen let out a deep breath of relief. For the first time in days, she knew that everything would be okay.

3 WEEKS LATER

North Central Hospital - Colorado

Jimmy slowly began to wake up as he turned his head left and right, the room was bright white and there was a deep beeping coming from beside him. Inside his mouth was a very distinct lemon chemical flavor and he wanted to spit it out. His vision slowly began to come back as he took deep breaths and tried to sit up, suddenly he felt a soft warm hand on his forehead as someone lowered him back into a lying position. He could see the bright smile of Gwen come into view as she rubbed her hand over his.

“Just try and relax Jimmy, you’ve been through alot and you need your rest” Gwen leaned in and kissed his cheek softly

“Whaaaas gooin onnn?” Jimmy slurred

“You're in the hospital, just relax” Gwen fluffed another pillow and put it behind his head.

Gwen sat beside Jimmy, looking down at her hands and blushing.

“I’m so sorry, about everything, all of that, you know, that happened... I can't even imagine...

“It’s okay” Jimmy muttered using all his strength to speak and interrupting her.

There was a deep tension in the room as they both sat with the beeping of the medical machines.

“Why didn’t you ever tell me you felt that way?” Gwen asked...

“I... i wanted, i wanted too, Im sorry Gwen” Jimmy groaned a bit in pain from speaking..

“DON’T APOLOGIZE! I’m the one who’s sorry, i was so scared Alexia was going to leave me there, i just... i felt like.. I had no choice. I should never have put you in that position.”

Gwen was almost crying

“I wanted to say something to you for so long, but I didn't think you felt that way about me”

Gwen said softly as she took Jimmy’s hand.

Jimmy had no strength to continue speaking but he gripped her hand and smiled at her.

“Would you... want to try? Dating? And seeing how it went” Gwen asked while blushing,

Jimmy had never been so happy. He nodded and smiled at her just as the door to the room opened and a doctor walked in.

“Perfect, you’re awake! How are you feeling Jimmy?” The doctor asked..

Jimmy struggled to respond, so Gwen spoke for him.

"I think he's doing alright but he is in a lot of pain? Is there anything you can do?" She asked the doctor. Jimmy smiled, it felt nice having someone at his side looking after him.

"Well, that's what i am here to talk about, is there a family member or relative close by who can help speak for him?" The doctor asked..

"Oh, well i'm his girlfriend, so i can help i guess" Gwen said with a smile, Jimmy felt so great just hearing those words come from her mouth. Girlfriend...

The doctor looked over his clipboard and then pulled up a chair, sitting down slowly.

"Well, the situation is a bit more complicated here than we initially thought," he said softly.

"What do you mean?" Gwen asked...

"Well, have you heard of Mad Cow Disease?" The Doctor asked as Gwen nodded in confusion..

"Well, when Jimmy first came in, we believed he may have been suffering from salmonella or Ebola, but after further testing, it seems that the situation is much more serious. Due to the rapid amount of feces that he consumed during such a short amount of time, his body has become... infected, with a very rare blood infection. It's transmitted through ingesting human waste so it's very rare, but at this point in time we don't have a cure for it." The doctor said casually..

"What? What do you mean? I mean, there has to be something? Anything we can do?" Gwen asked in a panic.

"Well there is, but it's quite experimental, although we have seen amazing results from the recent tests" The doctor smiled and looked over the clipboard again.

"Basically, every three days, so every 72 hours, Jimmy would need to consume a load of feces to keep his blood level stable and keep his body from crashing. As long as the person producing the feces was healthy and with a clean diet, then he should be able to live a long and happy life. If he goes longer than 72 hours without consuming then his body will begin to shut down, starting with his liver, and intestines and then more vital organs like lungs, heart and brain." The doctor explained.

Both Gwen and Jimmy sat in a small state of shock at what they had just heard. Jimmy wanted to cry, this couldn't be happening! He thought the nightmare was over, but now, in order to live, he would have to eat shit! For the rest of his life! A small tear dripped from his eye as he began to cry and Gwen squeezed his hand tight.

"I explained the issue to our staff and we have a nurse who's ready to provide a safe and healthy meal" The doctor explained but Gwen quickly interrupted.

"NO, i mean... no, it's alright, i have a very healthy diet, i mean, i don't eat any meat, and exercise daily, i eat protein shakes and lots of vegetables, also i don't have any diseases,

could i provide him the feeding?" Gwen asked in a very serious tone without even consulting Jimmy.

"Oh well, i mean, of course, that would be ideal as you two are partners, as long as you remember that this is purely medical, try not to let this affect the dynamic of your relationship. How long have you two been dating?" The doctor asked.

"Years!" Gwen said with a big smile..

"Perfect then, I will leave you two it. When you're done, I'll be right outside, we can run some final tests and then you two can be on your way. There's a transport for you here courtesy of Alexia's father, she left earlier today" The doctor smiled and walked out, closing the door behind him.

Gwen turned to Jimmy and smiled...

“I guess it’s a good thing we’re dating huh, you were literally this close! To have some random nurse shit in your mouth!” Gwen said while holding up her two fingers together. Slowly she began taking off her leggings and then straddling Jimmy on the hospital bed. This was horrible, it had to be a nightmare, this couldn’t be real! He had just escaped that hell and now he would be eating shit for life?? This couldn’t be real!!!

His body was so weak he could barely move, he tried to reach up but his arms only got an inch off the bed. Gwen sat heavily on his weak chest and took the bed remote, slowly lowering it into a flat position so she could get over his face comfortably.

“Just so you know, you’ve been out for a bit, i’ve been waiting for you at the hospital all this time! I have been eating really well, all fruits, vegetables, and granola. I felt like I needed a cleanse after all that shit food in Africa!” Gwen said while inching backwards and slowly getting above Jimmy’s face.

He watched as her thick ass cheeks wobbled back and forth, slowly approaching him and hovering over him blocking out all light. She was clean but he could smell a thick salty sweaty odor of shit, that potent stink that he knew he would never get used to. Slowly Gwen grabbed both her cheeks and spread them wide revealing her tight pink puckered asshole. She lowered down, sitting right on top of Jimmy’s mouth but not so hard that his jaw was forced open.

“Let’s try and get a routine down, since we’re gonna be doing this on a regular basis, just cup your lips around my asshole and i’ll try and go slow” Gwen said in a soft and kind voice.

Jimmy’s entire body was trembling. He slowly opened his mouth and followed her orders letting his lips seal around the sticky sweaty skin of her anus. It tasted so foul and bitter, he felt like puking already!

Bbbbbbbbbbbbbbbbbbspppppppppppppppppppppp

A soft bubbly fart rolled out from her ass popping in Jimmy’s mouth as he dry heaved under her. It tasted like rotten eggs....

“Alright, here I go” Gwen said with a slight slinging tune as her asshole gushed open!

Jimmy’s eyes almost shot out from his head as his mouth was filled in an instant with thick grainy diarrhea! It was so viscous, like a syrup filled with oatmeal that burned like fire! His cheeks puffed out to the sides as he strained to not let the foul shit spill. Gwen began to laugh over him as her fat cheeks jiggled on the sides of his face.

“Oops! Sorry! This is new to me too, that slipped out too fast! I’ll get better I swear!” Gwen laughed and pressed down a bit more heavily making a tight seal.

“I can’t hold it back too long so swallow quickly!” Gwen rushed him a bit with a giggle

Jimmy wanted to scream, he could feel the thick shit leaking down his throat and there was no way to stop it. Slowly he braced himself and swallowed, it flowed down in a thick clump covering the inside of his throat with her feces! It was so foul! So sour! He could feel the hard bits of granola scratching his tongue and throat but that wasn’t the worst part. It was clear she was eating kale, the flavor was permeated into the diarrhea and made his entire mouth pucker from how bitter it was.

Before Jimmy could even get the first mouthful down, Gwen let loose again. Shit packed his mouth and pushed out his cheeks before flowing out his nose and into Gwen's ass crack! He felt her freeze up the moment the shit touched her...

"Ugh, gross, we definitely need to work on this" Gwen said while grunting and pushing, Jimmy could feel her asshole puckering in his already full mouth.

Desperately he swallowed, the thick diarrhea filled his throat and airways like cement. It went down in a thick blob, he had swallowed much more than he intended too and the pain was unreal! He could feel the burning heat traveling all the way into his stomach, and just in time for Gwen to fill his mouth again! Jimmy reached up, grabbing her thigh but she quickly took his hand in hers and softly ran her fingers over his palm before pressing it down to the mattress.

Jimmy tried to scream out for a breath but Gwen was relentless, her asshole puckered and let loose two more blasts one after another, the thick shit filled his mouth and flowed out his nose with so much force that it actually sprayed. Gwen clearly felt the shit spray into her crack because she flinched and almost jumped off of him.

Just when Jimmy thought he was going to pass out, she finally lifted off of him. Slowly she crawled to the side of the hospital bed and hopped off. Jimmy, with his eyes full of tears and mouth packed with shit, watched Gwen wipe her ass and dispose of the paper into the waste bin.

"Whew, that stinks" Gwen laughed and fanned her nose

"BUT! It's healthy, i have a great diet! So remember that! At least i'm not eating burgers and fries all day!" Gwen laughed as she plugged her nose.

EPILOGUE

5 YEARS LATER

Gwen and Jimmy stood outside of Alexia's front doors, her estate was truly massive. The front doors opened by two servants who both bowed and took their jackets.

"GUYS! OH MY GOD! IT'S SO GOOD TO SEE YOU!" Alexia came running down the hall with a big smile on her face as she hugged them each.

"It's been too long!" She said with a big smile, she hadn't aged a day since the trip!

"I know, I'm sorry, it's just so hard to get out here with work!" Gwen smiled and looked around!

"This place is freaking massive!" Gwen exclaimed

"I know!" Do you two want a tour?

They both nodded as Alexia began leading them through her new mansion showing off the different wings and grounds. It had an outdoor tennis court and pool, an observatory, 16 bedrooms, truly it was overwhelming!

"I can't wait for you two to try the food, i have a private chef who makes the most amazing pasta!" Alexia bragged!

"That sounds great, but Jimmy won't be eating any tonight, it's his feeding night" Gwen laughed and patted his back as Jimmy blushed...

"Ahahaha i was gonna ask about that? How is that going?" Alexia said while looking at Jimmy, before he could respond Gwen spoke up..

"It's been great! We save money on food, and toilet paper, and my god, his tongue has gotten so much better in bed!" Gwen laughed a bit!

"HEY! I was just about to go use the bathroom, why don't we go together?" Alexia asked as she took Gwen's hands...Gwen hesitated for a moment before laughing a little

"Sure!" Gwen took Jimmy;s hand and began dragging him down the hallway following Alexia. Even though it has been five years he had still not gotten used to the taste of Gwen's feces! It was horrifying, every feeding was different but somehow worse than the last. Sometimes it was spicy, sometimes hard and chewy, sometimes wet and burning hot, but always horrid! Alexia led them into a large marble bathroom where multiple s/m toilet devices were installed lining the wall. At the far end was a very skinny and malnourished black man laying with his head inside of a box. Gwen ran over and looked inside, the top was just a clear funnel with a mouth and tongue at the bottom..

"OH MY GOD.... IS THIS?"

"Hahaha, yup.. Say hello Abeeku" Alexia giggled as he mumbled and cried

"MHPPPPPPPPpmmmpppppp"

"I completely forgot about him!" Gwen laughed a bit

"I do too sometimes" Alexia laughed and took a seat on the funnel above his mouth, almost instantly there was a watery fart followed by what sounded like an avalanche of feces! Abeeku's body began to flail and wriggle in the chains that bound him as Alexia moaned loudly.

"The nutritionist is always telling me not to eat dairy, but i just can't cut ice cream from my diet, you don't mind, right Abeeku?" Alexia asked as he cried below her.

Gwen took Jimmy's hand in her and squeezed it tight as she smiled at him...

"Are you hungry?" she asked with a big grin...

The End
