

Pervert Action: Legacy

Hiroshi and Kenji vs Kimiko

After having accepted Hiroshi's deals, another night at the mansion unfolds. (This includes a few previously used images, but I thought they were appropriate here.)

Kimiko: Oh Master... I have a special treat in mind for you tonight. I know how much you love to see me fuck other people, so I thought I'd bring the merchant along and we can put on a sex show for you...

Kimiko: That's right. Just sit back, relax and stroke that big cock while you watch me put out for this dirty old creep.

Kimiko: You know, Master, you really ought to put your foot down with this guy some time. Whenever you're not around he won't keep his hands off me! Then again, I suppose if you don't *want* to do anything about it, that's not so bad... Oohh... ahh... mmm... Yes... let's get rid of the rest of these clothes and go over to the bed.

Kimiko: Is he watching? Is he jacking off? Good. Mmm... kiss me... he loves to see that. Mmhmpm... yes... now take me! I need your cock in me! Fuck me rough right now!

Kimiko: Oh! Oh! Oh! Yes! Fuck! Yes! Fuck! Yes! Oh, yes, Master, you can join in! Here, let me suck youMMHMM! HM! MHM! HM! MM! HMM! MHM!

Kimiko: Oh, God! He's shooting his load inside! Give me yours too, Master!

Kimiko: Aaaahhhhhh...

So good. Well, I hope you enjoyed that, Master. I know this horny old guy's going to need another round or two before he gets done with me for the night, so I'll go finish him off and let you clean yourself up. See you in the morning!
