Indecent exposure; lewd and lascivious conduct; seducing that poor store clerk; and all of this when you should have been studying. Have I missed anything?

Oh God!

Lydia!

You forgot the vibrator Dean Francis, and Xi has her nipples pierced.

Thank you Lydia, now have a seat while I talk to Xi.

Xi your father is one of our most generous Alumni. He's building our new concert hall. I'm personally responsible for you. You've put me in a serious situation.

I'm afraid a normal spanking just won't do.

Good. Now have a seat. Lydia come over here please.

I'm so sorry Dean. Isn't there some way we can keep this just between us?

I'll accept whatever punishment you think is appropriate.

Dean Francis I think we both know what happens next.

Oh really? Tell me more.

Xi and I both get a good spanking for being bad girls.

So you think you're so smart. I guess I need to teach you a lesson. Both of you come with me.
