Some time not too long ago in a fictional dimension of „Office Party“...

Succubus Party

A Halloween Story

The nerds (led by Dylan) have rented an old church for their Halloween D&D session. They've also invited girls, but none are coming! It's because the jocks are having a party as well. The nerds want to stick it to the jocks once and for all so they resort to drastic measures!

Dylan has found an old book of summoning. He just wanted to use it as a prop for the upcoming campaign, but what the hell! He proposes a ritual of Halloween summoning and the other nerds agree. Soon a soul-sucking succubus is set loose towards the jock's party!

Will the jocks regret drawing the wrath of those nerds on themselves... or is it actually the nerds who will get envious of that succubus spiced-up party?

Featuring

- ❖ Dylan ... The leader of the nerds
- ❖ Dudes in robe 1-3 ... nerds under Dylan's lead
- ❖ Trevor ... Quarterback of the jocks
- ❖ Marco ... a jock
- ❖ Vadim ... another jock
- ❖ Kessy ... A succubus summoned by Dylan
- ❖ Gina ... A cheerleader dressed as a devil
- ❖ Erika ... Cheer-Coach, dressed as a nurse
- ❖ Lana ... Cheerleader dressed like a succubus
- ❖ Stephany ... cheerleader dressed as a warrior nun
- ❖ Jessica ... Vadim's girlfriend dressed as a sexy cop

The jocks are humiliating us all year long!

And now they are taking Halloween from us?!

With their stupid party?

They are not even wearing authentic costumes!

Are we really okay with this?!

Nay!

Nay!

Nay!

A character with dark hair and a determined expression stands in a gothic-style room. They are wearing a long, dark, textured robe with gold-colored buttons and a decorative belt. Their right arm is raised in a fist. The background features stone walls, arched windows with diamond-patterned panes, and wooden altars with lit candles.

I say we stick it
to them once
and for all.

I propose we do the
summoning ritual of
Sanrabafu!

Aye!

... Aye?

whisper
Is this already
part of today's
session?

whisper
I think so. Guess
he's doing a crazy
Halloween special?

Dylan and the whole church is engulfed in a glistening light. Is the ritual working?!

Unholy shit!
That actually
worked?!

Puff

Hellooo,
Master.

I'm
Kassandra
Elaquoi, and
I'm heeding
your Call.

What can I
do for you,
oh mighty
summoner?

I know a lot of special techniques and positions if you know what I mean.

One word from you and I'll make this the night of your life.

Go to the
jocks' party on
Fifth Avenue!

Do what you
will there, but
take those
bastards'
souls!

Wow!
I've turned my charm level up to max and he did not even flinch.

There are not many Masters who can resist my advances...

Of course, those losers are no Master for long...
chuckle

Special techniques...
positions... night
of your life...

Hm... I
wonder if she
was coming
on to me?

Nah, probably
just my
imagination.

With her wings, it does not take long for the succubus to arrive at the jock's party. Guess all the guests are in for the party of their lives 😊

You are one of my
best students,
Gina. You might
be Olympia
material!

Thanks, coach!
I really love
working out and
giving my all.

As the elevator bings, no one at the party realizes yet, what kind of trouble they are going to be in moments from now ... The doors open ...

... And out steps Kassandra... the succubus! Note that wings are very impractical once you enter a building, so she has retracted them.

Oh, hi Lana,
where have
you... wait...
oops sorry. You
are not Lana.

Cute costume.
A bit nerdy if
you ask me
though.

Who are you anyway? You got an invite?

giggle Coach!
It's Trevor's Party. Hot and Female is all you need to be to get in.

But why dress up as a nurse for the night of fright?

Well, at least it's skimpy.

Hm... I do understand the devil.

A 3D rendered character, likely a female, is shown from the waist up. She has long, straight red hair and is wearing a white nurse's cap with a red cross on top. Her outfit consists of a white, short-sleeved, button-down top with a red collar and a red cross on the left chest. Underneath, she wears a red bikini top. She is also wearing a white skirt with a red hem and a red cross on the right side. She has a red cross necklace. Her expression is one of surprise or concern, with wide eyes and a slightly open mouth. She is standing in front of a wooden slat fence. Two speech bubbles are present: one on the left containing the text "Hey! Who are you calling skimpy!" and another below it containing "And sexy nurse is the latest trend!".

Hey! Who are you calling skimpy!

And sexy nurse is the latest trend!

Woah!
What the...

What's wrong
with your
eyes?

No!
Please!
I...

A woman with red hair and orange eyes is wearing a white nurse's uniform with red accents. She has a white nurse's cap with a red cross on top. Her uniform features a red collar, a red bra-like top, and a white button-down skirt. She is also wearing a necklace with a black cross. On her left shoulder, there are two red devil horns. The background is a blurred outdoor setting with wooden slats and greenery.

I... Can't resist...

Yes, Mistress. I will obey.

Hey!

What have you
done to coach
Williams?

Oh!
How nice of
you to ask.

Here, let
me show
you.

Your eyes!
They are
glowing...

Nrgh!
I... feel dizzy...

Yes,
Mistress.

I will obey
your every
command.

A woman with long black hair, red eyes, and a pair of light-colored horns. She is wearing a black, long-sleeved, high-collared top with a lace-like pattern on the chest and a long, black, form-fitting skirt with a similar pattern on the side. She is pointing her right hand towards the right side of the frame. The background shows a modern interior with a wooden door and some greenery.

Great!
Now let's get
this party
started.

See that guy
over there?
**Go fuck
him!**

Yes,
Mistress. We
will obey.

What a
genius
idea!

Hey, Trev!
Wearing your
football uniform
to the party?

I knew the
chicks would
dig it!

Thanks!

I hope you are enjoying the party so far, Miss Williams.

Oh, yeah. It's a great party!
moan

Err... Miss Williams?

Oh, please.
Call me
Erika.

The nerds are watching all this through a Palantir...

Oh. Nup. Sorry. It's just a phone. One of them has hacked the cameras of the building Trevor is renting for the party.

What the fuck
do these sluts
think they are
doing?

Trevor is
mine!

Now off to
my next
target.

Helloo
there,
cutie!

A character with voluminous blonde hair, wearing a black choker, a black bra, a black long-sleeved top, and black leggings with a fishnet stocking on the left leg. She is adorned with multiple thick metal chains around her neck, shoulders, and waist. She stands on a balcony with a wooden railing, looking back over her shoulder. The background shows a cityscape at night with warm lights and trees.

What do you want here?

A worrier non!
What is one of
those doing
here?!

Maybe... if she's
a novice I can
escape with
losing only an
arm or so...

I need to
get away.
Quick!

Oh, shit!

A character with blonde hair in a high ponytail, wearing a black, form-fitting, off-the-shoulder outfit with large cutouts. She is adorned with multiple layers of jewelry, including a choker, necklaces with red gemstones, and heavy metal chains wrapped around her arms, waist, and legs. She is standing on a balcony with a glass railing, looking towards the camera with a serious expression. The background shows a blurred cityscape at night with warm lights.

I've asked
you a
question!

If there is
nothing else I'm
gonna go reclaim
my boyfriend
now!

Yo,
bitch!

It's just a costume!

Hahaha!
Ahahahaha!

Pheew

Now for
giving me such
a fright...

Woah!
What is wrong
with your...

Yes, Mistress.
I will obey.

Yes, Mistress.
I will await
further
instructions.

Grouping them
in pairs is more
effective...

It's a cool party.
But I really need
a drink right
now...

Hi there.

Oh, hi
Lana!

Oh,
sorry.

I've mixed
you up with
a friend of
mine.

Huh?
What was
that?

Oh, my...

What is
wrong with
your eyes?

What? I
no... I'd
never...
I...

I will obey!

Yes,
Mistress!

That's my
boyfriend...

Great, girls.
No go over
there and
seduce that
guy.

Soon, it's
time for
the main
course!

Wahahahaha!
Almost got all
the girls under
control.

A woman with long dark hair and a headband with two large, curved, textured horns. She is wearing a black, long-sleeved, high-necked top with a lace-like pattern on the chest and a black, long-sleeved, high-waisted skirt with a similar pattern. She is standing on a tiled floor in front of a glass railing. The background shows a blurred outdoor area with trees and lights. A speech bubble is positioned to her left, containing the text "Hi, there. Excuse me?".

Hi, there.
Excuse
me?

And what are you supposed to be?

Err... a succubus?

Though you are wearing it so much better.

I just couldn't make the tail work.

I'm Lana by the way.

A woman with large, curved, light-colored horns and glowing red eyes is the central figure. She has long, dark, wavy hair and is wearing a black, form-fitting, long-sleeved top with a leopard print pattern on the chest and a black skirt with a similar pattern. She is standing on a wooden deck at night, with a blurred background of a city street and a woman in a red dress. The scene is lit with warm, yellow light from streetlights and building lights.

You'll do nicely.

I'm Kasandra.
But you can
call me Kessy.

Wait!
What are
you...

No, I...
won't...

Woow!
Cool contacts!

A 3D rendered woman with long dark hair, large black horns, and glowing red eyes. She is wearing a black choker, a black long-sleeved top with a lace-like pattern on the chest, and black gloves. She is standing on a balcony with a glass railing, looking directly at the camera. The background shows a night cityscape with blurred lights and trees.

Yes,
Mistress.

I listen
and I
obey.

A 3D-rendered scene in a club. Two women with horns are the central focus. The woman on the left has smaller, light-colored horns and is wearing a black, long-sleeved, form-fitting top with a leopard-print bodice and matching pants. She is embracing the woman on the right. The woman on the right has larger, dark, spiraling horns and is wearing a similar black outfit with a leopard-print bodice. She has glowing red eyes. In the background, there is a hot tub with a person sitting on the edge, and a wall with green foliage illuminated by warm lights.

Yes. You will
do nicely
indeed. Come
with me.

Yes,
Mistress!

In the meantime, Jessica has made her way over to her boyfriend...

A woman with long, wavy reddish-brown hair and glowing red eyes stands in front of a restaurant entrance. She is wearing a black leather outfit consisting of a short-sleeved top with a zipper down the front, a wide black belt with a large silver buckle, and matching shorts. She is also wearing black leather gloves and black thigh-high boots. Her right hand is on her hip, and her left hand is near her chest. The background shows a restaurant interior with tables, chairs, and a warm, yellowish light.

Hey hon.
Got a
surprise
for you.

A man in a sheriff's uniform is sitting on a light-colored couch. He is wearing a brown cowboy hat with a silver star on the front, a light-colored short-sleeved button-down shirt, and green pants. He has a large, intricate tattoo on his left arm. A patch on his left sleeve reads "SHERIFF" and "MOUNTAIN VIEW". He is looking towards the camera with a slight smile. The background shows some green plants and a wooden planter box.

Eh. Sure...
Are you
okay, babe?

Are those
contact
lenses?

Hey there,
Vadim.

I'm very
flexible,
you know?

Jesse?
What's the
meaning
of... **Wow!**

Huh?
Everything is
fine, hon. Steph
and I just had a
kinky idea.

Who would have thought that it did not really take much effort for Jesse to talk her boyfriend into a threesome with the head cheerleader...

What's
Jessica doing
to him?

I don't know.
I can't see it
that well.

Seems
pleasurable
though.

Doesn't
matter. The
succubus will
come for him
soon.

Oh. Wow!
Thank you so much for this
threesome,
babe!

You *slurp*
are welcome

Back with Lana and the succubus as they approach Marco who's laying around in his pirate outfit.

A man with dark hair and a goatee is sitting on a white lounge chair. He is wearing a black jacket with gold trim, a red and black patterned shirt, and tan pants. He has a black blindfold over his eyes and is smiling. The setting appears to be an outdoor patio with a tiled floor and a glass door in the background.

Woow!
Ladies.
Really hot
outfits!!

Who's your
friend, Lana?
You girls could
be sisters!

Woow!
Are you for
real?

Oh, dear.
Lana! What's
gotten into
you?

Nothing so far
tonight. But
I'm sure you
can help her
change that.

Marco always had a thing for Lana. But Lana, always the good girl, never gave Marco a chance. So, who cares if it's the alcohol, true feelings, or a succubus induced love spell? This is Marco's dream come true!

No one will be able to stop me!

I will make this area my playground!

And once I've collected all the souls in this town I will...

And then, just at that exact moment, the sun rises, and breaks in the dawn of a new day...

The succubus vanishes into a small cloud of smoke. Halloween night is over and the ritual is therefore completed - recalling the demon back into the depths of the dimension it came from.

Once the Succubus is gone, the spook is over. As its control over the girls vanishes, chaos is ensured...

Iiiiiikkk!

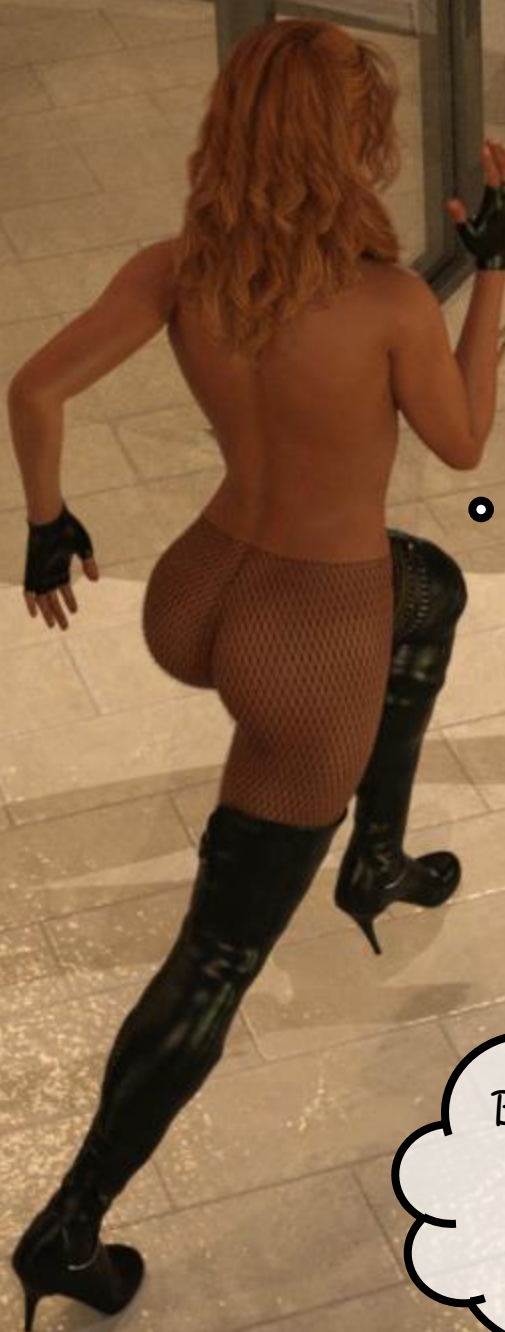

Wahhhhh!

No idea!
But we better
get out of
here! Run!

What is
going on?
Why are we
naked?

O.M.G.!!
What did we
do?!

Maybe
we were
drugged?!

Hm... I woke up
next to my bf. I
actually feel
great ...

But everyone else
is running... so I
better go with
the flow...

Oh god,
oh god,
oh god!

Wahhhhh!

Iiiiiikkk!

Woken by the high-pitched screams of the girls the boys slowly come too as well. Their eyes back to normal, souls obviously restored with the termination of the Halloween ritual...

Wow!
Guys... Can
you remember
anything?

Nope. Not
a thing.

But I just
touched my
cock, and it
smells of
pussy!

And I woke up next to Steph and Jesse... I think I had a threesome!

Yeah!
I feel really relaxed, right now. Like all the pressure is gone.

I think, so did I!

I'm not high-fiving that hand!
But yeah, best party ever!!

Awesome!
High Five?!

Dylan!

Mhm?

Does the ritual
not have any
effect after
Halloween night
is over?!

Well, it's a
beginner's ritual
that only works
on Halloween.
So, yeah.

You moron!
We basically
gave the jocks
the night of
their lives!

I... err... well...
At least they
can't remember
anything that
happened!

They would have
been utterly drunk
at the end anyway.
Neither way they
would have
remembered that
party!

Moron!
Next time we
summon that
succubus for
our party!

Damn it.
They are
right!

Noooooo!
Why do these
stupid jocks
always win?!

The End.
