

PART 3

Brittany pushed past her husband and burst into the hotel room. She took little time to bask in how beautiful the five-star room was, rushing through the room towards the bathroom. Her hand hit the bathroom wall as she searched for the light switch, her palm was damp and sweaty from her deep breaths. Her fingers found the switch and brought the lights on as she rushed in and slammed the door behind her. She muttered to herself, cursing and swearing as she sucked in her stomach, desperately trying to get off the tight denim jeans. All of her clothes were a few sizes too small, her weight was always fluctuating, lately more high than low.

Brittany let out a sigh and whimper of relief as she pulled down the denim, her thighs and ass were now free from the tight constriction of her pants. She had no time to relax though, there was a hurricane coming. Brittany dropped her weight backward, hearing the porcelain toilet rattle beneath her massive ass. The moment her cheeks touched down with the seat, she let loose a foul stream of feces that painted the bowl in steaming shit! She gasped and held one hand to her mouth in shock as the feces splattered in the bowl with reckoning force, it was so greasy and disgusting sounding. The odor hit her fast as she began gagging and choking. It reeked of onions, boiled fish, and fresh earth bitter feces. It was so bad that her eyes watered!

Knock knock knock

“Are you alright darling?” Her husband asked from the other side of the bathroom door after knocking lightly.

BBBFPPpspprppfpfprptptpp sppfppBBFPRPppsprptttt

“I’ll be fine! Ughhhhhh just, ahhhh, give me a minute!” Brittany winced in pain as she held her pudgy stomach with both hands, her insides felt like fire.

Her asshole let loose another blast, shit splashed into the water causing little bits to speckle her ass cheeks! She gagged in disgust from the feeling, having feces touch her, it was unfathomable for her. Gas seeped out of her asshole as she massaged her stomach, soft logs began streaming out, piling in the toilet under her. Brittany sat there in the fumes, suffering as her eyes watered, it was only then that she realized this was the first time she had used a toilet since the accident. She had used Jimmy’s mouth for every single bathroom trip without missing a single day, that was until now. She wiggled back and forth, it was so uncomfortable, being on a cold plastic seat. She was so used to having a warm face under her, like a heated car seat. This toilet was like riding the bus, Brittany thought to herself while grunting to expel a sloppy wet log. She had to bring one hand up from her stomach to plug her nose, otherwise, she may have vomited. The smell, it was too much for her nose, she remembered back when she was young, in high school, her shits used to clear out the public restrooms, even though she hated the scents she produced. But ever since Jimmy became her toilet, the smell had been sealed in his mouth. She had never had to suffer from the odor, if she had, she would have realized what her diet had been doing to her stomach, she always ate generously, tons of cream, dairy, meat, and cheese. Her doctor advised her not to, but she always told her her bathroom trips were pleasant and fine. This was hell though! Even while plugging her nose with two fingers, she still had to use her other hand to fan her face. It felt like the odor was increasing the physical temperature in the room.

Brittany looked down and whimpered, slowly breaking into tears. She had always been quick to cry, her emotions were very strong, especially when it was regarding her wellbeing which she held high above everyone else. She wanted Jimmy’s face under her so badly! She couldn’t deal

with this odor, the feeling of having feces touch her body, sitting on this dirty toilet, even though it was a 5-star hotel, nothing could compare to her Jimmy!

BBBFRTTSPppsprpttttttttttttttt

A terrifying and wet fart left her asshole filling the bowl with ass fumes that quickly leaked out filling the space around her. Brittany reached back with one hand, flushing the toilet. She had completely forgotten that was something she needed to do, she was so used to having a mouth just inhale what she produced. It never mattered how big it was, how wet it was, how gross it was, Jimmy never leaked, he never complained, he never put Brittany through any stress! As soon as she hit the lever shit began swirling under her. There was a wet gurgle before the toilet shook slightly, almost vibrating as it struggled to suck down the pounds of shit Brittany had piled up. She sat there with a worried look on her face as she slowly peaked between her thick thighs. It was a brown and yellow mess, a pool of feces swirling in circles slowly, **THE DAMNED THING WAS CLOGGED!**

“I’m going to wait for you downstairs!” Her husband said politely from the other side of the bathroom door. She could hear him rushing out of the hotel room, the odor had seeped under the door.

Brittany wanted to cry, this was a mess, and she didn’t clean up messes, people did that sort of stuff for her! She peeked down between her legs into the watery mess once more before slamming her thighs shut. Her stomach let out a thick rumble as she grunted and pushed, there was no way she could hold back, she was so used to letting her feces just flow into Jimmy’s mouth, her anus wasn’t capable of waiting even a few seconds.

For a moment Brittany wished she was deaf, that way she wouldn’t have had to listen to the sounds of her feces sloppily smacking into the pool beneath her ass. It was foul, unladylike, she

didn't even enjoy knowing that her body could create those types of noises. She imagined Jimmy, alone at home with Sophia, she wanted to cry, thinking of him all alone, in the dark bathroom, her poor brother. She should be there, he would have loved this meal, it was so big, he would be full for the day! Brittany couldn't help but laugh at the thought, it brought her out of her pain and disgust for a sheer moment as she pictured Jimmy, he would be dead if it wasn't for her! She knew he loved her for what she did for him!

Twenty minutes had passed and Brittany **FILLED** the bowl to the brim, the mountain of wet feces was almost touching her ass cheeks, she could feel the heat. She waited for a moment, expecting Jimmy's tongue to reach out and begin cleaning her, eventually, she remembered she would need to wipe herself. Gathering thick wads of toilet paper, making sure her hands were nowhere near the dirty shit, she cleaned, rubbing up and down her crack and dropping it into the bowl under her. After wiping only a few times she was clean, but the toilet was a hazard. Brittany's eyes watered as she looked behind her, shit piled out of the toilet, it looked like a massive oversized chocolate sundae covered in toilet paper whip cream! Brittany pushed her way out of the bathroom, she wanted to wash her hands but the odor was going to make her pass out. She slammed the door behind her and bent down to pull up her jeans. She was right, the odor had reached the main hotel room, the entire place reeked of fish and cheese.

DING DING DING

"EXCUSE ME!" Brittany said in a very rude manner while smacking the little bell as the front desk agent quickly turned around with a big smile.

"I'm so sorry about that Miss! What can I do for you today" The young woman asked with a big smile!

"My husband and I just checked in, our bathroom is A MESS! The toilet is clogged! What kind of establishment are you running here? This is a 5-star hotel, right? Or am I wrong?" Brittany asked with all of her attitudes, completely leaving out the fact that she was the one who had clogged the toilet.

"My apologies Miss! I have **NO IDEA** how this could have happened! Please, let me send someone up to the room to take care of things! We will make sure it's cleaned up right away!" The young woman replied!

"My husband and I are going out for lunch, it better be taken care of by the time we return!"

"Of course! Of course Miss!"

Hmppphh Brittany smiled and turned to her husband who was watching from a few feet away, he hated the way she treated hospitality staff but was too weak to stand up to her. She walked over and took his arm putting hers around his as they exited the hotel lobby.

John had just walked into the hotel lobby when he saw her, One of the most gorgeous blondes he had ever laid eyes on. She had long blonde locks and the curviest powerful body he had ever seen. Her legs looked like they were about to explode out of her jeans. She took her husband's arm and then turned, catching John's eyes and smiling at him as they exited the lobby. He walked to the front doors and admired her huge fat ass as the couple walked away.

"My God" John muttered to himself.

"JOHN!" He heard someone call his name and turned quickly, Mary, his co-worker at the front desk was waving him over. John walked over knowing she would have some shitty task for him to take care of, he had no idea how shitty though.

"That woman who you were just eye fucking out of existence, their toilet is clogged! sooo go take care of it! Room 1502" Mary said in a rude tone, her friendly customer service facade completely gone.

"That's impossible, I just cleaned the room before they arrived," John replied.

"We'll... do it again," Mary said in a rude and exhausted tone before turning around to lean on the back counter and use one of the computers. John hated how she treated him, but he was too weak to say anything. He stood there for a moment, his eyes glued to Mary's ass, even under the thick Hotel skirt he could still see how fat and juicy her ass was. She turned and caught his eyes as he quickly began moving towards the elevators.

"Pervert" he could hear her mumble as he turned the corner.

John stood in the elevator waiting as it rose to the top Penthouse floors. He had always had a thing for women's asses as long as he could remember, it wasn't until recently that he had begun to think about shit though. The smell, the thick fumes, the fact that such beautiful women produced such foul nasty things, it drove him wild. Mary hated him but he couldn't stop himself from thinking about being her toilet. Having her fat cheeks smother his face as a thick log slid down his throat. He doubted he would be able to eat such a thing, but he would try.

John reached the door and knocked before walking in, it was Hotel policy, even though he knew the guests were not inside.

"HOUSEKEEPING" He called out and waited, after a moment he slid the card in the door lock and walked inside.

As soon as John stepped inside he could smell it, it was thick, musty, earthy. There were hints of milk and fish, the combination was eye-watering! He almost took a step back before grabbing his nose with two fingers, it was instinct.

"What the fuck?" He muttered to himself.

John walked through the fancy hotel room, his heart pounding like he was in a horror movie. The heat increased with each step he took towards the closed bathroom door. The light was on and the fan was running. John's hand was shaking as he reached out and pushed open the door. It swung open and his jaw dropped! The toilet was **COMPLETELY FULL!** There was a literal **MOUNTAIN** of feces! Steam was rising from the mound as he took a step back out of fear. It looked like something an elephant would produce! John had cleaned bathrooms after many female guests, seen all sorts of shits, but this... this was not possible!!!! His mind drifted back to the blonde goddess and her fat jiggly ass, could she really have produced this?

It was early in the morning, Jimmy woke up slow and sick, like usual. His stomach felt like it was being burned away from the inside, the pain close to unbearable, but he had dealt with it for so long that this was his normal. He could see Brittany in the back of his mind, sleeping peacefully in bed, her stomach digesting and cooking a terrifyingly huge meal for him. She hadn't visited him the previous night, He knew from experience that when she skipped her nightly shits, the next morning was all hell! Jimmy waited, and waited, until realizing, she was away, away on her trip, he was alone with Sophia. Jimmy almost wanted to cry from how happy he was. Brittany's ass had tortured him for so many years, he was powerless to move, powerless to fight back, all he could do was lay there and take it, but now, he got a break, finally!

Jimmy closed his eyes and let out a whimpered cry of relief, his stomach would get a few days off, he knew Sophia would be using him but surely it would be nothing close to Brittany and the monsters she produced. For more than twenty years, Brittany used him daily, no breaks, never missing a shit. Sometimes she would walk into the bathroom, pull down her pants, and plant her sweaty bare asshole over his mouth, only to let out a long lung filling steaming fart. Jimmy would cry and gag as she laughed above him. She truly enjoyed torturing him, this wasn't about saving his life, this was all about her. He wished he could go back to before he met her, start over, have a real life. There were so many things he wanted to do and experience. Suddenly Jimmy's thoughts were interrupted by the sounds of footsteps rushing towards the bathroom. For a moment Jimmy began to fear that Brittany was coming, he feared that he was wrong, that the vacation was all in his imagination. The bathroom door flew open as Sophia came rushing inside!

“Good Morning Fart face!” She said with a giggle while stepping in front of Jimmy and dropping her pajama pants. She was completely nude from the waist down now, her thick fleshy young ass cheeks jiggling inches above his face. He could smell the thick stench of earth shit permeating from her crack, it was clear she was quite dirty and sweaty.

“I almost forgot about you in here, silly me, I even wasted one of my farts in the regular toilet!” Sophia laughed as she spread her ass cheeks, gripping the fat with each hand. Jimmy watched as she bent over, her bright pink asshole was slimy looking and covered in a thick layer of sweat. He watched as her anus pulled inwards, tightening before pushing out.

BBBBBBBBBBFRRRTTTTTTFFBBBRTTTTT

Sophia looked back over her shoulder and laughed as the hairs on Jimmy’s face blew in her gaseous anal winds. Jimmy’s eyes began to water instantly from the beefy green odor! Sophia was beautiful, a young goddess, but her gas was absolutely foul! Jimmy could tell she had been eating some sort of beef and vegetables, the smell was so strong that he could fucking taste it! She jiggled her ass back and forth while slowly bending over, looking back to make sure she was aligned with his face. She did not have as much experience as Brittany.

“Oh Gawd, that stinks!” Sophia complained, and she was right, it did stink!

Jimmy cried as she bent down and dropped her fat squishy ass onto his face, she was so much lighter than Brittany but somehow her ass felt just as large. Sophia wiggled back and forth a few times, pushing his nose up against her greasy asshole! His nostrils slid over the surface so easily as she moaned in relief, he could feel the shit and tiny bits of grime accumulating on the rim. It smelled terrible, worse than most of Brittany’s most brutal shits.

“It’s really nice being able to use your nose to scratch my asshole! That’s not something a young lady should be doing right?” Sophia asked with a teasing tone knowing the paralyzed man could not respond.

“I guess, there are lots of things I won’t need to do anymore, wipe my ass, wash my hands, Wow, Just think of how much water we are gonna save from now on!” Sophia laughed to herself as Jimmy whimpered. Her pussy lips were so clammy and wet, sitting on his open mouth so heavily. He could taste her tangy bitter pussy juice and blushed, it felt so wrong, having his niece use him in this way. Without warning there was a harsh heat in his mouth, her urine began spilling out, filling up his lips and pooling in the back of his throat. Sophia moaned in relief above him while Jimmy cried. Her urine was burning hot and so terrible, it tasted like spoiled wine that had been sitting in the hot sun. His throat immediately closed, trying to fight back, but Jimmy knew if he didn’t swallow he would drown. Using all of his willpower, he forced his body to suck some down, gulping heavily and letting the piss run down his throat. It felt like swallowing fire. More piss began forcing its way down his throat as Sophia filled his lips to the brim!

Jimmy choked, Urine began spilling out of his nose as he sucked a big breath in, pulling the hot liquid into his chest! His throat buckled as he choked and spluttered, Sophia did not care though, she didn't even flinch when the urine leaked into her ass crack.

BBBBBBFRRTTTPPPPPSpspppbppfprtttrfff

A loud and abrasive fart sprayed from her asshole quickly turning into a splatter from the urine flowing past and from Jimmy's nose. He could feel the gas burn his nose before washing over his face, the stink was unreal! Sophia choked on the scent but never stopped giggling, she was enjoying this far too much! When the stream of urine ended, Jimmy was still choking, his lungs full of her piss! He could feel the liters of hot liquid splashing around in his stomach as Sophia slid down, spreading her fat sweaty cheeks and aligning her asshole with his mouth. When she found the right spot, she sat with her full weight making a tight seal.

"Just because mom is gone, doesn't mean you get a vacation! I'm having a few friends over this weekend, don't worry, they are just like me, you'll love them!" Sophia giggled as Jimmy's heart began to beat rapidly, he felt his piss filled stomach tighten with anxiousness.

BBBBBFRRRTTTTVVVVFFRRvvvvfrrtttttttttttttttt

Sophia laughed and grunted as her gas echoed into Jimmy's throat, letting loose one more last wet fart that stained the tip of his tongue in liquid feces! Jimmy began gagging under her! The gas was so powerful that he could feel it rippling the surface of the piss pool in his stomach. It had such a beefy and vegetable-filled flavor, the bitter earthy shit was unmistakable. He felt his throat starting to wince, it was impossible not to gag.

Sophia moaned above Jimmy as his mouth filled within an instant! Her anus began ejecting feces that had the consistency of pastry filling! It was so soft and hot, blasting out of her anus with an aggressive speed. Jimmy's eyes went wide as it began filling his mouth, quickly puffing his cheeks outwards! He could smell the odor fuming out of his nose, it was repulsive! He could feel his skin crawling!

"You better swallow that quick, ughhh ermmm, There's more coming!" Sophia said while grunting and groaning.

Jimmy tried to swallow, letting a tiny bit of the soft fluffy shit to move down his throat. The taste was fucking horrible, like rotten broccoli mixed with old beef, he could taste a hint of pumpkin in the bitter mess and began choking immensely! Brittany produced some terrible shits, but nothing this fragrant or terrible tasting! Sophia groaned over Jimmy's cries as her anus puckered and pushed outwards letting loose regardless of what was in her uncle's mouth.

Jimmy could do nothing but watch up Sophia's back beyond her fat ass cheeks as she let loose, His mouth began packing full with her shit, it was like a broken soft-serve ice cream machine, pumping directly into his esophagus! There was nothing he could do to stop the hot shit from moving into his stomach, He closed his eyes, salty tears running down his cheeks as she moaned above him.

BBBFSPPPFPppPBBbBBbbrpppppr

Sophia laughed as she let a messy fart loose inside of Jimmy's already full mouth! It splattered messily against the feces before forcing a sloppy blob of shit out of Jimmy's nose! He could see her look back and laugh down at him, a grin of pure joy painted across her young face.

"Gawd, that stinks, I can't imagine what it tastes like! I don't have to though, I'll never have to eat shit I'm perfect, unlike you, I can't believe mom didn't tell me about you earlier! Probably because it would be illegal. I would have gladly used you though, just so you know!" Sophia laughed as she pushed, grunting with a feminine squeal.

Jimmy was so humiliated, he thought he had sunk to his lowest point with Brittany, but this was so much worse. His throat was filled with soft shit but Sophia was far from done, it was like she hadn't shit in weeks! Her asshole continued to pucker, pushing out more, and more and more, and more, until Jimmy could feel the mushy shit backing up in his throat.

Jimmy pushing his tongue upwards, it was covered in shit but he searched for Sophia's asshole. He began to gag from the spicy flavor of her feces as he found her anus, it was puckering in his mouth, pushing down. He shoved his tongue up inside, desperately trying to block her shit and stop the assault, he physically couldn't fit any more inside of him!

"What are you doing?" Sophia laughed!

"I'm not finished yet! I always take really long morning dumps!" Sophia wiggled her ass on Jimmy's face keeping his nose in her sweaty ass crack.

"SO GET USED TO IT!"

Sophia grunted and Jimmy felt his tongue being propelled from her anus, it shot back into his throat as a rush of shit flowed over it and down into his esophagus. For the first time in over twenty years, Jimmy actually wished Brittany was back here with him, at least then she could control her daughter.

He could taste the seeds and grains in her feces now, she was nearing the end of her shit and the waste was becoming wetter and wetter! There were bits of broccoli, tiny poppy seeds, and worst of all, full pumpkin seeds! The flavor was beyond foul but Jimmy didn't need to force himself to swallow, Sophia did that for him as more and more shit blasted out, pushing whatever was in his mouth down his throat. While staring up her back, Jimmy blacked out, he had so little air and was so full of shit, his body physically couldn't take anymore! When he woke up, Sophia was still above him, cleaning her ass crack with a thick wad of toilet paper. She turned and began stuffing the shitty paper into his mouth as her eyes went wide with surprise!

"Oh, you're awake! Perfect!" Sophia said while pulling up her pajama pants. She began fiddling with her phone above Jimmy, clearly unbothered by the odor in the bathroom, maybe she was used to her own scent.

"Look!" She smiled and held her phone screen down facing him, His mouth was still stuffed with many clumps of shit filled paper! The phone had a picture on the screen, it was of two gorgeous young women, both flashing their asses! Both of them had fat juicy asses, the kind most men would dream about having their face between, but Jimmy knew his face would be there for a different purpose.

“My best friends, Alanna and Carly are coming over, they are on the way right now! So I hope you are hungry! Both of them held in their morning shit and I **CAN’T WAIT** to show off my new toilet!” Sophia smiled as she pulled her phone back and began texting.

“I have to go take a shower and get dressed! Also, it reeks in here! Make sure you finish all of that crap in your mouth before they arrive! Okay!” Sophia waved and left the bathroom closing the door behind her to keep the odor locked inside. Jimmy began crying.
