# Dylan and the Irresistible Potent Penis Potion Part VIII

Previously on Dylan and the IP<sup>3</sup>. Dylan has drunk a magical potion that made his cock irresistible to any woman who sees it. After quite a few adventures Dylan tried to get the girl of his dreams (Nicole the waitress) with his magically enhanced cock, but Tiffany – another nosey waitress – came in between, one thing lead to another and finally to a foursome inside the pub's restroom. (Dylan plus three hot waitresses!)

Anyway, Dylan got Nicole's number as she was swooning all over his cock during said foursome, and now he plans to call her up for a date this weekend... Let's see how that plan's going to work out...

## Featuring

Dylan... the guy who drank the potion  
Serenity... A delivery girl  
Nicole... A waitress Dylan has a crush on  
And many more at the sidelines...

I can't wait  
to phone up  
Nicole!

I can't believe  
I finally go her  
number! *And  
had sex with  
her!*

She might still  
be sleeping...  
and I don't want  
to appear... too  
eager? I guess...

But I guess  
I should not  
call this  
early...

Let's see what's  
on TV and make  
a nice breakfast  
first.

*A very unusual situation unfolds before my very own eyes.*

Let's see...  
What shall I eat?

I'm Irene Fortune from Channel 69 and I'm here at 356 Calington Street.

Where quite a few women are banging on the entrance door to this residential complex.

Give me that dick!

COCK!

I want it!

We currently don't know what is going on here, but reports are indicating that even more women are on their way here!

These women are loudly articulating their need for... penis!

A woman with blonde hair in a bun, wearing glasses and a floral-patterned dress, is shouting with her mouth wide open and hands outstretched. She is standing on a concrete sidewalk. Three speech bubbles are overlaid on the image, containing explicit text.

Dick!  
Please! Let  
me in, Dylan!  
I need your  
dick!

I'll show you  
the time of  
your life.

Just let  
me see  
that dick.

Dylan!  
Please, I  
love your  
dick!

Give me  
that dick!

Cock!

I've got  
big boobs.  
Let me in,  
Dylan!

I want  
it!

Let me  
through. I'm a  
cheerleader. I  
know how to  
handle dick!

I can't wait to see the dick, in real!

Excuse me, girls. Are you here for number 356?

Indeed we are!

I know what you mean! And to think that cock lives so close by!

If you don't mind me asking. What is driving all these women to this place?

The world's most perfect cock resides in that building!

Haven't you seen it?!

A screenshot from a video game showing two female characters in cheerleader outfits standing on a city street. The character on the left has her hand on her hip and is wearing a red long-sleeved top and a black skirt with red and white trim. The character on the right has her hand on her chest and is wearing a black halter top with red and white trim and a black skirt with red and white trim. The background shows a brick building with a metal fence and a sidewalk with trash cans.

Yup!  
I can't wait  
to blow him!

And we are  
going to get  
our fill!

356

Oh, I know! The anticipation is killing me!

Just imagine how it will feel down there, you know.

I don't get it... What is going...

Excuse me for a moment.

*What was that? ...  
Mhm... Okay!*

356 Calington Street. That's where I live! Is something up?

The fuck?!

I've just got new info  
from headquarters!  
We'll now be switching  
to my Colleague Yara  
who is currently with  
the girl who started  
this... hype!

Please!  
Let us in!

Hello, viewers!  
I'm Yara Crance  
and I'm reporting  
live from this  
girls flat.

Her name's  
Tiffany and over-  
night her social  
channels basically  
exploded!

Half a billion clicks, in one night! What do you say to that, Tiffany?

I still can't believe it. It's like a dream!

Now, of course, we all want to know. **What did you post?** And what does it have to do with that certain place at Calington Street 356?

Wow... 500 million clicks!... **Sorry!** Still can't believe it. Err.. Yes. I... really just posted a single **dick pic!**

Excuse me.  
Did you say,  
you posted a  
**dick pic?**

**Yup!**  
Here, it's this  
one. Isn't it the  
most beautiful  
thing you have  
ever seen?

**OH, MY GOD!**  
It... it is!  
Irene, are  
you seeing  
this?

No, sorry the camera is not... oh, yeah. I can see it now...

Let me in!

Cock!

Dick!

Please!

Wow!

I've never seen anything this beautiful!

So... alluring!

I want it!

**Dylan!**  
If you are watching this: Please! Let me in! I'll do anything to please you!

Cock!

I love your dick!

I'll do anything!

I want your babies, Dylan!

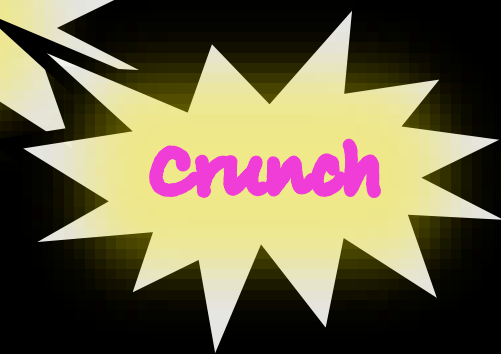

PLEASE!

Cock!

Fuck this!  
I quit!

Dylan's  
dick, here  
I come!

**FUCK!**

Where is that stupid site!?

*Dylan!*  
*If you are watching this: Please! Let me in! I'll do anything to please you!*

Those chicks are going to eat me alive!

I can't please that many women!

My cock will fall right off!

Probably worse ways to go... but still!

**Hah!**  
There it is!

**Jack K. wrote:**

I don't know if there is an actual use for this potion. I bought it to counteract the effects of the IP<sup>3</sup> Potion as I don't have the bucks to buy an Effect Remover! And what can I say... it kinda solved the problem. Turns out that if women can't see your magically enhanced cock they don't get interested in it... Anyway... Women are now kinda creeped out when I drop my pants to "not" show them my dick... so I just feel fucked over with all these potions!

Err... Hi!  
My name is Gabriel

But with Miss  
Fortune's ...  
unexpected  
behaviour I'm  
jumping in.

Give me  
that dick!

I really don't get it. What is going on here?

I mean. I saw that dick pic too. It's not a small one...

But really... I don't see much a difference from my own...

Oh, shut your trap, Gabe!

Your pathetic Wiener can not even compare to this masterpiece of a cock!

I've amassed a harem of 12 girls due to the Irresistible Potent Penis Potion and it got more troublesome to keep up with all the ladies each day who were after my dick 24! But thanks to this potion everything is working out splendidly! The girls work and bring home the money and give them their needed D enjection whenever needed and enjoy it. Heck, I'm getting a BJ while writing this. LOL!

**Stupid Joe wrote:**

This stuff is too strong! I'm having a hard on 24 seven. Everybody thinks I'm a pervert!

## Reviews:

**Jacob L. wrote:**

Effect remove my ass! Used the IP<sup>3</sup> previously, got too hot, so I drink this shit. Just made it worse! I'm hunted by an army of women who think I've got the world's most awesome dick... You don't want to imagine their reactions when they see I don't have it anymore!

**Support wrote:**

Very sorry to hear that, Jacob. But as you can see in the small print, we explicitly stated that this would only remove the effect on yourself. In your case, we would advise to purchase the All Clean.

I guess this is how you guys make money... First, you have us fuck up with your stupid low-cost potions and then we need to purchase this to get our lives back. Fuck you!

The All Clean works though... but I'm still pissed about the price!

*Oh, my god!  
Can you  
believe this?!*

Oh, fuck!

Change of action!  
The women have  
stopped hammering  
on the door!

They seem to  
be waiting for  
something...

Oh, no!

Hee Ho!

Go, go, girls!  
We can do  
this!

Go  
Team!

A group of  
women around  
Miss Fortune has  
acquired a large  
piece of wood...

... I mean real  
wood! I fear... They  
are going to use it  
as a battering ram!

Full force!

Again!

The door just withstood their first advance.

But how much longer can it endure?!

Faster!

Do it!

Okay,  
fuck this!

I just hope  
that potion  
comes in  
time...

dong

Err...  
Hello?  
Who is it?

Delivery!

Got a  
package for a  
Mr. Roberts.

**No, Sir.**  
But it's a special kind a delivery. I need to supervise you unpacking it.

Toots unusual!  
But what can I say, sender paid for it.

Thanks!  
Do I need to sign somewhere?

Wow!  
That was really quick.

Errr... okay?  
That's kind of unusual isn't it?

Alright.  
Let's get  
this done.

That's quite a  
commendable  
work ethic.

Wow. Are you  
seeing this?

It's really  
crowded in  
front of this  
house.

I had to ninja  
myself in by using  
the emergency  
fire escape  
ladder.

*So, I guess we can all agree that this Dylan's dick does something to women...*

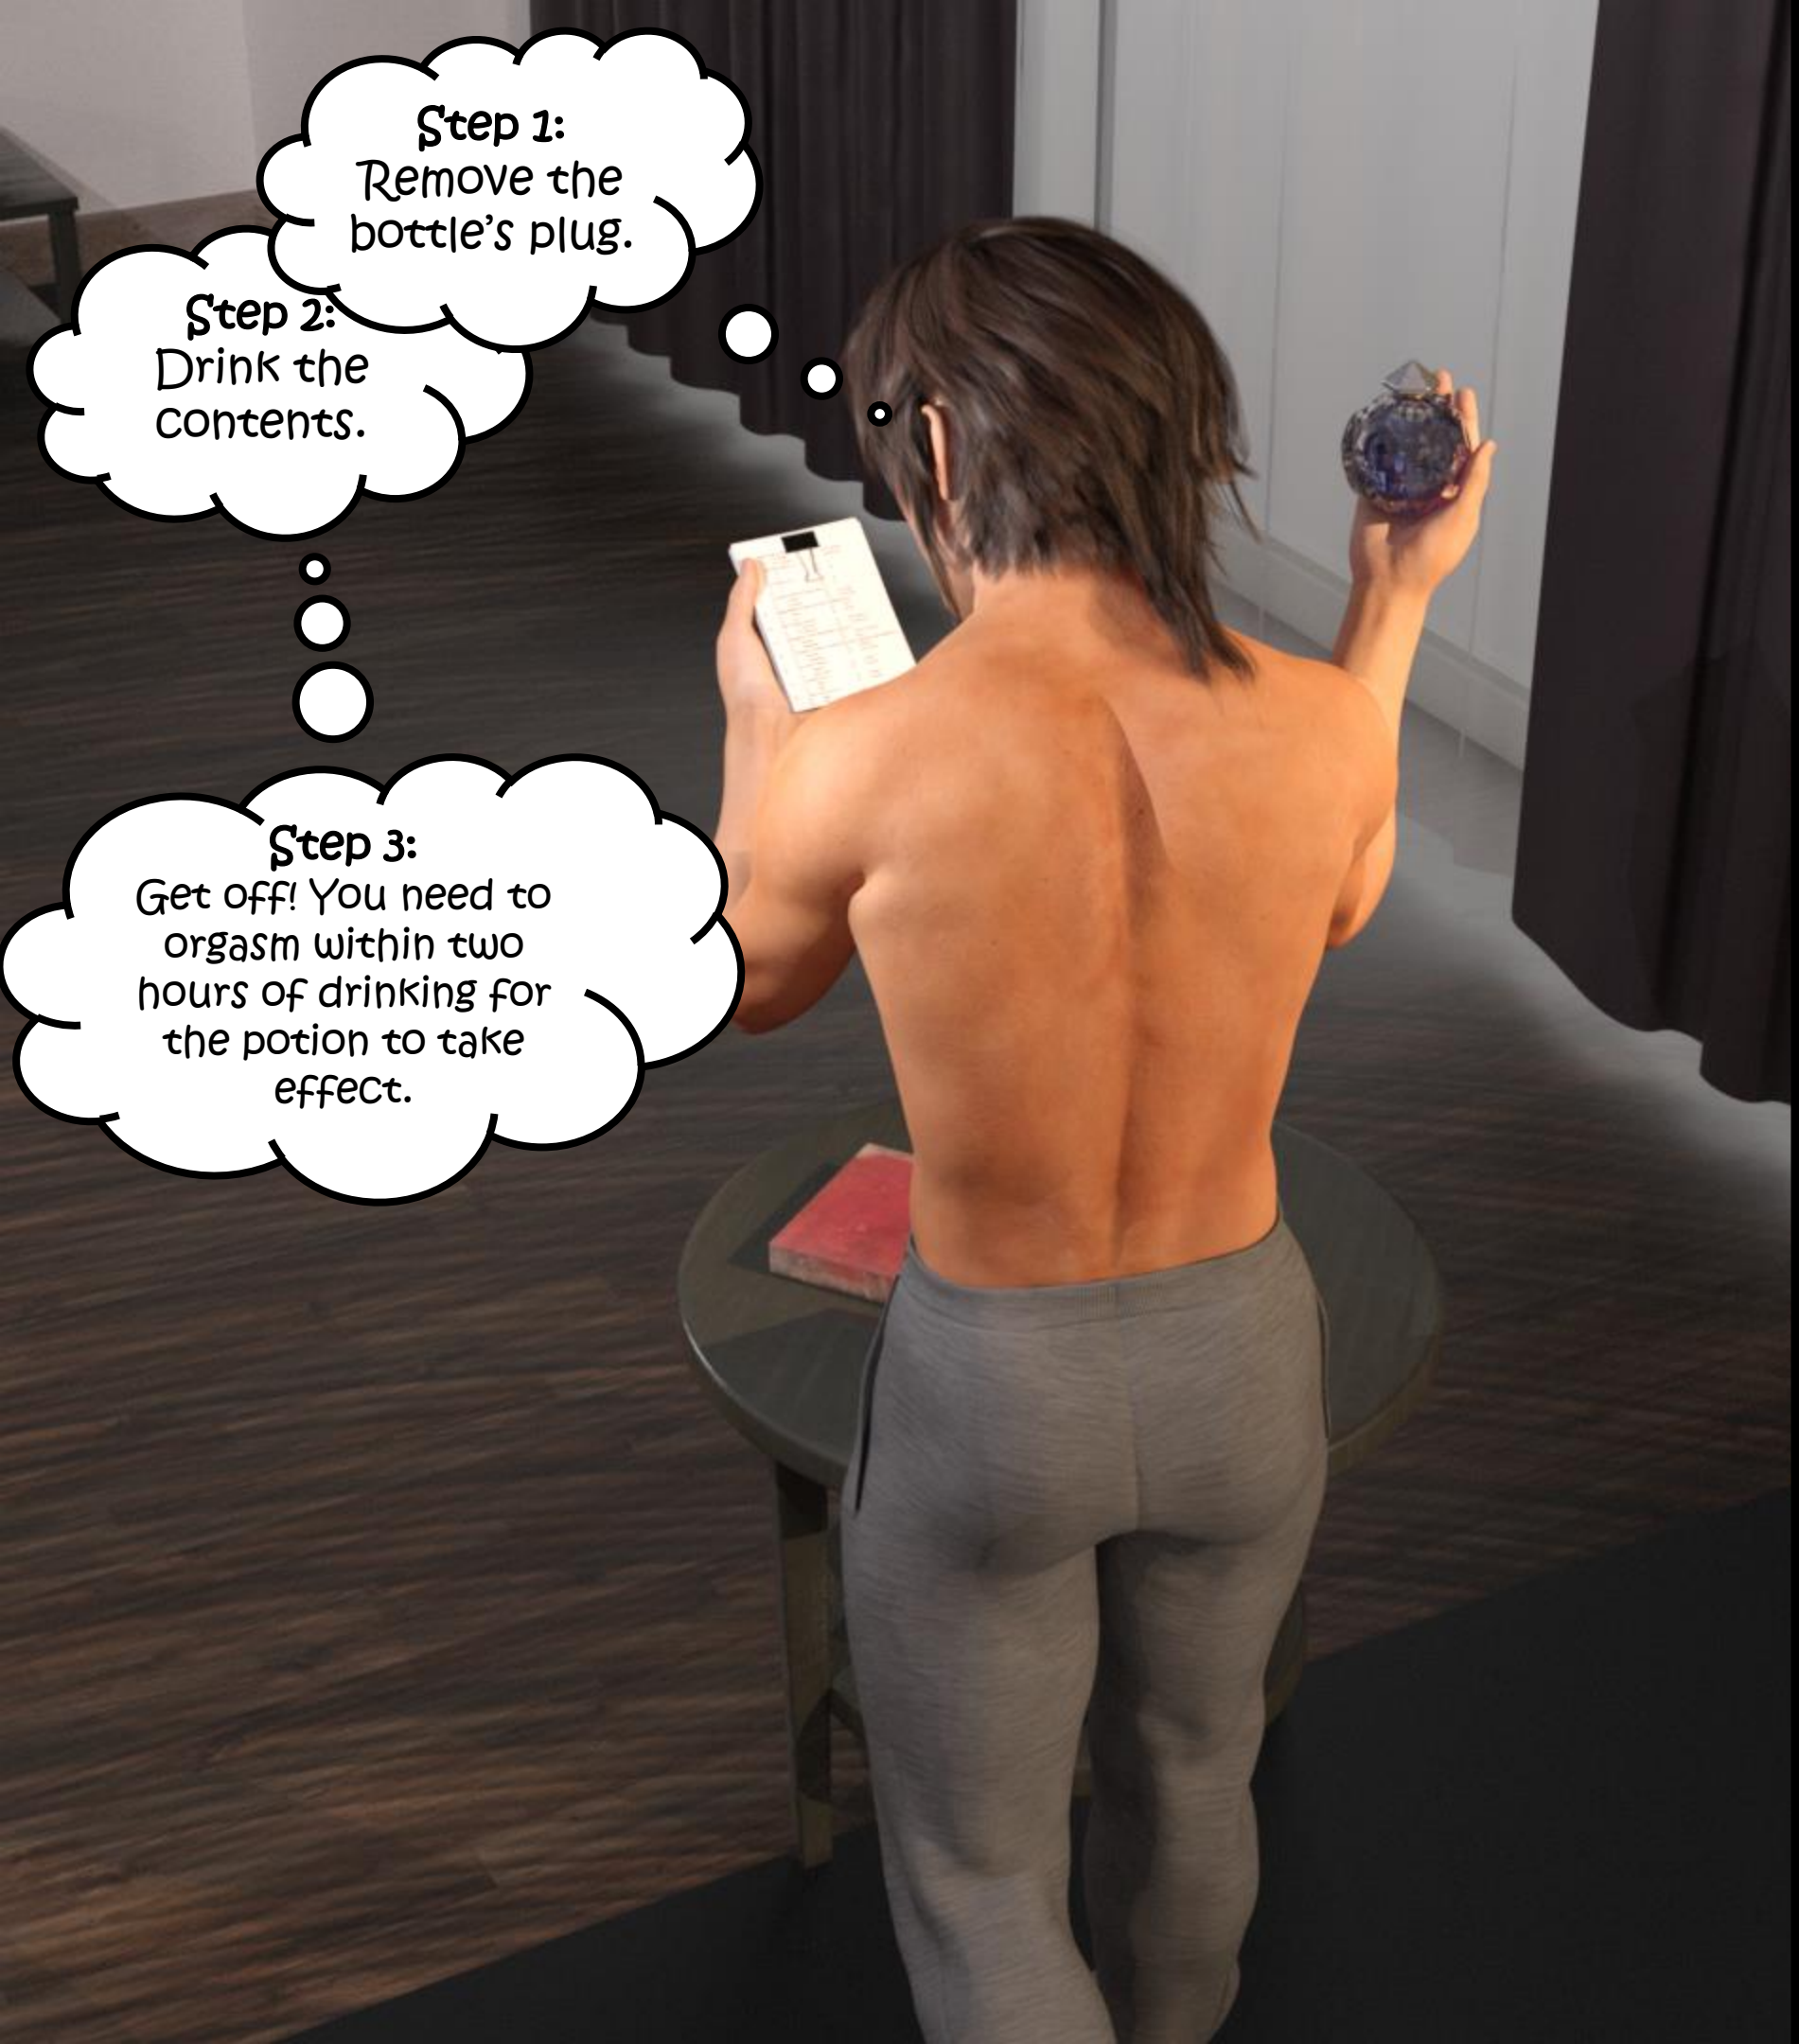

*So, please, if you are a woman. Do not look at the dick pic the idiots at headquarters are showing in the split screen right now...*

Dylan... Dylan Roberts? They talking about you?

Yeah.

Long story.

**Step 1:**  
Remove the  
bottle's plug.

**Step 2:**  
Drink the  
contents.

**Step 3:**  
Get off! You need to  
orgasm within two  
hours of drinking for  
the potion to take  
effect.

So... if that's true...  
that... miraculous  
cock... resides  
within those gray  
sweatpants?

I want to  
see it in  
action!

The fuck?  
Well, whatever.  
Let's drink this  
fucker...

Maybe show  
a little bit  
of skin...

So, I've received the package. You can go now, right? I really need some priva... \*gulp\*

**GULP**

Oh, Mr. Roberts. That really your dick on TV?

Is that marvelous piece of COCK really there hidden in your pants?

Well... I guess the orgasm is part of the delivery!

She tastes of bubblegum. That's cute!

*kiss*

I can't wait to see it!

Hello, Gabriel White, Channel 69. May I ask how you plan on resolving this situation?

Well... I guess I should have seen this coming...

Alright, girls! Listen to me. You have to put your back into it. Let's crack this door open! **On three!**

To get a bit farther away from the distracting TV, Dylan and the delivery girl have switched from the couch to the kitchen table.

Keep fucking me...  
Keep fucking me for as long as you can!

That sticky  
feeling on  
my face...

It's nice!  
I love it!

Oh, boy.  
That was  
great!

I'm gonna  
miss this...

Mmhhh!  
It even tastes  
delicious!

Wow!  
I think I'm  
getting  
addicted.  
\*giggle\*

You can  
jizz on me  
any...

Wait...  
where...  
what...

Hm... I'm not feeling  
any different.  
Shouldn't the potion  
start working now?

No more glow effect from a  
female perspective. Magical  
cock enhancement... **GONE!**

Oh, my  
god!

What am I  
doing...

Is that...  
Oh, dear!

Errr... it's fine. You really don't have to....  
Run.

Oh, my god.  
Oh, my god.  
Oh, my god.

What have I done?!

A short moment later...

I'm really sorry!

I usually... don't do stuff like this.

I need to go. Bye!

Wait! You... Er... should... I mean...

**THUNK**

You still got  
some on  
your face...

And off she  
goes...

**THINK**

Dylan decides to stop thinking about the cute delivery girl and leans back on the couch.

Let's see what's going on out there...

I'm Gabriel White, reporting from 356 Calington Street.

The mysterious gathering of dozens of women has suddenly come to an end.

What were these women doing? Why had they gathered here? And why are they leaving now?

And why was our star reporter Miss Fortune...

THINK

Give me that, idiot! Back in the van with you!

This is Irene Fortune from Channel 69.

Will we ever find out what happened here today?

Or will this stay another unsolved mystery?

Tune in on my show where I'll discuss with conspiracy theorists about what has really occurred!

**\*Pheew\***  
That potion really did what it promised...

Guess I cut it quite close this time... But am I happy?

Am I going to miss being adored like that...

Guess I'm back to being normal dorky Dylan working in IT now...

Having lost his magical cock powers Dylan does not have the balls to call up Nicole and spends the rest of the weekend alone at home... **The End?**

**Two days later...**

Dylan is back at his favorite bar after a hard day at work...

Hey, there.  
One beer, right?

Errr... Yes.  
But... I  
didn't order,  
yet.

It's a bit hazy, but yeah.

You were banging Ally and Tiffany like there was no tomorrow. Those are the two hottest sisters I've ever seen.

But you only had eyes for me.

I really liked that!

Look... I...I...I'm sorry... I...

Wait... what?

The End.

# Thank you for reading!
