

That must be where Crush is..!

He is so dead when I find him!

ugh  
God, I'm so fucking pissed off.

Honey?

Hm?

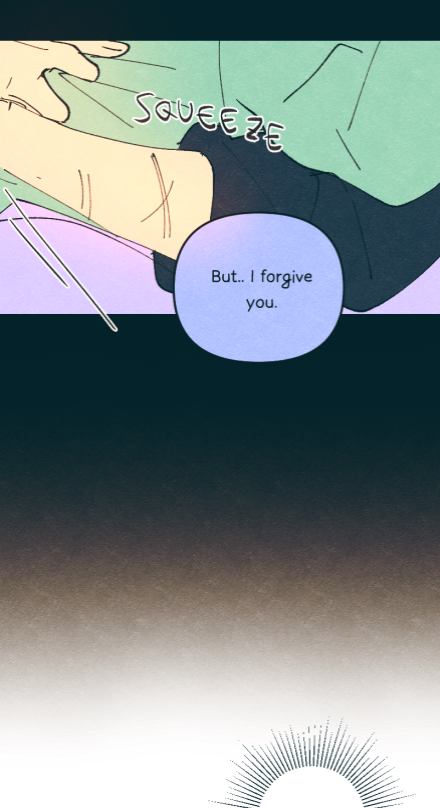

Can I ask you something?

I mean, you're already asking, so..

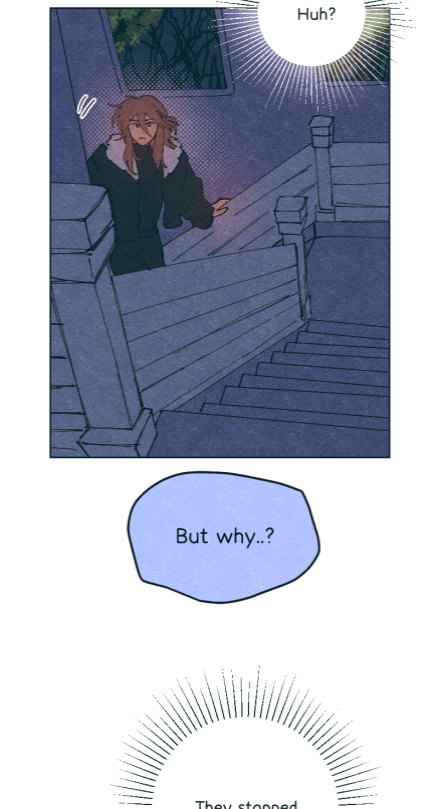

Haha, that's true.

What's on your mind?

What's on my mind..?

Well, I still can't believe we're together..

The day we reunited.. You were so angry at me

I thought I lost you for good.

Yeah, I mean, I'm still a little pissed about it.

SQUEEZE

But.. I forgive you.

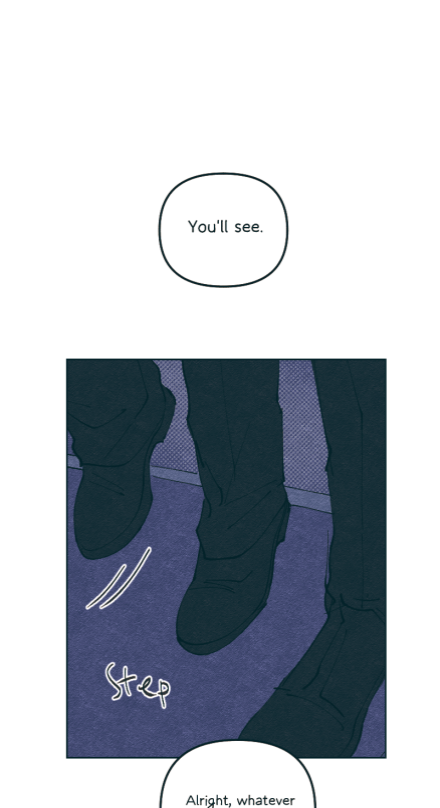

Huh?

But why..?

They stopped..

Okay, before we go in..

I need you to keep your mouth shut, okay?

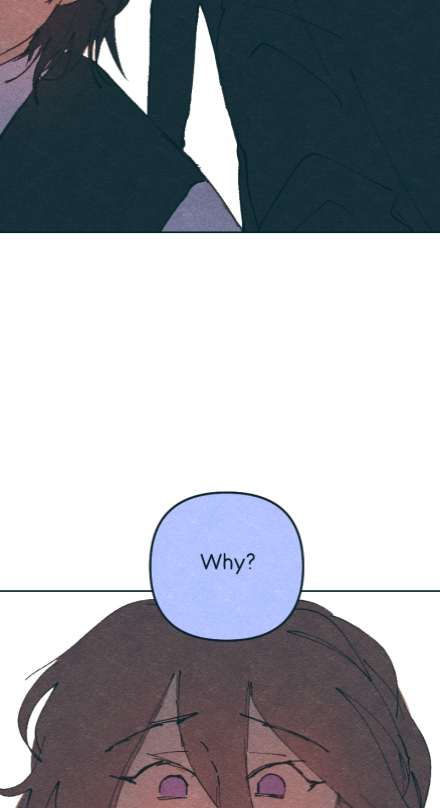

Eh? Okay.

DONT freak out.

Why would I freak out?

You'll see.

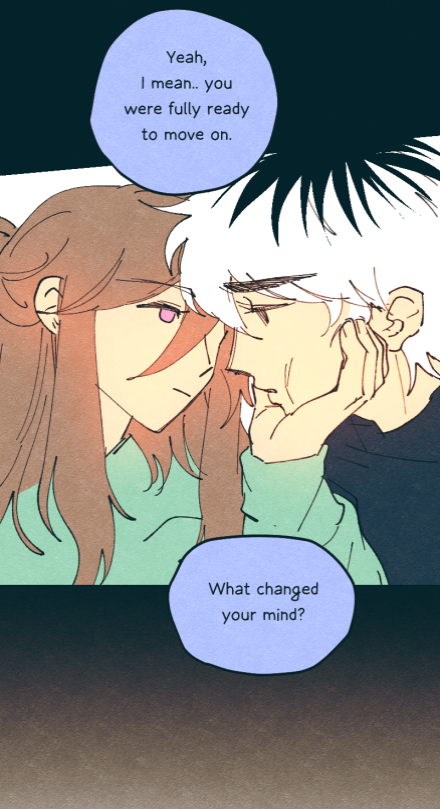

Step

Alright, whatever you say, cutie.

HOLY SH-

Shhhhhhh

Why?

You're asking me why I forgave you?

Yeah, I mean.. you were fully ready to move on.

What changed your mind?

Lots of things..

That sleepover while you were drunk,

the fact that you volunteered to take my punishment..

Fuck, he didn't tell me he got stabbed..

Crush? Can you hear me?

Woah..

The phone call I had with Yao and bamae..
