My name is Amy and I am a senior in high school. My mother passed away several years ago and I live alone with my Daddy. Growing up I never knew what my daddy did for a living. Often there would be days that he did not come home till way late at night. On days like that he would be really tired and go right to bed without even taking a bath first.

Recently one of my friends at school lent me a porno magazine. I don't remember the title off the top of my head, but I did find the man on the cover quite attractive. Now I may be a virgin, but I would not consider myself pure and innocent. I have seen porn before and do masturbate on occasion, but what I found in the pages of that magazine changed my life.

I discovered daddy was a porn star and there was a whole article dedicated to him. There were many pictures that I found extremely arousing. The article gave names of popular skits that he was in. I know I should have just stopped there and thrown away the magazine, but the temptation was too strong. I had to see them and I managed to find videos of skits he did online. Every single one of them were daddy/daughter roleplays.

The girls he was fucking in the videos were just a couple years older than me. I was so turned on. I must have masterbated to my daddy's videos countless times. It was official. I had a daddy fetish. From that point on whenever daddy came in late and passed out in the bed, I would sneak into his room. I would record myself sucking him off and later masturbate to it.

Tonight was another one of those nights that daddy had come home dead tired.

(Engage whisper mode) Daddy, are you asleep? Daddy?

I'll sit my phone here and hit record.

The smell is so heavy. Daddy must have really gone at it tonight. But I'm sure he has plenty left for his precious little girl, right? (begin blowjob)

I love this scent, daddy. It's so intoxicating. It's faint, but I can taste daddy's cum and the pussy juices of a woman. Oh how I wished it could have been me. To have daddy's dick deep inside my pussy. Just thinking about it gets me so wet.

Oh, daddy's penis is twitching. That means he's about to cum. Please daddy, unload all your sperm in my mouth. (Daddy cums)

Mmmm look at that cock. He is still so hard right now. This is my chance. No more fooling around. This time I'm going to take it inside me. But first we should put on some protection. I hope this condom is the right size.

Quietly now, I must not wake him. (Initiate cowgirl)

Oh daddy, I can feel your massive cock pressing against my pussy. I'm already so wet from the thrill. Oh daddy, it's splitting me apart. You're bigger than any dildo I ever had. Just a few more inches and... Okay, he is all the way in now. I'm just going to take a few moments to catch my breath.

I think I'm ready now. I'm so sorry Daddy for being such a naughty girl? I know this is wrong. I'm fucking my daddy and my body is enjoying it? A daughter should not be feeling this way about her daddy, but I can't help myself.

It feels so good daddy. I should have done this a long time ago. I don't think I can go a night without your cock anymore. Oh my god daddy. Any more of this and I'm going to...

(She orgasms) (No more need to whisper)

Daddy, I was um... Please don't hate me Daddy.

What do you mean you were awake from the beginning? Wait, you were awake for those times too? So does that mean...

(passionate kiss) I'll take that as a yes.

What? You want to change positions? Okay daddy, I'm ready. Take me from behind and make me your little breeding bitch.

Oh my, this feels completely different from doing it myself. Oh god daddy, it's amazing!

Daddy, you're reaching my deepest spot. I feel it pounding against my womb. Oh daddy it feels so good. I don't care if you do it with other women as long as you save some of that baby batter for me. This naughty body of mine is made for you daddy. Take good care of it.

Oh my goodness daddy, I think I'm going to come soon and from the look on your face you are too. It might not be my safe day, but I want you to cum inside, daddy. I want you to paint my pussy white with your hot cum. Fill me up daddy. Pump your seed into your precious little princess. Breed me. Make me belong to you and only you. Please daddy, I want it so bad and I'm ready to have your baby. Cum inside me please.

(they come together) Oh yes daddy, fill your baby girl with your cum.

That was incredible, daddy. Look, you filled the condom like a balloon. Daddy? What with that look? Did you forget you were wearing a condom? I was quite the little actress wasn't I daddy. I'm a regular chip off the old block.(giggles) Perhaps we can make our own videos. You know, I think I'll start taking the pill tomorrow. Then we can go bareback and you can come inside me for real, daddy.

I think I'm a little tired now. Do you mind if I sleep with you? I want to rest with your arms wrapped around me in a warm embrace.

I love you daddy. I hope you have sweet dreams.
