

Go with John :

-messenger, John-

Carla : All right, fine, I'll come with you

John : Smart choice!

John : You're saving my life sis

C: I'm only doing it because I don't have any choice

J: That's true haha

J: Maybe you could just pretend to be a nice sis for once

J: I don't know what I did to deserve your apathy

C: ...

J: I gave you so much

J: (cum)

C: Anyway!

J: No later than this night even

C: You did it again??

J: Of course

J: Wanna know what I did?

Choice :

-Eww, no! (corruption decreased)

-What did you do? (corruption increased)

Eww, no! Choice :

J: That's a shame

J: Because I had a really good time

J: Why are you acting like you're such a perfect girl?

J: I know you're nasty too

C: What are you talking about?

J: I spied on you, I always did

J: You masturbated a lot

J: You moaned like a whore, while watching porn on your phone

J: The walls are thin, sis

C: ...

J: And you didn't even close the door completely

J: Did you want your brother to spy on you?

C: Of course not!!

J: I know you're just a dirty slut who's lying to herself

C: That's not true, at all

J: Whatever

End of eww no choice

what did you do choice

J: Well, I came into your room

J: I think it was something like 2am

J: I removed your blanket, as usual

J: You were sleeping soundly... as usual

J: Honestly I don't get how you can be in such a deep sleep
J: Do you suffer from some kind of narcolepsy or smth?
C: I... I don't know...
J: Anyway
J: You were in shirt and panties
J: It was your black stripped white panties, you know?
J: I used them so many times when I was younger haha
J: Not knowing I could have the real deal so easily!
C: You jerked off in my panties??
J: Oh yeah, so many times
J: I blew multiple loads in every panties you own
C: I can't believe it...
J: But anyway, we're talking about last night
J: So I just took off those panties of you
J: I was already so hard haha
J: You were laying on your stomach, so I had full access to your
ass
J: I saw it so many times, but I never get enough of it
J: I started jerking off, rubbing your butt
J: I fingered you a little
J: Both your holes
C: My god...
J: And then I blew my load
J: All over your ass and ass crack
J: SLEEPCUM.PNG
C: At least you didn't fuck me
J: And then I fucked you hahaha
J: All those years of jerking off trained me to to reduce the
cooldown between two orgasms
J: It's all thanks to you sis!
J: If not for your perfect ass, I would never have jerked so much
C: Fuck you...
J: ;)

End of what did you do choice

John : Anyway, I need you to be really nice to my friend
C: Why do you owe him money?
J: None of your fucking business
J: I don't need you to think
J: You're just how I pay him back
C: ...
J: So get ready, and we'll go

I wrote everything at once in the diary, but of course it's
supposed to appear bit by bit with the player's clicks ###

This day was... Alright? I mean, it was bad, I did some sick stuff for John, but it was better than what he usually makes me do. His friend jerked off and came on me... I just had to wait for him to blow his load. Well... His loads. We stayed a few hours. He made me stay still, and came back every time he could shoot again. I had to keep his cum on me...
Of course, John participated once, and he came on me too. There was so much semen...
